PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

November 21, 2013

INTRODUCTION

This proxy statement and the accompanying proxy card is furnished in connection with the solicitation by the Board of Directors of CVD Equipment Corporation, a New York corporation (the “Company”), of proxies for use at the 2013 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at the Company’s headquarters at 355 South Technology Drive, Central Islip, New York 11722 at 10:00 A.M., Eastern Standard Time, on November 21, 2013, or at any adjournment or postponement thereof, for the purposes set forth in this proxy statement and the accompanying Notice of Annual Meeting of Shareholders. This proxy statement and the accompanying proxy card is first being mailed on or about October 5, 2013 to all Shareholders of the Company entitled to vote at the Annual Meeting (the “Shareholders”).

VOTING PROCEDURES AND SOLICITATION

Your Vote Is Important

Whether or not you plan to attend the Annual Meeting, please complete and return the enclosed proxy card. Your prompt voting may save the Company the expense of following up with a second mailing. A return envelope (postage paid if mailed in the United States) is enclosed for that purpose. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity, (for example, as an officer of a corporation, guardian, executor, trustee or custodian) you should indicate your name, title or capacity.

Methods of Voting

You may vote by signing, dating and returning the enclosed proxy card or by voting in person at the Annual Meeting. If you send in a proxy card, and also attend the Annual Meeting in person, the proxy holders will vote your shares as you instructed on your proxy card, unless you inform the Secretary at the Annual Meeting that you wish to vote in person.

Revoking a Proxy

You may revoke your proxy by:

Signing and returning another proxy card at a later date;

Sending written notice of revocation to the attention of the Secretary to:

CVD Equipment Corporation

355 South Technology Drive

Central Islip, NY 11722; or

Informing the Secretary and voting in person at the Annual Meeting.

To be effective, a later-dated proxy or written revocation must arrive at the above address before the start of the Annual Meeting.

Proxy Solicitation

The enclosed proxy card is being solicited on behalf of the Board of Directors of the Company. The Company will pay all costs of preparing, assembling and mailing the proxy materials. In addition to mailing out proxy materials, the Company's directors, officers and employees may, without being additionally compensated, solicit proxies by telephone or fax. The Company has requested brokers, banks and other fiduciaries to forward proxy materials to the beneficial owners of the Company's common stock. No additional compensation will be paid for such solicitation. The Company does not expect to employ anyone else in the solicitation of proxies.

How Proxy Cards Are Voted

The proxy holders named on the proxy card are Leonard Rosenbaum, the Company's Chairman, President and Chief Executive Officer, and Glen R. Charles, the Company's Chief Financial Officer and Secretary. Giving us your proxy means you authorize us to vote your shares at the Annual Meeting in the manner you direct. You may vote for all, some or none of our director nominees. You may also vote for or against the other proposals or abstain from voting. The proxy holders will vote shares according to the shareholder instructions on the proxy card. If a signed proxy card does not contain instructions, then the proxy holders will vote the shares (1) "FOR" the election of the director nominees listed on the card; (2) "FOR" ratifying the appointment of MSPC as the Company's independent public accountants for the year ending December 31, 2013; (3) "FOR" the approval of the non-binding advisory resolution supporting the compensation of our named executive officers; (4) in favor of "THREE YEARS" for the non-binding advisory votes relating to future named executive officer compensation; and (5) in their discretion, on any other business that may properly come before the meeting.

Broker Non-Votes

A broker non-vote occurs when a shareholder holds his or her shares through a broker and the broker does not vote on a particular proposal because the broker does not have discretionary voting power for that particular item, and has not received instructions from the beneficial owner. Broker non-votes count for quorum purposes but not for voting purposes. It is important that you instruct your broker how to vote shares held by you in street name using the voting instruction form provided by your broker.

Quorum and Votes Required

A majority of the outstanding shares of common stock entitled to vote represented at the Annual Meeting in person or by proxy constitute a quorum. Only votes "FOR" or "AGAINST" a proposal count. Abstentions and broker non-votes will count towards the quorum but not for voting purposes.

Directors are elected by a plurality of the votes cast, so the five nominees receiving the most votes will be elected. Shareholders who do not wish to vote for one or more of the individual nominees may withhold authority as directed in the proxy card.

The proposal to ratify the appointment of the independent auditors for the year ending December 31, 2013 requires the affirmative vote of the holders of a majority of shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote.

The proposal to approve the non-binding advisory resolution supporting the compensation of our named executive officers requires the affirmative vote of the holders of a majority of shares of common stock present or represented by proxy at the Annual Meeting and entitled to vote.

With respect to the proposal to approve the non-binding advisory vote regarding the frequency of future non-binding advisory votes relating to future named executive officer compensation, the option (i.e. one year, two years or three years) receiving the most votes (from the holders of common stock present or represented by proxy and entitled to vote on this matter) will be ratified.

Voting Rights, Shares Outstanding and Votes Per Share

Holders of common stock at the close of business on the record date of October 4, 2013 are entitled to vote at the Annual Meeting.

As of the close of business on October 4, 2013, there were 6,072,245 shares of common stock outstanding.

Each share of common stock is entitled to one vote on each matter submitted to the shareholders at the Annual Meeting.

No Dissenter's Rights

Shareholders are not entitled to dissenter's rights of appraisal with respect to the proposals being voted on.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statement and annual reports. This means that only one copy of our proxy statement and annual report to shareholders may have been sent to multiple shareholders in your household. The Company will promptly deliver a separate copy of either document to you if you contact the Secretary at the following address or telephone number: CVD Equipment Corporation, 355 South Technology Drive, Central Islip, NY 11722; telephone: (631) 981-7081. If you want to receive separate copies of the proxy statement or the annual report to shareholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact the Company at the above address or telephone number.

PROPOSAL 1: ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

At the time of the Annual Meeting, the Board of Directors will consist of five incumbent directors, all of which are seeking to be elected at the Annual Meeting to serve until the next Annual Meeting or Special Meeting of Shareholders at which a new Board of Directors is elected and until their successors shall have been elected and qualified. The accompanying proxy card will be voted in favor of the persons named below to serve as directors, unless the shareholder indicates to the contrary on the proxy card. Each of the nominees is currently one of the Company's directors. See "Information Regarding Executive Officers and Directors" for biographical information as to each nominee.

The Nominating, Governance and Compliance Committee of the Board of Directors has nominated **Leonard A. Rosenbaum, Martin J. Teitelbaum, Conrad J. Gunther, Bruce T. Swan and Kelly S. Walters** for election as the Company's directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THIS PROPOSAL 1 TO ELECT AS DIRECTORS THE FIVE NOMINEES PROPOSED BY THE NOMINATING, GOVERNANCE AND COMPLIANCE COMMITTEE OF THE BOARD OF DIRECTORS.

Information Regarding our Board of Directors

Our Certificate of Incorporation and Bylaws provide for our Company to be managed by or under the direction of the Board of Directors. Under our Certificate of Incorporation and Bylaws, the number of directors is fixed from time to time by the Board of Directors. Our Board of Directors currently consists of five directors, three of which have been determined to be "independent" as defined by the applicable rules of the NASDAQ Capital Market. These "independent" directors are Messrs. Gunther, Swan and Walters. Consistent with the requirements of the NASDAQ Capital Market, we require that a majority of our Board of Directors be "independent" directors. The Company's common stock is listed on the NASDAQ Capital Market under the trading symbol "CVV". The Company is a "smaller reporting company" within the meaning of Item 10(f)(1) of Regulation S-K.

The primary responsibilities of our Board of Directors are to provide oversight, strategic guidance, counseling and direction to our management. Our Board of Directors meets on a regular basis and additionally as required. Written or electronic materials are distributed in advance of meetings as a general rule and our Board of Directors schedules meetings with, and presentations from, members of our senior management on a regular basis and as required.

Directors are elected at the Annual Meeting of Shareholders and hold office until our next Annual Meeting and until their successors are elected and qualified. Officers are appointed by the Board of Directors and serve at the pleasure of the Board of Directors.

The Board of Directors held eight (8) meetings during the 2012 fiscal year. All of the directors attended at least 75% of the meetings of the Board of Directors and of the committees on which they served. While we encourage all members of the Board of Directors to attend Annual Meetings of Shareholders, there is no formal policy as to their attendance. At last year's Annual Meeting of Shareholders, all six members of the Board of Directors attended the meeting.

Director Service On Other Boards

Conrad J. Gunther served until September 2009 on the Board of Directors of Halo Companies, Inc., a publicly traded company, formerly known as GVC Venture Corp.

Legal Proceedings Involving Directors

There were no legal proceedings required to be disclosed hereunder involving the nominees to the Board of Directors in the past ten years.

Board Leadership

The Board has no formal policy with respect to separation of the positions of Chairman and CEO or with respect to whether the Chairman should be a member of management or an independent director, and believes that these are matters that should be discussed and determined by the Board from time to time. Currently, Leonard A. Rosenbaum serves as our Chairman, President and CEO. Given the fact that Mr. Rosenbaum, in his capacity as our President and CEO, is tasked with the responsibility of implementing our corporate strategy, we believe he is best suited for leading discussions, at the Board level, regarding performance relative to our corporate strategy, and this discussion accounts for a significant portion of the time devoted at our Board meetings. The Board of Directors believes that the independent directors have been effective in acting collaboratively to provide effective oversight of management. Moreover, in addition to feedback provided during the course of Board meetings, the independent directors have regular executive sessions. Following an executive session, the independent directors communicate any relevant feedback to our CFO and provide input with regard to any agenda items for Board meetings.

Risk Management Oversight

Our management is responsible for defining the various risks facing the Company, formulating risk management policies and procedures, and managing our risk exposures on a day-to-day basis. The Board's responsibility is to monitor our risk management processes concerning our material risks and evaluating whether management has reasonable controls in place to address the material risks. The Board has played, and continues to play, a very active role in providing on-going oversight to management in identifying and managing the material risks we face.

While the Board periodically reviews and discusses the overall risks we face, as well as risk management and mitigation in the context of specific plans or projects being proposed or implemented, the Board also exercises its overall responsibility for risk oversight through its committees. The Audit Committee of the Board is primarily responsible for overseeing management's processes for managing financial and operational risk in the Company. The Audit Committee also has primary responsibility at the Board level with respect to overseeing the management of risks relating to the reliability of our financial reporting processes and system of internal controls. In connection with that responsibility, the Audit Committee has sole authority to retain and terminate the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of the independent registered public accounting firm. The Audit Committee meets with management and the independent registered public accounting firm to review and discuss the annual audited and quarterly unaudited financial statements, and reviews the integrity of our accounting and financial reporting processes and audits of our financial statements.

Similarly, the Stock Option and Compensation Committee of the Board oversees risks associated with its areas of responsibility, including the risks associated with our compensation programs, policies and practices with respect to both executive compensation, non-employee director compensation, and compensation generally. The Nominating, Governance and Compliance Committee of the Board oversees risks associated with the nomination of members of

the Board and committees thereof and periodically analyzes corporate governance practices in order to assist the Board in its risk oversight activities.

COMMITTEES OF OUR BOARD OF DIRECTORS

We have a standing Audit Committee, Stock Option and Compensation Committee, Nominating, Governance and Compliance Committee and Finance Committee.

Audit Committee. The Audit Committee assists the full Board of Directors in its general oversight of our financial reporting, internal controls, and audit functions, and is directly responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee reviews and discusses with management and our independent accountants the annual audited and quarterly financial statements, reviews the integrity of the financial reporting processes, both internal and external, reviews the qualifications, performance and independence of our independent accountants and prepares the Audit Committee Report included in the Company's Annual Report on Form 10-K in accordance with rules and regulations of the Securities and Exchange Commission. The Audit Committee has the power to investigate any matter brought to its attention within the scope of its duties. It also has the authority to retain counsel and advisors to fulfill its responsibilities and duties. The Audit Committee also acts as a qualified legal compliance committee.

Our Audit Committee consists of three independent members of the Board of Directors, Conrad J. Gunther, Bruce T. Swan, and Kelly S. Walters. As a smaller reporting company, we are required to have at least two independent members comprising our Audit Committee in accordance with Rule 10A-3 of the Securities Exchange Act of 1934 and the rules of the NASDAQ Capital Market. Our Board of Directors has determined that Messrs. Gunther, Swan, and Walters are "independent" under Rule 10A-3(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the applicable rules of the NASDAQ Capital Market. Mr. Gunther qualifies as a "financial expert" (as defined in Item 407(d)(5) of Regulation S-K promulgated under the Exchange Act), for the Committee. The Audit Committee meets as often as it determines necessary but not less frequently than once every fiscal quarter. During 2012, the Audit Committee held four (4) meetings. A copy of the Audit Committee Charter will be provided to any person without charge upon written request to the Company's address to the attention of the Secretary. A copy of the Audit Committee Charter is available on the Company's website at www.cvdequipment.com.

Stock Option and Compensation Committee. The Stock Option and Compensation Committee was formed through the merger in 2006 of the Stock Option Committee and the Compensation Committee. The Stock Option and Compensation Committee currently consists of Bruce T. Swan, Conrad J. Gunther and Kelly S. Walters. The Stock Option and Compensation Committee has broad discretion in determining the persons to whom equity incentives are to be granted and the terms and conditions of the award, including the type of award, the exercise price and term and restrictions and forfeiture conditions. The Committee also reviews, approves and makes recommendations regarding our compensation policies, practices and procedures. With respect to executive officer compensation, the Stock Option and Compensation Committee receives recommendations and information from senior management. Mr. Rosenbaum, the Company's President and Chief Executive Officer, and the Stock Option and Compensation Committee annually review the performance of the Company's executive officers and Mr. Rosenbaum participates in Committee deliberations regarding the compensation of executive officers and senior management. Mr. Rosenbaum does not participate in the review or deliberations regarding his own compensation. Upon request by the Stock Option

and Compensation Committee, management provides the Stock Option and Compensation Committee with recommendations, data and information regarding the compensation of the Company's executive officers and senior management. The Stock Option and Compensation Committee has the authority to select and retain compensation consultants, outside counsel and other advisors in its sole discretion and to approve their fees and other retention terms. All of the members of the Stock Option and Compensation Committee currently qualify as independent under the rules of the NASDAQ Capital Market. During the fiscal year ended December 31, 2012, the Stock Option and Compensation Committee held one meeting. The Stock Option and Compensation Committee did not utilize the services of a compensation consultant during the 2012 fiscal year. The Stock Option and Compensation Committee does not have a committee charter.

Nominating, Governance and Compliance Committee. The Nominating, Governance and Compliance Committee consists of Bruce T. Swan, Conrad J. Gunther and Kelly S. Walters. This Committee's role is to make recommendations to the full Board of Directors as to the size and composition of the Board of Directors and to make recommendations as to particular nominees. All of the members of the Nominating, Governance and Compliance Committee currently qualify as independent under the rules of the NASDAQ Capital Market. During the fiscal year ended December 31, 2012, the Nominating, Governance and Compliance Committee held one meeting.

The Nominating, Governance and Compliance Committee may consider candidates recommended by shareholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Nominating Governance and Compliance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the shareholders. The Nominating, Governance and Compliance Committee annually reviews and makes recommendations to the Board regarding the composition and size of the Board so that the Board consists of members with the proper expertise, skills, attributes, and personal and professional backgrounds needed by the Board, consistent with applicable regulatory requirements. Candidates recommended by shareholders will be considered on the same basis as candidates from other sources. If a shareholder wishes to nominate a candidate to be considered for election as a director at the 2014 Annual Meeting of Shareholders, he or she must submit nominations in accordance with the procedures set forth in "Shareholder Proposals For Next Annual Meeting." If a shareholder wishes simply to propose a candidate for consideration as a nominee by the Nominating, Governance and Compliance Committee, he or she should submit any pertinent information regarding the candidate to the members of the Nominating, Governance and Compliance Committee of CVD Equipment Corporation, c/o Secretary, 355 South Technology Drive, Central Islip, New York 11722.

The Nominating, Governance and Compliance Committee believes that all directors, including nominees, should possess the highest personal and professional ethics, integrity, and values, and be committed to representing the long-term interests of our shareholders. The Nominating, Governance and Compliance Committee will consider criteria including the nominee's current or recent experience as a senior executive officer, whether the nominee is independent, as that term is defined in existing independence requirements of the NASDAQ Stock Market and the Securities and Exchange Commission, the business, scientific or engineering experience currently desired on the Board, geography, the nominee's industry experience, and the nominee's general ability to enhance the overall composition of the Board.

The Nominating, Governance and Compliance Committee does not have a formal policy on diversity; however, in recommending directors, the Board and the Committee consider the specific background and experience of the Board members and other personal attributes in an effort to provide a diverse mix of capabilities, contributions and viewpoints which the Board believes enables it to function effectively as the Board of Directors of a company with our size and nature of business.

A copy of the Nominating, Governance and Compliance Committee Charter is available on the Company's website at www.cvdequipment.com and will be provided to any person without charge upon written request to the Company's address to the attention of the Secretary.

Finance Committee. The Finance Committee consists of Kelly S. Walters, Conrad J. Gunther and Bruce T. Swan. The committee was established on September 14, 2011 for the purpose of providing advice to the Board as to matters pertaining to general corporate finance. The Finance Committee did not hold any meetings during the fiscal year ended December 31, 2012.

Meetings of Independent Directors. Members of the Board of Directors who are “independent” as defined in Rule 5605(a)(2) of the NASDAQ rules hold meetings periodically without persons who are members of management present. There was one such meeting held during the fiscal year ended December 31, 2012.

Shareholder Communications

The Board of Directors provides a process by which shareholders may communicate with the Board, including our independent directors. (1) Amounts shown do not reflect compensation actually received by the named executive officer. Instead, the amounts shown are the compensation costs recognized by CVD in fiscal 2012 and 2011 for option awards as determined pursuant to ASC 718. These compensation costs reflect option awards granted prior to fiscal 2012 and

2011. The assumptions used to calculate the value of option awards are set forth under Note 12 of the Notes to Consolidated Financial Statements in the Company's Form 10-K for the year ended December 31, 2012. This column represents the grant date fair value of the awards as calculated in accordance with FASB ASC 718 (Stock Compensation). Pursuant to SEC rule changes effective February 28, 2010, we are required to reflect the total grant date fair values of the option grants in the year of grant, rather than the portion of this amount that was recognized for financial statement reporting purposes in a given fiscal year which was required under the prior SEC rules, resulting in a change to the amounts reported in prior Annual Reports.

(2) The amount shown is attributable as to \$123,480 as a result of the exercise by Mr. Rosenbaum of options to purchase 21,000 shares of the Company's common stock in 2012. The balance is attributable to accrued vacation time paid in 2012.

(3) The amount shown is a result of the exercise of options to purchase shares of the Company's common stock in 2011 and 2012.

(4) The amount shown is attributable to non-qualified stock options to purchase 100,000 shares of the Company's common stock granted to Mr. Strobl on October 10, 2007 that became exercisable, as to 50.0% and 62.5% of the underlying shares on October 10, 2011 and October 10, 2012, respectively. These options were issued at a grant price equal to the then current market price of \$4.62. These options expire on October 10, 2017.

(5) The amount shown is attributable as to \$181,938 and \$11,050 as a result of the exercise by Mr. Linss of options to purchase 13,750 and 1,250 shares respectively of the Company's common stock in 2011 and 2012. The balance is attributable to accrued vacation time paid in 2011 and 2012.

(2) Calculation is exclusive of the value of any unvested restricted stock awards.

Our Stock Option Plans

The Company maintains two stock option plans and one share incentive plan.

1989 “Key Employee” Stock Option Plan. On June 15, 1989, we instituted the 1989 “Key Employee” Stock Option Plan, a non-qualified stock option plan (the “1989 Plan”). In connection therewith, 700,000 shares of the Company’s common stock are reserved for issuance pursuant to options that may be granted under the 1989 Plan through June 30, 2009. The purchase price of the common stock under each option granted under the 1989 Plan shall be no lower than the average bid price per share, calculated on a monthly basis, that the common stock (as reported by the NASDAQ Capital Market) traded during the calendar year immediately preceding the year in which the option is granted. At present, there are options to purchase 45,250 shares outstanding under the 1989 Plan. This plan has been terminated. No further grants may be made under the 1989 Plan.

2001 Stock Option Plan. In November 2006, we registered a non-qualified stock option plan (the “2001 Plan”). Shareholders approved the 2001 Plan in July 2001, covering key employees, officers, directors and other persons that may be considered as service providers to the Company. Options may be awarded under the 2001 Plan by the Board of Directors or by a committee appointed by the Board of Directors. Under the 2001 Plan, an aggregate of 300,000 shares of our common stock are reserved for issuance or transfer upon the exercise of options which are granted. Unless otherwise provided in the option agreement, options granted under the 2001 Plan are exercisable in 25% installments commencing one year from the anniversary date of the grant. The purchase price of the common stock under each option granted under the 2001 Plan is established by the Board of Directors provided, that the exercise price per share shall not be less than the closing price of the Company’s common stock on the date the option is granted. The stock options generally expire five to ten years after the date of grant. As of September 24, 2012, there were options to purchase 162,580 shares outstanding under the 2001 Plan. The 2001 Plan terminated on July 22, 2011. No further grants may be made under the 2001 Plan.

2007 Share Incentive Plan. In August 2008, we registered the 2007 Share Incentive Plan (the “2007 Plan”). Shareholders approved the 2007 Plan in December 2007, covering key employees, officers, outside directors or third party consultants to the Company or any of its affiliates. The 2007 Plan authorizes the grant and issuance of two different types of awards: options (“Stock Options”), which can qualify as “incentive stock options” under the Internal Revenue Code (the “Code”), or as “non-qualified stock options”, and restricted stock (“Restricted Stock”), which is stock that is contingent on an employee satisfying conditions, including without limitation continued employment, passage of time or satisfaction of performance criteria. Options may be awarded by the Stock Option and Compensation Committee, although the Board of Directors may exercise any authority of the Committee under the 2007 Plan in lieu of the Committee’s exercise thereof. Under the 2007 Plan, an aggregate of 750,000 shares of our common stock are reserved for issuance or transfer upon the granting of Restricted Stock or upon the exercise of options which are granted. The purchase price of the common stock under each option granted under the 2007 Plan is established by the Board of Directors provided that the exercise price per share shall not be less than the closing price of the Company’s common stock on the date the option is granted. As of December 31, 2012, 105,400 shares have been granted and 644,600 remain available for grant.

CHANGE IN CONTROL OR OTHER ARRANGEMENTS

Except for the foregoing, there are no other arrangements for compensation of directors and there are no employment contracts between the Company and its directors or any change in control arrangements.

The Company entered into an Employment Agreement with Martin J. Teitelbaum, a director, to employ Mr. Teitelbaum as its General Counsel (the “Employment Agreement”).

The Employment Agreement provides for a term of five (5) years, unless earlier terminated pursuant to the Employment Agreement. Mr. Teitelbaum shall receive an initial annual base salary of \$225,000 in the first year of employment, which shall be increased on the anniversary date of each year of the Effective Date by five (5%) percent over the prior year. As additional compensation, the Company issued Mr. Teitelbaum 20,000 shares of restricted common stock of the Company pursuant to its 2007 Share Incentive Plan, which shall vest annually on each anniversary of the effective date of the Employment Agreement, provided that Mr. Teitelbaum remains employed by the Company on such date, at the rate of 4,000 shares per year. In addition, Mr. Teitelbaum is entitled to receive the same benefits afforded other management level employees of the Company and may, from time to time, be awarded stock options and bonuses as the Board of Directors shall in its sole discretion determine.

The Employment Agreement further provides that in the event that the Company does not maintain an office in Nassau or Suffolk Counties for Mr. Teitelbaum to work out of, Mr. Teitelbaum shall have the option of either relocating to the new location or receiving a lump-sum payment equal to eighty percent (80%) of his current salary for the balance of the term of the Employment Agreement, together with any accrued vacation time. In the event of a termination pursuant to the preceding sentence, all options and restricted stock held by or issued in the name of Mr.

Teitelbaum become fully vested and unrestricted.

In addition, the Company can terminate the Employment Agreement with Mr. Teitelbaum upon his death, disability or for "Cause," as defined in the Employment Agreement. The Employment Agreement also contains customary confidentiality and non-competition provisions.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors and persons who own more than ten percent of a registered class of the equity securities of the Company ("Reporting Persons") to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission. In addition, Reporting Persons are required to furnish the Company with copies of all Forms 3, 4 and 5 they file. Based solely on the Company's review of (a) the copies of such reports and amendments thereto furnished to the Company by the Reporting Persons and (b) written representations from the Reporting Persons that no other reports were required, during the Company's fiscal year ended December 31, 2012, all of the filings for such Reporting Persons were made on a timely basis except for the following: (i) one report filed by Mr. Conrad Gunther on Form 4 on January 31, 2012 to report a grant of restricted shares and options on January 16, 2012 and one report on Form 4 on September 5, 2012 to report the sale of common shares; (ii) one report filed by Mr. Leonard Rosenbaum on Form 4 on February 14, 2012 to report the sales of common shares; (iii) one report filed by Mr. Bruce Swan on Form 4 on January 31, 2012 to report a grant of restricted shares and options on January 16, 2012; (iv) one report filed by Mr. Kelly S. Walters on Form 4 on January 31, 2012, to report a grant of restricted shares and options on January 16, 2012.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our policy is that employees, non-employees, and third parties must obtain authorization from the appropriate department executive manager, for any business relationship or proposed business transaction in which they or an immediate family member has a direct or indirect interest, or from which they or an immediate family member may derive a personal benefit (a "related party transaction"). The maximum dollar amount of related party transactions that may be approved as described above in this paragraph in any calendar year is \$120,000. Any related party transactions that would bring the total value of such transactions to greater than \$120,000 must be referred to the Audit Committee to determine the procedure for approval, and then have the recommendations presented to the Board of Directors for approval.

Martin J. Teitelbaum serves as a director and, until May 16, 2011 served as our outside general counsel. On May 16, 2011, Mr. Teitelbaum became an employee and now serves as inside general counsel. The Company incurred legal fees for Mr. Teitelbaum's professional services of approximately \$45,000 for the year ended December 31, 2011. As of December 31, 2012, unpaid legal fees of approximately \$45,000 were due Mr. Teitelbaum for services rendered.

Charles Temple, son of Alan H. Temple, Jr., our director who retired in September 2011, is a non-officer employee of the Company. The Company paid Charles Temple approximately \$135,000 and \$134,000 in compensation during the fiscal years ended December 31, 2012 and 2011, respectively.

The Company maintains a bank account with Community National Bank. Conrad Gunther, a director of the Company, is a Senior Vice President and Senior Loan Officer at Community National Bank. The Company does not pay any fees to Mr. Gunther or Community National Bank in connection with this investment vehicle.

PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED ACCOUNTING FIRM

The Audit Committee has appointed MSPC (formerly Moore Stephens P.C.) as the Company's independent public accountants for the fiscal year ending December 31, 2013. The submission of the appointment of MSPC is not required by law or by the Company's Bylaws. The Board of Directors is nevertheless submitting it to the shareholders. If the shareholders do not ratify the appointment, the selection of other independent public accountants will be considered by the Audit Committee. If MSPC shall decline to accept or become incapable of accepting its appointment, or if its appointment is otherwise discontinued, the Audit Committee will appoint other independent public accountants. MSPC has served as the Company's independent public accountants since 2005. The Board of Directors expects that a representative of MSPC will be present at the Annual Meeting to respond to appropriate questions from shareholders, and the Board of Directors will provide this representative with an opportunity to make a statement if he or she desires to do so.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THIS PROPOSAL 2 TO RATIFY THE SELECTION OF MSPC AS THE COMPANY’S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2013.

Audit and Non-Audit Fees

The following table sets forth the fees billed to us by MSPC during the years ended December 31, 2012 and 2011 for: (i) the annual audit of the Company, unaudited quarterly reviews of financial statements including the Company’s reports on Form 10-Q and services by MSPC normally provided by them in connection with statutory and regulatory filings, for fiscal years 2012 and 2011, (ii) services by MSPC that are not reasonably related to the performance of the audit or review of our financial statements and that are not reported as audit fees, (iii) all other fees for services rendered.

	Year Ended Dec. 31, 2012	Year Ended Dec. 31, 2011
Audit Fees	\$ 110,000	\$ 102,000
Audit-Related Fees (1)	10,000	20,000
Tax Fees	--	--
All Other Fees	--	--
Total Fees	\$ 120,000	\$ 122,000

(1) Accounting and reporting advisory services related to regulatory filings and acquisition activities.

Pre-Approval Policy

The Company pre-approved all of the above described audit and non-audit services provided by MSPC and has pre-approved similar services to be rendered during fiscal year 2013. The Audit Committee believes the rendering of these services is not incompatible with MSPC maintaining their independence.

REPORT OF THE AUDIT COMMITTEE

Our Audit Committee is composed of “independent” directors, as determined in accordance with Rule 10A-3 of the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors with its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements, assessing the independent registered public accounting firm’s qualifications, independence and performance for us. Management is responsible for preparation, presentation and integrity of our financial statements as well as our financial reporting process, accounting policies, internal audit function, internal accounting controls and disclosure controls and procedures. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee’s responsibility is to monitor and oversee these processes. The following is the Audit Committee’s report submitted to the Board of Directors for 2012.

As part of its oversight of the Company's financial statements, the Audit Committee reviews and discusses with both management and the Company's independent registered public accountants all annual and quarterly financial statements prior to their issuance. During fiscal 2012, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and management reviewed significant accounting and disclosure issues with the Audit Committee. These reviews included discussion with the independent registered public accountants of matters required to be discussed pursuant to *Public Company Accounting Oversight Board AU 380 (Communication With Audit Committees)*, including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with MSPC matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from MSPC. to the Audit Committee pursuant to applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence.

In addition, the Audit Committee has met separately in executive session with management and with MSPC.

Based on these reviews and discussions, we recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012.

The foregoing Audit Committee Report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under these acts, except to the extent we specifically incorporate by reference into such filings.

PROPOSAL 3: APPROVAL OF ADVISORY RESOLUTION

SUPPORTING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

General

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), and Section 14A of the Securities Exchange Act of 1934, as amended, the Company is asking its shareholders to vote, on an advisory basis, to approve the compensation of its named executive officers as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s shareholders the opportunity to express their views on the compensation of the Company’s named executive officers. For purposes of this Proxy Statement, the following Company executives are referred to collectively as the “named executive officers”: Leonard Rosenbaum, Glen R. Charles, Martin J. Teitelbaum, Karlheinz Strobl, William S. Linss and Kevin R. Collins.

Compensation Program and Philosophy

Our executive compensation program is designed to attract, reward and retain key employees, including our named executive officers, who are critical to the Company’s long-term success. Shareholders are urged to read the “Executive Compensation” section of this Proxy Statement for greater detail about the Company’s executive compensation programs, including information about the fiscal year 2012 compensation of the named executive officers.

The Company is asking the shareholders to indicate their support for the compensation of the Company’s named executive officers as described in this Proxy Statement by voting in favor of the following resolution:

RESOLVED, that the stockholders approve the compensation of the named executive officers of CVD Equipment Corporation, as disclosed in the “Executive Compensation” discussion, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2013 Annual Meeting of shareholders.

Even though this say-on-pay vote is advisory and therefore will not be binding on the Company, the Stock Option and Compensation Committee and the Board of Directors value the opinions of the Company’s shareholders. Accordingly, to the extent there is a significant vote against the compensation of the named executive officers, the Board of Directors will consider shareholder concerns and the Stock Option and Compensation Committee will evaluate what actions, if any, may be necessary or appropriate to address those concerns. You may vote “for,” “against,” or “abstain” from the proposal to approve on an advisory basis the compensation of our named executive officers.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” SUPPORTING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL 4: ADVISORY VOTE ON THE FREQUENCY OF

AN ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

General

Pursuant to the Dodd-Frank Act, and Section 14A of the Securities Exchange Act of 1934, as amended, the Company is also asking its shareholders to provide their input with regard to the frequency of future shareholder advisory “say on pay” votes on the compensation of future named executive officers, such as the proposal contained in Proposal 3 above. In particular, we seek your input on whether the advisory vote on executive compensation should occur once every year, every two years or every three years.

After considering this agenda item, the Board of Directors has determined that an advisory vote on executive compensation every three years is the appropriate interval for conducting and responding to a “say on pay” vote. By providing an advisory vote on executive compensation every three years, shareholders will be able to provide the Company with direct input on its compensation philosophy, policies and practices after having enough time to view its impact on the Company’s business.

Vote Required

Pursuant to this non-binding advisory vote on the frequency of future non-binding advisory votes on named executive officer compensation, shareholders will be able to specify one of four choices for this proposal on the proxy card or voting instruction: one year, two years, three years or abstain.

Even though your vote is advisory and therefore will not be binding on the Company, the Board of Directors and the Stock Option and Compensation Committee value the opinions of our shareholders and will consider the shareholder vote on the frequency of the vote on the future compensation of our future named executive officers. Nevertheless, the Board of Directors may decide to hold a non-binding advisory vote on future compensation of future named executive officers more or less frequently than the option voted by the shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR “THREE YEARS” AS THE PREFERRED FREQUENCY FOR THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION OF THE FUTURE COMPENSATION OF THE COMPANY’S FUTURE NAMED EXECUTIVE OFFICERS.

DEADLINE FOR SHAREHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

Shareholder proposals intended to be considered for inclusion in the proxy statement for presentation at the Company's 2014 Annual Meeting of Shareholders must be received in writing at the Company's offices at 355 South Technology Drive, Central Islip, New York 11722, no later than May 31, 2014 for inclusion in the Company's proxy statement and proxy card relating to such meeting. If such notice is received, proxies may be voted at the discretion of management if we advise shareholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter.
