Corporate Structure

Our organizational chart as of March 18, 2019 is as follows:

Operating Subsidiaries

Pursuant to certain agreements establishing the variable interest entity relationship that were executed in January 2011, Kandi Vehicles is entitled to 100% of the economic benefits, voting rights and residual interests (100% of profits and losses) of Jinhua Kandi New Energy Vehicles Co., Ltd. (“Kandi New Energy”). Kandi New Energy currently holds battery pack production licensing rights and supplies battery packs to the JV Company (as such term is defined below).

In April 2012, pursuant to an agreement with the shareholders of YongkangScrou Electric Co, Ltd. (“YongkangScrou”), we acquired 100% of YongkangScrou, a manufacturer of automobile and EV parts. YongkangScrou currently manufactures and sells EV drive motors, EV controllers, air conditioners and other electric products to the JV Company.

Table of Contents

In March 2013, pursuant to a joint venture agreement (the “JV Agreement”) entered into by Kandi Vehicles and Shanghai Maple Guorun Automobile Co., Ltd. (“Shanghai Guorun”), a 99%-owned subsidiary of Geely Automobile Holdings Ltd. (“Geely”), the parties established Zhejiang Kandi Electric Vehicles Co., Ltd. (the “JV Company”) to develop, manufacture and sell EV products and related auto parts. Each of Kandi Vehicles and Shanghai Guorun has 50% ownership interest in the JV Company. In March 2014, the JV Company changed its name to Kandi Electric Vehicles Group Co., Ltd. At present, the JV Company is a holding company and all products are manufactured by its subsidiaries. In an effort to improve the JV Company’s development, Zhejiang Geely Holding Group, the parent company of Geely, became a JV Company shareholder on October 26, 2016, through its purchase of the 50% equity of the JV Company held by Shanghai Guorun at a premium price (a price exceeding the cash amount of the aggregate of the original investment and the shared profits over the years). On May 19, 2017, due to business development, Zhejiang Geely Holding Group, Ltd. (Geely Holding) transferred its equity in the JV Company to Geely Group (Ningbo) Ltd., a company wholly owned by Mr. Li Shufu, Chairman of the Board of Geely Holding. On May 23, 2018, in order to obtain the manufacturing license, according to the recent notice (FGBCY[2018] No.547) from the National Development and Reform Commission in China, the JV Company increased its registered capital by RMB 1.09 billion (approximately \$165 million), of which Kandi Vehicle increased its capital contribution to the JV Company by converting its RMB 545 million (approximately \$79 million) loans to the JV Company to registered capital in the JV Company. Geely Group, Ltd. (“Geely Group”) became a new shareholder of the JV Company by investing RMB 545 million (approximately \$79million). After this restructure, Kandi Vehicles, Geely Group and Geely Group (Ningbo) Ltd., each own 50%, 26.08%, and 23.92% of equity in the JV Company, respectively.

On March 21, 2019, Kandi Vehicles entered into an Equity Transfer Agreement (the “Transfer Agreement”) with Geely Technologies Group Co., Ltd. (“Geely”) to transfer 21.47% of its equity interests in the JV Company to Geely for a total amount of RMB516 million (approximately \$76.9 million). Before the transaction contemplated by the Transfer Agreement takes place, the JV Company agrees to convert a loan of RMB314 million (approximately \$46.7 million) from Geely last year to equity in order to increase its cash flow. As a result, the registered capital of the JV Company shall become RMB2.44 billion (approximately \$363.2 million), Kandi Vehicles shall own 43.47% and Geely shall own 56.53%, of the equity interests in the JV Company, upon the conversion of the loan into equity in the JV Company. After the completion of the equity interests transfer referenced above, Kandi Vehicles shall own 22% equity interests of the JV Company and Geely and its affiliates shall own 78% equity interests of the JV Company. The transfer is expected to be consummated within six months from the completion of the ownership updates of the JV Company with the State Administration and Industrial and Commerce bureau.

In March 2013, Kandi Vehicles formed Kandi Electric Vehicles (Changxing) Co., Ltd. (“KandiChangxing”) in the Changxing (National) Economic and Technological Development Zone. KandiChangxing is engaged in the production of EV products. In the fourth quarter of 2013, Kandi Vehicles entered into an ownership transfer agreement with the JV Company pursuant to which Kandi Vehicles transferred 100% of its ownership in KandiChangxing to the JV Company. We, indirectly through our 50% ownership interest in the JV Company, have a 50% economic interest in KandiChangxing.

In July 2013, Zhejiang ZuoZhongYou Electric Vehicle Service Co., Ltd. (the “Service Company”) was formed. The Service Company is engaged in various pure EV leasing businesses, generally referred to as the Micro Public

Transportation (“MPT”) and other EV share programs. Kandi Vehicle had a 9.5% ownership interest in the Service Company. After various tests and thorough assessments in the last five years, we determined that a large sum of capital still needs to be invested in order to increase the size of EV share programs. After considering Geely Group’s ability to grow the Service Company’s business to be stronger and more expansive and a successful growth of the Service Company would have positive impact on the development of the JV Company’s business, Kandi Vehicle transferred its 9.5% of ownership interest in the Service Company to Geely Group in June 2018.

In November 2013, Kandi Electric Vehicles Jinhua Co., Ltd. (“Kandi Jinhua”) was formed by the JV Company. The JV Company has a 100% ownership interest in Kandi Jinhua, and we, indirectly through our 50% ownership interest in the JV Company, have a 50% economic interest in Kandi Jinhua. In April 2017, Kandi Jinhua was reorganized to be owned directly by Kandi Jiangsu, which is 100% directly owned by the JV Company.

In November 2013, Zhejiang Ji He Kang Electric Vehicle Sales Co., Ltd. (“Ji He Kang”) was formed by the JV Company. JiHeKang is engaged in the car sales business. The JV Company has a 100% ownership interest in JiHeKang, and we, indirectly through our 50% ownership interest in the JV Company, have a 50% economic interest in JiHeKang. In April 2017, JiHeKang was reorganized to be owned directly by Kandi Jiangsu, which is 100% directly owned by the JV Company.

In December 2013, the JV Company entered into an ownership transfer agreement with Shanghai Guorun, pursuant to which the JV Company acquired a 100% ownership interest in Kandi Electric Vehicles (Shanghai) Co., Ltd. (“Kandi Shanghai”). As a result, Kandi Shanghai is a wholly-owned subsidiary of the JV Company, and our company, indirectly through its 50% ownership interest in the JV Company, has a 50% economic interest in Kandi Shanghai.

In January 2014, KandiElectric Vehicles Jiangsu Co., Ltd. (“Kandi Jiangsu”) was formed by the JV Company. The JV Company has a 100% ownership interest in Kandi Jiangsu, and our company, indirectly through its 50% ownership interest in the JV Company, has a 50% economic interest in Kandi Jiangsu. Kandi Jiangsu is mainly engaged in EV research and development, manufacturing, and sales. As of the date of this prospectus, Kandi Jiangsu directly owns 100% of JiHeKang, JiHeKang Service Company, Liuchuang and KandiJinhua.

Kandi Hainan was originally formed in Wanning City in Hainan Province by Kandi Vehicles and Kandi New Energy in April 2013, and was transferred to Haikou City in January 2016. Kandi Vehicles has a 90% ownership interest in Kandi Hainan, and Kandi New Energy has the remaining 10% ownership interest. In fact, Kandi Vehicles is, effectively, entitled to 100% of the economic benefits, voting rights and residual interests (100% of the profits and losses) of Kandi Hainan as Kandi Vehicles is entitled to 100% of the economic benefits, voting rights and residual interests of Kandi New Energy.

In August 2016, Jiangsu JiDian Electric Vehicle Sales Co., Ltd. (“Jiangsu JiDian”) was formed by JiHeKang. Jiangsu JiDian is engaged in the car sales business. The transaction was completed in April 2018.

In November 2016, Guangdong JiHeKang Electric Vehicle Sales Co., Ltd. (“Guangdong JiHeKang”) was formed by JiHeKang. Guangdong JiHeKang is engaged in the car sales business. In March 2017, Hangzhou Liuchuang Electric Vehicle Technology Co., Ltd. (“Liuchuang”) was formed by Kandi Jiangsu. All issued and outstanding shares of common stock are fully paid and nonassessable. Shares of our common stock that may be offered for resale, from time to time, under this prospectus will be fully paid and nonassessable.

Delaware Anti-Takeover Provisions

We are subject to Section 203 of the Delaware General Corporation Law, which prohibits a publicly-held Delaware corporation from engaging in a “business combination,” except under certain circumstances, with an “interested stockholder” for a period of three years following the date such person became an “interested stockholder” unless:

before such person became an interested stockholder, the board of directors of the corporation approved either the business combination or the transaction that resulted in the interested stockholder becoming an interested stockholder;

upon the consummation of the transaction that resulted in the interested stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the

time the transaction commenced, excluding shares held by directors who also are officers of the corporation and shares held by employee stock plans; or

at or following the time such person became an interested stockholder, the business combination is approved by the board of directors of the corporation authorized at a meeting of stockholders by the affirmative vote of the holders of 66 % of the outstanding voting stock of the corporation which is not owned by the interested stockholder.

The term “interested stockholder” generally is defined as a person who, together with affiliates and associates, owns, or, within the three years prior to the determination of interested stockholder status, owned, 15% or more of a corporation’s outstanding voting stock. The term “business combination” includes mergers, asset or stock sales and other similar transactions resulting in a financial benefit to an interested stockholder. Section 203 makes it more difficult for an “interested stockholder” to effect various business combinations with a corporation for a three-year period. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging attempts that might result in a premium over the market price for the shares of common stock held by stockholders. Presently, we have not opted out of this provision.

DESCRIPTION OF PREFERRED STOCK

As of March 18, 2019, no shares of preferred stock had been issued or were outstanding.

Our board of directors has the authority to issue up to 10,000,000 shares of preferred stock in one or more series and to determine the rights and preferences of the shares of any such series without stockholder approval. Our board of directors may issue preferred stock in one or more series and has the authority to fix the designation and powers, rights and preferences and the qualifications, limitations or restrictions with respect to each class or series of such class without further vote or action by the stockholders, unless action is required by applicable law or the rules of any stock exchange on which our securities may be listed. The ability of our board of directors to issue preferred stock without stockholder approval could have the effect of delaying, deferring or preventing a change of control of us or the removal of existing management. Further, our board of director may authorize the issuance of preferred stock with voting or conversion rights that could adversely affect the voting power or other rights of the holders of our common stock. Additionally, the issuance of preferred stock may have the effect of decreasing the market price of our common stock.

SELLING STOCKHOLDERS

We have agreed to register 7,639,364 shares of our common stock which are beneficially owned by the Selling Stockholders. The shares of common stock that are being registered pursuant to the registration statement of which this prospectus forms a part were issued to the Selling Stockholders in connection with the purchase by our company of Jinhua An Kao Power Technology Co., Ltd. (“Jinhua An Kao”) and SC Autosports LLC (f/k/a Sportsman Country, LLC) (“SC Autosports”), as further described below.

Acquisition of Jinhua An Kao

In December 2017, Kandi Vehicles and the sole shareholder of Jinhua An Kao entered into a Share Transfer Agreement and a Supplementary Agreement, pursuant to which Kandi Vehicles acquired Jinhua An Kao. The two agreements were signed on December 12, 2017 and the closing took place on January 3, 2018. Kandi Vehicles acquired 100% of the equity interests of Jinhua An Kao for a purchase price of approximately RMB 25.93 million (approximately \$4 million) in cash. In addition, pursuant to the Supplementary Agreement, we issued a total of 2,959,837 restricted shares of our common stock, or 6.2% of the total outstanding shares of our common stock, to the shareholder of Jinhua An Kao, and may be required to pay future consideration up to an additional 2,959,837 shares of our common stock, which are being held in escrow, to be released contingent upon the achievement of certain net income-based milestones in the next three years. The Supplementary Agreement sets forth the terms and conditions of the issuance of these shares, including a provision that gives us the voting rights of the make good shares until conditions for vesting those shares are satisfied. The shares of common stock were issued to the Selling Stockholder in a transaction that was exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act.

Acquisition of SC Autosports

On May 31, 2018, we entered into a Membership Interests Transfer Agreement (the “Transfer Agreement”) with the two members of Sportsman Country, LLC under which we acquired 100% of the outstanding membership interests of Sportsman Country. Pursuant to the Transfer Agreement, we issued 1,719,690 shares of common stock to the owners of Sportsman Country to acquire 100% of the membership interests of Sportsman Country, with 10% of such shares (171,969 shares) being issued within 30 days from the signing date of the Transfer Agreement, and with the remaining 90% of such shares (1,547,721 shares) to be held in escrow to be released contingent upon the achievement of certain pre-tax profit based milestones over the course of the following three years. The transaction closed in July 2018. Sportsman Country changed its name to SC Autosports LLC in August of 2018. The shares of common stock were issued to the Selling Stockholder in a transaction that was exempt from the registration requirements of the Securities Act pursuant to Section 4(a)(2) of the Securities Act.

The shares of common stock beneficially owned by each of the Selling Stockholders, which were issued as a result of the transactions described above, are being registered to permit public secondary trading of these securities, and the Selling Stockholders may offer these shares for resale from time to time as described in the “Plan of Distribution.”

To our knowledge, none of the Selling Stockholders has, or within the past three years has had, any position, office or material relationship with us or any of our predecessors or affiliates, except for the following:

David Shan is Chairman of SC Autosports and Johnny Tai is CEO of SC Autosports.

The following table sets forth the names of each of the Selling Stockholders, the number of shares of common stock owned beneficially by each Selling Stockholder as of March 18, 2019, and the number of shares that may be offered for resale by the Selling Stockholders from time to time. These shares may also be sold by donees, pledgees, and other transferees or successors in interest of the Selling Stockholders.

The Selling Stockholders may decide to sell all, some, or none of the shares of the common stock listed below. We currently have no agreements, arrangements or understandings with the Selling Stockholders regarding the sale of any of the securities covered by this prospectus. We cannot provide you with any estimate of the number of shares of our common stock that any of the Selling Stockholders will hold in the future.

For purposes of this table, beneficial ownership is determined in accordance with Rule 13d-3 promulgated under the Exchange Act, and includes voting power and investment power with respect to such shares. In calculating the percentage ownership or percent of equity vote for a given individual or group, the number of shares of common stock outstanding for that individual or group includes unissued shares subject to options, warrants, rights or conversion privileges exercisable within sixty days held by such individual or group, but are not deemed outstanding by any other person or group.

Table of Contents

The applicable percentages of ownership are based on an aggregate of 51,496,944 shares of our Common Stock outstanding on March 18, 2019. This does not include a total of 4,507,558 shares held in escrow as described under Note 1 to the table below.

Because (a) the Selling Stockholders may offer all or some of the shares of our common stock that they hold in the offering contemplated by this prospectus, (b) the offering of shares of our common stock is not being underwritten on a firm commitment basis, and (c) the Selling Stockholders could purchase additional shares of our common stock from time to time, no estimate can be given as to the number of shares or percent of our common stock that will be held by the Selling Stockholders upon termination of the offering. Furthermore, as of the date of this (1) registration statement, a portion of the Selling Stockholders' shares are deemed to be "issued but not outstanding" which are subject to a contractual legend with a contingency of the target company's making the milestones for the financial performance for the fiscal years ended December 31, 2018, 2019 and 2020. The following is a summary of the shares without contractual legends (vested) and those in escrow, as of the date of this registration statement. PLAN OF DISTRIBUTION

The common stock covered by this prospectus may be offered and sold from time to time by the Selling Stockholders. The term “Selling Stockholders” includes pledgees, donees, transferees or other successors in interest selling shares received after the date of this prospectus from each of the Selling Stockholders as a pledge, gift, partnership distribution or other non-sale related transfer. The number of shares beneficially owned by Selling Stockholders will decrease as and when they effect any such transfers. The plan of distribution for the Selling Stockholders’ shares sold hereunder will otherwise remain unchanged, except that the transferees, pledgees, donees or other successors will be Selling Stockholders hereunder. To the extent required, we may amend and supplement this prospectus from time to time to describe a specific plan of distribution. The Selling Stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. Once sold under this registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

We will not receive any of the proceeds from the sale by the Selling Stockholders of the shares of common stock. We will bear all fees and expenses incident to our obligation to register the shares of common stock.

The Selling Stockholders may make these sales at prices and under terms then prevailing or at prices related to the then current market price. The Selling Stockholders may also make sales in negotiated transactions. The Selling Stockholders may offer their shares from time to time pursuant to one or more of the following methods:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

one or more block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

public or privately negotiated transactions;

on the NASDAQ Global Select Market (or through the facilities of any national securities exchange or U.S. inter-dealer quotation system of a registered national securities association, on which the shares are then listed, admitted to

unlisted trading privileges or included for quotation);

through underwriters, brokers or dealers (who may act as agents or principals) or directly to one or more purchasers;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

In connection with distributions of the shares or otherwise, the Selling Stockholders may:

enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the shares in the course of hedging the positions they assume;

sell the shares short after the effective date of the registration statement of which this prospectus forms a part and redeliver the shares to close out such short positions;

enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to them of shares offered by this prospectus, which they may in turn resell; and

pledge shares to a broker-dealer or other financial institution, which, upon a default, they may in turn resell.

Table of Contents

In addition to the foregoing methods, the Selling Stockholders may offer their shares from time to time in transactions involving principals or brokers not otherwise contemplated above, in a combination of such methods as described above or any other lawful methods. The Selling Stockholders may also transfer, donate or assign their shares to lenders, family members and others and each of such persons will be deemed to be a Selling Stockholder for purposes of this prospectus. The Selling Stockholders or their successors in interest may from time to time pledge or grant a security interest in some or all of the shares of common stock, and if the Selling Stockholders default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus; provided, however in the event of a pledge or then default on a secured obligation by the Selling Stockholders, in order for the shares to be sold under this registration statement, unless permitted by law, we must distribute a prospectus supplement and/or amendment to this registration statement amending the list of Selling Stockholders to include the pledgee, secured party or other successors in interest of the Selling Stockholders under this prospectus.

The Selling Stockholders may also sell their shares pursuant to Rule 144 under the Securities Act, provided the Selling Stockholders meet the criteria and conform to the requirements of such rule.

The Selling Stockholders may effect such transactions directly or indirectly through underwriters, broker-dealers or agents acting on their behalf. Broker-dealers or agents may receive commissions, discounts or concessions from the Selling Stockholders, in amounts to be negotiated immediately prior to the sale (which compensation as to a particular broker-dealer might be in excess of customary commissions for routine market transactions). If the shares of common stock are sold through underwriters or broker-dealers, the Selling Stockholders will be responsible for underwriting discounts or commissions or agent's commissions. Neither we, nor the Selling Stockholders, can presently estimate the amount of that compensation. If any selling stockholder notifies us that a material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange, distribution or secondary distribution or a purchase by a broker or dealer, we will file a prospectus supplement, if required by Rule 424 under the Securities Act, setting forth: (i) the name of each of the selling stockholder and the participating broker-dealers; (ii) the number of shares involved; (iii) the price at which the shares were sold; (iv) the commissions paid or discounts or concessions allowed to the broker-dealers, where applicable; (v) a statement to the effect that the broker-dealers did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus; and any other fact material to the transaction.

The Selling Stockholders and any other person participating in a distribution of the shares covered by this prospectus will be subject to applicable provisions of the Exchange Act, including, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the shares by the Selling Stockholders and any other such person. Furthermore, under Regulation M, any person engaged in the distribution of the shares may not simultaneously engage in market-making activities with respect to the particular shares being distributed for certain periods prior to the commencement of, or during, that distribution. All of the above may affect the marketability of the shares and the ability of any person or entity to engage in market-making activities with respect to the shares. We have advised the Selling Stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply.

In offering the shares covered by this prospectus, the Selling Stockholders, and any broker-dealers and any other participating broker-dealers who execute sales for the Selling Stockholders, may be deemed to be “underwriters” within the meaning of the Securities Act in connection with these sales. Any profits realized by the Selling Stockholders and the compensation of such broker-dealers may be deemed to be underwriting discounts and commissions. We are not aware that any Selling Stockholder has entered into any arrangements with any underwriters or broker-dealers regarding the sale of its shares of our common stock.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The following table sets forth all expenses payable by us in connection with the offering of our common stock being registered hereby. All amounts shown are estimates except the SEC registration fee.

SEC registration fee	\$6,018.29

Printing and miscellaneous expenses	500.00
 Total expenses	 \$21,018.29

Item 15. Indemnification of Directors and Officers.

Section 145 of the DGCL provides that a corporation may indemnify directors and officers as well as other employees and agents of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement, in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation, as a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of actions by or in the right of the corporation, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action, and no indemnification shall be made where the person seeking indemnification has been found liable to the corporation, unless and only to the extent that a court determines is fair and reasonable in view of all circumstances.

Our Certificate of Incorporation provides that no director shall be personally liable to our company or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director. Notwithstanding the foregoing sentence, a director shall be liable to the extent provided by applicable law, (i) for breach of the director's duty of loyalty to our company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

We may enter into indemnification agreements with each of our directors and officers that are, in some cases, broader than the specific indemnification provisions permitted by Delaware law, and that may provide additional procedural protection. At present, we have not entered into any indemnification agreements with our directors or officers, but may choose to do so in the future. We have purchased Directors & Officers Liability insurance for our directors and officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to our charter documents or the DGCL, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

At present, there is no pending litigation or proceeding involving any of our directors, officers or employees in which indemnification is sought, nor are we aware of any threatened litigation that may result in claims for indemnification.

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report, to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions described herein, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed

in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
