**Item 4.02 Non-Reliance on Previously Issued Financial Statements**

This amendment to Form 8-K is being filed pursuant to Item 4.02(a) of such form to clarify the basis for such disclosure. On March 22, 2006 Blast Energy Services received comments from the Securities and Exchange Commission that the Company should restate the financial statements for the year ended December 31, 2004 included in its 2004 Annual Report on Form 10-KSB and the 2005 financial statements included in the three 2005 Quarterly Reports on Form 10-QSB. The Company, in consultation with its independent accountants plans to restate said financials the week ending March 31, 2006. The purpose of the restatement is to reflect a \$3.2 million non-cash adjustment to impair the carrying value of the Landers' License as of December 31, 2004. This restatement was discussed and approved by the Company's Board of Directors on March 23, 2006.
