## Section 8 – Other Events

### Item 8.01. Other Events

On December 7, 2018, TSR, Inc. (“TSR” or the “Company”) issued a press release announcing an update to the Company’s previously announced strategic alternatives process. After careful consideration, and based upon the unanimous recommendation of the Special Committee (the “Special Committee”) of the Company’s Board of Directors (the “Board”), the Board has decided that it is in the best interests of the Company and its stockholders to pursue one or more strategic acquisitions. Since its previously announced formation on July 9, 2018, the Special Committee has been considering and evaluating strategic alternatives to maximize stockholder value. The Special Committee performed a comprehensive review and evaluation of various strategic alternatives available to the Company and has determined that the strategic acquisition of one or more businesses operating in the same business sector as TSR or a complementary business sector is in the best interests of the Company and its stockholders and has recommended to the Board that the Company begin actively pursuing potential acquisition candidates.

In connection with its strategic review, the Special Committee retained CoView Capital, Inc. (“CoView”) as its independent financial advisor and Farrell Fritz, P.C. as its independent legal advisor. Under the terms of its engagement, CoView has provided the Special Committee with an analysis of various strategic alternatives and will continue to provide customary financial advisory services to the Special Committee in connection with the Company’s pursuit of one or more strategic acquisitions. The Company has agreed to pay CoView customary fees for its services as financial advisor and to indemnify it against certain liabilities in connection with such services.

In reaching its unanimous decision to recommend to the Board that the Company pursue an acquisition strategy, the Special Committee reviewed and considered the analysis and recommendations of CoView, including a report by CoView identifying potential acquisition candidates. The Special Committee believes that acquiring a business that is a good strategic fit will expand the Company’s customer base and improve profitability, and would be in the best interests of the Company and its stockholders. The Special Committee has been authorized, with assistance from its legal and financial advisors, to begin approaching certain potential acquisition candidates, evaluating the merits of and negotiating acquisition target proposals and agreements, and taking other actions necessary to facilitate the consummation of such a transaction.

Christopher Hughes, President of the Company, said “The Special Committee and its advisors conducted a disciplined and independent strategic alternatives process to ensure the best outcome to maximize value for stockholders. The Board believes that pursuing a strategic acquisition is in the best interests of all TSR stockholders.”

The Company cautions its stockholders and others considering trading in its securities that there is no assurance that this decision will result in any acquisitions being announced or consummated. The Company does not intend to discuss or disclose further developments during this process unless and until the Board has approved a specific action that requires disclosure or otherwise determined that further disclosure is appropriate.
