**Item 1.01 Entry into a Material Definitive Agreement.**

On December 8, 2005, the Compensation Committee of the Board of Directors of Pegasystems Inc. (the "Company") approved the 2006 Section 16 Officers Corporate Incentive Compensation Plan (the "Incentive Plan"), along with the incentive bonus targets and increases in base salaries for the Company's executive officers. The Incentive Plan period runs from January 1, 2006 to December 31, 2006. The target bonus for each of the Company's Section 16 Officers (the "Executive Officers"), which is a percentage of base salary (ranging from 40% to 100%), was determined by the Compensation Committee based on the salary level and position of each such Executive Officer within the Company and based on benchmarking against companies of similar size or in the Company's industry.

For each Executive Officer, the level of attainment of the target bonus is measured entirely against corporate performance. Corporate performance is measured based on two factors: (1) the extent to which the Company achieves the corporate financial goals approved by the Board of Directors in connection with setting the 2006 annual budget (70%); and (2) the qualitative strategic goals approved by the Board of Directors in connection with the Company's long term strategic business plan (30%). For purposes of the Incentive Plan, the Company's financial and strategic performance will be measured at year end.

The Incentive Plan bonus formula allows for 100% payment when 100% of the target is met. No bonus is paid if less than 70% of the target is met. Between 70% and 100% attainment of the performance targets, payment is made at the actual level of attainment. If the performance target is exceeded, for every 1% above the target, 2% is added to the bonus payment, up to a maximum of 200% of the incentive bonus target. The foregoing summary description of the Incentive Plan is qualified in its entirety by reference to Exhibit 99.1 to this Current Report on Form 8-K.

The 2006 base salaries and individual target bonuses for Company's Executive Officers are attached as Exhibit 99.2 to this Current Report on Form 8-K. Additional information regarding compensation of the Executive Officers can be found in the Company's proxy statements mailed to stockholders in connection with the Company's Annual Meetings of Stockholders.

In addition, on December 8, 2005, the Compensation Committee approved the grant of options to purchase shares of the Company's common stock to three of the Company's Executive Officers. These grants are fully vested as of the date of grant and have an exercise price of \$8.67, representing a 20% premium to the fair market value of the Company's common stock on the date of grant, measured as the average of the high and low trading prices of the common stock on such date. Mr. Sullivan received an option to purchase 35,000 shares, and Messrs. Kra and Pyle each received options to purchase 20,000 shares. Each of these grants was made pursuant to a Notice of Grant of Stock Options and Option Agreement in the form filed as Exhibit 99.3 to this Current Report on Form 8-K.
