**Item 1.01 Entry into a Material Definitive Agreement.**

On April 1, 2014, we amended and restated our Credit Agreement with Mercedes-Benz Financial Services USA LLC and Toyota Motor Credit Corporation, principally to increase the revolving borrowing capacity from \$375 million to \$450 million and reduce the rate on collateralized borrowings to defined London Interbank Offered Rate (LIBOR) plus 200 basis points (from LIBOR plus 225).

As amended, the Credit Agreement provides for up to \$450 million in revolving loans for working capital, acquisitions, capital expenditures, investments and other general corporate purposes and a non-amortizing term loan with a balance of \$98 million. The loans mature on the termination date of the facility which is September 30, 2016. The revolving loans now bear interest at LIBOR plus 2.00%, subject to an incremental 1.50% for uncollateralized borrowings in excess of a defined borrowing base, and for term loan balances at LIBOR plus 2.00%.

Substantially all of our U.S. assets are subject to security interests granted to the lenders under the Credit Agreement. In addition, The Credit Agreement is fully and unconditionally guaranteed on a joint and several basis by substantially all of our domestic subsidiaries and contains a number of significant covenants that, among other things, restrict our ability to dispose of assets, incur additional indebtedness, repay other indebtedness, create liens on assets, make investments or acquisitions and engage in mergers or consolidations. We are also required to comply with specified tests and ratios defined in the Credit Agreement, including a current ratio, fixed charge coverage ratio, debt to equity ratio, debt to EBITDA ratio and specified minimum stockholders equity. The Credit Agreement also contains typical events of default including change of control, non-payment of obligations and cross-defaults to our other material indebtedness. Upon the occurrence of an event of default, we could be required to immediately repay the amounts outstanding under the Credit Agreement.

These changes are further described in the Fourth Amended and Restated Credit Agreement, which is filed as Exhibit 4.1 to this Form 8-K and incorporated herein by reference. We purchase motor vehicles from Daimler AG and Toyota Motor Corporation, affiliates of the respective lenders under the Agreement, for sale at certain of our dealerships. The lenders also provide us with real estate financing, vehicle financing, and other financing and provide consumer financing to our customers.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The disclosure contained under Item 1.01 of this Form 8-K is incorporated under this item by reference.

**Item 9.01 Financial Statements and Exhibits.**
