**Item 1.01 Entry into a Material Definitive Agreement.**

On February 1, 2010, we announced the settlement of three patent disputes with Johnson & Johnson and Cordis Corporation (together, "J&J"). The disputes date back to 2003 and cover infringement of our Jang patent and J&J's Palmaz and Gray patents, all of which involve intellectual property in the cardiovascular arena. Boston Scientific will make a \$1.725 billion payment to J&J in connection with the settlement. Under the settlement, we will pay J&J \$1 billion on February 1, 2010, and the balance on or before the first week of January 2011. We plan to post a \$745 million letter of credit, which will cover the \$725 million balance and interest.

A form of the Settlement Agreement and Non-Exclusive Patent Cross-License dated January 29, 2010 is filed herewith as Exhibit 10.1.

A copy of the press release is attached hereto as Exhibit 99.1
