PROXY STATEMENT

These proxy materials and the enclosed proxy card are being furnished to holders of the common stock, par value \$0.001 per share, and Series A Convertible Preferred Stock (“Series A Convertible Preferred”), par value \$0.001 per share, of U.S. Auto Parts Network, Inc., a Delaware corporation (the “Company”), in connection with the solicitation of proxies by the Board of Directors of the Company (the “Board of Directors” or the “Board”), to be voted at the 2019 Annual Meeting of Stockholders to be held on May 22, 2019 and at any adjournment or postponement of the meeting (the “Annual Meeting”). The Annual Meeting will be held at 9:00 a.m. Pacific Time at the offices of the Company located at 16941 Keegan Avenue, Carson CA 90746. These proxy solicitation materials are expected to be mailed on or about April 9, 2019 to all stockholders entitled to vote at the Annual Meeting.

Purpose of Meeting

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of the Annual Meeting of Stockholders (the “Notice”) and are described in more detail in this proxy statement.

Meeting Admission

To attend the meeting, you will need to bring an admission ticket and photo identification. You will need to print an admission ticket in advance by visiting www.proxyvote.com and following the instructions there. You will need the 16-digit control number to access www.proxyvote.com. You can find your control number on:

- Your proxy card available at proxyvote.com or included with this proxy statement; or
- Your voting instruction card if you hold your shares in street name through a broker or other nominee.

If you are not a record date stockholder, you may be admitted to the meeting only if you have a valid legal proxy from a record date stockholder who has obtained an admission ticket. You must present that proxy and admission ticket, as well as valid photo identification, at the entrance to the meeting.

For questions about admission to the Annual Meeting, please contact our Corporate Secretary at (424) 702-1455.

Voting; Quorum

The record date for determining those stockholders who are entitled to notice of, and to vote at, the Annual Meeting has been fixed as March 25, 2019. Only stockholders of record at the close of business on the record date are entitled to notice of and to vote at the Annual Meeting. Each share of our common stock and Series A Convertible Preferred entitles its record holder to one vote on all matters subject to a stockholder vote. Holders of common stock and Series A Convertible Preferred vote together as a single class. As of the record date, 35,433,232 shares of our common stock were outstanding and 2,770,687 shares of our Series A Convertible Preferred were outstanding.

The presence at the Annual Meeting, either in person or by proxy, of holders of a majority of the outstanding shares of our common stock and Series A Convertible Preferred entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

In the election of directors under Proposal One, the three nominees receiving the highest number of “For” votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected.

1

“Withhold” votes and “Broker non-votes” will not be counted as votes cast, and, therefore, will have no effect on the election of directors. With regard to Proposal Two, to be approved, the Company must receive the affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting. If you “Abstain” from voting, it will have the same effect as an “Against” vote.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (i.e., shares held by a broker that are represented at the Annual Meeting, but with respect to which such broker is not instructed to vote on a particular proposal and does not have discretionary voting power). Under Delaware law, abstentions and broker “non-votes” will be counted for purposes of establishing a quorum at the Annual Meeting, but will not be counted towards the vote total for the election of directors.

Proxies

If you have shares for which you are the stockholder of record, you may vote those shares by proxy. You may vote by mail, internet or telephone pursuant to instructions provided on the proxy card. Additionally, shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting.

Most of our stockholders hold their shares as a beneficial owner through a broker or other nominee rather than directly in their own name. If you are the beneficial owner of shares held in “street name,” you may vote by mail, internet or telephone by following the voting instruction card provided to you by your broker or other nominee. If your shares are held in street name, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker or nominee that holds the shares giving you the right to vote the shares at the Annual Meeting.

If you do not give instructions to your broker, your shares may constitute “broker non-votes.” Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether any matter has been approved. Under the rules that govern brokers who are voting shares held in street name, a broker is entitled to vote shares held for a beneficial owner on “routine” matters without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on “non-routine” matters.

If you are a stockholder of record, you may revoke a proxy at any time before it is voted at the Annual Meeting by: (a) delivering a proxy revocation or another duly executed proxy bearing a later date to our Corporate Secretary at 16941 Keegan Ave., Carson, CA 90746; (b) voting again by telephone or over the internet at a later time; or (c) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not revoke a proxy unless you actually vote in person at the meeting. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker or other nominee in accordance with the instructions they provided, or, if you have obtained a legal proxy from your broker or other nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

The enclosed proxy also grants the proxy holders discretionary authority to vote on any other business that may properly come before the Annual Meeting. We have not been notified by any stockholder of his or her intent to present a stockholder proposal at the Annual Meeting.

Solicitation

We will bear the entire cost of proxy solicitation, including the costs of preparing, assembling, printing and mailing this proxy statement, the Notice, the proxy card and any additional solicitation material furnished to the stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in

their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, although there is no formal agreement to do so, we may reimburse such persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by personal contact, telephone, facsimile, email or any other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services. In the discretion of management, we reserve the right to retain a proxy solicitation firm to assist in the solicitation of proxies. Although we do not currently expect to retain such

a firm, we estimate that the fees of such firm would range from \$5,000 to \$10,000 plus out-of-pocket expenses, all of which would be paid by us.

Note with Respect to Forward-Looking Statements

We have made certain forward-looking statements in this proxy statement that relate to expectations concerning matters that are not historical or current facts. These statements are forward looking statements for the purposes of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Section 27A of the Securities Act of 1933 as amended (the “Securities Act”). The forward-looking statements contained herein speak only as of the date of this proxy statement. Except as required by law, we do not undertake any obligation to update any forward-looking statements contained herein, whether as a result of new information, future events or otherwise.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

PROPOSAL ONE:

ELECTION OF DIRECTORS

Our certificate of incorporation provides for a classified board of directors consisting of three classes of directors, each serving staggered three-year terms and each as nearly equal in number as possible as determined by our Board of Directors. As a result, a portion of our Board of Directors will be elected each year. Messrs. Greyson and Nia and Ms. Palmer have been designated Class I directors whose terms expire at the Annual Meeting. Messrs. Berman, Kanen and Khazani have been designated as Class II directors whose terms expire at the 2020 Annual Meeting of Stockholders. Messrs. Peker, Phelps and Wilson have been designated Class III directors whose terms expire at the 2021 Annual Meeting of Stockholders.

The class whose term of office expires at the Annual Meeting currently consists of three directors. On the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors selected and approved Messrs. Greyson and Nia and Ms. Palmer as nominees for election in the class being elected at the Annual Meeting to serve for a term of three years, expiring at the 2022 Annual Meeting of Stockholders, or until their successors are duly elected and qualified or until their earlier resignation or removal. Each nominee for election is currently a member of our Board of Directors and has consented to be named in this proxy statement and agreed to serve if elected. Management has no reason to believe that any of the nominees will be unavailable to serve. In the event any of the nominees named herein is unable to serve or for good cause will not serve at the time of the Annual Meeting, the persons named in the proxy will exercise discretionary authority to vote for a substitute. Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR the nominees named below.

Stockholder Approval

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The three nominees receiving the highest number of affirmative votes will be elected. At the Annual Meeting, stockholders are being asked to elect Messrs. Greyson and Nia and Ms. Palmer as Class I directors to hold office for a term of three years or until his or her respective successor is elected and qualified.

Recommendation of Our Board of Directors

Our Board of Directors recommends a vote “FOR” the Class I director nominees listed below.

Information about Directors and Nominees

We believe that our Board as a whole should encompass a range of talent, skill, diversity and expertise enabling it to provide sound guidance with respect to our operations and interests. In addition to considering a candidate’s background and accomplishments, the Nominating and Corporate Governance Committee reviews candidates in the context of the current composition of the Board and the evolving needs of our business. In accordance with the listing standards of The Nasdaq Stock Market (the “Nasdaq Rules”) we have charged our Nominating and Corporate Governance Committee with ensuring that at least a majority of the directors qualify as “independent” under the Nasdaq Rules. See “Corporate Governance -Board Committees and Meetings - Nominating and Corporate Governance Committee” for a discussion of the factors that are considered in selecting our director nominees.

The table and narrative below sets forth information regarding each of our directors and our director nominees, including his or her age as of the date of the Annual Meeting, the year they first became directors, business experience

during at least the past five years, public company boards they currently serve on or have recently served, and certain other biographical information and attributes that the Nominating and Corporate Governance Committee determined qualify them to serve as directors. The Nominating and Corporate Governance Committee believes that the director nominees and the other current directors have the following other key attributes that are important to an effective board of directors: integrity and demonstrated high ethical standards; sound judgment; analytical skills; the ability to engage management and each other in a constructive and

4

collaborative fashion; diversity of origin, background, experience and thought; and the commitment to devote significant time and energy to serve on the Board and its committees.

Family Relationships

There are no family relationships among any of our directors, executive officers and director nominees.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

Our Board of Directors has adopted a Code of Ethics and Business Conduct which applies to all directors, officers (including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions) and employees. The full text of our Code of Ethics and Business Conduct is available on the Investor Relations section of our website at www.usautoparts.net which can be directly accessed at

<http://investor.usautoparts.net/>. We intend to disclose future amendments to certain provisions of the Code of Ethics and Business Conduct, and any waivers of provisions of the Code of Ethics and Business Conduct required to be disclosed under the rules of the SEC, at the same location on our website. The information contained in, or that can be accessed through, our website does not constitute a part of this proxy statement.

Director Independence

The Board reviewed the independence of each of our directors on the basis of the standards adopted by the Nasdaq Stock Market (“Nasdaq”). During this review, the Board considered transactions and relationships between the Company, on the one

hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under the Nasdaq Rules. After the review, the Board of Directors has determined that each of our directors with the exception of Mr. Peker and Mr. Nia satisfy the requirements for “independence” under the listing standards of the Nasdaq Rules.

The Board has, additionally, maintained a separation between the seats of Chairman and Chief Executive Officer since we went public in 2007 in recognition of the different demands and responsibilities of the roles and to emphasize the independence of the role of Chairman. For example, the separate roles allow us to have a Chairman focused on the leadership of the Board providing our Chief Executive Officer with the ability to focus more of his time and energy on managing our operations. The Board also meets regularly in executive session without the presence of management.

Board Oversight of Risk

The Board is responsible for overseeing our risk management but its duties in this regard are supplemented by the Audit Committee, which is responsible for discussing with management and our independent auditors policies with respect to risk assessment and risk management, including the process by which we undertake major financial and accounting risk assessment and management. The Audit Committee also oversees our corporate compliance programs, as well as the internal audit function. In addition to the Audit Committee’s work in overseeing risk management, our full Board periodically engages in discussions of the most significant risks that the Company is facing and how these risks are being managed, and the Board receives reports on risk management from senior officers of the Company and from the Chairman of the Audit Committee. The Audit Committee meets privately with our management team in order to assess the overall control environment and “tone at the top” and to provide the Audit Committee with direct feedback as to any control or oversight issues. Other committees, including the Compensation Committee, review risks relevant to their particular areas of responsibility, such as whether the compensation of executive management encourages them to take undue risk. These matters are reviewed at Board meetings as well and, if deemed necessary and appropriate, in executive session with only the independent directors present. Our management team has the primary responsibility for identifying and managing the known, material risks which could affect our operating and financial performance. At least annually, upon reviewing and establishing the financial and operating targets for the next fiscal year, the management team reviews with the full Board the key risks facing the Company during the upcoming year and the plans the Company has put in place to mitigate those risks, and the management team reviews subsets of risk on a more frequent basis with the Board.

Board Committees and Meetings

Our Board of Directors has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Each committee has a written charter that is reviewed annually and revised as appropriate. A copy of each committee’s charter is available on the Investor Relations section of our website at www.usautoparts.net.

During fiscal 2018, the Board of Directors and the various committees of the Board held the following number of meetings: Board of Directors - 18; Audit Committee - 5; Compensation Committee - 7; and Nominating and Corporate Governance Committee - 8. All directors attended at least 75% of the aggregate number of meetings of the Board of Directors and the committees on which they served. We do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of stockholders; however, directors are encouraged to attend all such meetings. All of our directors attended our 2018 Annual Meeting of Stockholders.

Audit Committee. Our Audit Committee consists of Messrs. Greyson, Phelps, and Wilson. Mr. Greyson is the Chairman of the Audit Committee. Our Board of Directors has determined that each member of the Audit Committee is independent under the Nasdaq Rules and Rule 10A-3 under the Exchange Act. In addition, Mr. Phelps qualifies as

- meeting with our management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting;
- meeting with our independent auditors and with internal financial personnel regarding these matters;

- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls and auditing matters;
- reviewing our financing plans and reporting recommendations to our full Board of Directors for approval and to authorize action; and
- administering and discussing with management and our independent auditors our Code of Ethics and Business Conduct.

Our internal financial personnel regularly meet privately with the Audit Committee and have unrestricted access to this committee. Our independent auditors report directly to the Audit Committee and they also have unrestricted access to this committee.

Compensation Committee. Our Compensation Committee consists of Messrs. Berman and Greyson and Ms. Palmer. Mr. Berman is the Chairman of our Compensation Committee. Our Board of Directors has determined that each member of the Compensation Committee is independent under the Nasdaq Rules. The primary functions of this committee include the following:

- determining the compensation and other terms of employment of our executive officers and senior management, and reviewing and approving corporate performance goals and objectives relevant to such compensation;
- recommending to our Board of Directors the type and amount of compensation to be paid or awarded to members of our Board of Directors;
- evaluating and recommending to our Board of Directors the equity incentive plans, compensation plans and similar programs advisable for us, as well as modification or termination of existing plans and programs;
- administering the issuance of stock options and other equity incentive arrangements under our equity incentive plans; and
- reviewing and approving the terms of employment agreements, severance arrangements, change-in-control protections and any other compensatory arrangements for our executive officers and senior management.

A more detailed description of the role of the Compensation Committee, including the role of executive officers and consultants in compensation decisions, can be found under “Executive Compensation and Other Information” below.

Compensation Committee Interlocks and Insider Participation. The members of the Compensation Committee of our Board of Directors during fiscal 2018 were Messrs. Berman, Greyson and Ms. Palmer. None of the members of our Compensation Committee at any time has been one of our officers or employees or an officer or employee of one of our subsidiaries at any time during fiscal 2018. None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers on our Board of Directors or Compensation Committee.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of Messrs. Phelps and Berman and Ms. Palmer. Mr. Phelps is the Chairman of our Nominating and Corporate Governance Committee. Our Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent under the Nasdaq Rules. The primary functions of this committee include the following:

- identifying qualified candidates to become members of our Board of Directors;
- selecting nominees for election of directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected);
- selecting candidates to fill vacancies of our Board of Directors; and
- overseeing the evaluation of our Board of Directors.

The Nominating and Corporate Governance Committee generally seeks directors with strong reputations and experience in areas relevant to the operations and strategies of the Company's business. In connection with their recommendations regarding the size and composition of the Board, the Nominating and Corporate Governance Committee reviews the appropriate qualities and skills required of directors in the context of the then current make-up of the Board and the needs of the Company. The Nominating and Corporate Governance Committee generally identifies candidates for election to the Board of Directors; reviews their skills, characteristics and experiences; and recommends director nominees to the Board for approval. While we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating and Corporate Governance Committee strives to nominate directors with a variety of complementary skills and backgrounds so that as a group, the Board will possess the appropriate talent, skills, insight and expertise to oversee our business. The Nominating and Corporate Governance Committee assesses each candidate's independence, personal and professional integrity, financial literacy or other professional or business experience relevant to an understanding of our business, his or her ability to think and act independently and with sound judgment, and ability and commitment to serve our and its stockholders' long-term interests. All factors considered by the Nominating and Corporate Governance Committee are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in our business, our future opportunities and strategic plans, and other trends, as well as the portfolio of skills and experience of current and prospective directors.

The Nominating and Corporate Governance Committee generally leads the search for and selects, or recommends that the Board select, candidates for election to the Board. Consideration of new director candidates typically involves a series of committee discussions, a review of information concerning candidates and interviews with selected candidates. The Nominating and Corporate Governance Committee may in the future engage the services of a third-party search firm to identify director candidates.

The Nominating and Corporate Governance Committee will consider candidates for directors recommended by our stockholders who meet the eligibility requirements for submitting stockholder proposals for inclusion in our next proxy statement. This committee will evaluate such recommendations applying its regular nominee criteria. Eligible stockholders wishing to recommend a director nominee must submit such recommendation in writing to the Chair, Nominating and Corporate Governance Committee, care of the Corporate Secretary, at the Company's address set forth on the first page of this proxy statement by the deadline for stockholder proposals set forth in the prior year's proxy statement, specifying the following information: (a) the name and address of the nominee, (b) the name, address and phone number of the stockholder making the nomination and of the director nominee, (c) a representation that the nominating stockholder is a stockholder of record of our stock entitled to vote at the next annual meeting and intends to appear in person or by proxy at such meeting to nominate the person specified in the notice, (d) the nominee's qualifications for membership on the Board, (e) a resume of the candidate's business experience and educational background as well as all of the information that would be required in a proxy statement soliciting proxies for the election of the nominee as a director, (f) a description of all direct or indirect arrangements or understandings between

the nominating stockholder and the nominee and any other person or persons (naming such person or persons) pursuant to whose request the nomination is being made by the stockholder, (g) all other companies to which the nominee is being recommended as a nominee for director, and (h) a signed consent of the nominee to cooperate with reasonable background checks and personal interviews, and to serve as a director, if elected. In connection with its evaluation, the

10

Nominating and Corporate Governance Committee may request additional information from the candidate or the recommending stockholder, and may request an interview with the candidate. The Nominating and Corporate Governance Committee has the discretion to decide which individuals to recommend for nomination as directors.

No candidates for director nominations were formally submitted to the Nominating and Corporate Governance Committee by any stockholder in connection with the election of a director at the Annual Meeting. The director nominees standing for election at this Annual Meeting are current directors of the company.

Under the Nia Agreement, the Company has appointed Mr. Nia to the Board as a Class I Director, effective May 31, 2018 and has agreed to appoint a second director to the Board as a Class II Director (the “Second Director”) at such later date as mutually agreed by the Company and Nia. The Second Director shall be mutually agreeable to the Company and Nia and shall be considered “independent” as defined under the listing standards of the Nasdaq Stock Market. The Company has agreed that the Board would expand the size of the Board to nine directors to appoint the Second Director.

If at any point in time Nia fails to beneficially own more than 5% of the Company’s outstanding voting capital stock or Nia breaches any provision of the Nia Agreement (each, a “Termination Event”), Mr. Nia and/or the Second Director shall promptly resign from the Board upon request. In addition, in the event Mr. Nia or the Second Director, as the case may be, resigns or otherwise ceases to serve as a director, other than due to a Termination Event, prior to the expiration of the Nia Voting Period (as defined below), the Company and Mr. Nia agree to work collaboratively to appoint a replacement candidate (a “Replacement Candidate”) through a process conducted, and based on criteria established, by the Nominating and Corporate Governance Committee of the Board.

Additionally, at each annual or special meeting of the Company’s stockholders, Nia has agreed to vote all shares of the Company’s capital stock beneficially owned by Nia (the “Nia Shares”) on each director nominee or other matter presented for a vote which has been recommended by the Board and has agreed not to provide assistance with any vote to be taken by the Company’s stockholders that has not been formally recommended by the Board (collectively, the “Nia Obligations”). Pursuant to the Nia Agreement, the Nia Obligations begin on the date of the Nia Agreement and shall end on the earliest to occur of (i) the date that the Company notifies Nia in writing that it does not intend to re-nominate Mr. Nia as a director at its 2019 Annual Meeting of Stockholders or such subsequent annual meeting at which Mr. Nia would be up for re-election; and (ii) the date on which Mr. Nia ceases to serve as a director unless Mr. Nia (a) ceases to serve as a director due to a Termination Event or (b) the Company and Mr. Nia are working to appoint a Replacement Candidate (such period, the “Nia Voting Period”). In connection with the Nia Obligations, Nia has also granted the Company an irrevocable proxy with respect to the Nia Shares during the Nia Voting Period. The terms of the Nia Agreement also contain a mutual non-disparagement provision.

On January 17, 2019 and March 25, 2019, the Company and Nia entered into amendments to the Nia Agreement (the “Amendments”). Under the Amendments, Nia has agreed to defer the right to appoint a second director to the Board, provided that the Company agrees to use commercially reasonable efforts to appoint the second director to the Board at a later date through one of the following methods at the Company’s sole discretion: (i) the Board nominates the second director to serve as a Class II director at the Company’s 2020 Annual Stockholder Meeting; (ii) the Company seeks stockholder approval at the Company’s 2020 Annual Stockholder Meeting to amend its Second Amended and

Restated Certificate of Incorporation to expand the size of the Board to ten (10) directors and at a mutually agreeable time thereafter appoints the second director to serve on the Board as a Class III director; or (iii) to the extent there is an open vacancy on the Board at or prior to the Company's 2020 Annual Stockholder Meeting, the Board shall appoint the second director to serve on the Board and fill such vacancy.

Under the Kanen Agreement, the Company has appointed Mr. Kanen to the Board as a Class II Director, effective January 18, 2019. If at any point in time Kanen fails to beneficially own more than 5% of the Company’s outstanding voting capital stock or Kanen breaches any provision of the Kanen Agreement (each, a “Termination Event”), Mr. Kanen shall promptly resign from the Board upon request. In addition, in the event Mr. Kanen resigns or otherwise ceases to serve as a director, other than due to a Termination Event, prior to the expiration of the Kanen Voting Period (as defined below), the Company and Mr. Kanen agree to work collaboratively to appoint a mutually agreeable replacement candidate.

Additionally, at each annual or special meeting of the Company’s stockholders, Kanen has agreed to vote all shares of the Company’s capital stock beneficially owned by Kanen (the “Kanen Shares”) on each director nominee or other matter presented for a vote which has been recommended by the Board except any matter that would result in a change in control transaction (the “Voting Obligation”). Narrative to Summary Compensation Table

The primary components of our executive compensation program generally include (a) base salaries; (b) annual bonuses in the form of performance based restricted stock and cash; (c) annual equity grants; and (d) in certain cases, other long-term equity incentive opportunities. Executives also participate in employee benefit programs available to the broader employee population such as our 401(k) plan and health insurance and are entitled to severance protection benefits. Our executive compensation program is intended to provide executives with overall levels of compensation that are competitive within the e-commerce industry, as well as within a broader spectrum of companies with comparable revenues and market capitalizations.

Decisions regarding executive compensation are the primary responsibility of our Compensation Committee, in consultation from time to time with the Board of Directors, management and compensation consultants. In 2018, as part of our annual evaluation of executive compensation, we engaged Compensia to ensure that the Company remained competitive in attracting and retaining talented executives. To assist with 2018 compensation decisions, the Chief Executive Officer (Mr. Coleman at such time), together with the Chair of our Compensation Committee, prepared an assessment of the Company’s overall performance in fiscal 2017, each individual’s performance during fiscal 2017, as well as a review of how each executive’s 2018 proposed compensation compared with the executives in the peer group companies provided in Compensia’s report for fiscal 2017, and recommended to the Compensation Committee base salary amounts, annual performance goals and annual incentive compensation for all executive officers (with the Chief Executive Officer recusing himself with respect to his own assessment). The Compensation Committee utilized data from the group of peer companies listed below to assist in making compensation decisions for the named executive officers’ 2018 target compensation and for our executive officers hired after year-end. This peer group was recommended by Compensia and approved by the Compensation Committee and consisted of technology companies with an internet or applications software focus utilizing trailing twelve month revenues, market capitalization and employee headcount.

Compensia's report for fiscal 2018 noted that during 2017 both base salaries and total compensation for our named executive officers generally approximated or fell below the 25th percentile for our designated peer group. Compensia recommended the Compensation Committee consider increasing executive officer base salaries, target incentive opportunities,

and equity compensation for 2018, which the Compensation Committee took into consideration in making 2018 compensation decisions for our named executive officers.

Annual Base Salaries

The Compensation Committee approved small increases to base salaries for our named executive officers for 2018. The 2018 annualized base salary rates for each of the named executive officers, reflected below, fell at or below the 25th percentile compared to our peer group for 2018.

NAME AND TITLE	2018 BASE SALARY (1)
Aaron E. Coleman, Chief Executive Officer	\$ 410,000
Neil Watanabe, Chief Financial Officer	\$ 321,491
David Eisler, SVP, Chief Legal and Administrative Officer	\$ 268,004

(1) Base salary rates were effective January 8, 2018.

Annual Incentive Bonuses

Our executives are eligible to earn annual incentive bonus compensation under our incentive bonus plan that ties the level of achievement of Company annual financial performance goals to the amount of annual incentive compensation that we pay to each of our executives. For 2018, incentive bonuses were established based upon Adjusted EBITDA goals, so as to encourage the executives to maximize the performance of the business, and in turn, increase stockholder value. We define Adjusted EBITDA, a non-GAAP measure, as net income before net interest expense, income tax provision, depreciation and amortization expense and amortization of intangible assets, plus share-based compensation expense, and excluding any costs or proceeds associated with our customs issue, the proceeds from the sale of AutoMD assets and executive transition costs. A reconciliation of Adjusted EBITDA to net income is provided in our Annual Report on Form 10-K. Incentive bonuses are established, adjusted and given final approval by the Compensation Committee, which has full discretion as to whether or not to award a given bonus.

Target incentive bonuses for our executive officers were granted in the form of performance based restricted stock awards (“PRSUs”) in lieu of target cash bonus eligibility representing each executive’s target bonus for fiscal 2018 as follows:

NAME AND TITLE	TARGET BONUS (% OF BASE SALARY)	# of TARGET PRSUs (#)
Aaron E. Coleman, Chief Executive Officer	98%	166,722
Neil Watanabe, Chief Financial Officer	50%	66,700
David Eisler, SVP, Chief Legal and Administrative Officer	50%	55,602

The PRSUs were used to better align the compensation of the executive officers with stock performance. The Company’s target Adjusted EBITDA goal for an executive to receive a full payout of the PRSU award was \$15.4 million for fiscal 2018 with a minimum performance threshold of \$14.28 million for vesting to commence. The actual number of PRSUs to be earned by the named executive officer is assessed on a linear basis by the Compensation Committee based on the degree to which the Company achieves its Adjusted EBITDA goal for 2018. Each PRSU eligible to be earned is to be settled in one share of the Company’s common stock.

Each named executive officer was also eligible to receive a cash bonus award in 2018 but only to the extent the Company achieved in excess of the Company's target Adjusted EBITDA goal of \$15.4 million for fiscal 2018. The amount of cash earned by the named executive officer, if any, was to be assessed by the Compensation Committee based on the degree to which the Company outperformed its target Adjusted EBITDA goal for 2018. For fiscal 2018, the Company achieved \$10.4 million in Adjusted EBITDA and therefore did not achieve the minimum performance metrics. No named executive officers received any

cash bonus payments for 2018. Pursuant to the terms of their severance agreements, Messrs. Coleman and Eisler received vesting of their PRSUs under the terms of the equity awards.

Long-Term Equity Compensation

We believe that long-term performance of the Company is achieved through an ownership culture that encourages long-term performance by our executive officers through the use of equity-based awards, and have established equity incentive plans to provide our employees, including our executive officers, with incentives to help align those employees' interests with the interests of stockholders. Our Chief Executive Officer, together with the Chair of our Compensation Committee, makes recommendations on equity awards to the Compensation Committee (with the Chief Executive Officer recusing himself with respect to his own equity awards) which recommendations are made by the Chairman of our Compensation Committee. Following recommendation, the Compensation Committee considers the proposed grants.

Compensia's report for fiscal 2018 recommended the Company issue the named executive officer's equity compensation at market levels as a retentive measure and consistent with market practices. The Compensation Committee considered the amount of unvested equity, the Company's stock price, the executive's total potential equity ownership and individual performance, and market retention value based on peer group data. Based on these factors and the recommendation of Compensia, the Compensation Committee granted our named executive officers the annual equity awards reflected in the table below in January 2018 in addition to the PRSUs referenced under "Annual Incentive Bonuses" above. Each of the January 2018 stock options and RSU awards vest over a four year period.

Executive Officer	Title	Stock Options (1)	RSUs(2)
Aaron Coleman	Chief Executive Officer	181,280	99,650
Neil Watanabe	Chief Financial Officer	75,630	41,570
David Eisler	SVP, Chief Legal and Administrative Officer	46,380	43,490

From time to time, we may also grant options and restricted stock units that vest based on continued service through a future service date with the Company to align with promotions or further promote retention of key employees. The awards have no value to the executive unless the executive remains employed with the Company for the full vesting period, and will be canceled if the executive terminates or retires within the vesting period, subject to certain exceptions in the event of an executive's termination without cause or a resignation for good reason under an applicable restricted stock unit award. In October 2018, we granted Mr. Eisler 75,000 options as a special retention grant. Mr. Eisler forfeited these options in their entirety upon his separation from the Company on March 29, 2019.

Equity awards are a critical component of our compensation philosophy, the focal point of which is to increase long-term stockholder value. We believe stock options and restricted stock unit awards help us achieve this objective in several important ways: by aligning the employees' interests with those of our stockholders, by motivating employees' performance toward our long term success and by encouraging our executives and employees who have received equity grants to continue their employment with us.

Other Compensation

Our executive officers are eligible to receive the same benefits, including non-cash group life and health benefits, as well as a Company match of 50% of contributions to the Company's 401(k) up to 6% of salary, that are available to all employees. We also maintain a deferred compensation plan for employees of the Company earning greater than \$134,000 annually, in which such employees are eligible to participate and for which the Company matches 50% of contributions up to 2% of annual base salary. We also provide reimbursement for life insurance premiums to our named executive officers and some of our other key executives. Certain additional benefits are also provided to some of our executives from time to time, such as a car allowance and payment of health insurance and life insurance premiums, or relocation assistance, but each on a case-by-case basis.

Outstanding Equity Awards at Fiscal Year-End

The following table presents the outstanding equity awards held by each of the named executive officers as of December 29, 2018. Except as otherwise indicated below, each option award was granted under the 2007 Omnibus Plan or 2016 Equity Incentive Plan and vests as to 25% of the shares underlying the option on the first anniversary of the grant date, with the remainder vesting in 36 equal monthly installments thereafter, subject in each case to such executive's continued service through such date.

Equity Compensation Plans

Each of our named executive officers holds equity awards that were granted under two equity compensation plans, the 2007 Omnibus Incentive Plan and the 2016 Equity Incentive Plan.

22

2007 Omnibus Incentive Plan

We adopted the 2007 Omnibus Incentive Plan (the “2007 Omnibus Plan”) in January 2007, which became effective on February 8, 2007, the effective date of the registration statement filed in connection with our initial public offering. There are no further shares available for grant under the 2007 Omnibus Plan. Options granted under the 2007 Omnibus Plan generally expire no later than ten years from the date of grant and generally vest over a period of four years. The exercise prices of all option grants are equal to 100% of the fair market value on the date of grant. No further shares are available for future grants under the 2007 Omnibus Plan following the Company’s adoption of the 2016 Equity Incentive Plan (the “2016 Incentive Plan”). As of March 25, 2019, 0 restricted stock units were outstanding under the 2007 Omnibus Plan and options to purchase 2,710,246 shares of our common stock were outstanding under the 2007 Omnibus Plan at a weighted average exercise price of \$2.47 per share.

2016 Equity Incentive Plan

Our 2016 Incentive Plan was adopted by our Board of Directors in March 2016 and approved by our stockholders in May 2016. Subject to adjustment for certain changes in the Company’s capitalization, the aggregate number of shares of the Company’s common stock that may be issued under the 2016 Incentive Plan will not exceed the sum of (i) two million five hundred thousand (2,500,000) new shares, (ii) the number of unallocated shares remaining available for the grant of new awards under the Company’s prior equity plans described above (the “Prior Equity Plans”) as of the effective date of the 2016 Plan (which was equal to 3,894,000 shares as of May 31, 2016) and (iii) any shares subject to a stock award under the Prior Equity Plans that are not issued because such stock award expires or otherwise terminates without all of the shares covered by such stock award having been issued, that are not issued because such stock award is settled in cash, that are forfeited back to or repurchased by the Company because of the failure to meet a contingency or condition required for the vesting of such shares, or that are reacquired, withheld (or not issued) to satisfy a tax withholding obligation in connection with an award or to satisfy the purchase price or exercise price of a stock award. In addition, the share reserve will automatically increase on January 1st of each year, for a period of nine years, commencing on January 1, 2017 and ending on (and including) January 1, 2026, in an amount equal to one million five hundred thousand (1,500,00) shares per year; however the Board of Directors of the Company may act prior to January 1st of a given year to provide that there will be no January 1st increase in the share reserve for such year or that the increase in the share reserve for such year will be a lesser number of shares of common stock than would otherwise occur pursuant the automatic increase.

Options granted under the 2016 Incentive Plan generally expire no later than ten years from the date of grant and generally vest over a period of four years. The exercise prices of all option grants are equal to 100% of the fair market value on the date of grant. The 2016 Incentive Plan allows for the grant of options to purchase common stock to non-employee directors. During 2018, we granted an aggregate of 1,211,835 restricted stock units (including 702,236 PRSUs) and 1,174,320 options to purchase share of common stock under the 2016 Equity Incentive Plan, which reduced the shares of common stock reserved for future issuance under the 2016 Incentive Plan. In connection with the Meniane Employment Agreement, Mr. Meniane was granted a stock option to purchase 500,000 shares of the Company's common stock (the "Option") pursuant to our 2016 Equity Incentive Plan. The exercise price for the Option was \$1.00, the closing sales price of the Company's common stock as reported by NASDAQ on the date of grant. The Option vests over a four year period, with 25% vesting and becoming exercisable on the first year anniversary of the grant date, and the remainder of which vests and becomes exercisable in 36 equal monthly installments thereafter, subject to Mr. Meniane's continued service with the Company through such vesting dates.

Director Compensation

The compensation and benefits for service as a member of the Board of Directors is determined by our Board of Directors. Directors employed by us or one of our subsidiaries are not compensated for service on the Board or on any committee of the Board; however, we reimburse each of our directors for any out-of-pocket expenses in connection with attending meetings of our Board of Directors and committees of the Board of Directors. Each of our non-employee directors, other than Mr. Kanen, Mr. Khazani and Mr. Nia, are entitled to a fee of \$30,000 per year for his or her service as a director. Members of the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee each receive an additional \$7,500, \$5,000 and \$2,500, respectively, per year for his or her service on such committee. The chairpersons of the Board, the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee each receive an additional \$25,000, \$14,500, \$5,000, and \$5,000, respectively, per year for his or her service as chairperson for such committee.

In addition, on the date of each annual stockholders meeting, each person who has served as an independent member of the Board of Directors for at least six months before the date of the stockholder meeting will be granted \$50,000 of restricted stock units based on the closing stock price on the grant date and our Chairman of the Board (provided such Chairman has served as an independent member of the Board of Directors and Chairman for at least six months before the date of the stockholder meeting) will be granted an additional \$25,000 of restricted stock units based on the closing price on the grant date. These restricted stock units vest in full at the following annual stockholder meeting, subject to the director's continuing service on our Board of Directors. These restricted stock units will also immediately vest in full upon a change in control of the Company. The restricted stock units are granted under our 2016 Equity Incentive Plan.

Director Stock Ownership Guidelines and Director Payment Election Plan

In July 2018, in an effort to further align directors' interests with those of shareholders and implementing best practices in corporate governance, the Company updated its stock ownership guidelines for director share ownership. The stock ownership guidelines require directors to own and maintain a minimum of \$100,000 of our common stock. Each director has four years from the implementation of this policy in 2018 or four years after a non-employee director's appointment to the Board of Directors (whichever is later) to satisfy this requirement. To avoid fluctuating ownership requirements, once our directors have achieved the ownership guidelines, they will be considered to have satisfied the requirements as long as the shares used to meet the underlying requirements are retained.

In July 2011, the Board of Directors approved the Director Payment Election Plan which provides the directors with a convenient mechanism to acquire stock to comply with the director stock ownership guidelines. Each year the Director Payment Election Plan allows for a director to elect, beginning on the first day of the open trading window following the annual meeting of the Company's stockholders and ending on the last day of such open trading window, to receive, in lieu of cash, all or a specified percentage of all fees to be earned for serving on the Board of Directors in shares of the Company's common stock. The election shall be irrevocable for each applicable year. The Company will issue to each director who has elected to receive common stock, on the date fees become payable on a quarterly basis during the applicable year in accordance with the Company's normal payment practices, a number of shares of common stock equal to (i) the cash value of any fees otherwise payable to the director, divided by (ii) the closing sales

price for the common stock on the applicable payment date. If the calculation would result in the issuance of any fractional share, the Company will, in lieu of issuing any fractional share, pay cash equal to the fraction multiplied by the closing sales price on the applicable payment date.

The following table sets forth a summary of the compensation earned in fiscal year 2018 by each person who served as a non-employee director during such year, who is not a named executive officer.

CERTAIN RELATIONSHIPS

AND RELATED TRANSACTIONS

Since December 29, 2018, except as set forth below, there has not been, nor is there any proposed transaction where we were or will be a party in which the amount involved exceeded or will exceed \$120,000 and in which any director, director nominee, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than the compensation agreements and other agreements and transactions which are described in "Executive Compensation and Other Information" and "Corporate Governance - Voting Agreements with Stockholders".

Policies and Procedures for Related Party Transactions

Pursuant to the written charter of our Audit Committee adopted in January 2007, our Audit Committee is responsible for reviewing and approving all related party transactions and potential conflict of interest situations involving a principal stockholder, a member of the Board of Directors or senior management. In addition, our company policies require that our officers and employees avoid using their positions for purposes that are, or give the appearance of being, motivated by a desire for personal gain, and our policies further require that all officers and employees who have authority to initiate related party transactions provide a written report, on a quarterly basis, of all activities which could result in a conflict of interest or impair their professional judgment. All such written reports concerning related party transactions or conflicts of interest are submitted to, and reviewed by, our Chief Financial Officer and our Audit Committee.

Related Party Transactions

AutoMD. On March 3, 2017, AutoMD, a then majority owned subsidiary of the Company, entered into a Dissolution Agreement with Oak Investment Partners XI, Limited Partnership (“Oak”) and the Sol Khazani Living Trust (the “Trust”), pursuant to which AutoMD redeemed 1,500,000 and 500,000 shares of its common stock, respectively, for a purchase price of \$895,500 and \$298,500, respectively. In connection with the Dissolution Agreement, each of the prior investor agreements entered into between AutoMD, and Oak and the Trust, were terminated. Fredric W. Harman and Sol Khazani, each a director of the Company at the time of the transaction, are affiliated with Oak and the Trust, respectively. Mr. Harman subsequently resigned as a director of the Company on March 30, 2017. In accordance with the Company’s policies and procedures for related party transactions, the Audit Committee approved the transaction prior to AutoMD entering into the Dissolution Agreement.

Consulting Agreement with Mehran Nia. On March 25, 2019, the Board appointed Mehran Nia as a Special Advisor to the Company. In connection with Mr. Nia's appointment as a Special Advisor, Mr. Nia entered into a Consulting Agreement with the Company (the "Consulting Agreement"), pursuant to which Mr. Nia will perform such duties prescribed by the Company's Chief Executive Officer including without limitation the following: analysis of the Company's data and catalog and merchandising operations, real estate negotiation, vendor negotiation, and other ad hoc projects assigned to him by the Company's Chief Executive Officer. Mr. Nia will work an average of twenty (20) hours per week during the term of the Consulting Agreement with at least eight (8) weeks of service in Manila, Philippines. As consideration for Mr. Nia's services, Mr. Nia was granted a stock option to purchase 600,000 shares of the Company's common stock (the "Option") pursuant to the Company's 2016 Equity Incentive Plan. The exercise price for the Option was \$1.03, the closing sales price of the Company's common stock as reported by Nasdaq on the date of grant. The Option vests in equal installments over a two year period, with such vesting commencing on the first month anniversary of the grant date, and the remainder of which vests and becomes exercisable in twenty-three equal monthly installments thereafter, subject to Mr. Nia's continued service with the Company through such vesting dates.

Indemnification Agreements. The Company has entered into indemnification agreements with the Company's directors and executive officers. These agreements require the Company to indemnify these individuals to the fullest extent permitted under law against liabilities that may arise by reason of their service to the Company, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. The Company also intends to enter into indemnification agreements with the Company's future directors and executive officers.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Specific due dates for these reports have been established, and we are required to report in this proxy statement any failure to file by these dates. Based solely on our review of copies of the reports on the Section 16(a) forms received by us with respect to the fiscal year ended December 29, 2018 and representations from the reporting persons that no other reports were required, we believe that all directors, executive officers and persons who own more than 10% of our common stock have complied with the reporting requirements of Section 16(a) and have filed all reports required by such section.

ADDITIONAL INFORMATION

Deadline for Receipt of Stockholder Proposals or Nominations

Stockholders may present proposals for action at a future meeting or nominate persons for the election of directors only if they comply with the requirements of the proxy rules established by the SEC and our bylaws. Pursuant to Rule 14a-8 of the Exchange Act, some stockholders proposals may be eligible for inclusion in our proxy statement for the 2020 Annual Meeting of Stockholders (the “2020 Annual Meeting”). Stockholder proposals that are intended to be presented at our 2020 Annual Meeting and included in the proxy statement, form of proxy and other proxy solicitation materials related to that meeting must be received by us not later than December 7, 2019.

If a stockholder wishes to submit a proposal which is not intended to be included in our proxy statement under Rule 14a-8 of the Exchange Act, or wishes to nominate a person as a candidate for election to the Board, the stockholder must submit the proposal or nomination between February 22, 2020 and March 23, 2020. If the date of the 2020 Annual Meeting is advanced by more than 30 days or delayed (other than as a result of adjournment) by more than 60 days from the anniversary date of the 2019 Annual Meeting of Stockholders (a situation that we do not anticipate), the stockholder must submit any such proposal or nomination not earlier than the 90th day before the 2020 Annual Meeting and not later than the close of business on the later of (i) the 60th day before the 2020 Annual Meeting and (ii) the 10th day following the day on which public announcement of the date of such meeting is first made. Stockholders are advised to review our bylaws which contain these advance notice requirements with respect to advance notice of stockholder proposals and director nominations.

In addition, with respect to any proposal that a stockholder presents at the 2020 Annual Meeting that is not submitted for inclusion in our proxy materials pursuant to Rule 14a-8 under the Exchange Act, the proxy solicited by the Board of Directors for such annual meeting will confer discretionary voting authority to vote on such stockholder proposal to the extent permitted under Rule 14a-4 under the Exchange Act.

Stockholder proposals must be in writing and should be addressed to our Corporate Secretary, at our principal executive offices at 16941 Keegan Avenue, Carson, California 90746. It is recommended that stockholders submitting proposals direct them to our Corporate Secretary and utilize certified mail, return receipt requested, in order to provide proof of timely receipt. The Chairman of the Annual Meeting reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements, including conditions set forth in our bylaws and conditions established by the SEC.

Stockholders Sharing the Same Address

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single copy of Annual Meeting materials to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are stockholders will be “householding” the Company’s proxy materials. A single copy of the Annual Meeting materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate copy of the Annual Meeting Materials, please notify your broker or the Company. Direct your written request to U.S. Auto Parts Network, Inc., Attn: Corporate Secretary, 16941 Keegan Avenue, Carson, CA 90746 or contact the Company by telephone at (424) 702-1455. Stockholders who currently

receive multiple copies of the Annual Meeting Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER BUSINESS

The Board of Directors is not aware of any other matter which will be presented for action at the Annual Meeting other than the matters set forth in this proxy statement. If any other matter requiring a vote of the stockholders arises, it is intended that the proxy holders will vote the shares they represent as the Board of Directors may recommend. The enclosed proxy grants the proxy holders discretionary authority to vote on any such other matters properly brought before the Annual Meeting.
