## Explanation of Responses:

\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- The Form 4 filed April 2, 2004 incorrectly reported that the common shares of Travelers Property Casualty Corporation ("Travelers") owned by the Reporting Person on the April 1, 2004 merger date were exchanged for 448 common shares of The St. Paul Travelers Companies, Inc. ("STA"). In fact, they were exchanged for 143 shares of common stock of STA. Consequently, the Reporting Person's Form 4s filed on July 30, 2004, October 18, 2004 and May 5, 2005 reported ownership of 305 more shares than the Reporting Person then owned.
- (1) Per the merger agreement, the Reporting Person received a 0.4334 share of STA's common stock in exchange for each share of Travelers Class A and Class B common shares held by the Reporting Person.
  - (2) Includes 5,000 shares held in trust for the benefit of the Reporting Person's children and 5,278 shares, which are held in a foundation. The Reporting Person serves as trustee of those trusts and the foundation. The 5,278 shares held in the foundation were incorrectly included in the Reporting Person's direct holdings in the Form 4s filed on July 30, 2004, October 18, 2004 and May 5, 2005, but they should have

## Edgar Filing: ST PAUL TRAVELERS COMPANIES INC - Form 4/A

been reported as indirectly owned.

- (4) On the April 1, 2004 merger date, the Reporting person held 855 units of Travelers 4.5% convertible junior subordinated notes, which will mature on April 15, 2032, unless earlier redeemed, repurchased or converted. The units have a \$25 par value per unit. These notes were omitted from the Reporting Person's Form 4 filed on April 2, 2004. Unless previously redeemed or repurchased, the notes are convertible into shares of STA common stock at the option of the holders at any time after March 27, 2003 and prior to April 15, 2032 if at any time (1) the average of the daily closing prices of common stock for the 20 consecutive trading days immediately prior to the conversion date is at least 20% above the then applicable conversion price on the conversion date, (continued on footnote 5)

- (5) (Continued from footnote 4) (2) the notes have been called for redemption, (3) specified corporate transactions have occurred, or (4) specified credit rating events with respect to the notes have occurred. The notes will be convertible into shares of STA common stock at a conversion rate of 1.0808 shares for each \$57.68 principal amount of notes (equivalent to an initial conversion price of \$53.37 per share of common stock), subject to adjustment in certain events. Accordingly, the 855 units with a par value of \$25 per unit will be convertible into 400.5 shares of STA common stock. On or after April 18, 2007, the notes may be redeemed at STA's option.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
