We have audited the accompanying statement of revenues and certain expenses of OZ/CLP Hunter's Creek LLC, OZ/CLP Lakewood LLC, OZ/CLP Northdale LLC, OZ/CLP Burnt Store LLC, OZ/CLP Portofino LP, OZ/CLP Kingwood Commons LP, OZ/CLP Clay LLC, OZ/CLP Trussville I LLC, OZ/CLP Trussville II LLC, and OZ/CLP Beechwood LLC (Properties) for the year ended December 31, 2012.

Management's Responsibility for the Statement of Revenues and Certain Expenses

Management is responsible for the preparation and fair presentation of the statement of revenues and certain expenses in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of revenues and certain expenses that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of revenues and certain expenses. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement of revenues and certain expenses, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the statement of revenues and certain expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of revenues and certain expenses.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the statement of revenues and certain expenses referred to above present fairly, in all material respects, the revenues and certain expenses (as defined in Note 1) of the Properties for the year ended December 31, 2012, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

We draw attention to Note 1 of the statement of revenues and certain expenses, which describes that the accompanying statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for the inclusion in the current report on Form 8-K/A of Kite Realty Group Trust and is not intended to be a complete presentation of the Properties' revenues and expenses. Our opinion is not modified with respect to this matter.

The accompanying combined statements of revenues and certain expenses include the operations of the Portfolio Acquisition. The Portfolio Acquisition consists of the following nine retail properties:

The accompanying statements of revenues and certain expenses relate to the Portfolio Acquisition and have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual operations for the periods presented as revenues and certain operating expenses. Certain revenues and expenses expected to be incurred in the future operations of the Portfolio Acquisition, have been excluded. Such items include depreciation, amortization, management fees, certain property administrative expenses, interest expense, interest income and amortization of

above-and below-market leases.

## 2. Summary of Significant Accounting Policies

### Revenue Recognition

The Portfolio Acquisition recognizes rental revenue from tenants on a straight-line basis over the lease term when collectability is reasonably assured and the tenant has taken possession or controls the physical use of the leased asset.

Tenant recoveries related to reimbursement of real estate taxes, insurance, repairs and maintenance, and other operating expenses are recognized as revenue in the period the applicable expenses are incurred. The reimbursements are recognized and presented gross, as the Portfolio Acquisition is generally the primary obligor with respect to purchasing goods and services from third-party suppliers, has discretion in selecting the supplier and bears the associated credit risk.

### Repairs and Maintenance

Expenditures for maintenance and repairs are charged to expense as incurred. Renovations and expenditures which improve or extend the useful life of the asset are capitalized.

### Use of Estimates

Management has made certain estimates and assumptions relating to the reporting and disclosure of revenues and certain expenses to present the statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

### 3. Minimum Future Lease Rentals

There are various lease agreements in place with tenants to lease space in the Portfolio Acquisition. As of September 30, 2013, the minimum future cash rents receivable under noncancelable operating leases in each of the next five years and thereafter are as follows (unaudited):

2013 (three months ending December 31, 2013)	\$5,393
2014	22,158
2015	19,924
2016	15,197
2017	12,371
2018	10,433
Thereafter	21,626
	\$107,102

Leases generally require reimbursement of the tenant's proportional share of common area, real estate taxes and other operating expenses, which are excluded from the amounts above.

### 4. Commitments and Contingencies

The Portfolio Acquisition is subject to various legal proceedings and claims that arise in the ordinary course of business. These matters are generally covered by insurance. Management believes that the ultimate settlement of these actions will not have a material adverse effect on the Portfolio Acquisition's results of operations.

### 5. Subsequent Events

The Portfolio Acquisition evaluated subsequent events through January 31, 2014, the date the financial statements were available to be issued.

KITE REALTY GROUP TRUST  
NOTES TO UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

1. Balance sheet adjustments

(A) Represents the historical balance sheet of Kite Realty Group Trust (the “Company”) as of September 30, 2013.

(B) Reflects the total consideration paid by the Company of \$305.5 million, which was preliminarily allocated to investment in real estate (\$315.2 million), deferred leasing costs and lease intangibles (\$15.3 million), and reduced by the value of below-market leases (\$24.9 million). The Company recorded the purchase price of the property’s tangible and intangible assets in accordance with Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 805: Business Combinations. In order to fund the Portfolio Acquisition, the Company completed a common share offering of 36.8 million common shares in November 2013 that resulted in net proceeds of approximately \$217.2 million. The remaining \$86.9 million was paid from net borrowings under our unsecured revolving credit facility.

2. Income statement adjustments

(AA) Reflects the Company’s historical consolidated statement of operations for the nine-month period ended September 30, 2013 and for the year ended December 31, 2012.

(BB) The pro forma adjustments reflect the interest on net borrowings on the Company’s unsecured revolving credit facility for the nine months ended September 30, 2013 and for the year ended December 31, 2012 as if the borrowings occurred on January 1, 2012. The Company used current LIBOR rates plus the respective credit spreads on its unsecured revolving credit facility of 1.95%.

(CC) The pro forma adjustments reflect the amortization of the preliminary allocations to investment property, intangibles, and above-market and below-market leases values (which are amortized to minimum rent) from the Portfolio Acquisition for the nine months ended September 30, 2013 and for the year ended December 31, 2012 as if they were acquired on January 1, 2012.

These results do not include minimum rent from signed leases that commenced subsequent to September 30, 2013. Annual minimum rent from the leases is approximately \$0.7 million.

Acquisition costs of \$1.6 million are not included in the pro-forma adjustments as the costs will not have a continuing impact.

- (DD) Pro forma allocation of net loss attributable to noncontrolling interests is based upon an allocation of the net operating results after preferred dividends and noncontrolling interests in the consolidated properties based on the weighted average ownership interest upon completion of the 36.8 million common share offering. Our pro forma weighted average ownership interest in the operating partnership was 5.1% and 6.7% for the periods ended September 30, 2013 and December 31, 2012.
- (EE) Pro forma loss per basic and diluted share is calculated by dividing pro forma consolidated net loss allocable to common stockholders by the number of weighted average common shares outstanding for the nine-month period ended September 30, 2013 and for the year ended December 31, 2012 as if the common share offering of 36.8 million shares was completed on January 1, 2012. The par value of our common stock is \$0.01 per share.
