PROXY STATEMENT

This proxy statement contains information relating to the annual meeting of Equus Total Return, Inc. (“EQS” or the “Fund”). The annual meeting of stockholders (the “Meeting”) or any postponement or adjournment thereof will be held on June 10, 2011, beginning at 10:00 a.m., Eastern Daylight Time, at Goodwin Procter LLP, The New York Times Building, 26th Floor, 620 Eighth Avenue, New York, NY 10018. The Board of Directors is sending stockholders this proxy statement to solicit proxies to be voted at the annual meeting. It is being mailed to stockholders on or about May 11, 2011.

ABOUT THE MEETING

What is the purpose of the Meeting?

At the Meeting, stockholders will be asked to elect Fund directors (see Proposal 1), ratify the selection of the Fund’s independent registered public accounting firm (see Proposal 2), approve, on a non-binding advisory basis, compensation paid to the Fund’s named executive officers in 2010 (see Proposal 3), and approve, on a non-binding advisory basis, the frequency with which the shareholders may cast an advisory vote concerning compensation of the Fund’s executive officers (see Proposal 4).

Who is entitled to vote at the Meeting?

If you owned shares of the Fund on the Record Date, you are entitled to receive notice of and to participate in the Meeting. A list of stockholders on the Record Date will be available for inspection at the Fund’s office at Eight Greenway Plaza, Suite 930, Houston, Texas 77046 for ten days before the Meeting.

What are the voting rights of holders of the Fund’s common stock?

You may cast one vote per share of the Fund’s common stock that you held on the Record Date on each proposal considered at the Meeting. These shares are: (a) held directly in your name as the stockholder of record or (b) held for you as the beneficial owner through a stockbroker, bank, or other nominee.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Many stockholders of the Fund hold their shares in “street name” through a stockbroker, bank or other nominee rather than directly in their own name. There are some important distinctions in how Fund shares are held.

Stockholder of Record. If your shares are registered directly in your name with the Fund’s transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the stockholder of record;

therefore, these proxy materials are being sent directly to you by the Fund. As the stockholder of record, you have the right to vote in person at the Meeting, or to grant your voting proxy directly to the Fund. You may vote online, by phone, or by mail.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in “street name.” Your broker or nominee, who is considered the stockholder of record with respect to those shares, has forwarded these proxy materials to you. As the beneficial owner, you have the right to provide your broker with instructions on how to vote and are also invited to attend the Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Meeting (unless you have a signed proxy from the record holder, as described below). Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee regarding how to vote your shares.

Broker Discretionary Voting. New York Stock Exchange (“NYSE”) rules permit a broker member to vote on certain “routine” matters, including the ratification of auditors, without instructions from the beneficial owner of the shares. The election of directors and the two non-binding votes concerning compensation of the Fund’s named executive officers and the frequency of advisory votes concerning executive compensation, are considered non-routine; therefore, brokers are not permitted to vote in respect of these matters without instructions from the beneficial owners. If you hold your stock in street

name and you do not instruct your broker how to vote in the election of directors and the two proposals concerning executive compensation, no votes will be cast on your behalf. Therefore, it is important that you cast your vote if you want it to count in respect of these matters.

What constitutes a quorum?

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of a majority of the shares of common stock outstanding on the Record Date, or 5,280,823 shares, will constitute a quorum. As of the Record Date, 10,561,646 shares of the Fund's common stock, representing the same number of votes, were outstanding.

If there are not enough votes for a quorum or to approve a proposal at the Meeting, the stockholders who are represented in person or by proxy may adjourn the Meeting to permit the further solicitation of proxies. The persons named as proxies will vote proxies held by them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

What are the Board's recommendations?

The Board recommends a vote "**For**" the election of the nominated slate of directors (see Proposal 1), "**For**" the ratification of the appointment of UHY LLP ("UHY") as the Fund's independent registered public accounting firm (see Proposal 2), "**For**" the approval, on a non-binding advisory basis, of compensation paid to the Fund's named executive officers in 2010 (see Proposal 3), and "**For**" the approval, on a non-binding advisory basis, of the frequency of future advisory votes concerning the Fund's executive compensation (see Proposal 4). Unless you give other instructions in your proxy, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. With respect to any other matter that properly comes before the Meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

What vote is required to approve the proposals?

Election of Directors. A plurality of votes cast at the Meeting at which a quorum is present is required to elect a director. Abstentions will not be counted as votes cast and will have no effect on this proposal. Brokers may not vote uninstructed shares held in street name for this proposal.

Ratification of Public Accounting Firm. The affirmative vote of a majority of all of the votes cast at the Meeting at which a quorum is present is required to ratify the selection of the public accounting firm. Abstentions will not be counted as votes cast and will have no effect on this proposal. Brokers may vote uninstructed shares held in street name for this proposal, and their votes will count as present for quorum purposes.

Non-Binding Advisory Vote Approving Executive Compensation in 2010. The affirmative vote of a majority of all of the votes cast at the Meeting at which a quorum is present is required to approve, on a non-binding advisory basis, compensation paid to the Fund's named executive officers in 2010. Abstentions will not be counted as votes cast and will have no effect on this proposal. Brokers may not vote uninstructed shares held in street name for this proposal.

Non-Binding Advisory Vote Approving Frequency of Shareholder Advisory Votes Concerning Executive Compensation. The affirmative vote of a majority of all of the votes cast at the Meeting at which a quorum is present is required to approve, on a non-binding advisory basis, the frequency with which shareholders may cast an advisory vote concerning the Fund's executive compensation. Abstentions will not be counted as votes cast and will have no effect on this proposal. Brokers may not vote uninstructed shares held in street name for this proposal.

How are votes counted?

In the election of directors, you may vote “**For**” all of the nominees or your vote may be “**Withheld**” with respect to one or more of the nominees. To ratify the selection of the independent auditor, you may vote “**For**” the ratification, “**Against**,” or you may “**Abstain**.” If you execute your proxy or provide broker voting instructions without specifying further your preference as to the nominees, your shares will be voted in accordance with the recommendations of the Board.

Who can attend the Meeting?

All stockholders as of the Record Date, or their duly appointed proxies, may attend the Meeting. Each stockholder may

4

be asked to present valid identification. Cameras, recording devices, and other electronic devices will not be permitted at the Meeting.

Please note that if you hold your shares in “street name” (that is, through a broker, bank, or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date.

How can I vote my shares in person at the Meeting?

Shares held directly in your name as the stockholder of record may be voted in person at the Meeting. If you choose to do so, please bring proof of identification. Even if you plan to attend the Meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares.

How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the Meeting by granting your voting proxy to the Fund (if you are the stockholder of record) or by providing voting instructions to your broker or nominee (if you hold shares beneficially in street name). You may vote online, by phone, or by mail. Please refer to the enclosed voting instruction card for details.

Can I change my vote after I execute my proxy?

Yes. You may change your proxy instructions at any time prior to the vote at the Meeting. You may accomplish this by granting a new proxy or new broker voting instructions at a later date (which automatically revokes the earlier proxy instructions) or by attending the Meeting and voting in person. Attendance at the Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

What does it mean if I receive more than one notice of the Meeting?

It means your shares are registered differently or are in more than one account. Please grant a voting proxy and/or provide voting instructions for all accounts that you hold.

Where can I find the voting results of the Meeting?

We will announce preliminary voting results at the Meeting and publish the final results in a Fund Form 8-K within four days after the day on which the Meeting ended.

Who can I call if I have a question?

If you have any questions about this proxy statement, please call us toll-free at 1-800-330-8705.

Section 16(a) beneficial ownership compliance

Under the federal securities laws, our directors, executive officers, and any persons beneficially owning more than ten percent of our common stock are required to report their ownership of our common stock and any changes in that ownership to the Fund and the SEC. Specific due dates for these reports have been established by regulation. Based solely upon a review of reports furnished to the Fund and written representations of certain persons that no other reports were required, we believe that all of our directors and executive officers complied during 2010 with the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), except that one member of our board of directors, Bertrand des Pallieres, filed a late report on Form 4 on November 24, 2010 with respect to purchases of an aggregate of 20,269 shares of the Fund's common stock, which occurred during the period of November 15-19, 2010.

COMPENSATION OF NAMED EXECUTIVE OFFICERS

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the fiscal year 2010 compensation policy for our named executive officers ("NEOs"). Our Compensation Committee determines the compensation terms for our Executive Chairman and the Board determines the fees that may be charged by our Secretary for his services. Our Executive Chairman determines compensation for all other NEOs. This section explains how compensation decisions were made for our NEOs during the year. The discussion below also addresses the principal elements of our approach to compensation.

Our NEOs are compensated with a view to satisfying two objectives: (i) compensating the Fund's NEOs appropriately for their contributions to the Fund's growth, profitability and other goals and objectives; and (ii) linking the interests of the Fund's NEOs to the long-term interests of the Fund's equity owners. The compensation terms for our NEOs generally recognize both short-term and long-term success but these compensation arrangements also emphasize rewarding the intermediate and long-term performance of our NEOs, as measured by the Fund's performance and relative shareholder return.

Most of our compensation arrangements with our NEOs consist primarily of two elements: base salary and possible annual cash bonus. In addition, while certain of our executives participate in a defined contribution retirement plan, we do not have any supplemental retirement benefits and generally do not provide perquisites to our executive officers. Our Executive Chairman and Secretary, for example, receive no health, retirement, or other employment-related benefits. Accordingly, we believe that the total level of compensation is critical to maintaining the competitiveness of our compensation arrangements, particularly given the absence of supplemental benefits and plans.

We pay base compensation to our NEOs, which constitutes the bulk of their total remuneration. While the NEOs' initial base compensation is determined by an assessment of competitive market levels, the factors used in determining changes to base compensation include individual performance, changes in role and/or responsibility and changes in the competitive market environment. The Fund may pay an annual cash bonus that results in cash payments to our NEOs. The amount of the cash bonus is determined by the individual agreements with our NEOs or by our Executive Chairman on a discretionary basis. In the case of our Secretary or other members of our Board who provide services to the Fund, the Board has determined an hourly rate of \$250.00 for such services. We presently have compensation agreements with two of our NEOs. The terms of these agreements are summarized on page 14 of this proxy statement.

In determining the structure of our executive compensation policies and the appropriate levels of incentive opportunities, the Compensation Committee or our Executive Chairman, as appropriate, considers whether the policies reward reasonable risk-taking and whether the incentive opportunities achieve the proper balance between the need to reward employees and the need to protect shareholder returns. We believe that the focus on total compensation provides incentives to create long-term value for shareholders while taking thoughtful and prudent risks to grow the Fund.

Summary Compensation Table

The following table summarizes the total compensation that the Fund paid during the fiscal years ended December 31, 2010 and 2009 to the NEOs, who are the chief investment officer, the chief financial officer and our other most highly compensated executive officers who received more than \$100,000 in annual compensation from the Fund.

Report of the Compensation Committee

As part of our responsibilities, we have reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, which begins on page 7 of this proxy statement. Based on such review and discussions, we have recommended to the Board of Directors the inclusion of the Compensation Discussion and Analysis in this proxy statement.

GOVERNANCE OF THE FUND

How is the Fund's management structured?

The Board of Directors changed the Fund's operations to an internalized management structure on July 1, 2009. This means that, unlike many closed-end funds and business development companies, the Fund now directly employs its management team and incurs the costs and expenses associated with Fund operations. There is no outside investment advisory organization providing services to the Fund under a fee-based advisory agreement, or an administrative organization charging the Fund for services rendered.

What are the duties of the Board of Directors?

Leadership Structure. The Board provides overall guidance and supervision with respect to the operations of the Fund and performs the various duties specified for directors of business development companies under the Investment Company Act of 1940 (the "1940 Act"). Among other things, the Board supervises Fund management, the custodial arrangements for portfolio securities, the selection of accountants, fidelity bonding, and transactions with affiliates.

The Board meets in regularly scheduled meetings each year. All Board actions are taken by majority vote unless a higher percentage is required by law or the Fund's certificate of incorporation or by-laws require that the actions be approved by a majority of the directors who are not "interested persons" (as defined in the 1940 Act) of the Fund—referred to as "independent directors."

The 1940 Act requires that a majority of the Fund's directors be independent directors. The Board is currently composed of 9 directors, including 7 independent directors. As discussed below, the Board has established 4 Committees to assist the Board in performing its oversight responsibilities.

The Board has appointed John A. Hardy to serve as its Executive Chairman. In addition to being the principal executive officer of the Fund, one of the Executive Chairman's roles is to set the agenda of the Board and determine what information is provided to the Board with respect to matters to be acted upon by the Board.

The Board has also appointed Robert L. Knauss as its independent Chairman. The independent Chairman presides at all meetings of the Board and leads the Board through its various tasks. The Chairman also acts as a liaison with the Fund's principal executive officer in carrying out his functions. The Chairman may perform such other functions as may be requested by the Board. The designation of Chairman does not impose on such independent director any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

The Fund has determined that the Board's leadership structure is appropriate given the characteristics and circumstances of the Fund, including such items as the business development company requirements, net assets of the Fund, and the committee structure of the Fund.

Risk Oversight. Through the Board's direct oversight role, and indirectly through its Committees, the Board performs a risk oversight function for the Fund consisting, among other things, of the following activities:

General Oversight. The Board meets with representatives of management and key service providers, including the custodian and the independent audit firm of the Fund, to review and discuss the operational activities of the Fund and to provide direction with respect thereto.

-

Compliance Oversight. The Board reviews and approves, as applicable, the compliance procedures of Fund. The Board is informed how the compliance procedures adhere to the operational requirements through its meeting with, and reports received from the Chief Compliance Officer. The Board also discusses the adequacy of internal controls and compliance procedures with the Fund's Chief Compliance Officer and independent auditors.

Investment Oversight. The Board monitors Fund performance during the year through regular performance reports from management with references to appropriate performance measurement indices and the performance of similar funds. The Board receives updates on industry developments and portfolio company matters on a regular basis. The Board also monitors the Fund's investment practices and reviews the Fund's investment strategies with management.

Valuation Oversight. The Board has approved the valuation methodologies used in establishing the daily values of the Fund's assets and monitors the accuracy with which the valuations are carried out. The Board receives regular reports on the use of fair value prices and monitors the effectiveness of the valuation procedures.

What Committees has the Board established?

The Board has four standing committees: an Audit Committee, a Governance and Nominating Committee, a Compensation Committee, and a Committee of Independent Directors.

Who are the current Board members and what are their Committee memberships?

The members of the Board of Directors on the date of this proxy statement and the Board Committees on which they serve are identified in the following table:

The charter of the Audit Committee is available on the Fund's website (www.equuscap.com). The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its duties. The Committee's meetings include, whenever appropriate, executive sessions with the Fund's independent registered public accounting firm without the presence of management.

Each member of the Committee is an independent director within the meaning of SEC regulations and the listing standards of the New York Stock Exchange ("NYSE"). The Committee met 4 times during 2010.

Each member of the Audit Committee is an independent director within the meaning of SEC regulations and the listing standards of the NYSE. Fraser Atkinson, the chair of the Committee, is qualified as an audit committee financial expert

within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of the NYSE.

Committee of the Independent Directors

The functions of the Committee of the Independent Directors are to: recommend to the full Board approval of any management, advisory, or administration agreements; recommend to the full Board any underwriting or distribution agreements; review the fidelity bond and premium allocation; review any joint insurance policies and premium allocation; review and monitor the Fund's compliance with procedures adopted pursuant to certain rules promulgated under the 1940 Act; and carry out such other duties as the independent directors shall, from time to time, conclude are necessary in the performance of their duties under the 1940 Act.

The Committee of Independent Directors met at regularly scheduled Board Meetings in executive sessions without any members of management present. Each member of the Committee is an independent director within the meaning of SEC regulations and the listing standards of the NYSE.

Compensation Committee

The Compensation Committee is responsible for reviewing and evaluating the compensation of the Fund's Executive Chairman. In addition, the Committee periodically reviews independent and interested director compensation and recommends any appropriate changes to the Board. Lastly, the Committee produces a report on the Fund's executive compensation practices and policies for inclusion in the Fund's proxy statement if required by applicable proxy rules and regulations and makes recommendations to the Board on the Fund's executive compensation practices and policies. The charter of the Compensation Committee is available on the Fund's website (www.equuscap.com).

Each member of the Committee is an independent director within the meaning of SEC regulations and the listing standards of the NYSE. The Committee met once during 2010.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for developing and implementing policies and practices relating to corporate governance. The Committee selects individuals for nomination to the Fund's Board of Directors. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee is available on the Fund's website (www.equuscap.com).

All of the members of the Committee are independent directors within the meaning of SEC regulations and the listing standards of the NYSE. The Committee met once during 2010.

How does the Board select nominees for the Board?

The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Fund's Secretary or any member of the Governance and Nominating Committee in writing in care of Equus Total Return, Inc., Eight Greenway Plaza, Suite 930, Houston, TX

77046. To be considered by the Nominating and Governance Committee, stockholder nominations must be submitted before our fiscal year-end and must be accompanied by a description of the qualifications of the proposed candidate and a written statement from the proposed candidate that he or she is willing to be nominated and desires to serve if elected. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Fund's by-laws relating to stockholder nominations as described in "*Additional Information—Stockholder Proposals for the 2011 Annual Meeting*," below. Nominees for director who are recommended by stockholders will be evaluated in the same manner as any other nominee for director.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors

considered by the Committee. If the Committee determines, in consultation with the other Board members as appropriate, that additional consideration is warranted, it may gather additional information about the prospective nominee's background and experience. A Committee member will interview a qualified candidate, and a qualified candidate may meet other directors. The Committee then determines, based on the background information and information obtained in interviews, whether to recommend to the Board that a candidate be nominated to the Board.

The Committee believes a prospective nominee for director should, at a minimum, satisfy the following standards and qualifications and evaluates prospective nominees accordingly:

- The ability of the prospective nominee to represent the interests of the stockholders of the Fund;
- The prospective nominee's standards of integrity, commitment, and independence of thought and judgment;
- The prospective nominee's ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and
- The extent to which the prospective nominee contributes to the range of talent, skill, and expertise appropriate for the Board.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, diversity, and the need for Audit Committee expertise.

In considering diversity, the Committee considers diversity of background and experience as well as ethnic and other forms of diversity. The Committee does not, however, have any formal policy regarding diversity in identifying nominees for a directorship, but rather, considers it among the various factors relevant to any particular nominee. After completing the evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

How does the Board determine which directors are considered independent?

When the Board undertook its annual review of director independence, the Board considered transactions and relationships between each director or any member of his immediate family and the Fund. The Board also examined transactions and relationships between directors or their affiliates and members of the Fund's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that all of the directors nominated for election at the Meeting are independent of the Fund and its management with the exception of John A. Hardy and Kenneth I. Denos. Mr. Hardy is an interested director because he serves as the Fund's principal executive officer. Mr. Denos is an interested director because he serves as the Fund's Secretary.

How often did the Board meet during 2010?

During 2010, the Board met 11 times. Except for Mr. Benedetti, who attended 63% of all meetings held by the Board during his tenure as a director in 2010, each other director attended at least 75% of all meetings held by the Board or the committees of the Board on which he served. The Fund does not have a policy about directors' attendance at the annual meeting of stockholders. All directors, save Mr. Benedetti, attended the Fund's annual meeting of stockholders in May 2010.

How are directors compensated?

During 2010, each independent director received: (i) \$5,000 for each quarter served on the Fund's Board plus \$2,000 for each meeting of the directors attended; (ii) \$1,000 for participation in each meeting conducted by telephonic conference; (iii) \$1,000 for each committee meeting attended; and (iv) reimbursement for all out-of-pocket expenses relating to attendance at such meetings. The chair of the Committee of the Independent Directors and the chair of the Audit Committee each receive \$10,000 annually for service in such positions. An annual fee of \$15,000 is paid to the Chairman of the Board.

Interested directors who are not executive officers of the Fund receive director fees for each director meeting attended. Interested directors may serve as directors of portfolio companies and in such capacities may receive and retain directors' fees and other compensation directly from the portfolio companies.

Independent/non-officer directors (including those who only served on the Board for part of a year) were paid an aggregate of \$263,312 and \$362,000 as compensation for the years ended December 31, 2010 and 2009, respectively. The following table set forth compensation that the Fund paid to each person who served as a director during 2010:

During 2010, the Fund entered into separate compensation agreements with two of its executive officers. A summary of the relevant terms of these agreements is as follows:

John A. Hardy. The Fund's consulting agreement with John A. Hardy provides for base compensation to Mr. Hardy of \$200,000 per annum and an annual bonus based upon achievement of certain criteria. The bonus is subject to an annual cap of \$150,000, and any bonus earned that exceeds the cap will be carried over into subsequent fiscal years. If the consulting agreement is terminated without cause, as defined therein, Mr. Hardy will be entitled to receive one year's base consulting fee, together with all bonuses earned up to the date of termination. Mr. Hardy is not entitled to participate in any employee-related benefits, including health, life and disability plans, of the Fund.

S. Jay Brown. The Fund's employment agreement with S. Jay Brown provides for a base salary of \$225,000 per annum and an annual bonus based upon achievement of certain criteria. The bonus is subject to an annual cap of \$50,000. The employment agreement also entitles Mr. Brown to participate in various health and incentive compensation plans as and when adopted by the Fund, and further provides for payment of base salary in the event that Mr. Brown's employment is terminated without cause or for good reason as defined therein.

Pension Benefits

The Fund does not have any plan that provides for payments or other benefits at, following, or in connection with the retirement of its executive officers.

Nonqualified Defined Contribution and Other Nonqualified Deferred Compensation Plans

During 2010, other than a 401(k) plan for certain employees wherein the Fund provides a match of 3% of employee compensation, the Fund did not have any defined contribution or other plan that provided for the deferral of compensation by any executive officer of the Fund on a basis that was not tax-qualified.

Benefits and Perquisites.

We provide the opportunity for certain of our named executive officers and other full-time employees to receive certain perquisites and general health and welfare benefits, which consist of life and health insurance benefits, and reimbursement for certain medical expenses.

PROPOSAL 1—ELECTION OF DIRECTORS

The by-laws of the Fund provide for a minimum of three and a maximum of fifteen directors (a majority of whom must be independent directors). There are nine director nominees (which include seven independent director nominees). The Board is not recommending any other director nominees.

The current term of office of all of the Fund's directors expires at the 2011 annual meeting and upon the election and qualification of their successors in office. The Board proposes that the following nominees be elected for a new term of one year and until their respective successors have been duly elected and qualified or until they resign, die, or are removed from office. Each of the nominees has consented to serve if elected. The Board knows of no reason why any nominee for director would be unable to serve as a director. If at the time of the Meeting any nominee is unable or unwilling to serve as a director of the Fund, the persons named as proxies will vote for a substitute nominee designated by the Board. The Fund is the only fund in the fund complex.

Based on a review of the experience, qualifications, attributes and skills of each nominee, including those enumerated in the table below, the Board has determined that each nominee is qualified to serve as a director of the Fund. We invite you to read the summary backgrounds of each of the nominees included in this Proposal section. These qualifications, as well as other qualifications preceding the five-year reporting period in the table below, support the conclusion that each individual should serve as director in light of the Fund's business and structure.

PROPOSAL 2—RATIFICATION OF**SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Fund's Audit Committee approved and the Board members unanimously approved and ratified the selection of UHY as the Fund's independent registered public accounting firm for the fiscal year ending December 31, 2011. UHY has served as the Fund's independent accounting firm since September 19, 2005. A representative of UHY is expected to be present at the Meeting and will be available to make a statement, if he or she so desires, and to respond to appropriate questions of the stockholders.

UHY LLP personnel work under the direct control of UHY LLP partners and are leased from wholly-owned subsidiaries of UHY Advisors, Inc. in an alternative practice structure.

Aggregate fees that UHY billed to the Fund for professional services for the years ended December 31, 2010 and 2009 were as follows:

	Services Provided 2010	2009
Audit fees ⁽¹⁾	\$ 200,355	\$ 162,103
Audit-related fees	—	—

(1) Consists of fees for the audit of our annual financial statements, review of quarterly statements, security counts, and fees for the review and issuance of consents related to our registration statement and amendments thereto.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permitted non-audit services (including the fees and terms thereof) to be performed by any independent registered public accounting firm engaged by the Fund. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-audit services include certain services that are audit-related such as consultations regarding financial accounting and reporting standards, and tax services. Certain services may not be provided by the independent registered public accounting firm to the Fund without jeopardizing the independent registered public accounting firm's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the Fund's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Audit Committee's procedures require approval of the engagement of the independent registered public accounting firm for each fiscal year and approval of the engagement by a majority of the Fund's independent directors. The procedures permit the Audit Committee to pre-approve the provisions of types or categories of non-audit services for the Fund on an annual basis at the time of the firm's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's accounting firm, the Audit Committee is to receive a list of the categories of expected services with a description and an estimated budget of fees. In its pre-approving all audit services and permitted non-audit services, the Audit Committee or a delegated member determines that the provision of the service is consistent with, and will not impair, the ongoing independence of the independent registered public accounting firm and sets any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit Committee consistent with the same standards for determination and information.

The Audit Committee may also designate a member of the Committee to pre-approve non-audit services that have not been pre-approved or changes in non-audit services previously pre-approved. Any actions by the designated member must be ratified by the Audit Committee by the time of its next regularly scheduled meeting. The Fund's pre-approval procedures are reviewed annually by the Audit Committee and the Fund maintains a record of the decisions made by the Committee pursuant to the procedures.

Report of the Audit Committee

As part of its oversight of the Fund's financial statements, the Committee reviews and discusses with both management and the Fund's independent registered public accounting firm all annual and quarterly financial statements prior to their issuance. During 2010, management advised the Committee that each set of financial statements reviewed had been prepared in accordance with accounting principles generally accepted in the United States, and reviewed significant accounting and disclosure issues with the Committee. These reviews included discussions with UHY, the Fund's independent registered public accounting firm, of matters required to be disclosed pursuant to Statement of Auditing Standards No. 61 (*Communication with Audit and Finance Committees*), including the quality of the Fund's accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee also discussed with UHY matters relating to its independence, including a review of audit and non-audit fees. UHY has represented to us that it is independent with respect to the Fund within the meaning of the published rules and regulations of the Securities and Exchange Commission ("SEC").

Based on the review and discussions noted above, the Audit Committee recommended to the Board the inclusion of the Fund's audited financial statements for the year ended December 31, 2010, in the Fund's Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the SEC. The Audit Committee also recommended to the Board the selection of UHY as the Fund's independent registered public accounting firm for fiscal year 2011.

PROPOSAL 3—ADVISORY VOTE

ON EXECUTIVE COMPENSATION

The Compensation Discussion and Analysis beginning on page 7 of this proxy statement describes the Fund's executive compensation policies and the compensation decisions that the Compensation Committee, Board, and our Executive Chairman made in 2010 with respect to the compensation of the Fund's named executive officers. The Board is asking shareholders to cast a non-binding, advisory vote FOR the following resolution:

RESOLVED, that the compensation paid to the Fund's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion included in this proxy statement, is hereby APPROVED.

This proposal, which is sometimes referred to as a "say-on-pay vote," is provided as required pursuant to Section 14A of the Exchange Act.

As described in the Compensation Discussion and Analysis, the Fund's executive compensation policies embodies a pay-for-performance philosophy that supports the Fund's business strategy and aligns the interests of its executives with those of its shareholders, with the objective of attracting, retaining and motivating the best possible executive talent and avoiding risks that would be reasonably likely to have a material adverse effect on the Fund. For these reasons, the Board is asking shareholders to support this proposal. Although the vote the Board is asking you to cast is non-binding, the Compensation Committee and the Board value the views of shareholders and will consider the outcome of the vote when determining future compensation arrangements for the Company's named executive officers.

THE BOARD RECOMMENDS A VOTE

THE ADVISORY PROPOSAL TO APPROVE

THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS

PROPOSAL 4—ADVISORY VOTE

ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

In this proposal, which is provided as required pursuant to Section 14A of the Exchange Act, the Board is asking shareholders to cast a non-binding, advisory vote on how frequently in the future the Fund should have say-on-pay votes, such as the vote included in Proposal 3 in this proxy statement:

RESOLVED, that the shareholders of the Fund recommend, in a non-binding vote, whether an advisory vote to approve the compensation of the Fund's named executive officers should occur every one, two or three years.

Shareholders will be able to mark the enclosed proxy card or voting instruction form on whether to hold say-on-pay votes every one, two or three years. Alternatively, you may indicate that you are abstaining from voting. This vote, like the say-on-pay vote itself, is not binding on the Board. The Board believes that say-on-pay votes should be held annually to give shareholders the opportunity to provide regular input on the Fund's executive compensation programs.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR

THE ONE-YEAR OPTION

AS THE FREQUENCY FOR THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

OTHER MATTERS

The Board knows of no other matter that is likely to come before the Meeting. However, if any other matter properly comes before the Meeting, the individuals named as proxy holders will vote in accordance with their discretion on such matters.

In the event that sufficient votes in favor of the proposals set forth in the Notice of the Meeting are not received by the time scheduled for the annual meeting, the holders of a majority of the shares of the Fund, present in person or represented by proxy, although not constituting a quorum, may adjourn the Meeting.

The proxy solicited by the Board of Directors for the 2012 annual meeting will confer discretionary authority to vote on any stockholder proposal presented at that meeting, unless the Fund is provided with notice of such proposal no

later than March 10, 2012.

A copy of the full text of the by-law provisions discussed above may be obtained by writing to the Corporate Secretary, Eight Greenway Plaza, Suite 930, Houston, TX 77046 and is included as an exhibit to the Fund's annual report on Form 10-K for the period ended December 31, 2010 as filed with the SEC via EDGAR on March 18, 2011.
