addition, one shareholder who is an entity controlled by one of our directors and which holds a majority of our issued and outstanding common stock, approved the increase in authorized common stock by written consent in lieu of a meeting on August 18, 2004, in accordance with the relevant sections of Nevada Revised Statutes. The increase in authorized common stock will not be effective until we amend our Articles of Incorporation by filing a Certificate of Amendment to our Articles of Incorporation with the Nevada Secretary of State. We intend to file the Certificate of Amendment twenty days after this information statement is first mailed to our shareholders.

Our purpose in increasing our authorized capital stock from fifty million (50,000,000) shares to one hundred million (100,000,000) shares reflects the determination by our Board of Directors that it is in our best interests and desirable to increase our authorized common stock. No change is being made to the number of authorized preferred stock, which is five million (5,000,000) shares. We hope that such a change will increase the total value of the corporation to our investors and better position us to take advantage possible future financings and acquisition opportunities, and other corporate purposes as the board of directors determines in its discretion to be in the best interest of the corporation, and which may include future stock splits, stock dividends or other distributions, future financings, acquisitions and stock options and other equity benefits under employee benefit plans. To facilitate such future possible financings or other such opportunities, we are increasing the number of authorized shares of stock from our current authorized capitalization of fifty million (50,000,000) shares.

No action is required by you. The accompanying information statement is furnished only to inform our shareholders of the action described above before it takes effect in accordance with Rule 14c-2 promulgated under the Securities Act of 1934. This information statement is being mailed to you on or about October __, 2004.

BY WRITTEN CONSENT OF MAJORITY OF SHAREHOLDERS

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

This information statement is being mailed on or about October ____, 2004 to shareholders of record on August 18, 2004. The information statement is being delivered only to inform you of the corporate action described herein before it takes effect in accordance with Rule 14c-2 promulgated under the Securities Exchange Act of 1934.

GENERAL

On August 18, 2004, our Board of Directors unanimously approved, subject to shareholder approval, an amendment to our Articles of Incorporation to increase our authorized common stock from fifty million (50,000,000) shares to one hundred million (100,000,000) shares. No change was made to the number of shares of preferred stock. On August 18, 2004, one shareholder who owns in excess of the required majority of our outstanding stock necessary for the adoption of the action, approved the increase in authorized stock by action taken by written consent. This shareholder is an entity controlled by one of our directors. The full text of the proposed amendment to the Articles of Incorporation is attached hereto as Exhibit A.

PURPOSE OF INCREASING OUR AUTHORIZED COMMON STOCK

Our Board of Directors believes that the increase in our authorized stock from fifty million (50,000,000) shares to one hundred million (100,000,000) shares will increase the total value of the corporation to our investors and better position us to take advantage possible future financings and acquisition opportunities, and other corporate purposes as the board of directors determines in its discretion to be in the best interest of the corporation, which may include future stock splits, stock dividends or other distributions, future financings, acquisitions and stock option plans and other equity benefits under employee benefit plans. Because we currently have forty-seven million ninety-one thousand eight hundred and five (47,091,805) shares issued and outstanding and only have fifty million (50,000,000) shares authorized, we believe that we may be limited in the amount of shares that could be issued to accommodate future possible transactions whereby we would be required to issue additional shares of our stock. To facilitate such future possible financings or other such transactions, we are increasing the number of authorized shares of stock from our current authorized capitalization of fifty million (50,000,000) shares.

PROCEDURE FOR APPROVAL OF INCREASE IN AUTHORIZED COMMON STOCK; VOTE REQUIRED

The Nevada Revised Statutes requires that, in order for us to amend our Articles of Incorporation, such amendment must be approved by our Board of Directors and approved by a majority of the outstanding shares entitled to vote. The Nevada Revised Statutes also provides that any action which may be taken at a meeting of the shareholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, shall be signed by the holders of a majority of the outstanding shares entitled to vote.

On August 18, 2004, the record date for determination of the shareholders entitled to receive this Information Statement, there were 47,091,805 shares of common stock outstanding. The holders of common stock are entitled to one vote for each share held of record on all matters submitted to a vote of our shareholders. We needed the affirmative vote of at least a majority of the outstanding shares of our common stock to approve the increase in authorized common stock. Our Board, by its unanimous written consent, adopted resolutions approving an amendment to our Articles of Incorporation to affect the increase in authorized common stock. By action of written consent, dated August 18, 2004,

Edgar Filing: BIO-LIFE LABS INC. - Form PRE 14C

an entity controlled by one of our directors and which owns a majority of the shares of the issued and outstanding shares of our common stock, or 62.9% of the issued and outstanding shares of our common stock, approved the increase in authorized common stock.

EFFECTIVE DATE OF AMENDMENT

The amendment to our Articles of Incorporation will become effective upon the filing with the Nevada Secretary of State of the Certificate of Amendment to our Articles of Incorporation, attached hereto as Exhibit A. We intend to file the Certificate of Amendment twenty days after this Information Statement is first mailed to shareholders.

EFFECT ON CERTIFICATES EVIDENCING SHARES OF BIO-LIFE LABS, INC. COMMON STOCK

For those shareholders that hold physical certificates, please do not destroy or send to Bio-Life Labs, Inc. your stock certificates. Those certificates will remain valid for the number of shares shown thereon, and should be carefully preserved by you.

DISSENTER'S RIGHTS

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director, executive officer, nominee for election as a director, associate of any director, executive officer or nominee or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposed increase in authorized common stock, which is not shared by all other shareholders of Bio-Life Labs, Inc.

Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. As of August 18, 2004, there were 47,091,805 shares of our common stock were issued and outstanding. Unless otherwise indicated in the table, the persons and entities named in the table have sole voting and sole investment power with respect to the shares set forth opposite the shareholder's name, subject to community property laws, where applicable.
