Item 2.05 Costs Associated with Exit or Disposal Activities.

On February 13, 2008, the Board of Directors of Merge Technologies Incorporated, a Wisconsin corporation doing business as Merge Healthcare (the "Registrant") approved a rightsizing initiative, effective immediately. Pursuant to the rightsizing, the Registrant will terminate a total of 45 positions in the United States and Canada and approximately 115 positions offshore, including consultants, in its North America Merge Healthcare and Cedara business units. The rightsizing initiative followed an extensive examination of the Registrant's expenses by its management. Based on the review, the Registrant's management recommended the rightsizing to better align the Registrant's costs with revenue-generating strategies.

In addition to the personnel reductions, the Registrant closed its offices in Burlington, Massachusetts.

The Registrant anticipates that it will incur restructuring costs of approximately \$2.0 million in the first quarter of 2008. The restructuring costs will include severance pay in the approximate amount of \$1.3 million and other costs including, primarily, rental payments on the Burlington lease in the amount of approximately \$0.7 million. The Registrant anticipates that it will make the cash severance payments in the first and second quarters of 2008, and rental payments for the Boston lease through October 2008.

A copy of the Registrant's News Release summarizing the rightsizing initiative is attached hereto as Exhibit 99.1, and the information contained therein is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

Exhibit No. 99.1 News Release of the Registrant dated February 14, 2008.
