In addition, the Company also announced that it completed the purchase of a pool of distressed residential mortgage loans composed of performing and re-performing, fixed and adjustable-rate, fully-amortizing, interest-only and balloon, seasoned mortgage loans secured by first liens on one- to four-family properties for an aggregate purchase price of approximately \$132.4 million. Headlands Asset Management, LLC will serve as external manager of these distressed residential mortgage loans and will be entitled to base management and incentive fees in connection therewith.
