ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

At a meeting held on August 18, 2016, the Compensation Committee (the “Committee”) of the Board of Directors of Herc Holdings Inc., a Delaware corporation (the “Company”), among other things, approved and authorized the Company to (i) enter into award agreements with respect to special awards of restricted stock units (each, an “RSU”) and non-qualified stock options (each, an “Option”) related to the completion of the separation from the Hertz car rental business, to certain of the Company’s senior officers, including its named executive officers, (ii) increase the salary of the Company’s President and Chief Executive Officer, and (iii) establish a new severance and change in control policy for senior executives of the Company, including the named executive officers.

Equity Grants

The value of the equity awards granted to the executive officers of the Company was set so that one-half of the overall value was in the form of RSUs and one-half was in the form of Options. The grant date for the RSU and Option awards was August 18, 2016 (the “Grant Date”). By their terms, the RSUs granted to each named executive officer of the Company (each, an “NEO”) cliff vest so that the Restriction Period lapses on the third anniversary of the Grant Date and will be settled in shares of common stock of the Company on a one-for-one basis, assuming that the NEO is continuously employed with the Company throughout the Restriction Period. By their terms, the Options granted to each NEO ratably vest over the first four anniversaries of the Grant Date and will be exercisable for shares of common stock of the Company on a one-for-one basis at a price of \$33.19 per share, the closing price of the Company’s common stock on the Grant Date. These general vesting provisions of the RSU and Option awards are subject to provisions allowing for (i) prorated vesting in the event the NEO’s employment is terminated due to Retirement, and (ii) earlier vesting upon the NEO’s death or Disability or in the event of a Change in Control (as defined in the award agreement). In addition, the RSU awards are further subject to a provision allowing for prorated vesting of the RSUs in the event the NEO’s employment is terminated due to involuntary termination by the Company not for Cause. The Options generally expire on the seventh anniversary of the Grant Date. Capitalized terms used but not defined herein have the meanings set forth in the Company’s 2008 Omnibus Incentive Plan.

The equity awards granted to each NEO were as follows:

	RSUs	Options
Lawrence H. Silber	30,130	70,176
Barbara L. Brasier	12,806	29,825
James Bruce Dressel	18,831	43,860
Christian J. Cunningham	7,684	17,895
Richard F. Marani	5,047	11,755

The foregoing summary is qualified in its entirety by reference to the full text of the form of Executive Officer Restricted Stock Unit Agreement and Executive Officer Stock Option Agreement attached hereto as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference.

Salary of President and Chief Executive Officer

The Committee authorized an increase in the annual base salary of the President and Chief Executive Officer (“CEO”), from \$650,000 to \$800,000 per year, reflecting his role within the newly independent public Company.

Severance and Change in Control Policy

The Committee approved a policy that provides senior executives of the Company, including the NEOs, with the following severance and change in control benefits: (i) for an involuntary termination of employment, the CEO will be entitled to severance calculated as two times the CEO's base salary and target bonus and the other NEOs will be entitled to severance equal to the NEO's base salary and target bonus, and (ii) upon a change in control and a qualifying termination of employment (a "double trigger" provision), the CEO will be entitled to severance calculated as two-and-one-half times the CEO's base salary and target bonus and the other NEOs will be entitled to severance calculated as two times the NEO's base salary and target bonus. Health and welfare benefits will be provided for the number of years equivalent to the multiples indicated, on the same basis as active employees. These severance payments and benefits will be provided in lieu of any such severance payments or benefits otherwise due in these circumstances under any previous agreement, offer letter or policy.
