### Item 1.02 Termination of a Material Definitive Agreement

On May 14, 2014, the Agreement and Plan of Merger, as amended, (the "Merger Agreement") entered into on February 28, 2013, between GeoPetro Resources Company, a California corporation (the "Company"), MCW Energy Group Limited, an Ontario corporation ("Parent"), and MCW CA SUB, a California corporation and a wholly-owned subsidiary of Parent ("Merger Sub"), was terminated.

Had the Merger Agreement not been terminated and had the transactions described therein been consummated, Merger Sub would have merged with and into the Company (the "Merger") and the Company would have survived the Merger and continued as a subsidiary of Parent. In connection therewith, (i) each issued and outstanding common share of the Company ("Company Common Shares") (other than dissenting shares and Company Common Shares owned by Parent, Merger Sub and the Company, which would have been cancelled with no consideration paid therefor), would have been converted into the right to receive 0.07840916 common shares of Parent and 0.138485 Parent Class B Preferred Shares and (ii) each issued and outstanding share of Series B Preferred Stock of the Company ("Company Preferred Shares") (other than dissenting shares and Company Preferred Shares owned by Parent, Merger Sub and the Company, which would have been cancelled with no consideration paid therefor), would have been converted into the right to receive 0.07840916 Parent Class A Preferred Shares. The Parent Class A Preferred Shares would have had the same substantive terms as the Company Preferred Shares with respect to voting rights, the right to receive dividends and the right to receive distributions upon liquidation. The Parent Class B Preferred Shares would not have had the right to vote or receive dividends, nor the right to receive distributions upon any liquidation. During the five years following the Merger, if the Company achieved certain EBITDA targets, the Parent Class B Preferred Shares would have been automatically converted into common shares of Parent.

The Merger Agreement can be terminated by mutual written consent of the Company, Parent and Merger Sub prior to consummation of the Merger. The Company and the other parties to the Merger Agreement jointly determined not to consummate the Merger, and all of them executed a termination of the Merger Agreement on May 14, 2014.
