We have not authorized anyone to provide you with information different from that contained or incorporated by reference in this prospectus. The selling shareholders are offering to sell, and seeking offers to buy, our shares of common stock only in jurisdictions where offers and sales are permitted. The information contained in this prospectus is accurate only as of the date of this prospectus, regardless of the time of delivery of this prospectus or of any sale of the shares.

i

WHO WE ARE

We are a New Jersey corporation registered as a bank holding company under the Bank Holding Company Act of 1956, as amended (Holding Company Act). At March 31, 2005, we had consolidated total assets of \$11.4 billion, total deposits of \$7.9 billion and total shareholders' equity of \$821 million. In addition to our principal subsidiary, Valley National Bank, we own 100 percent of the voting shares of VNB Capital Trust I, through which we issued preferred securities.

Valley National Bank is a national banking association chartered in 1927 under the laws of the United States. At March 31, 2005, Valley National Bank maintained 146 branch offices located in New Jersey and Manhattan. Valley National Bank provides a full range of commercial

and retail banking services. These services include the following:

- the acceptance of demand, savings and time deposits;
- extension of consumer, real estate, Small Business Administration and other commercial credits;
- equipment leasing; and
- personal and corporate trust, as well as pension and fiduciary services.

Valley National Bank also provides through wholly-owned subsidiaries the following services:

- an all-line insurance agency;
- a title insurance agency;
- registered investment advisors; and
- a registered securities broker dealer.

Valley National Bank's other subsidiaries include:

- a mortgage servicing company;
- a subsidiary which holds, maintains and manages investment assets for Valley National Bank;
- a subsidiary which owns and services auto loans;
- a subsidiary which specializes in asset-based lending;
- a subsidiary which offers both commercial equipment leases and financing for general aviation aircraft;
- a real estate investment trust subsidiary which owns real estate related investments; and
- a real estate investment trust subsidiary which owns some of the real estate utilized by Valley National Bank and related real estate investments.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the shares by the selling shareholders.

The selling shareholders will pay any underwriting discounts and commissions and expenses they incur for brokerage, accounting, tax or legal services or any other expenses they incur in disposing of the shares. We will bear all other costs, fees and expenses incurred in effecting the registration of the shares covered by this prospectus. These may include, without limitation, all registration and filing fees, NYSE listing fees, fees and expenses of our counsel and accountants, and blue sky fees and expenses.

SELLING SHAREHOLDERS

All of the shares were issued to the shareholders of NorCrown Bank pursuant to a merger of NorCrown into Valley National Bank. The offer and sale of the shares hereby are being registered pursuant to registration rights granted to the selling shareholders in connection with our acquisition of NorCrown. Except as listed below, no selling shareholder owns one percent or more of our common stock and no selling shareholder beneficially owns our stock other than what is being offered hereby. 171,129 shares of common stock beneficially owned by certain of the selling shareholders are being held in escrow. Such shares may be surrendered to Valley to satisfy certain indemnification obligations

under the merger agreement pursuant to which we acquired NorCrown.

We do not know when or in what amounts the selling shareholders may offer shares for sale. The selling shareholders may elect not to sell any or all of the shares offered by this prospectus. Because the selling shareholders may offer all or some of the shares pursuant to this offering, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares that will be held by the selling shareholders after completion of the offering, we cannot estimate the number of the shares that will be held by the selling shareholders after completion of the offering. However, for purposes of this table, we have assumed that, after completion of the offering, none of the shares covered by the prospectus will be held by the selling shareholders.

The following tables set forth, to our knowledge, certain information about the selling shareholders as of April 26, 2006.

The shares covered by this prospectus may be offered and sold from time to time by the selling shareholders. The term "selling shareholders" includes pledgees, donees, transferees or other successors in interest selling shares received after the date of this prospectus from one of the selling shareholders as a pledge, gift or other non-sale related transfer. To the extent required, this prospectus may be amended and supplemented from time to time to describe a specific plan of distribution.

The selling shareholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. These sales may be made at a fixed price or prices, which may be changed or at prices on the New York Stock Exchange and under terms then prevailing or at prices related to the then current market price. Sales may also be made in negotiated transactions at negotiated prices, including pursuant to one or more of the following methods:

- purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus,
- ordinary brokerage transactions and transactions in which the broker solicits purchasers,
- an exchange distribution in accordance with the rules of the New York Stock Exchange or other exchange or trading system on which the shares are admitted for trading privileges,
- sales "at the market" to or through a market maker or into an existing trading market, on an exchange or otherwise,
- sales in other ways not involving market makers or established trading markets,
- through put or call transactions relating to the shares,
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction, and
- in privately negotiated transactions.

In connection with distributions of the shares or otherwise, the selling shareholders may:

- enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the shares in the course of hedging the positions they assume,
- sell the shares short and redeliver the shares to close out such short positions,
- enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to them of shares offered by this prospectus, which they may in turn resell, or
- pledge shares to a broker-dealer or other financial institution, which, upon a default, they may in turn resell.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

In effecting sales, broker-dealers or agents engaged by the selling shareholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling shareholders, in amounts to be negotiated immediately prior to the sale.

In offering the shares covered by this prospectus, the selling shareholders, and any broker-dealers and any other participating broker-dealers who execute sales for the selling shareholders may be deemed to be "underwriters" within the meaning of the Securities Act in connection with these sales. Any profits realized by the selling shareholders and the compensation of such broker-dealers may be deemed to be underwriting discounts and commissions.

In order to comply with the securities laws of certain states, the shares must be sold in those states only through registered or licensed brokers or dealers.

Edgar Filing: VALLEY NATIONAL BANCORP - Form 424B7

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling shareholders and their affiliates. In addition, we will make copies of this prospectus available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling shareholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

If a material arrangement with any broker, dealer or other agent is entered into for the sale of the common stock through a secondary distribution or a purchase by a broker or dealer, or if other material changes are made in the plan of distribution of the common stock, a prospectus supplement will be filed, if necessary, under the Securities Act disclosing the material terms and conditions of such arrangement.

We have agreed to indemnify the selling shareholders against certain liabilities, including certain liabilities under the Securities Act.

We have agreed with the selling shareholders to use our best efforts to keep the Registration Statement of which this prospectus constitutes a part effective until the earlier of:

- two years after the effective date of the Registration Statement; and
- the expiration of the holding period applicable to the common stock subject to the Registration Statement pursuant to Rule 144(k).
