PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

American Apparel, Inc. (the "Company") has determined that it is unable to file its Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2015 (the "2015 Q3 Form 10-Q") within the prescribed time period without unreasonable effort or expense for the reasons described below:

As previously disclosed, on October 5, 2015, the Company and certain of its domestic subsidiaries filed voluntary petitions in the United States Bankruptcy Court seeking relief under Chapter 11 of Title 11 of the United States Code ("Chapter 11 Cases"). The quantity and complexity of the Chapter 11 Cases has required substantial management time and attention, which disrupted the Company's normal closing process, including its independent auditor's review procedure, for the quarter ended September 30, 2015. As a result, the Company has been delayed in its preparation of financial statements and other documentation relating to the 2015 Q3 Form 10-Q, and it does not expect to be in a position to complete and file the 2015 Q3 Form 10-Q within the 5-day extension period provided in Rule 12b-25(b). At this time, the Company is unable to estimate when it will be able to complete and file such 2015 Q3 Form 10-Q. The expected changes in operating results for the three and nine months ended September 30, 2015 as compared to the prior periods in 2014 are presented in the unaudited statements of operations data contained in Part IV below. The Company intends on furnishing its monthly operating reports ("MOR") required in the Chapter 11 Cases on Form 8-K while in bankruptcy. The first MOR is due by November 30, 2015.

As previously disclosed, the Company cautions that trading in its securities during the pendency of the Chapter 11 Cases is highly speculative and poses substantial risks, and that if the restructuring plan currently proposed by the Company in the Chapter 11 Cases is consummated, its common stock will be extinguished and the holders of the common stock will not receive any consideration.

If the answer is no, identify report(s).  Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

The following consolidated statements of operations data for the three and nine months ended September 30, 2015 set forth below are preliminary estimates as of the date of this Form 12b-25, unaudited, and have not been reviewed by the Company's independent auditor.

Net sales for the nine months ended September 30, 2015 are estimated at \$384.7 million, a decrease of approximately 16% , or \$70.7 million, from the same period in 2014, primarily as a result of the decline in comparable sales, the unfavorable impact of foreign currency exchange rate changes, and store closures. The decline in comparable sales was attributable to a strategic initiative to reduce inventory levels by accelerating the sale of slow-moving merchandise in the retail stores in the first quarter of 2015.
