PROXY STATEMENT

Annual Meeting of Stockholders

To be held on May 1, 2015

General

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Pharma-Bio Serv, Inc. of proxies to be voted at our 2015 Annual Meeting of Stockholders and at any and all postponements or adjournments thereof. Our Annual Meeting will be held on Friday, May 1, 2015, at 10:00 a.m. local time at the Pennsylvania offices of the Company located at 545 West Germantown Pike, Suite 200, Plymouth Meeting, Pennsylvania, 19462. This proxy statement and the enclosed form of proxy are first being sent to stockholders on or about April 1, 2015. In this proxy statement Pharma-Bio Serv, Inc. and its subsidiaries are referred to as the “Company,” “we,” “our” or “us.”

Purposes of the Meeting

At the Annual Meeting, our stockholders will consider and vote upon the following matters:

- (1) The election of two (2) directors as Class II directors to serve for a term until the 2018 Annual Meeting of Stockholders or until a successor is duly elected and qualified;
- (2) The ratification of the selection of Horwath Velez & Co. PSC as the Company’s independent certified public accountants for the fiscal year ending October 31, 2015; and
- (3) The transaction of such other and further business as may properly come before the meeting or any, adjournments or postponements of the meeting.

Outstanding Securities and Voting Rights

Only holders of record of the Company’s common stock at the close of business on March 27, 2015, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On that date, we had 23,083,600 shares of common stock outstanding. Each share of common stock is entitled to one vote at the Annual Meeting.

A majority of the outstanding shares of our common stock constitutes a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Under New York Stock Exchange rules, a broker does not have the discretion to vote on Proposal 1 – Election of Directors. As a result, any broker that is a member of the NYSE will not have the discretion to vote Proposal 1. A broker non-vote or an abstention will have no effect on the proposals.

Proxy Voting

Shares for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted "FOR" Proposal 1 - the election of the nominee to the Board named herein, and "FOR" Proposal 2 - the ratification of Horwath Velez & Co. PSC as our independent certified public accountants. If, however, other matters are properly presented, the person named in the proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares are represented by certificates or book entries in your name so that you appear as a stockholder on the records of American Stock Transfer & Trust Company, our transfer agent, a proxy card for voting those shares will be included with this proxy statement. If you own shares in street name, meaning that your shares are held by a bank or brokerage firm or other nominee, you may instead receive a voting instruction form from that institution with this proxy statement to instruct it how to vote your shares.

The Board of Directors urges you to promptly date, sign and mail your proxy or to use the internet voting system set forth in the proxy, in the form enclosed with this proxy statement, to make certain that your shares are voted at the Annual Meeting. Proxies in the enclosed or other acceptable form that are received in time for the Annual Meeting will be voted. However, you may revoke your proxy at any time prior to its use by a revocation in writing to the Corporate Secretary at the Company's principal executive offices at #6 Road 696 Dorado, Puerto Rico, 00646 or a later dated proxy that is received in sufficient time by the Company prior to the Annual Meeting; and, if you attend the Annual Meeting, you may vote your shares in person.

Attendance and Voting at the Annual Meeting

If you own common stock of record, you may attend the Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card or by internet. If you own common stock in street name, you may attend the Annual Meeting but in order to vote your shares at the Annual Meeting, you must obtain a "legal proxy" from the bank or brokerage firm that holds your shares. You should contact your bank or brokerage account representative to learn how to obtain a legal proxy. We encourage you to vote your shares in advance of the Annual Meeting, even if you plan on attending the Annual Meeting. If you have already voted prior to the Annual Meeting, you may nevertheless change or revoke your vote at the Annual Meeting in the manner described below. To obtain directions to the annual meeting, please visit the company's website at www.pharmabioserv.com and click on the "Directions to East Coast Office" link under the "Contact Us" tab.

Revocation

If you own common stock of record, you may revoke a previously granted proxy at any time before it is voted by delivering to Pedro J. Lasanta, Chief Financial Officer, Vice President – Finance and Administration and Secretary of the Company, a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any stockholder owning common stock in street name may change or revoke previously granted voting instructions by contacting the bank or brokerage firm holding the shares or by obtaining a legal proxy from such bank or brokerage firm and voting in person at the Annual Meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of five (5) directors divided into three separate classes, as nearly equal in number as possible, with one class being elected each year to serve a staggered three-year term.

At the 2013 Annual Meeting of Stockholders, our stockholders approved an amendment to our Certificate of Incorporation, which phases-in the classification of our Board of Directors which began at the 2013 Annual Meeting of Stockholders. Pursuant to this amendment, the director initially elected in Class I stood for election at the 2014 Annual Meeting of Stockholders for a term expiring at the 2017 Annual Meeting of Stockholders. The directors initially elected in Class II will stand for election at this year's Annual Meeting of Stockholders and the directors initially elected in Class III will continue to hold office until the 2016 Annual Meeting of Stockholders. At this Annual Meeting of Stockholders and each Annual Meeting of Stockholders thereafter, the successors to the class of directors whose terms expire at that meeting would be elected for a term of office to expire at the third succeeding Annual Meeting of Stockholders after their election, and until their successors have been duly elected and qualified.

Our Class I director is Irving Wiesen; our Class II directors are Kirk Michel and Dov Perlysky; and our Class III directors are Elizabeth Plaza and Howard Spindel.

Our Board of Directors is recommending that Kirk Michel and Dov Perlysky, our Class II directors, be re-elected to serve for a term until the 2018 Annual Meeting of Stockholders or until a successor is duly elected and qualified. If Messrs. Michel and Perlysky become unavailable for any reason, a situation which is not anticipated, a substitute nominee may be proposed by the board, and any shares represented by proxy will be voted for the substitute nominee, unless the board reduces the number of directors.

Mr. Perlysky was elected as director at the time of our organization in 2004. The other directors were elected in January 2006 in connection with our acquisition of Pharma-Bio Serv PR, Inc. ("Pharma-PR"), formerly Plaza Consulting Group, Inc.

Board Meetings; Annual Meeting Attendance; Independence

The Board oversees our business and affairs and monitors the performance of management. The Board met regularly during the fiscal year ended October 31, 2014 (“fiscal 2014”) and continues to meet regularly to review matters affecting our Company and to act on matters requiring Board approval. The Board also holds special meetings whenever circumstances require and may act by unanimous written consent. During fiscal 2014, the Board of Directors held five meetings, and took three actions by written consent. During fiscal 2014, all directors attended at least 75% of all Board and committee meetings held during this period. The Board of Directors encourages, but does not require, its directors to attend the Company’s annual meeting. Two directors, Ms. E. Plaza and Mr. Perlysky, attended the 2014 Annual Meeting of Stockholders.

The Board has determined that the following directors are independent pursuant to Nasdaq Rule 5605 (“Nasdaq Rules”) (even though the Company’s securities are not traded on the Nasdaq market): Kirk Michel, Dov Perlysky, Howard Spindel and Irving Wiesen.

Code of Ethics

We have adopted a Code of Ethics that applies to all our senior management, including our principal executive officer, principal financial officer and principal accounting officer, and directors. We intend to post amendments to or waivers from our Code of Ethics (to the extent applicable to our Principal Executive Officer, Principal Financial Officer, Principal Accounting Officer or controller, or persons performing similar functions) on our website. Our website is not part of this proxy statement.

Board Leadership Structure

The Board of Directors has no policy regarding the need to separate or combine the offices of Chairman of the Board and Principal Executive Officer and instead the Board of Directors remains free to make this determination from time to time in a manner that seems most appropriate for the Company. Currently, the positions of Chairman and Chief Executive Officer are separate at Pharma-Bio Serv, Inc. Elizabeth Plaza serves as our Chairman and Victor Sanchez serves as our President and Chief Executive Officer. At this time, the Company believes this segregation allows the Board of Directors to effectively provide guidance to and oversight of its management. Also, this structure allows Ms. Plaza the opportunity to focus on the Company’s strategic expansion into new markets and mergers and acquisition activities.

Currently, the Company has not designated a lead independent director and executive sessions of the Board of Directors are presided over by the Chairman of the Board Committee having authority over the subject matter discussed at the executive session, as appropriate. We believe this leadership structure is appropriate based on the

Company's size and characteristics and its commitment to a strong, independent Board of Directors, exemplified by four out of five of its directors qualifying as an independent director.

Board Oversight of Enterprise Risk

The Board of Directors is actively involved in the oversight and management of risks that could affect the Company. This oversight and management is conducted primarily through the committees of the Board of Directors identified below but the full Board of Directors has retained responsibility for general oversight of risks. The Audit Committee is primarily responsible for overseeing the risk management function, specifically with respect to management's assessment of risk exposures (including risks related to liquidity, credit, operations and regulatory compliance, among others), and the processes in place to monitor and control such exposures. The other committees of the Board of Directors consider the risks within their areas of responsibility. The Board of Directors satisfies their oversight responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Committees

The standing committees of the Board of Directors are the Audit Committee, the Compensation Committee, the Mergers and Acquisition Committee, and the Nominating Committee.

Audit Committee

The members of the Audit Committee are Howard Spindel, Chairman, Kirk Michel and Irving Wiesen, all of whom are independent directors as determined by the Nasdaq Rules. The responsibilities and duties of the Audit Committee consist of but are not limited to: (1) overseeing the financial reporting process; (2) meeting with our external auditors regarding audit results; (3) engaging and ensuring independence of our outside audit firm and (4) reviewing the effectiveness of the Company's internal controls. The Audit Committee met four times during fiscal 2014.

Our Board has determined that Mr. Spindel qualifies as an "Audit Committee financial expert" within the meaning of applicable regulations of the SEC, promulgated pursuant to the Sarbanes-Oxley Act of 2002. Our Board of Directors has adopted a written charter for the Audit Committee which the Audit Committee reviews and reassesses for adequacy on an annual basis. A copy of the Audit Committee's charter is located on our website at www.pharmabioserv.com.

Compensation Committee

The members of the Compensation Committee are Kirk Michel, Chairman, Howard Spindel and Irving Wiesen, all of whom are independent directors as determined by the Nasdaq Rules. The responsibilities and duties of the Compensation Committee consist of, but are not limited to: (1) approving salaries and incentive compensation of executive officers, as well as the compensation of our Board members; (2) reviewing compensation plans, policies and benefit programs for employees, generally and (3) administering the employee stock option and benefit plans, when designed by the Board. While performing its duties, the Compensation Committee receives substantial input from the Principal Executive Officer regarding the appropriate level and type of compensation for our executives, excluding the compensation paid to the Principal Executive Officer. The Compensation Committee has determined that no risks exist rising from the Company's compensation policies and practices for its employees that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee did not retain a compensation consultant to review our policies and procedures with respect to executive compensation for fiscal 2014. The Compensation Committee met four times during fiscal 2014. A copy of the Compensation Committee's charter is located on our website at www.pharmabioserv.com.

Mergers and Acquisitions Committee

The members of the Mergers and Acquisitions Committee are Dov Perlysky, Kirk Michel and Irving Wiesen. Messrs. Michel, Perlysky and Wiesen are independent directors as determined by the Nasdaq Rules. The responsibilities and duties of the Mergers and Acquisitions Committee consist of (1) reviewing and providing guidance to management and the Board with respect to business development activities including acquisitions, investment and divestiture strategies, (2) assisting management in the assessment of potential transactions, and (3) advising management and the Board in the selection and use of financial, legal and other advisors. The Mergers and Acquisition Committee met three times during fiscal 2014.

Nominating Committee

The members of the Nominating Committee are Dov Perlysky, Elizabeth Plaza and Irving Wiesen. We have not adopted a written charter for this committee at the present time. If the Nominating Committee identifies a need to

replace a current member of the Board, to fill a vacancy on the Board, or to expand the size of the Board, the Nominating Committee considers candidates from a variety of sources. The process followed by the Nominating Committee to identify and evaluate candidates include (a) meetings to evaluate biographical information and background material relating to candidates, (b) requiring candidates to complete questionnaires to elicit information of the type required to be disclosed by us in reports filed with the SEC, (c) conducting background investigations by qualified independent organizations experienced in conducting criminal and civil investigatory reviews, (d) interviews of selected candidates by members of the Board and (e) such other personal and financial reviews and analyses as the Nominating Committee may deem appropriate in connection with the consideration of candidates. While the Nominating Committee does not have a formal policy on diversity, when considering the selection of director nominees, the Nominating Committee considers individuals with diverse backgrounds, viewpoints, accomplishments, cultural background and professional expertise, among other factors.

Recommendations by the Nominating Committee of candidates for inclusion in the Board slate of director nominees are based upon criteria such as business experience and skills, independence as defined by the Nasdaq listing requirements (even though the Company's securities are not traded on the Nasdaq market) or other independence standard deemed appropriate by the Nominating Committee, distinction in their activities, integrity, the ability to commit sufficient time and attention to the Board's activities and the absence of potential conflicts with the Company's interests. The Nominating Committee also considers any other relevant factors that it may from time to time deem appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluation of all prospective nominees. The Nominating Committee considers candidates for Board membership, including those suggested by stockholders applying the same criteria to all candidates. We intend to adopt a stockholder nomination policy in the near future. The Nominating Committee met one time during fiscal 2014.

Mr. Lasanta will forward the communication either to all of the directors, if the communication is addressed to the Board, or to the individual director, if the communication is directed to a director.

PROPOSAL 2: SELECTION OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

We are asking our stockholders to ratify the Audit Committee’s selection of Horwath Velez & Co. PSC (“Horwath”) as our independent certified public accountants for the year ending October 31, 2015. If the stockholders do not ratify the appointment of Horwath, the selection of our independent certified public accountants may be reconsidered by our Audit Committee.

We engaged Horwath as our independent public accountants on September 25, 2006. Horwath audited the Company’s consolidated financial statements for the fiscal years ended October 31, 2014 and 2013. Representatives of Horwath are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so. It is also expected that they will be available to respond to appropriate questions.

Principal Accountant Fees and Services

We were billed by Horwath in 2014 and 2013 as follows:

Description of services:	Fiscal 2014	Fiscal 2013
Audit	\$ 49,395	\$ 47,600
Audit-Related	27,825	27,825
Tax and other services	22,601	19,232
Total Fees	\$ 99,821	\$ 94,657

Audit fees above are professional services associated with the integrated audit of our consolidated financial statements. Audit-Related fees are primarily attributable to services rendered in connection to reviews of our quarterly condensed financial statements. Tax and other services are mainly attributable to retirement plan compliance audit and international tax compliance services.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee’s policy is to pre-approve all audit and permissible non-audit services provided by the independent public accountants. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Horwath and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case by case basis. The Audit Committee approved one hundred percent (100%) of all services provided by Horwath during fiscal 2014 and 2013.

The Audit Committee has considered the nature and amount of the fees billed by Horwath, and believes that the provision of the services for activities unrelated to the audit is compatible with maintaining Horwath’s independence.

Vote Required and Recommendation

The proposal to approve the selection of Horwath Velez & Co. PSC as our independent accountant for the fiscal year ending October 31, 2015 requires the affirmative vote of a majority of the votes cast.

The Board of Directors recommends a vote “FOR” the proposal.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission and to provide us with copies of those filings. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the year ended October 31, 2014, all such filing requirements applicable to the Company's directors, executive officers and greater than 10% beneficial owners were complied with, except Messrs. Michel, Perlysky, Spindel and Wiesen each untimely filed a Form 4 to report one transaction.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In February 2007, we entered into an agreement for our main resource facilities in Dorado, Puerto Rico with Plaza Professional Center, Inc., a company controlled by Elizabeth Plaza, our Chairman of the Board. These facilities accommodate our testing laboratory, our customer-specialized training facilities, and our Puerto Rico consulting and headquarters offices. The agreement is for a five year term, with initial monthly installments of \$18,750, which will increase by 5% annually. The agreement also requires the payment of utilities, property taxes, insurance and a portion of expenses incurred by the affiliate in connection with the maintenance of common areas. The agreement provided for a renewal option under the same terms, which became effective February 2012 for a period of five additional years. During the years ended October 31, 2014 and October 31, 2013, we paid approximately \$313,000 and \$298,000, respectively, to Plaza Professional Center, Inc. in connection with the lease of these facilities.

Also, see Agreements – Elizabeth Plaza – Consulting Agreement above for a description of the Consulting Agreement.
