Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Seacoast Banking Corporation of Florida (the "Company") is a participant in the Capital Purchase Program (the "CPP") established under the Troubled Asset Relief Program ("TARP"). On March 18, 2010, the Salary and Benefits Committee of the Company (the "Committee") adopted a policy to limit its executive officers' base salaries to \$500,000 so long as the Company's equity securities issued to the Treasury remain outstanding.

In implementing this policy change, it was necessary to reduce the base salary of the Company's chief executive officer, Dennis S. Hudson, III, from \$531,450 to \$500,000. To support the change in policy, Mr. Hudson signed a waiver of any possible breach of his employment agreement or change in control agreement in connection with the reduction in his base salary.

To compensate him for his loss in base salary as a result of the \$500,000 base salary cap and to align Mr. Hudson's interests with those of the Company's shareholders, on March 18, 2010, the Committee approved, as permitted by the TARP CPP, a special long-term grant of 16,553 shares of restricted stock to Mr. Hudson under the Company's 2000 Long Term Incentive Plan, as amended. This restricted stock award will vest and become freely transferable on the later of the date when the Company has fully repaid all TARP assistance and the second anniversary of the date of grant.

The foregoing descriptions of the restricted stock award and the waiver are qualified in their entirety by reference to the terms of the Form of Long-Term Restricted Stock Award Agreement and the Waiver, which are filed herewith as Exhibit 10.1 and Exhibit 10.2, respectively and are incorporated herein by reference.
