Item 8.01 Other Events.

On December 15, 2008, ADVENTRX Pharmaceuticals, Inc. (the "Company") issued a press release announcing that it is exploring a range of strategic options, including the sale or disposition of one or more of its product candidate programs, a strategic business merger and other transactions that maximize the value of Company's assets, and that the Company is currently in discussions with several candidates for both strategic and partnering transactions. The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

The list of exhibits called for by this Item is incorporated by reference to the Exhibit Index filed with this report.

ADVENTRX cautions you that statements information included in this report and the press release attached hereto as Exhibit 99.1 that are not a description of historical facts are forward-looking statements that involve risks and assumptions that, if they materialize or do not prove to be accurate, could cause ADVENTRX's results to differ materially from historical results or those expressed or implied by such forward-looking statements. These risks and uncertainties include, but are not limited to: the risk that ADVENTRX will be unable to consummate a strategic or partnering transaction or will be unable to raise sufficient capital to fund the projects necessary to meet its goals, including funding the continued development and commercialization of its lead product candidates, ANX-530 and ANX 514; the risk that ADVENTRX's stockholders will not approve a transaction recommended by ADVENTRX's Board of Directors; the risk the FDA will determine that ANX-530 and Navelbine® are not bioequivalent; the risk that the on-going study of ANX-514 does not demonstrate pharmacokinetic equivalence or bioequivalence; difficulties or delays in manufacturing, obtaining regulatory approval for and marketing ANX-530 and ANX-514, including validating commercial manufacturers and suppliers and the potential for automatic injunctions regarding FDA approval of ANX-514; the potential for regulatory authorities to require additional preclinical work or other clinical requirements to support regulatory filings, including prior to the submission or the approval of an NDA for ANX-530 and ANX-514; the risk that the performance of third parties on whom the Company relies to conduct studies or evaluate the data, including clinical investigators, expert data monitoring committees, contract laboratories and contract research organizations, may be substandard, or they may fail to perform as expected; and other risks and uncertainties more fully described in ADVENTRX's press releases and periodic filings with the Securities and Exchange Commission. ADVENTRX's public filings with the Securities and Exchange Commission are available at <http://www.sec.gov>.

You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date when made. ADVENTRX does not intend to update any forward-looking statement included in this report or the press release attached hereto as Exhibit 99.1 to reflect events or circumstances arising after the date on which it was made. This caution is made under the safe harbor provisions of Section 21E of the Securities Exchange Act of 1934.
