Dear Shareholder:

You are cordially invited to attend the 2015 annual meeting of shareholders of United States Antimony Corporation. The meeting will be held at the Ramada Inn at the Spokane International Airport, 8909 Airport Drive, Spokane, Washington, on Saturday, December 12, 2015, at 9:00 a.m., local time.

The Notice of Annual Meeting of Shareholders and Amended Proxy Statement describe the formal business to be transacted at the meeting.

This revised Proxy Statements amends the earlier Proxy Statement mailed to shareholders on or about October 22, 2015, by correcting a typographical error on page 3, which referred to five directors. Although clearly stated throughout the Proxy Statement that there are six directors, the Company elected to send out this Amended Proxy Statement to clarify any possibility of an error in voting for the directors. Please refer to page 3 of the Amended Proxy Statement entitled "Vote Required to Approval Proposal 1: Election of Directors" in which the Amended Proxy Statement clearly states that six directors are to be elected by cumulative voting. The Amended Proxy Statement also deletes a reference to voting on a proposal to eliminate cumulative voting at the Annual Meeting since this is not being considered.

During the meeting, we will also report on our operations. Directors and officers of United States Antimony Corporation will be present to respond to appropriate questions from shareholders.

It is important that your shares are represented, whether or not you attend the annual meeting in person and regardless of the number of shares you own. To make sure your shares are represented, we urge you to promptly vote. You may vote your shares by completing and mailing the enclosed proxy card. If you attend the meeting, you may vote in person even if you have previously submitted your proxy. Also, described in the accompanying proxy information is important information on how you can vote online.

We look forward to seeing you at the meeting.

Sincerely,

John C. Lawrence
Chairman and President

2015 ANNUAL MEETING OF SHAREHOLDERS
DECEMBER 12, 2015

The Board of Directors of United States Antimony Corporation (USAC or the Company) is using this Proxy Statement to solicit proxies from our shareholders for use at the 2015 annual meeting of shareholders. We are first mailing this Proxy Statement and the form of proxy to our shareholders on or about November 5, 2015.

INFORMATION ABOUT THE 2015 ANNUAL MEETING

Time and Place of the Annual Meeting

Our annual meeting will be held as follows:

Date: Saturday, December 12, 2015

Time: 9:00 a.m., local time

Place: Ramada Inn at the Spokane International Airport, 8909 Airport Drive, Spokane, Washington

Matters to Be Considered at the Annual Meeting

At the meeting, you will be asked to consider and vote upon the following proposals:

Proposal 1. To elect six directors each to serve for a one-year term.

Proposal 2. To ratify the selection of DeCoria, Maichel & Teague P.S. as our independent auditor for 2015.

Proposal 3. To conduct an advisory vote on the compensation of our named executive officers.

We also will transact any other business that may properly come before the annual meeting. As of the date of this Proxy Statement, we are not aware of any other business to be presented for consideration at the annual meeting other than the matters described in this Proxy Statement.

Who is Entitled to Vote?

We have fixed the close of business on October 12, 2015 as the Record Date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of USAC's common stock and preferred stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of USAC common stock and each share of preferred stock you own. On the Record Date, the following shares were outstanding and entitled to vote at the annual meeting: (1) 66,222,389 shares of common stock, (2) 177,904 shares of Series C

preferred stock, and (3) 1,751,005 shares of Series D preferred stock. The Company's Series B preferred stock does not have voting rights.

How Do I Vote at the Annual Meeting?

You have several voting options. You may vote by:

Completing your proxy card over the internet at the following website: <http://www.columbiastock.com/voting4>;

Faxing your proxy card to Columbia Stock Transfer at 855-644-3544, Attention Michelle White;

Emailing your proxy card to Columbia Stock Transfer at michelle@columbiastock.com;

Downloading or requesting a proxy card (as detailed below), signing your proxy and mailing it to the attention of Alicia Hill, Secretary, at P.O. Box 643, Thompson Falls, Montana 59873;

Signing and faxing your proxy card to our Secretary for proxy voting at the number provided on the proxy card;
or

Attending the annual meeting and voting in person.

Proxies are solicited to provide all shareholders of record on the Record Date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a shareholder of record if your shares of USAC common stock and/or preferred stock are held in your name. If you are a beneficial owner of USAC common stock or preferred stock held by a broker, bank or other nominee (i.e., in “street name”), please see the instructions in the following question.

Shares of USAC common stock and preferred stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Shares of USAC common stock and preferred stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder’s instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares "FOR" the election of each of our six director nominees and "FOR" ratification of the selection of DeCoria, Maichel & Teague P.S. as our independent auditor for 2015. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in “street name” by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as “broker non-votes.”

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock or preferred stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of USAC common stock and preferred stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 120 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a majority of the votes cast, in person or by proxy, at the annual meeting by holders of a plurality of outstanding shares entitled to vote present in person or by proxy at the annual meeting. Pursuant to our Bylaws and Montana law, shareholders are permitted to cumulate their votes for the election of directors. Under cumulative voting, each holder of voting stock has a number of votes that is equal to the number of shares of voting stock he or she owns multiplied by the number of directors to be elected. The holder may cast all of those votes for one nominee or distribute them among all or less than all of the nominees as the shareholder sees fit. Since six directors are to be elected at the meeting, the total votes which may be cast in the election of directors is calculated as follows:

Number of shares of voting stock owned by you [___] x 6 (number of directors to be elected) = total votes.

Shareholders may allocate their votes among the six nominees described below. Votes may be cast for or withheld from each nominee.

Vote Required to Approve Proposal 2: Ratification of the Selection of the Independent Auditor

Ratification of the selection of DeCoria, Maichel & Teague P.S. as our independent auditor for the fiscal year ending December 31, 2015 requires the affirmative vote of a majority of the outstanding shares entitled to vote present in person or by proxy at the annual meeting. Abstentions will have the same effect as a vote against the proposal.

Vote Required to Approve Proposal 3: Advisory Resolution Approving Named Executive Officer Compensation

Approval of an advisory resolution approving named executive officer compensation requires the affirmative vote of a majority of the outstanding shares entitled to vote present in person or by proxy at the annual meeting. Abstentions will have the same effect as a vote against the proposal.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

submitting a new proxy with a later date;

notifying the Secretary of USAC in writing before the annual meeting that you have revoked your proxy; or

voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in “street name,” you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

How can I obtain a copy of the 2014 Annual Report on Form 10-K?

The Company's 2014 Annual Report on Form 10-K, including financial statements, is available on the internet with this Proxy Statement at <http://www.usantimony.com>. The Form is also available through the SEC's website at <http://www.sec.gov>.

At the written request of any shareholder who owns shares on the Record Date, the Company will provide to such shareholder, without charge, a paper copy of the Company's 2014 Annual Report on Form 10-K as filed with the SEC, including the financial statements, but not including exhibits.

If requested the Company will provide copies of the exhibits for a reasonable fee.

What is the current compensation of the Board?

Our Board of Directors currently consists of six members.

If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

The Committee assists the Board by overseeing the (1) integrity of our financial reporting and internal control, (2) independence and performance of our independent auditors, (3) and provides an avenue of communication between management, the independent auditors and the Board.

In the course of providing its oversight responsibilities regarding the 2014 financial statements, the Committee reviewed the 2014 audited financial statements, which appear in the 2014 Annual Report on Form 10-K, with management and our independent auditors. The Committee reviewed accounting principles, practices, and judgments as well as the adequacy and clarity of the notes to the financial statements.

The Committee reviewed the independence and performance of the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, and such other matters as required to be communicated by the independent auditors in accordance with Statement of Auditing Standards 61, as superseded by Statement of Auditing Standard 114—the Auditor's Communication With Those Charged With Governance, as modified or supplemented.

Compensation Committee

We have a Compensation Committee composed of three (3) directors, all of whom, in the opinion of our Board of Directors, are independent (under Section 803A of the NYSE MKT Company Guide): Gary D. Babbitt (Chairman), Hartmut W. Baitis, Whitney H. Ferer and Jeffrey D. Wright.

We have a Compensation Committee charter that complies with the requirements of the NYSE MKT. Our Compensation Committee is responsible for considering and authorizing terms of employment and compensation of executive officers and providing advice on compensation structures in the various jurisdictions in which we operate. Our Chief Executive Officer may not be present during the voting determination or deliberations of his or her compensation; however, our Compensation Committee does consult with our Chief Executive Officer in determining and recommending the compensation of directors and other executive officers.

In addition, our Compensation Committee reviews both our overall salary objectives and significant modifications made to employee benefit plans, including those applicable to executive officers, and propose awards of stock options, if any. The Compensation Committee has determined that the Company's compensation policies and practices for its employees generally, not just executive officers, are not reasonably likely to have a material adverse effect on the Company.

The Compensation Committee does not and cannot delegate its authority to determine director and executive officer compensation. Due to budgetary constraints, neither the Company or the Compensation Committee has engaged the services of an external compensation consultant.

During the fiscal year ended December 31, 2014, the Compensation Committee met two (2) times. A copy of the Compensation Committee charter is available on our website at www.usantimony.com.

Corporate Governance and Nominating Committee

We have a Corporate Governance and Nominating Committee composed of three (3) directors, all of whom, in the opinion of our Board of Directors, are independent (under Section 803A of the NYSE MKT Company Guide): Gary D. Babbitt (Chairman), Hartmut W. Baitis and Whitney H. Ferer. We have a Corporate Governance and Nominating Committee charter that complies with the requirements of the NYSE MKT.

Our Corporate Governance and Nominating Committee is responsible for developing our approach to corporate governance issues. The Committee evaluates the qualifications of potential candidates for director and recommends to the Board nominees for election at the next annual meeting or any special meeting of shareholders, and any person to be considered to fill a Board vacancy resulting from death, disability, removal, resignation or an increase in Board size. The Committee has adopted a Director Nominating Process and Policy which sets forth the criteria the Board will assess in connection with the consideration of a candidate, including the candidate's integrity, reputation, judgment, knowledge, independence, experience, accomplishments, commitment and skills, all in the context of an assessment of the perceived needs of the Board at that time. A copy of the Director Nominating Process and Policy is available on our website at www.usantimony.com.

We do not have a formal policy regarding diversity in the selection of nominees for directors. The Corporate Governance and Nominating Committee does, however, consider diversity as part of its overall selection strategy. In considering diversity of the Board as a criteria for selecting nominees, the Corporate Governance and Nominating Committee takes into account various factors and perspectives, including differences of viewpoint, professional experience, education, skills and other individual qualities and attributes that contribute to Board heterogeneity, as well as race, gender and national origin. The Corporate Governance and Nominating Committee seeks persons with leadership experience in a variety of contexts. The Corporate Governance and Nominating Committee believes that this conceptualization of diversity is the most effective means to implement Board diversity. The Corporate Governance and Nominating Committee will assess the effectiveness of this approach as part of its annual review of its charter.

The Committee will consider recommendations for director nominees made by shareholders and others if these individuals meet the criteria set forth in the Director Nominating Process and Policy. For consideration by the Committee, the nominating shareholder or other person must provide the Corporate Secretary's Office with information about the nominee, including the detailed background of the suggested candidate that will demonstrate how the individual meets our director nomination criteria. If a candidate proposed by a shareholder meets the criteria, the individual will be considered on the same basis as other candidates. No shareholder or shareholders holding 5% or more of our outstanding stock, either individually or in aggregate, has recommended a nominee for election to the Board.

All of the nominees included on the proxy card accompanying this proxy statement were nominated by the Corporate Governance and Nominating Committee and were recommended by our current Board.

During the fiscal year ended December 31, 2014, the Corporate Governance and Nominating Committee met one (1) time. A copy of the Corporate Governance and Nominating Committee charter is available on our website at www.usantimony.com.

Board Leadership Structure

The Board has reviewed our current Board leadership structure in light of the composition of the Board, our size, the nature of our business, the regulatory framework under which we operate, our shareholder base, our peer group and other relevant factors. Considering these factors we have determined not to have a separate Chief Executive Officer and Chairman of the Board, and to have John C. Lawrence fill both roles. We have determined that this structure is currently the most appropriate Board leadership structure for us. The Board noted the following factors in reaching its determination:

The Board acts efficiently and effectively under its current structure.

A structure of a combined Chief Executive Officer and Chairman of the Board is in the best position to be aware of major issues facing us on a day-to-day and long-term basis, and is in the best position to identify key risks and developments facing us to be brought to the Board's attention.

This structure eliminates the potential for confusion and duplication of efforts, including among employees.

Companies within our peer group utilize similar Board structures.

We do not have a lead independent director. Given the size of the Board, the Board believes that the presence of four independent directors out of the six directors on the Board, with independent directors sitting on the Board's committees, is sufficient independent oversight of the Chairman and Chief Executive Officer. The independent directors work well together in the current board structure and the Board does not believe that selecting a lead independent director would add significant benefits to the Board oversight role.

The Board of Director's Role in Risk Management Oversight

The understanding, identification and management of risk are essential elements for the successful management of the Company. Risk oversight begins with the Board and the Audit Committee. The Audit Committee consists of Mr. Babbitt (Chairman), and Messrs. Baitus, Ferer and Wright, each of whom is an independent director.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of our financial reporting process and systems of internal control regarding finance and accounting, as well as its financial statements.

At the management level, an internal audit provides reliable and timely information to the Board and management regarding our effectiveness in identifying and appropriately controlling risks. Annually, management presents to the Audit Committee a report summarizing the review of our methods for identifying and managing risks.

Additionally, our Corporate Governance and Nominating Committee reviews the risks related to succession planning and the independence of the Board. The Compensation Committee reviews the risks related to our various compensation plans.

In the event that a committee is allocated responsibility for examining and analyzing a specific risk, such committee reports on the relevant risk exposure during its regular reports to the entire Board to facilitate proper risk oversight by the entire Board.

Based on a review of the nature of operations, we do not believe that any areas of the Company are incentivized to take excessive risks that would likely have a material adverse effect on our operations.

(1) These figures represent the fair values, as of the date of issuance, of the annual director's fee payable to Mr. Lawrence in the form of shares of USAC's common stock.

Compensation for all executive officers, except for the President/CEO position, is recommended to the compensation committee of the Board of Directors by the President/CEO. The compensation committee makes the recommendation for the compensation of the President/CEO. The compensation committee has identified a peer group of mining companies to aid in reviewing the President's compensation recommendations for executives, and for reviewing the compensation of the President/CEO. The full Board approves the compensation amounts recommended by the compensation committee. Currently, the executive managements' compensation only includes

base salary and health insurance. The Company does not have annual performance based salary increases, long term performance based cash incentives, deferred compensation, retirement benefits, or disability benefits. For the year ended December 31, 2014, The Chief Executive Officer (CEO) received an increase in base compensation of \$15,000 annually. The Board of Directors determined that the CEO's compensation for the prior years was substantially less than that of Chief Executive Officers for similar companies, and that a raise was appropriate to compensate the CEO for management of a Company with the complexities of United States Antimony Corporation.

Two executive officers, the President/CEO and the Vice-President for the Latin American operations, receive restricted stock awards for their services as Board members.

Equity Compensation Awards

The following table sets forth information concerning the outstanding equity awards at December 31, 2014, held by our principal executive officer. There were not any other outstanding equity awards or plan based awards to officers or directors as of December 31, 2014.

Name	Number of Securities Underlying Unexercised Options		Outstanding Equity Awards at Fiscal Year End	Average Exercise Price	Option Exercise Dates
	Exercisable #	Unexercisable #	Number of Securities Underlying Unexercised Options

Compensation Committee Compensation Discussion and Analysis

This discussion and analysis provides you with an understanding of our executive compensation philosophy, plans and practices, and gives you the context for understanding and evaluating the more specific compensation information contained in the tables and related disclosures set forth above.

United States Antimony Corporation (USAC or the Company) is engaged in mining and processing zeolite, antimony and precious metals. We own and operate a zeolite mine and plant near Preston, Idaho and own and operate the Los Juarez antimony mine in the state of Queretaro, Mexico. We also operate a mill in Guanajuato, Mexico and antimony smelters in Coahuila, Mexico and Thompson Falls, Montana. The Company headquarters are in Thompson Falls, Montana. The Company also operates antimony mines at Soyatal and Wadley and has supply agreements with mines at Guadalupana and Guadalupe.

In analyzing executive compensation the committee recognized the hardship and risk which the CEO, John Lawrence, and the Executive Vice Presidents, John Gustaven and Russell Lawrence, faced and continue to endure in working in Mexico. Employment at the senior management level has been static in 2013 through 2015, both in the Company and all of its subsidiaries.

Oversight of the Executive Compensation Program

Role of the Compensation Committee. The Compensation Committee (Committee) directs the design of and oversees the compensation programs. The Committee recommends the compensation level for the Chief Executive Officer (CEO) and it recommends the compensation levels of the other Company executives. The independent Directors of the Board then consider the recommendations and vote on them. The Compensation Committee also makes

recommendations to the Board concerning salary guidelines and reviews compensation matters concerning all other executive officer and director compensation , including salaries, bonuses, stock-based award, and grants, and the terms and conditions of employment contracts. The Compensation Committee also oversees and consults with management on succession plans.

The Compensation Committee meets annually to consider recommendations to the Board. Typically, the CEO of the Company makes recommendations to the Committee concerning individual salary levels and other compensation for the executives based on his knowledge of the work requirements and their effort and success. The CEO does not make any recommendation concerning his salary or compensation. The Compensation Committee, as noted, makes its own recommendation concerning the CEO's salary or other compensation. The Compensation Committee also reviews the adequacy of and director compensation on an annual basis. The Compensation Committee balances the Company's compensation levels with the present operational goals and objectives of the Company.

The Compensation Committee is currently comprised of Hart Baitis, Whitney Ferer, Jeffrey D. Wright and Gary Babbitt, Chairman. The Compensation Committee did not engage a compensation consultant in either the preparation or review of this report. The Board of Directors fixed director awards based on the Committee's market analysis.

Role of Executive Officers

The Chief Executive Officer makes recommendations to the Committee concerning executive officers total compensation.

The Chief Executive Officer and executive officers make recommendations to the Committee concerning long term plans and goals and short term goals for executive officers and for the CEO.

The executive officers may make recommendations concerning any qualified or non-qualified stock plan which the Company may have. At this time, the Company does not have a qualified or non-qualified stock plan.

The Committee reviews the executive officer recommendations for compensation and exercises its discretion in amending, accepting or modifying the recommendations for compensation.

Executive Compensation Principles

The following principles assist and guide the Committee in fulfilling its responsibilities as set forth in the Compensation Committee Charter and administration of the continuing executive compensation program:

Compensation should be transparent so that both the Company shareholders and executives understand the executive compensation program.

Compensation programs should correspond with the Company's long-term financial interest as well as the interests of shareholders.

Compensation should be flexible and rational in cyclical or volatile commodity markets.

Compensation should account for the inherent risks in certain geographical environments.

Compensation should be responsive to retaining qualified, high caliber executives and management.

Executive Management currently receives only a base salary and health insurance. The Company does not have annual performance based salary plans, or long term performance based cash incentives, deferred compensation, retirement benefits or disability benefits. The CEO, John Lawrence, and Russell Lawrence, the Vice President of Latin American Operations, are Board members and receive compensation in the form of Company common stock for serving on the Board.

Market Position

While the Company has identified a peer group, the Committee recommends not to change the base salaries of Executive Management in 2015 and the salaries have remained static from the 2014 level to the present, except for a modest increase of the VP of Marketing's compensation from \$50,000 to \$65,000, and the VP of Latin America's compensation from \$105,000 to \$120,000.

The compensation of the members of the Board of Directors is presently limited not to exceed \$25,000 per year, unless circumstances otherwise permit a different award. The Company does not have percentile projections, incentives, or goals of compensation for any executive or directors of the Company. The Board of Directors will wait until the end of 2015 to consider any changes for director compensation for the 2016 calendar year.

Market Assessments

The Committee reviews market compensation levels for the Board of Director and Executive compensation. At the present time the continuing development of the Mexican program requires that changes in base salary of the executives and compensation of directors will be carefully determined and on a case by case basis annually.

Peer Group for 2015 Compensation

The Committee identified the following mining companies for the peer or comparison group for compensation analysis comparisons based on their 2015 market capitalization. These companies are mainly operating mining companies, as exploration companies are not considered to be peers for compensation purposes. The following list ranks the peer group companies by the size of their capitalization (e.g., the Company's capitalization is \$95,000,000) and shows that information with available salary levels. The companies' market symbol is shown in parenthesis.

All stock awards for John Lawrence and Russell Lawrence for 2013 through 2015 were included in this compensation report as part of executive salary to follow industry custom and to make the comparisons with the peer group more consistent, even though the stock was not delivered at that time.
2. The Directors received their 2014 stock in the second quarter of 2015. There is no decision on the award of director shares for 2015.

Review of Executive Salaries with Peer Group for 2015 Salaries

The compensation of Company executives ranked 11th out of the 11 member peer group for executive compensation. The Company, however, ranked 7th out of the 11 member peer group in terms of capitalization. With only one exception (Klondex Mines' capitalization increased from 228K to 407K), the capitalization of the remaining companies in the peer group all decreased year over year, with an average capitalization decline of 34% in 2015 demonstrating a difficult year in the micro mining sector.

Expatriate Compensation

The Company pays for lodging, food, and transportation both domestically and internationally as needed and required in the US and Mexico. Security issues influence transportation in Mexico.

Compensation of Independent Directors

The following table sets for the information concerning the compensation of the Company Directors for the fiscal year ended December 31, 2015. The table lists all compensation received by the independent directors. The stock received by executives who were also directors, John Lawrence and Russell Lawrence, was counted under executive compensation.

Director Compensation for 2015(2)

	Fees Earned or Paid	Stock Awards	All other Compensation	Total (\$)
Gary Babbitt (1)	\$36,000	\$25,000	0	\$61,000
Hart Baitis	0	\$25,000	0	\$25,000
Whitney Ferer	0	\$25,000	0	\$25,000

1. Gary Babbitt presently serves as Chairman of the Audit, Compensation, and Governance & Nomination Committees. He also serves on the Corporate Executive Committee and is a board member and Secretary of USAMSA, the Company's wholly owned Mexican subsidiary. Hart Baitis and Whitney Ferer are members of the Audit, Compensation, and Governance & Nomination Committees.
2. The stock awarded to directors in 2013 was in an amount equivalent to \$25,000. The 2015 stock has not been awarded at this time to any of the directors. The above chart is a projected stock award for 2015. The stock awarded to directors in 2014 was issued in the first quarter of 2015. The director stock awards are and have been static.

The directors will receive \$25,000 or equivalent value in USAC Rule 144 common stock for 2015 and succeeding years until changed by the Board of Directors and circumstances permit a different award.

The National Association of Corporate Directors published its 2011-2013 Director Compensation Report. For micro capitalized companies the average corporate director compensation increased from \$96,000 in 2011 to \$97,308 in 2012. The USAC directors' compensation is significantly less than the average for micro companies by over \$72,000 under this study.

Committee Recommendations for 2016 Compensation of Officers and Independent Directors

The Committee recommends that the Executive Pay for 2016 for John Lawrence, CEO, John Gustaven, VP, Russell Lawrence, Latin America VP, Matt Keane, VP Marketing, Dan Parks, CFO, and Alicia Hill COO/Secretary remain the same as 2015 as noted above unless economic circumstances require or permit a change. The Committee also recommends that the 2016 director and chairmanship fees and compensation be accepted as set forth above in this report.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed the foregoing compensation discussion and analysis. Based upon our independent review and discussions with management, the Compensation Committee has recommended to the Board of Directors that the compensation discussion and analysis be included in this Proxy Statement for filing with the U.S. Securities and Exchange Commission.

PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

What am I voting on?

The Board of Directors and the Audit Committee have selected DeCoria, Maichel & Teague P.S. as our independent auditor for the year ending December 31, 2015 and that selection is being submitted to shareholders for ratification. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of DeCoria, Maichel & Teague P.S. to our shareholder for ratification as a matter of good corporate practice. If the selection is not ratified, the Board will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Board in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of USAC and our shareholders. DeCoria, Maichel & Teague P.S. served as our independent auditor for the year ended December 31, 2014.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that you vote “FOR” the ratification of the appointment of DeCoria, Maichel & Teague P.S. as our independent auditor for 2015.

PROPOSAL 3 – ADVISORY VOTE REGARDING NAMED EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), requires that USAC provide its shareholders with the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of the Company’s named executive officers as disclosed in this Proxy Statement in accordance with applicable SEC rules.

As described in greater detail under the heading “Executive Compensation - Compensation Committee Compensation Discussion and Analysis,” the Company’s’ goal for its executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for its success, and thereby increase shareholder value. The Company believes that its executive compensation program satisfies this goal and is strongly aligned with the long-term interests of its shareholders. Please see the section “Executive Compensation” and the related compensation tables for additional details about the Company’s executive compensation programs, including information about the fiscal 2014 compensation of the Company’s named executive officers.

The Company is asking its shareholders to indicate their support for its named executive officer compensation as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to express their views on the Company’s named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Company is asking shareholders to vote “FOR” the following resolution at the annual meeting:

“BE IT RESOLVED, that the shareholders of United States Antimony Corporation approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Proxy Statement for the 2015 annual general meeting of shareholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.”

This “say-on-pay” vote is advisory, and therefore, is not binding on the Company, the Compensation Committee or the Board. The Board and the Company’s Compensation Committee value the opinions of the Company’s shareholders, and to the extent there is any significant vote against the named executive officer compensation as disclosed in this Proxy Statement, the Company, the Board and the Compensation Committee will consider the results of the vote in future compensation deliberations. Pursuant to the advisory vote of our shareholders at our annual meeting of shareholders held on December 15, 2012, voting in favor of a frequency of advisory votes on executive compensation of every three (3) years, as disclosed in our Current Report on Form 8-K on December 20, 2012, our Board adopted a frequency of advisory votes on executive compensation of every three (3) years.

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted “FOR” the resolution approving the compensation of our named executive officers as disclosed in this Proxy Statement. Under the rules of the NYSE MKT exchange, brokers are prohibited from giving proxies to vote on executive compensation matters unless the beneficial owner of such shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to this proposal if you want your broker to vote your shares on the matter.

The Board recommends that the shareholders vote “FOR” the resolution approving the compensation of our named executive officers as disclosed in this Proxy Statement.

SHAREHOLDER PROPOSALS

Proposals of shareholders intended to be presented at our annual meeting to be held in 2016 must be received by us no later than July 12, 2015 to be considered for inclusion in the proxy materials and form of proxy relating to that meeting. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Securities Exchange Act.
