## EXPLANATORY NOTE

On September 10, 2014, stockholders of Pyramid Oil Company, a California corporation (the “Company”), and Yuma Energy, Inc., a Delaware corporation (“Old Yuma”), approved the merger of a subsidiary of the Company with and into Old Yuma, referred to as the “transaction,” pursuant to which Old Yuma became a wholly owned subsidiary of the Company and the Company changed its name to “Yuma Energy, Inc.” In connection with the transaction, the Company filed a Registration Statement on Form S-4 (No. 33-197826) (the “Form S-4”) registering shares of common stock of the Company to be issued in connection with the transaction. As part of our Form S-4 we registered 66,336,701 shares of common stock, no par value per share ( the “Company Common Stock”), of the Company, to be issued in connection with such transaction.

We are now filing this Post-Effective Amendment No. 1 to Form S-4 on Form S-8 relating to the offer and sale of 2,359,356 shares of Company Common Stock, to be issued in connection with The Yuma Companies, Inc. 2011 Stock Option Plan, as assumed by the Company, effective September 10, 2014 (the “Old Yuma Plan”).

Two million, three hundred fifty-nine thousand, three hundred and fifty-six (2,359,356) shares of Company Common Stock issuable upon the vesting of restricted stock awards outstanding or issuable under the Old Yuma Plan were previously registered on the Form S-4 and are being transferred to the Form S-8. All filing fees payable in connection with the registration of the Company Common Stock covered by the Form S-4 were paid by Company at the time of the initial filing of the Form S-4.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Sections 204(a)(11) and 317 of the California General Corporation Law authorize the Company to indemnify, subject to the terms and conditions set forth therein, its directors, officers, employees and other agents against expenses, judgments, fines, settlements and other amounts that they may incur in connection with pending, threatened or completed lawsuits and other proceedings that are based upon their service as the Company directors, officers, employees or other agents or that are based upon their service as directors, officers, employees or other agents of certain other specified entities. The California General Corporation Law also provides that the Company is entitled to purchase indemnification insurance on behalf of any such director, officer, employee or agent. Article Tenth of the Company's restated articles of incorporation permits it to indemnify its directors, officers, employees and other agents in excess of the indemnification otherwise permitted by Section 317 of the California General Corporation Law, subject only to the applicable limits set forth in Section 204 of the California General Corporation Law. Article V of the Company's bylaws, as amended, requires it to indemnify its directors and officers against such expenses, judgments, fines, settlements and other amounts to the maximum extent permitted by applicable law.

Article Tenth of the Company's restated articles of incorporation eliminates the personal liability of its directors for monetary damages for breach of their duties as directors to the fullest extent permitted under California law. Section 204(a)(10) of the California General Corporation Law provides that this provision does not eliminate the liability of a director for specified acts such as (1) acts or omissions that involve intentional misconduct or a knowing and culpable violation of law, (2) acts or omissions that a director believes to be contrary to the best interests of the corporation or its stockholders or that involve the absence of good faith on the part of the director, (3) any transaction from which the director derived an improper personal benefit, (4) acts or omissions that show a reckless disregard for the director's duty to the corporation or its stockholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing his or her duties, of a risk of serious injury to the corporation or its stockholders, (5) acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the corporation or its stockholders, or (6) unlawful dividends, loans or stock repurchases.

The Company has also entered into individual indemnification agreements with its directors and executive officers. These agreements indemnify those directors and officers to the fullest extent permitted by law against inordinate risks of claims and actions against them arising out of their service to and activities on behalf of the Company.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was

registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that Paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
