Item 1.01 Entry into a Material Definitive Agreement.

The information required to be disclosed in this Item 1.01 is incorporated herein by reference from Item 3.02.

Item 3.02 Unregistered Sales of Equity Securities.

On February 3, 2006, Callisto Pharmaceuticals, Inc. (the “Company”) closed a private placement of 4,283,668 shares of common stock and 1,070,917 common stock purchase warrants to certain accredited investors (the “Investors”). The warrants are exercisable for 18 months from closing at an exercise price of \$1.60 per share. The securities were sold pursuant to a Securities Purchase Agreement dated as of February 3, 2006 between the Company and the Investors (the “Securities Purchase Agreement”). The securities were sold at a price of \$1.20 per share for aggregate proceeds of approximately \$5.14 million. The Company paid an aggregate \$468,340 and issued an aggregate 390,284 warrants to certain selling agents. The selling agent warrants are exercisable at \$1.25 per share and will expire three years after closing.

In connection with the offer and sale of securities to the Investors, the Company relied on the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the “Securities Act”), and Rule 506 promulgated thereunder. The Company believes that the Investors are “accredited investors”, as such term is defined in Rule 501(a) promulgated under the Securities Act.

Pursuant to the Securities Purchase Agreement, the Company has agreed to file, within 60 days after the closing, a registration statement covering the resale of the shares of common stock and the shares underlying the warrants sold to the Investors. In addition, the Company has agreed to use its commercially reasonable efforts to cause the registration statement to be declared effective within 120 days after closing.

A copy of the Securities Purchase Agreement filed herewith as Exhibit 10.1 is incorporated herein by reference.
