The information in this Current Report on Form 8-K that is being furnished pursuant to Item 7.01 (including Exhibit 99.1 relating to such Item) shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section or Sections 11 and 12(a)(2) of the Securities Act of 1933, as amended. Item 9.01 Financial Statements and Exhibits.

99.1 Press release dated January 15, 2007, entitled "LifeVantage Corporation Announces Registration Statement Effective".

Except for historical information contained herein, this document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, applicable common law and Securities and Exchange Commission rules. The Company uses the words "anticipate," "believe," "could," "should," "estimate," "expect," "intend," "may," "predict," "project," "plan," "target" and similar terms and phrases, including references to assumptions, to identify forward-looking statements. These forward-looking statements are based on the Company's current expectations and beliefs concerning future events affecting the Company and involve known and unknown risks and uncertainties that may cause the Company's actual results or outcomes to be materially different from those anticipated and discussed herein. These risks and uncertainties are difficult to predict accurately and may be beyond the control of the Company. The following factors are among those that may cause actual results to differ materially from our forward-looking statements: unanticipated delays in completing the process of our restatement of historical financial statements and related audits; the Company's ability to successfully expand its operations and manage its future growth; competition in the dietary supplement market; and the Company's dependence on a limited number of significant customers and a single product for revenue. These and other additional risk factors and uncertainties are discussed in greater detail in the Company's Annual Report on Form 10-KSB under the caption "Risk Factors", and in other documents filed the Company from time to time with the Securities and Exchange Commission. Forward-looking statements made by the Company in this news release or elsewhere speak only as of the date made. New uncertainties and risks come up from time to time, and it is impossible for the Company to predict these events or how they may affect the Company. The Company has no duty to, and does not intend to, update or revise the forward-looking statements in this news release after the date it is issued. In light of these risks and uncertainties, investors should keep in mind that the results, events or developments disclosed in any forward-looking statement made in this news release may not occur.
