We have audited the accompanying statement of revenues and certain operating expenses (the Historical Summary ) of the MF Chandler Property (the Property ) for the year ended December 31, 2005. This Historical Summary is the responsibility of Cole Credit Property Trust II, Inc. management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. **MF Chandler Property**

**Notes to the Statement of Revenues and Certain Operating Expenses**

**For the Year Ended December 31, 2005**

**1. Basis of Presentation**

On February 10, 2006, Cole Credit Property Trust II, Inc. (the Company) acquired a single-tenant retail building containing approximately 31,063 square feet of rentable space located on an approximately 2.92 acre site in Chandler, Arizona (the MF Chandler Property). The MF Chandler Property is 100% leased to Mountainside Fitness Centers of Ocotillo, LLC (Mountainside), a wholly-owned subsidiary of Hatten Holdings, Inc, which guarantees the lease, pursuant to a net lease.

The statement of revenues and certain operating expenses (the Historical Summary) has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. These Historical Summaries include the historical revenues and certain operating expenses of the MF Chandler Property, exclusive of items which may not be comparable to the proposed future operations of the MF Chandler Property. Material amounts that would not be directly attributable to future operating results of the MF Chandler Property are excluded, and the financial statements are not intended to be a complete presentation of the MF Chandler Property's revenues and expenses. Items excluded consist of depreciation and interest expense.

**2. Significant Accounting Policies**

*Revenue Recognition*

The lease is accounted for as an operating lease and minimum rental income is recognized on a straight-line basis over the remaining term of the lease.

*Repairs and Maintenance*

Expenditures for repairs and maintenance are expensed as incurred

*Use of Estimates*

## Edgar Filing: Cole Credit Property Trust II Inc - Form 8-K/A

The preparation of historical summaries in conformity with generally accepted accounting principles requires the Company's management to make estimates and assumptions that affect the reported amounts of revenues and certain operating expenses during the reporting period. Actual results could differ from those estimates.

### 3. Lease

The aggregate annual minimum future rental payments on the non-cancelable operating lease in effect as of December 31, 2005 are as follows:

<b>Year ending December 31:</b>	
2006	\$ 469,051
2007	493,461
2008	523,101
2009	523,101
2010	523,101
Thereafter	6,983,733
Total	\$ 9,515,548

The minimum future rental income represents the base rent required to be paid under the terms of the lease exclusive of charges for contingent rents, electrical services, real estate taxes, and operating cost escalations.

---

#### **4. Tenant Concentration**

For the year ended December 31, 2005, our sole tenant, Mountainside, accounted for 100% of the annual rental income for the MF Chandler Property. If the tenant were to default on their lease, future revenue of the MF Chandler Property would be materially and adversely impacted.

#### **5. Commitments and Contingencies**

##### *Litigation*

The MF Chandler Property may be subject to legal claims in the ordinary course of business as a property owner. The Company believes that the ultimate settlement of any potential claims will not have a material impact on the MF Chandler Property's results of operations.

##### *Environmental Matters*

In connection with the ownership and operation of real estate, the MF Chandler Property may be potentially liable for costs and damages related to environmental matters. The MF Chandler Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and the Company is not aware of any other environmental condition that they believe will have a material adverse effect on the MF Chandler Property's results of operations.
