### Certifications and Disclosure Regarding Controls and Procedures.

#### *A. Certifications*

See Exhibits 99.4 and 99.5 to this Annual Report on Form 40-F.

#### *B. Disclosure Controls and Procedures*

As of the end of the Registrant’s fiscal year ended December 31, 2007, an evaluation of the effectiveness of the Registrant’s “disclosure controls and procedures” (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) was carried out by the Registrant’s management with the participation of the principal executive officer and principal financial officer. The Chief Executive Officer

and Chief Financial Officer of the Company have concluded, based on their evaluation as of the end of the period covered by this Annual Report on Form 40-F (the “evaluation date”), that the Registrant’s disclosure controls and procedures are effective to ensure that information required to be disclosed by it in reports filed or submitted by it under the Exchange Act, is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission’s rules and forms, and is accumulated and communicated to the Registrant’s management, including the Company’s Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

It should be noted that while the Company’s Chief Executive Officer and Chief Financial Officer believe that the Registrant’s disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect that the Registrant’s disclosure controls and procedures or internal control over financial reporting will prevent all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

**C. Changes in Internal Control Over Financial Reporting**

There have been no changes to the Registrant's internal control over financial reporting or in other factors that materially affected, or are reasonably likely to materially affect, internal control over financial reporting during the period covered by this report.

**D. Management's Report on Internal Control Over Financial Reporting**

Management's Report on Internal Control Over Financial Reporting is included in the Management's Report that accompanies the Registrant's Consolidated Financial Statements for the fiscal year ended December 31, 2007, included as Exhibit 99.2 of this Annual Report of Form 40-F.

The Company's code of ethics ("Code of Ethics"), which is applicable to its principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions, is posted on the Registrant's website at [www.baytex.ab.ca](http://www.baytex.ab.ca).

Since its adoption, the Company has not amended any provision of its Code of Ethics that relates to any element of the code of ethics definition enumerated in paragraph (9)(b) of General Instruction B to Form 40-F, or granted any waiver, including an implicit waiver, from a provision of its Code of Ethics.

**Principal Accountant Fees and Services**

The following table provides information about the fees billed to the Registrant and to the Company for professional services rendered by Deloitte & Touche LLP, the Registrant's principal accountant, during fiscal 2007 and 2006:

Tax fees	5	4
All other fees	133	187

*Audit Fees.* Audit fees consist of fees for the audit of the Registrant's annual financial statements or services that are normally provided in connection with statutory and regulatory filings or engagements. In addition to the fees for annual audits of financial statements and review of quarterly results, services in this category for fiscal 2007 and 2006 also include review of comment letters from Canadian and U.S. regulatory agencies. The 2007 fees include \$222,600 (2006 – \$286,000) for audit work performed in relation to the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 relating to internal control over financial reporting, while the 2007 fees also include review of prospectuses related to an acquisition and equity and debt issuances.

*Audit-Related Fees.* Audit-related fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported as Audit Fees. *Tax Fees.* Tax fees included tax planning and other tax compliance matters.

*All Other Fees.* During fiscal 2007 and 2006, the services provided in this category consist only of advisory services associated with property taxes. The higher fees in 2006 reflects a full review of the Company's property holdings which was not necessary in 2007.

The Audit Committee has pre-approved and must pre-approve all non-audit services to be provided to the Trust or its subsidiaries by the external auditors. The Audit Committee may delegate to one or more members the authority to pre-approve non-audit services, provided that the member report to the Audit Committee at the next scheduled meeting such pre-approval and the member comply with such other procedures as may be established by the Audit Committee from time to time.
