Nokia Litigation Update.

On October 15, 2008, InterDigital, Inc.'s wholly-owned subsidiaries InterDigital Technology Corporation and InterDigital Communications, LLC (collectively, "InterDigital") received notice that the Administrative Law Judge overseeing the U.S. International Trade Commission ("USITC") proceeding between InterDigital and Nokia Corporation and Nokia, Inc. (collectively, "Nokia") issued an order on October 10, 2008 setting a deadline of August 14, 2009 for his final initial determination in the investigation and a new target date of December 14, 2009 for a final determination by the USITC. In the USITC proceeding, InterDigital alleges that Nokia engaged in an unfair trade practice by making for importation into the United States, importing, and selling after importation into the United States certain 3G mobile handsets and components that infringe four of InterDigital's patents.
