Item 7.01 Regulation FD Disclosure.

On September 24, 2007, Fannie Mae (formally, the Federal National Mortgage Association) announced the estimated June 30, 2007 capital levels it submitted to the Office of Federal Housing Enterprise Oversight, or OFHEO, on July 27, 2007. Fannie Mae stated that it was providing the information in advance of OFHEO's determination of Fannie Mae's capital level and classification because Fannie Mae is considering a preferred stock issuance later in the week. Although the information submitted to OFHEO about Fannie Mae's June 30 capital levels represents management's best estimate of the information at the time of the submission, the information is subject to change as a result of OFHEO's review of the submission and Fannie Mae's ongoing preparation of its 2007 financial results and, following year end, the audit of those results. In addition, as Fannie Mae has previously disclosed, changes in the fair value of its derivatives and other changes attributable to its accounting policies and practices result in significant fluctuations in its capital holdings, including its core capital, from month to month.

The news release, a copy of which is attached as Exhibit 99.1 to this report, is incorporated herein by reference.

The information in this item, including the exhibit submitted herewith, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities of Section 18, nor shall it be deemed incorporated by reference into any disclosure document relating to Fannie Mae, except to the extent, if any, expressly set forth by specific reference in such filing.
