INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Attached to this Report on Form 6-K as Exhibit 1 is a copy of the press release issued by Euroseas Ltd. (the Company) on May 24, 2011: Euroseas Ltd. Announces Time Charter Renewals for Two of its Containerships.

Euroseas Ltd. Announces Time Charter Renewals for Two of its Containerships.

Maroussi, Athens, Greece, May 24, 2011 Euroseas Ltd., (NASDAQ:ESEA) an owner and operator of drybulk carriers and container vessels and provider of seaborne transportation for dry bulk and containerized cargoes, announced today that two subsidiaries of the Company has entered into time charter agreement for the following vessels:

M/V Ninos, a 1,169 teu, 1990 built feeder containership, has been extended for about 1 year at a gross daily rate of \$11,200. The new rate will apply from the 1st of June 2011. The new rate represents an increase of about 65% over the vessel's current rate.

M/V Kuo Hsiung, a 1,169 teu, 1993 built feeder containership, has been extended for about 1 year at a gross daily rate of \$11,200. The new rate will apply from the 15th of June 2011. The new rate represents an increase of about 111% over the vessel's current rate.

Following the above mentioned charters, approximately 77% of the Company's total container fleet days for 2011 and approximately 12% in 2012 are secured under period charters. The Company's drybulk fleet is 100% covered in 2011 via time charter contracts or Forward Freight Agreements (FFAs) and 50% covered in 2012 via time charter contracts.

Aristides Pittas, Chairman and CEO of Euroseas, commented: "We are pleased to announce that we have extended the time charter agreements for M/V Ninos and M/V Kuo Hsiung at rates of approximately 90% higher than their current rates on average. We look forward to continuing capitalizing on a stronger containership market with the remaining of our vessels come up for re-chartering as any rate increases directly benefit our earnings.

As of May 24, 2011, Euroseas Ltd. fleet profile is as follows:

Forward - Looking Statement

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events and the Company's growth strategy and measures to implement such strategy; including expected vessel acquisitions and entering into further time charters. Words such as "expects," "intends," "plans," "believes," "anticipates," "hopes," "estimates," and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to changes in the demand for dry bulk vessels and container ships, competitive factors in the market in which the Company operates; risks associated with operations outside the United States; and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
