ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 23, 2014, DST Systems, Inc. (“DST” or the “Company”) entered into an agreement (the “Agreement”) with the Argyros Family Trust, together with certain affiliates (collectively, the “Argyros Group”), in connection with the Company’s 2014 Annual Meeting of Shareholders (the “Annual Meeting”). The Agreement provides, among other things, that, DST will nominate Lynn Dorsey Bleil and John W. Clark for election to the Board of Directors at the Company’s Annual Meeting. DST also expects to enter into a two-step process to help facilitate the disposition of a substantial portion of the Argyros Group’s common stock ownership in DST (the “Argyros Disposition”).

Ms. Bleil recently retired as the leader of McKinsey & Company’s West Coast Healthcare Practice and as a leader of the worldwide Healthcare Practice. Mr. Clark has served as the Managing Member of Westar Capital Associates II, LLC, a firm founded by DST director Ambassador George L. Argyros, since 1995.

In order to implement the Argyros Disposition, DST would, at the election of the Argyros Group and subject to the satisfaction of certain conditions (including execution of definitive agreements), help facilitate a registered, secondary common stock offering of \$450 million (before any overallotment option) of DST common stock beneficially owned by the Argyros Group (the “Offering”). Concurrent with the closing of the Offering, DST would purchase \$200 million of DST common stock beneficially owned by the Argyros Group and not sold in the Offering (the “Repurchase”). In the event that the Argyros Group has not consummated the Offering within nine months following the execution by DST and the Argyros Group of one or more definitive agreements, so long as the Company has complied with its obligations to the Argyros Group, DST would no longer have any obligation to help facilitate the Argyros Disposition. Additional terms of the Offering and the Repurchase will be set forth in definitive agreements to be finalized by DST and the Argyros Group and filed with the U.S. Securities and Exchange Commission (the “SEC”).

In addition, the Argyros Group has withdrawn its notice of nomination of director candidates to the DST Board and has agreed to vote its shares in favor of each of the Company’s nominees at the 2014 Annual Meeting. Furthermore, the Argyros Group has agreed to customary standstill provisions. In addition, Brent L. Law has agreed to resign from the DST Board under certain agreed upon circumstances, including the consummation of the Repurchase.

The foregoing description of the Agreement is qualified in its entirety by reference to the full text of the Agreement, which is attached as Exhibit 99.2 hereto and is incorporated herein by reference.

ITEM 8.01 OTHER EVENTS.

On March 19, 2014, the Board of Directors of DST Systems, Inc. approved a leadership re-alignment pursuant to which it appointed Steve Towle to a newly-created position as Executive Vice President and Head of Financial Services and appointed Mike Abbaei as Executive Vice President and Head of Customer Communications, leading that business in North America. Prior to this realignment of leadership, Mr. Towle led the North American Customer Communications business and Mr. Abbaei served as President of DST Brokerage Solutions, LLC. The leadership realignment allows the Company to better support clients and seamlessly deliver solutions from across interconnected Company businesses.
