Proxy Statement

For the Annual Meeting of Shareholders

To Be Held on May 28, 2015

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Mercantile Bank Corporation (“we,” “our” or “Mercantile”). The proxies are being solicited for use at the annual meeting of shareholders to be held on Thursday, May 28, 2015 at 9:00 a.m., local time, at Kent Country Club, 1600 College Avenue NE, Grand Rapids, Michigan 49505, and at any and all adjournments of the meeting. An annual report that consists of our Annual Report on Form 10-K for the year ended December 31, 2014 and other information is first being mailed or made available to shareholders, along with these proxy materials, on or about April 16, 2015.

Information About the Annual Meeting and Voting

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the accompanying notice of the meeting and described in this proxy statement. These matters include the election of directors, the ratification of the selection of our independent registered public accounting firm, and an advisory (non-binding) vote on the compensation of our named executive officers disclosed in this proxy statement.

Please read this proxy statement carefully. You should consider the information contained in this proxy statement when deciding how to vote your shares at the annual meeting.

Who is entitled to vote?

The Board of Directors has set April 1, 2015 as the record date for the annual meeting. If you were a shareholder of record at the close of business on the record date, April 1, 2015, you are entitled to receive notice of the meeting and to vote your shares at the meeting. Holders of Mercantile common stock are entitled to one vote per share.

What is the difference between a “shareholder of record” and a “street name” holder?

These terms describe how your shares are held. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are a “shareholder of record.” If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares. However, you still are considered the beneficial owner of those shares, and your shares are said to be held in “street name.” Street name holders generally cannot vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares using the voting instructions provided by it.

Who can attend the meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the meeting.

What is a proxy?

A proxy is your designation of another person to vote on your behalf. The other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you designate a proxy, you also may direct the proxy how to vote your shares. We sometimes refer to this as your “proxy vote.” By completing and returning the enclosed proxy card, or voting by internet or telephone, you are giving the persons appointed as proxies by our Board of Directors the authority to vote your shares.

What is a proxy statement?

A proxy statement is a document that we are required to give you, or provide you access to, in accordance with regulations of the Securities and Exchange Commission (the “SEC”), when we ask you to designate proxies to vote your shares of our common stock at a meeting of our shareholders. The proxy statement includes information regarding the matters to be acted upon at the meeting and certain other information required by regulations of the SEC and rules of The Nasdaq Stock Market (“Nasdaq”).

Table Of Contents

How many shares must be present to hold the meeting?

At least a majority of the shares of our common stock outstanding on the record date must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Your shares are counted as present at the meeting if:

- you are present and vote in person at the meeting; or

- you have properly submitted a proxy by mail, telephone or internet.

As of the record date, 16,899,382 shares of our common stock were outstanding and entitled to vote. Proxies that are received and voted as withholding authority, abstentions, and broker non-votes (where a bank, trust, broker or other nominee does not exercise discretionary authority to vote on a matter) will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote my shares?

If you are a shareholder of record as of the record date, you can give a proxy to be voted at the meeting in any of the following ways:

- over the telephone by calling a toll-free number;

- electronically, using the internet; or

- by completing, signing and mailing the printed proxy card.

The telephone and internet voting procedures have been set up for your convenience. We encourage you to reduce corporate expense by submitting your vote by telephone or internet. The procedures have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. If you are a shareholder of record and you would like to submit your proxy by telephone or internet, please refer to the specific instructions provided on the enclosed proxy card. If you wish to submit your proxy by mail, please return your signed proxy card to us before the annual meeting.

If the shares you own are held in street name, your broker, bank, trust or other nominee, as the record holder of your shares, is required to vote your shares according to your instructions. Your broker, bank, trust or other nominee is required to send you directions on how to vote those shares. If you do not give instructions to your broker, bank, trust or other nominee, it will still be able to vote your shares with respect to certain “discretionary” items, but will not be allowed to vote your shares with respect to certain “non-discretionary” items. In the case of non-discretionary items, the shares that do not receive voting instructions will be treated as “broker non-votes.”

If, as of the record date, you are a shareholder of record and you attend the meeting, you may vote in person at the meeting. Even if you currently plan to attend the meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the meeting. If you are a street name holder, you may vote your shares in person at the meeting only if you obtain a signed letter or other document from your broker, bank, trust or other nominee giving you the right to vote the shares at the meeting. If you have questions about attending or would like directions to the annual meeting, please write to the Secretary, Mercantile Bank Corporation, 310 Leonard Street NW, Grand Rapids, Michigan 49504 or call 616-726-1601.

What does it mean if I receive more than one proxy card or voting instruction form?

If you receive more than one proxy card or voting instruction form, it means that you hold shares registered in more than one account. To ensure that all of your shares are voted, sign and return each proxy card, or if you submit your proxy vote by telephone or internet, vote once for each proxy card or voting instruction form you receive.

What if I do not specify how I want my shares voted?

If you submit a signed proxy card or submit your proxy by telephone or internet and do not specify how you want to vote your shares, the proxies will vote your shares:

• FOR the election of all of the six nominees for director;

• FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for 2015;

• FOR the advisory approval of the compensation of our named executive officers disclosed in this proxy statement; and

In the discretion of the persons named as proxies as to all other matters that may be properly presented at the annual meeting.

Can I change my proxy after submitting my proxy?

Yes, you may revoke your proxy and change your vote at any time before your proxy is voted at the annual meeting. If you are a shareholder of record, you may revoke your proxy and change your vote by submitting a later-dated proxy by telephone, internet or mail, by voting in person at the meeting, or by delivering to our Secretary a written notice of revocation. Attending the meeting will not revoke your proxy unless you specifically request to revoke it.

Table Of Contents

If you hold your shares in street name, contact your broker, bank, trust or other nominee regarding how to revoke your proxy and change your vote.

What is the vote required to approve each matter?

Election of Directors. The affirmative vote of the holders of a plurality of the votes cast on the election of directors at the meeting is required for nominees to be elected as directors. Votes withheld and broker non-votes are not counted toward a nominee's total.

Independent Registered Public Accounting Firm. The affirmative vote of a majority of the common stock present in person or by proxy at the meeting and voting on the matter is necessary to approve the ratification of our independent registered public accounting firm. For purposes of counting votes on this matter, abstentions and broker non-votes will not be counted as shares voted on the matter.

Advisory approval of compensation of our named executive officers. Because this is an advisory vote, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. For purposes of counting votes on this matter, abstentions and broker non-votes will not be counted as shares voted on the matter.

Are there other matters to be voted on at the meeting?

As of the date of this proxy statement, our Board of Directors does not know of any matters which may come before the meeting, other than the matters described in this proxy statement. Should any other matter requiring a vote of the shareholders arise and be properly presented at the annual meeting, the proxy gives the persons named in the proxy and designated to vote the shares discretionary authority to vote or otherwise act with respect to any such matter in accordance with their best judgment.

How does the Board recommend that I vote?

The Board of Directors recommends that you vote:

FOR the election of all of the six nominees for director;

FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for 2015; and

FOR the advisory approval of the compensation of our executives disclosed in this proxy statement.

Who pays for this proxy solicitation?

All costs of soliciting proxies will be borne by us. Our directors, officers, and other employees, and employees of our subsidiary, Mercantile Bank of Michigan (the "Bank"), may, without compensation other than their regular compensation, solicit proxies by further mailing or personal conversation, or by telephone, facsimile or electronic means. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding soliciting material to the beneficial owners of our common stock.

**Proposal #1
Election of Directors**

Our articles of incorporation and bylaws provide that our Board of Directors will consist of between six and fifteen directors, with the exact number of directors determined from time to time by our Board of Directors. Our Board of Directors currently has six members. Our directors are elected annually to one-year terms.

Our Board of Directors has nominated David M. Cassard, Edward J. Clark, Jeff A. Gardner, Edward B. Grant, Michael H. Price, and Thomas R. Sullivan, as directors for election at this year's annual meeting for one-year terms expiring at the 2016 annual meeting. Each of the nominees is presently a director whose term expires at this year's annual meeting, with the exception of Mr. Clark. Calvin D. Murdock currently serves as a member of our Board, but will retire when his current term expires at the annual meeting and will not stand for reelection.

Our Board of Directors recommends that you vote FOR each of the six nominees named above. Unless otherwise instructed, the persons named as proxies intend to vote all proxies received for the election of the six nominees.

All of the nominees have indicated their willingness to continue to serve. If any nominee should become unwilling or unavailable to serve, our Board of Directors may select a substitute nominee, and in that event the proxies intend to vote all proxies for the person selected, as well as the other nominees. If a substitute nominee is not selected, the proxies intend to vote for the election of the remaining nominees. Our Board of Directors has no reason to believe that any of the nominees will become unavailable.

Set forth below is information about the nominees for election as directors. The factual information about each nominee and director has been provided by that person. The particular experience, qualifications, attributes or skills that led our Board of Directors to conclude that each should serve on our Board, in light of our business and structure, were determined by our Board or its Governance and Nominating Committee. Director Independence

Applicable Nasdaq rules require that a majority of our Board of Directors be independent. In February of 2015, our Board of Directors reviewed the independence of our directors and determined that each of the directors, including those nominated for election at the annual meeting, are independent as defined by applicable Nasdaq rules, with the exception of Messrs. Sullivan and Price. In making this determination, our Board of Directors has concluded that none of the independent directors has a relationship that in the opinion of our Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Board Meetings

During 2014, our Board of Directors held a total of thirteen meetings. During 2014, each director attended at least 75% of the total number of meetings of our Board and its committees on which he or she then served.

Our Board of Directors has a policy of encouraging members of the Board of Directors to attend the annual meetings of the shareholders. All of our directors then serving on our Board attended last year's annual meeting.

Board Committees

Our Board of Directors has, and appoints members to, three standing committees: the Audit Committee, the Compensation Committee, and the Governance and Nominating Committee. The membership of these committees, as of April 1, 2015, was as follows:

Audit Committee	Compensation Committee	Governance and Nominating Committee
David M. Cassard	David M. Cassard	David M. Cassard*
Jeff A. Gardner	Jeff A. Gardner	Jeff A. Gardner
Edward B. Grant*	Edward B. Grant	Edward B. Grant
Calvin D. Murdock	Calvin D. Murdock*	Calvin D. Murdock

* Committee chairperson

Each of the members of these committees is an independent director as defined by applicable Nasdaq rules. Each of these committees has a charter that has been approved by our Board of Directors and is available on our website, www.mercbank.com.

Audit Committee. The Audit Committee has four members and met four times in 2014. The Audit Committee assists our Board of Directors in overseeing our financial reporting process, internal controls and audit functions, and is directly responsible for the appointment, evaluation, retention and compensation of our independent registered public accounting firm. Our Board of Directors has determined that Messrs. Cassard, Murdock and Grant, who are members of the Audit Committee, are qualified as audit committee financial experts, as that term is defined in the rules of the SEC. Each Audit Committee member is independent, as independence for audit committee members is defined in the Nasdaq listing standards and the rules of the SEC. More information about the Audit Committee is included below under the heading “Audit Committee Report.”

Compensation Committee. The Compensation Committee has four members and met five times in 2014. The Compensation Committee assists our Board of Directors in carrying out its responsibilities relating to compensation and benefits for our directors, officers and employees. The Compensation Committee’s responsibilities and authority include:

- reviewing and approving the goals and objectives relating to the compensation of our executive officers, and evaluating their performance;

- determining, or recommending to our Board for determination, all elements of compensation for our executive officers;

- reviewing compensation and guidelines for directors’ ownership of our stock;

- reviewing the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking;

- considering the results of the most recent advisory vote of the shareholders on executive compensation in making compensation determinations and recommendations;

- recommending or making changes in compensation for directors;

administering and making awards under our stock-based incentive plans for directors, officers and employees, to the extent provided for in the plans; and

sole discretion in retaining or obtaining the advice of a compensation consultant, legal counsel or other adviser (each a “Compensation Adviser”), and the direct responsibility for the appointment, compensation and oversight of the work of any Compensation Adviser it retains.

Table Of Contents

The Compensation Committee charter grants the Compensation Committee the authority, in its discretion, to delegate appropriate matters to subcommittees of the Compensation Committee. The Compensation Committee may confer with our Chairman and our President and Chief Executive Officer regarding their compensation, and receives recommendations from them regarding the compensation for our other executive officers.

In 2014, we did not use a compensation consulting firm. No fees were paid to any compensation consulting firm in 2014.

Governance and Nominating Committee. The Governance and Nominating Committee has four members and met once in 2014. The Governance and Nominating Committee advises our Board of Directors regarding corporate governance principles and practices, and recommends candidates to the Board for election as directors. It also makes recommendations to our Board of Directors regarding the composition, leadership and duties of the Board's committees.

The Governance and Nominating Committee will consider as potential nominees persons recommended by shareholders. Recommendations should be submitted to the Governance and Nominating Committee in care of the Secretary, Mercantile Bank Corporation, 310 Leonard Street NW, Grand Rapids, Michigan 49504. Each recommendation should include a personal biography of the suggested nominee, an indication of the background or experience that qualifies the person for consideration, and a statement that the person has agreed to serve if nominated and elected.

The Governance and Nominating Committee has used an informal process to identify potential candidates for nomination as directors. Candidates for nomination have been recommended by an executive officer or director, and considered by the Governance and Nominating Committee and the Board of Directors. Generally, candidates have been members of the West and Central Michigan communities who have been known to one or more of our Board members. The Governance and Nominating Committee has not adopted specific minimum qualifications that it believes must be met by a person it recommends for nomination as a director. In evaluating candidates for nomination, the Governance and Nominating Committee will consider the factors it believes to be appropriate. These factors would generally include the candidate's personal and professional integrity, business judgment, relevant experience and skills, and potential to be an effective director in conjunction with the rest of our Board of Directors in collectively serving the long-term interests of our shareholders. We do not have a specific policy relating to the consideration of diversity in identifying director candidates. However, the Governance and Nominating Committee does consider the diversity of our Board when identifying director candidates. The amount of consideration given to diversity varies with the Governance and Nominating Committee's determination of whether we would benefit from expanding the Board's diversity in a particular area. We believe that the composition of our Board has consistently demonstrated diversity as defined by race, gender, viewpoint, background and professional experience.

Although the Governance and Nominating Committee has the authority to retain a search firm to assist it in identifying director candidates, there has to date been no need to employ a search firm. The Governance and Nominating Committee does not evaluate potential nominees for director differently based on whether they are recommended by a shareholder.

Shareholders who themselves wish to effectively nominate a person for election to the Board of Directors, as contrasted with recommending a potential nominee to the Governance and Nominating Committee for its consideration, are required to comply with the advance notice and other requirements set forth in our articles of incorporation.

Board Leadership Structure

The decision as to who should serve as Chairman of the Board, and who should serve as Chief Executive Officer, and whether those offices should be combined or separate, is properly the responsibility of our Board. The members of our Board possess considerable experience and unique knowledge of the challenges and opportunities we face, and are in the best position to evaluate our needs and how best to organize the capabilities of the directors and senior officers to meet those needs. Our Board is currently led by Thomas R. Sullivan, our Chairman of the Board. Mr. Sullivan was appointed to serve as Chairman in connection with the Firstbank merger. The Board believes that the most effective leadership structure for the immediate future is for Mr. Sullivan to continue and complete his term as Chairman of the Board as we complete the integration of the merger. We anticipate that shortly following the 2015 annual meeting, Mr. Sullivan will resign as Chairman in accordance with the provisions of the merger agreement and that the Board will subsequently appoint Mr. Price, President and Chief Executive Officer of Mercantile, to resume the role of Chairman of the Board. Mr. Price was our founding President and Chief Operating Officer, and served as our Chairman of the Board and Chief Executive Officer from July 1, 2007 through June 1, 2014, the date of the merger. As such, the Board of Directors believes that following the integration of the merger, Mr. Price will once again be best situated through his experience and expertise to be the person who generally sets the agenda for, and leads discussions of, strategic issues for our Board.

Table Of Contents

Unlike many companies, our Board of Directors does not have an executive committee through which a chief executive officer and chairman of the board are able to undertake decisions without the participation of the full Board of Directors. Instead, our Board of Directors accomplishes most of its corporate governance role, including new director and succession planning, through its committees which are chartered to undertake significant activities and are made up entirely of independent directors.

In addition, our independent directors participate in at least two executive sessions during the year, in which our Chairman of the Board and our Chief Executive Officer do not participate. Any independent director may request additional executive sessions at any meeting. Our executive sessions are led by our executive session facilitator, who is an independent director recommended by our Governance and Nominating Committee and appointed by our Board. Our executive session facilitator is responsible for setting the agenda for executive sessions and leading them. Our current executive session facilitator is David M. Cassard.

Board Role in Risk Oversight

Our Board oversees our risk management practices. In carrying out its responsibilities, our Board appointed a Risk Management Director (our “Senior Risk Officer”). Our Senior Risk Officer, with supervision from our Board, is responsible for the definition, structure, implementation, and coordination of our risk management plan. Our Senior Risk Officer reports at least monthly to our Board.

Our Senior Risk Officer is the Chairman of our Enterprise Risk Management Committee. This committee is comprised of senior management. Its purpose is to provide high-level attention and coordination to the risk management process and to discuss and address significant risks that we face.

Our Senior Risk Officer meets at least every six months with the Compensation Committee to discuss, evaluate and review our compensation plans. Our Senior Risk Officer, with the Compensation Committee, assesses whether our compensation plans encourage taking unnecessary and excessive risks that threaten our value, or encourage the manipulation of reported earnings to enhance the compensation of any employee.

Communications with Directors

Shareholders and other persons may send communications to members of our Board of Directors who serve on the Audit Committee by utilizing the webpage on our website, www.mercbank.com, designated for that purpose.

Communications received through the webpage are reviewed by a member of our internal audit staff and the chairperson of the Audit Committee. Communications that relate to functions of our Board of Directors or its committees, or that either of them believe requires the attention of members of our Board of Directors, are provided to the entire Audit Committee and reported to our Board of Directors by a member of the Audit Committee. Directors may review a log of these communications and request copies of any of the communications.

Code of Ethics

We have adopted a written code of ethics that applies to all our directors, officers and employees, including our chief executive officer and our chief financial and accounting officer. We have posted a copy of the code on our website, www.mercbank.com. In addition, we intend to post on our website all disclosures that are required by law or Nasdaq listing standards concerning any amendments to, or waivers from, any provision of the code.

Compensation Committee Interlocks and Insider Participation

From January 1, 2014 through June 1, 2014, the members of our Compensation Committee were David M. Cassard, Edward J. Clark, Susan K. Jones and Calvin D. Murdock. On June 1, 2014, and in connection with the Firstbank merger, Mr. Clark and Ms. Jones resigned from the committee and Messrs. Grant and Gardner were appointed in their stead. All members of the Compensation Committee are independent directors, and none of them are present or past employees or officers of ours or any of our subsidiaries.

No member of the Compensation Committee has any relationship with us requiring disclosure under Item 404 of SEC Regulation S-K, except Calvin D. Murdock, who is a member of our Board of Directors. Effective as of February 23, 2012, the Bank entered into a lease with SF Supply. Pursuant to the lease, beginning August 1, 2012, the Bank leased to SF Supply approximately 20,800 square feet of warehouse space and 1,200 square feet of office space at 1060 Front Avenue NW in Grand Rapids, Michigan. Mr. Murdock retired as President of SF Supply in 2010, and his son, Chad Murdock, currently serves as President of SF Supply. The initial term of the lease is five years, and SF Supply has an option to extend the lease for an additional five years. The Bank has the right to terminate the lease early on one-year's notice and payment of a pro rata portion of any tenant improvements, subject to a specified cap, if the Bank determines that the property covered by the lease is necessary to the Bank's operations. The rent payable by SF Supply to the Bank during the initial five-year term of the lease is approximately \$5,042 per month, or about \$302,500 in aggregate amount; and if the option to extend the lease for an additional five years is exercised, the rent for the sixth year is 2.5% more, with an additional 2.5% added each year, over the prior year, for the seventh through tenth years. Neither Mr. Murdock, nor his son, have an ownership interest in SF Supply, are a party to the lease, or have an interest in the lease for which there is a dollar value. Our Audit Committee has approved this lease transaction and has determined that its terms are at least as favorable to us as would have been expected if the transaction were with a person who is not related to us.

None of our executive officers has served on the board or compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served on our Board or Compensation Committee, except Michael H. Price, our President and Chief Executive Officer. Mr. Price serves on the Board of Directors of Metro Health Hospital, and the Metro Health Hospital Board's Executive Committee and Finance Committee, and as Treasurer of Metro Health Hospital. Metro Health Hospital's Executive Committee performs compensation committee functions for Metro Health Hospital's Board of Directors. Michael D. Faas was a member of our Board of Directors until June 1, 2014, when he resigned in connection with the Firstbank merger, and serves as President and Chief Executive Officer of Metro Health Hospital. Mr. Faas is a member of the Board of Directors of our Bank.

Audit Committee Report

Each member of the Audit Committee is independent, as independence for audit committee members is defined in the Nasdaq listing standards and the rules of the SEC. The Audit Committee's primary purpose is to assist the Board of Directors in overseeing:

- the accounting and financial reporting process;
- audits of financial statements and internal control over financial reporting;
- internal accounting and disclosure controls; and
- the internal audit functions.

In carrying out its responsibilities, the Audit Committee supervises the relationship between Mercantile and its independent registered public accounting firm, including having direct responsibility for the independent registered public accounting firm's appointment, compensation and retention, reviewing the scope of its audit services, and approving audit and permissible non-audit services. The Audit Committee reviews and discusses the annual and quarterly financial statements, as well as the internal audit plan.

Management is responsible for the preparation, presentation and integrity of Mercantile's financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls, and reporting to the Audit Committee on any significant deficiencies or material weaknesses that are found. Our independent registered public accounting firm for 2014, BDO USA, LLP ("BDO"), is responsible for auditing Mercantile's financial statements and internal control over financial reporting and for reviewing its unaudited quarterly financial statements.

The Audit Committee reviewed with BDO the overall scope and plan of the audit. In addition, the Audit Committee met with BDO, with and without management present, to discuss the results of BDO's audit, its evaluation of Mercantile's internal control over financial reporting, the overall quality of Mercantile's financial reporting and such other matters as are required to be discussed under the standards of the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee has also received from, and discussed with, BDO the matters required to be discussed by PCAOB Auditing Standard No. 16 (Communications with Audit Committees) as amended.

The Audit Committee has discussed with BDO that firm's independence from management and Mercantile, and has received from BDO the written disclosures and the letter required by applicable requirements of the PCAOB regarding BDO's communications with the Audit Committee concerning independence. The Audit Committee has also considered the compatibility of audit related and tax services with BDO's independence.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2014 with both management and our independent registered public accounting firm. The Audit Committee's review included a discussion of the quality and integrity of the accounting principles, the reasonableness of significant estimates and judgments, and the clarity of disclosures in the financial statements.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the SEC.

Additionally, the Audit Committee evaluates the performance of Mercantile's independent registered public accounting firm, including the senior audit engagement team, each year and determines whether to reengage the current independent registered public accounting firm or consider other audit firms. As a threshold matter, the Committee satisfies itself that the most recent PCAOB inspection report pertaining to the current firm does not contain any information that would render inappropriate its continued service as Mercantile's independent public accountants, including consideration of the public portion of the report and discussion in general terms of the types of matters covered in the non-public portion of the report. The Audit Committee also considers: (i) the quality, efficiency and cost-effectiveness of the previous services rendered by the current auditors; (ii) the auditor's technical expertise and knowledge of Mercantile's operations and industry; and (iii) the effectiveness of the auditor's audit plan and communication with management. Based on these considerations, the Audit Committee evaluated and appointed BDO as Mercantile's independent registered public accounting firm for 2015.

Executive Compensation

Compensation Discussion and Analysis

Philosophy

Our philosophy in setting compensation policies for executive officers is to align pay with performance, while at the same time providing competitive compensation that will attract and retain executive talent. Our Compensation Committee believes that executive compensation should be directly linked to continuous improvements in corporate performance and increasing shareholder value over the long term. The design of executive compensation programs

affects all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. Because we believe the performance of every employee is important to our success, we are mindful of the effect of executive compensation and incentive programs on all our employees.

We believe that the compensation of our executive officers should reflect their performance as a management team and as individuals. By setting key operating objectives, such as growth in revenues, growth of operating earnings and earnings per share, and growth or maintenance of market share, we expect to be successful in providing increasing value to our shareholders. We believe that the performance of our executive officers in managing our business, when considered in light of general economic and specific company, industry and competitive conditions, should be the basis for determining their overall compensation. We also believe that their compensation should not be based on short-term results, whether favorable or unfavorable, but rather on long-term operating results which truly reflect the ability of our executives to manage our business. Long-term gains in shareholder value will be reflected in executive compensation through our stock-based compensation and other equity incentive programs.

Our policy for allocating between currently paid and long-term compensation is to provide adequate base compensation to attract and retain personnel, while offering incentives to maximize long-term value for our shareholders. We provide cash compensation in the form of a base salary to meet competitive salary norms and reward good performance on an annual basis, and, in years when the Compensation Committee determines it appropriate, in the form of bonus compensation to reward superior performance against short-term goals. We provide stock-based compensation to reward superior performance against specific objectives and long-term strategic goals. Our Compensation Committee granted restricted stock to our executive officers in 2012, and restricted stock and stock options in 2014. No stock-based compensation awards were granted in 2013 due to the pending merger with Firstbank.

Our Compensation Committee reviews and takes into consideration elements such as the following in setting compensation policies:

peer group comparisons with our financial performance, including net interest margin, efficiency ratio, return on average assets, return on average equity, one and five year total shareholder returns, stock price, stock price to earnings ratios and stock yield;

strategic planning effectiveness and attainment of strategic goals, ability to react to changing markets and conditions, leadership and vision provided to employees and other stakeholders, and succession planning and effectiveness;

regulatory requirements and results of audits and examinations;

amount of time and effort expended by employees for our communities;

rate of employee turnover;

content and effectiveness of our employee training;

- level and commitment of our executive officers to our communities;

Our Compensation Committee's goal is to establish salary compensation for the executive officers based upon our operating performance relative to comparable peer companies over a three-year period. In setting base salaries, consideration is given to salary compensation of executive officers with comparable qualifications, experience and responsibilities at financial institutions within our peer group. Our peer group consists of ten financial institutions of similar size conducting business in the Midwest. Operating performance and salary compensation information is obtained from the annual SNL Executive Compensation Review for Banks and Thrifts. We also utilize industry compensation studies prepared by the Michigan Bankers Association and an independent public accounting firm, but to a lesser degree. The peer group comparisons are used for guidance purposes only, with the Compensation Committee taking the peer group information into consideration in determining base salaries for the executive officers; however, the Compensation Committee does not utilize benchmarks in establishing our executive officer salary compensation. The Compensation Committee intends to pay base salaries to our executive officers that are commensurate with their qualifications and demonstrated performance that brings continuing and increasing value to our shareholders and the communities that we serve.

In making compensation decisions for 2014, our Compensation Committee took into account our improved operating performance and financial condition, our strong regulatory capital position and our increased size due to the merger with Firstbank.

Base Salary

In view of our improved operating performance and financial condition, and the increase in the size of the organization due to the Firstbank merger, our Compensation Committee increased the base salaries of Mr. Price, Mr. Kaminski and Mr. Christmas in both 2014 and 2015, and increased Mr. Stone's base salary for 2015.

Executive Officer Bonus Compensation

For most years, it has been our policy to provide cash bonus awards for eligible executive officers and employees based on predetermined performance goals. We believe that paying such cash awards:

- promotes the growth, profitability and expense control necessary to accomplish corporate strategic long-term plans;
- encourages superior results by providing a meaningful incentive; and
- supports teamwork among employees.

We adopted bonus plans for our executive officers in each of 2012, 2013, and 2014, as described below.

Bonus Plans for 2014

On February 20, 2014, we adopted an executive officer bonus plan for the first six months of 2014 (the “January-June 2014 Executive Officer Plan”). The Plan was amended on May 22, 2014 to add our new executive officers – Mr. Sullivan and Mr. Stone – as participants effective as of June 1, 2014, the effective date of the merger with Firstbank. As amended, the January-June 2014 Executive Officer Plan provided for cash bonuses for Mr. Sullivan, Mr. Price, Mr. Kaminski, Mr. Stone and Mr. Christmas.

On August 21, 2014, we adopted an executive officer bonus plan for the second six months of 2014 (the “July-December 2014 Executive Officer Plan”). The July-December 2014 Executive Officer Plan provided for cash bonuses for Mr. Sullivan, Mr. Price, Mr. Kaminski, Mr. Stone and Mr. Christmas.

The maximum amount that could be paid from the bonus pool under the January –June 2014 Executive Officer Plan was \$234,935. The maximum amount that could be paid from the bonus pool under the July-December 2014 Executive Officer Plan was \$341,270.

The bonus pool under the January-June 2014 Executive Officer Plan was based on the achievement of targets under the following metrics for the first six months of 2014, which were established by our Compensation Committee:

The target levels are based on GAAP financial measures, other than the wholesale funds target, which is calculated as brokered deposits plus FHLB advances, divided by total deposits plus repurchase agreements plus FHLB advances.

Each individual target was required to be met or exceeded in order for the percentage associated with that metric to be credited toward the bonus pool under each of the 2014 bonus plans. The accumulated percentage for each individual target attained was applied to the maximum bonus pool amount in each of the 2014 bonus plans to determine the total amount of the bonus pool to be awarded. For example, if the first four factors were attained and the next five factors were not attained, the bonus pool under the January-June 2014 Executive Officer Plan would be $\$234,935 \times 50\% = \$117,467.50$.

Table Of Contents

The bonus pool under the January-June 2014 Executive Officer Plan was paid to each executive officer pro rata based on a uniform percentage of the executive officer's 2014 salary (not to exceed 20% of the 2014 salary for Mr. Price, Mr. Kaminski and Mr. Christmas, and 3.34% of the 2014 salary for Mr. Sullivan and Mr. Stone). The bonus pool under the July-December 2014 Executive Officer Plan was paid to each executive officer pro rata based on a uniform percentage of the executive officer's 2014 salary (not to exceed 20% of each executive officer's 2014 salary).

We attained 80% of the targets established in the January-June 2014 Executive Officer Plan. The bonus pool of \$187,912 was paid to our executive officers as follows: Mr. Sullivan, \$9,726, Mr. Price, \$78,400, Mr. Kaminski, \$50,400, Mr. Stone, \$7,306 and Mr. Christmas, \$42,080. The payments to Mr. Price, Mr. Kaminski and Mr. Christmas were 16% of each such officer's salary, and the payments to Mr. Sullivan and Mr. Stone were 2.66% of each such officer's salary.

We attained 70% of the targets established in the July-December 2014 Executive Officer Plan. The bonus pool of \$238,945 was paid to our executive officers as follows: Mr. Sullivan, \$51,065, Mr. Price, \$68,600, Mr. Kaminski, \$44,100, Mr. Stone, \$38,360 and Mr. Christmas, \$36,820, which is 14% of each officer's salary. Payments under the January-June 2014 Executive Officer Plan and the July-December 2014 Executive Officer Plan are reported in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table.

2013 Bonus Plan

On May 23, 2013, we adopted an executive officer bonus plan for 2013 (the "2013 Executive Officer Plan"). The 2013 Executive Officer Plan provided for cash bonuses for Mr. Price, Mr. Kaminski, and Mr. Christmas.

Bonuses were paid from the bonus pool under the 2013 Executive Officer Plan only if bonuses under the 2013 Mercantile Bonus Plan for non-executive officers (the "Bank-Wide Bonus Plan") were paid at the maximum amount established in the Bank-Wide Bonus Plan. The maximum amount that could be paid from the bonus pool under the 2013 Executive Officer Plan was \$206,800.

The bonus pool under the 2013 Executive Officer Plan was based on the achievement of targets under the following 2013 metrics, which were established by the Compensation Committee of our Board of Directors:

<u>Percentage of Metric</u>	<u>Target</u>	<u>Results</u>
<u>Total</u>		

Edgar Filing: MERCANTILE BANK CORP - Form DEF 14A

20%	Net loan growth	Total loans of \$1.040 billion at December 31, 2013	\$1.053 billion

Table Of Contents

The target levels are based on GAAP financial measures, other than the wholesale funds target, which is calculated as brokered deposits plus FHLB advances, divided by total deposits plus repurchase agreements plus FHLB advances.

Each individual target was required to be met or exceeded in order for the percentage associated with that metric to be credited toward the bonus pool under the 2013 Executive Officer Plan. The accumulated percentage for each individual target attained was applied to the maximum bonus pool amount of \$206,800 to determine the total amount of the bonus pool to be awarded. For example, if the first four factors were attained and the next five factors were not attained, the bonus pool under the 2013 Executive Officer Plan would be $\$206,800 \times 50\% = \$103,400$.

The bonus pool under the 2013 Executive Officer Plan was payable to each executive officer pro rata based on a uniform percentage of the executive officer's 2013 salary (not to exceed 20% of each executive officer's 2013 salary).

Based on our attainment of the targets established in the 2013 Executive Officer Plan, the maximum bonus pool of \$206,800 was paid to our officers as follows: Mr. Price, \$94,800, Mr. Kaminski, \$61,000, and Mr. Christmas, \$51,000, which is 20% of each officer's salary. Payments under the 2013 Executive Officer Plan are reported in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table.

2012 Bonus Plans

Following our exit from the Capital Purchase Program, on June 28, 2012, our Board of Directors adopted two executive officer bonus plans for 2012. One is the 2012 Mercantile Senior Executive Officer Bonus Plan for Michael H. Price (the "Price Plan"), which provided for a bonus for Mr. Price. The other is the 2012 Mercantile Senior Executive Officer Bonus Plan for Robert B. Kaminski, Jr. and Charles E. Christmas (the "Kaminski Christmas Plan"), which provided for a bonus for Mr. Kaminski and Mr. Christmas.

The bonuses under each plan were payable from a shared bonus fund. The bonus fund was available for bonuses under the Price Plan, the Kaminski Christmas Plan, and the 2012 Mercantile Non-Senior Executive Officer Bonus Plan (as amended) (the "Three Plans"). The shared bonus fund equaled the amount, if any, by which (a) the 2012 consolidated net income of Mercantile and its consolidated subsidiaries, before federal income tax expense and excluding any pre-tax bonus expense ("2012 Net Income"), exceeded 1.68 times (b) 2011 consolidated net income, before federal income tax expense ("2011 Net Income"). Actual residential mortgage loan sale and referral fee income, and related employee commissions, were excluded from the calculation of 2012 Net Income and 2011 Net Income.

The bonus amount payable to Mr. Price under the Price Plan was 80% of the salary that was paid to him for the period from July 1, 2012 through December 31, 2012, to the extent that the shared bonus fund was large enough. We limited the amount of Mr. Price's salary taken into account for purposes of the bonus calculation due to the restriction on bonus payments to Mr. Price, our most highly compensated employee, during the period of our participation in the Capital Purchase Program. The bonus amount payable to Mr. Kaminski and Mr. Christmas under the Kaminski Christmas Plan was, for each, 35% of the salary paid to him for the period from January 1, 2012 through December 31, 2012, to the extent that the shared bonus fund was large enough. In the event that the shared bonus fund was not large enough to fully fund all bonuses under the Three Plans, (i) 3.5% of the shared bonus fund would be allocated to the Price Plan, (ii) 4.2% of the shared bonus fund would be allocated to the Kaminski Christmas Plan, and between Mr. Kaminski and Mr. Christmas based on each officer's maximum payout under the plan, and (iii) the bonus otherwise payable to Mr. Price, Mr. Kaminski and Mr. Christmas under the plans would be limited to the allocated amounts.

Our 2012 Net Income was 2.0 times our 2011 Net Income. Based on the amount allocated to the shared bonus fund, Mr. Price received a bonus of \$189,600, which is 80% of the base salary paid to him for the period of July 1, 2012 through December 31, 2012. Mr. Kaminski and Mr. Christmas received a bonus of \$106,750 and \$89,250, respectively, which is 35% of their respective base salaries for January 1, 2012 through December 31, 2012.

Stock Incentive Plan

The overall objective for our stock-based compensation is to provide an equitable and competitive means to reward our executive and other officers for their contributions to our long-range success. Our goal is to meet the following objectives:

- link each participant's remuneration to our long-term success through the appreciation of stock price;
- align the interests of our officers with the interests of our shareholders by linking the long-term value of the compensation to shareholder returns;
- provide annual long-term incentive awards that are market competitive; and
- improve our ability to attract and retain officers.

Table Of Contents

There is a direct relationship between the value of a stock option and the market price of our common stock. We believe that granting stock options is an effective method of motivating our executive and other officers to manage our business in a manner consistent with the interests of our shareholders. We granted stock options to our executive officers in 2014. Due to the evolution of regulatory, tax and accounting treatment of stock-based compensation, and the importance of stock-based compensation in retaining and motivating our key employees, we have utilized other forms of stock-based compensation in addition to stock options. In 2012 and 2014, we granted restricted stock to our executive officers and other key employees. We believe this is an excellent way to reward them for, and to motivate them toward, superior performance. Restricted stock is an important retention instrument in that it has immediate value to the recipient. Unlike stock option grants that create economic value only if the stock price appreciates above the price at the date of grant, restricted stock provides value and motivation to the recipient even if the stock price declines.

As originally adopted, our Stock Incentive Plan of 2006 provided that restricted stock would be subject to a minimum vesting period of three years. On November 29, 2012, our Board approved an amendment to the 2006 plan which decreased the minimum vesting period to two years. We believed that a two-year vesting period was a sufficiently long retention period that was consistent with our goal to provide value and motivation to our executive officers, and the restricted stock granted in 2012 was subject to a two-year vesting period. The restricted stock granted in 2014 is subject to a three-year vesting period to encourage retention as well as provide value to our executive officers.

Historically, we have made stock-based awards annually in the Fall in conjunction with the performance review of our executive and other officers. It has been our practice, when awards of stock options and restricted stock are made, to make them to all recipients on the same date. We awarded shares of restricted stock to 33 key employees in 2012, including our executive officers. We made no stock-based compensation awards in 2013 due to the pending merger with Firstbank. In 2014, we awarded shares of restricted stock to 111 key employees, including our executive officers. We also granted stock options to our executive officers.

We do not have stock ownership requirements or guidelines for our executive officers.

Perquisites

We limit the perquisites that we make available to our executive officers. We believe that providing excessive perquisites to executive officers sends mixed messages to the rest of our employees and can destroy the “team” effort. Our executive officers are entitled to a few benefits that are not generally available to all of our employees. We do not provide a defined benefit pension plan, post-retirement health coverage, or similar benefits for our executive officers or other employees.

During 2014, we provided the following perquisites for our executive officers:

in addition to the general health and insurance plan that we maintain for all of our employees, we provided our executive officers with additional life and disability insurance, and long term care insurance; and

one local country club membership was provided for Mr. Price. Mr. Price made significant use of the membership in connection with our business.

IRC Section 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to their chief executive officer or certain other highly compensated officers. Qualifying performance-based compensation is not subject to the deduction limitation if certain requirements are met. We periodically review the potential consequences of Section 162(m) and may structure some or all of the performance-based portion of our executive compensation so that it will not be subject to the deduction limitations of Section 162(m).

Post-Employment Compensation

We do not provide a defined benefit pension plan or post-retirement health insurance coverage for our executive officers or other employees. Our executive officers and most of our other employees are eligible to participate in our 401(k) plan. We provide for each eligible participant a matching contribution to the 401(k) plan. We made a 3% matching contribution beginning in January of 2012, which was increased to 4% in October of 2012. Effective January 1, 2014, we made a matching contribution that “dollar for dollar” is equal to the first 4.25% of each participant’s contribution to the 401(k) plan. All our executive officers participated in our 401(k) plan during 2014.

All employees, except our executive officers, are employees-at-will and do not have an employment agreement. The employment agreements that we have with our executive officers are described below under the heading “Employment Agreements.” We do not provide post-employment health insurance coverage or other benefits to any employee, except those provided for executive officers in their employment agreements.

Overview of the Compensation Process

The composition of compensation for our executive officers can include: salary, cash bonus, stock-based awards, health, disability and life insurance and perquisites. The elements of executive compensation are discussed at the meetings of our Compensation Committee. During the Fall of each year, the Compensation Committee discusses the base salaries and cash bonus plan, if any, for the next year for our executive officers, and makes recommendations to the Board of Directors for its approval. The Board of Directors usually approves the Compensation Committee's recommendations; though if it does not, it could ask the Compensation Committee to prepare revised recommendations. At or about the same time, in years when stock-based awards are to be made, the Compensation Committee grants stock-based awards to our executive and other officers.

As part of the Compensation Committee's process, it meets with our Human Resource Director and reviews the elements of each executive officer's compensation during the preceding three years. Typically, the Human Resource Director makes compensation recommendations to the Compensation Committee for each of our executive officers. The Compensation Committee may accept or reject all or any part of such recommendations. As part of our Human Resource Director's process of formulating her recommendations, she may confer with our Chairman of the Board and our President and Chief Executive Officer. Our executive officers are not present when our Human Resource Director makes her recommendations, or during the Compensation Committee's deliberations on the compensation of our executive officers.

Compensation Risk Assessment

The Compensation Committee reviews our compensation policies and practices with our Senior Risk Officer every six months, and does not believe that they are reasonably likely to have a material adverse effect on us by encouraging our executive officers to take unnecessary or excessive risks that threaten our value. The Compensation Committee does not believe that the features of our compensation plans make it likely that taking unnecessary or excessive risks that threaten our value will provide greater compensation than actions that involve a prudent level of risk. The equity-based plans encourage our executive officers and other employees to focus on increasing shareholder value over a period of years. The deferred compensation and 401(k) plans provide helpful ways for our employees to save for retirement. The bonus plans are typically based on a variety of metrics tied to improving our performance, and contain "clawback" provisions if the executive officer or employee engages in certain activities or a payout is based on materially inaccurate financial statements or other materially inaccurate performance metric criteria. Based on its review, the Compensation Committee believes that our compensation policies and procedures do not pose any unnecessary risks, and do not encourage employees to manipulate reported earnings to enhance the compensation of any employee.

Shareholder Advisory Vote on Executive Compensation

At our 2014 annual meeting, our shareholders voted on an advisory proposal to approve the compensation of our executive officers as disclosed in our proxy statement for that annual meeting. Approximately 97% of the 5,170,289 votes cast on the proposal voted in favor of the proposal. Our Compensation Committee considered the result of this vote, viewed the result as favorable, and sought to maintain consistent compensation policies and procedures.

(2) Bonuses were paid for 2012 pursuant to the terms of the 2012 bonus plans.

Refer to Note 12, "Stock-Based Compensation," in the Notes to our Consolidated Financial Statements included in (3) our Annual Report to the SEC on Form 10-K for the year ended December 31, 2014, for the relevant assumptions used to determine the valuation of the stock awards.

Interest (5) is considered to be above-market interest to the extent that it exceeds 120% of the applicable federal long-term rate, with compounding (as prescribed under section 1274(d) of the Internal Revenue Code), at the rate that corresponds most closely to the rate under the plan at the beginning of each quarter.

Employment Agreements with Mr. Price, Mr. Kaminski and Mr. Christmas

The Bank and Mercantile have entered into employment agreements with our executive officers, Messrs. Price, Kaminski and Christmas, that provide for their employment, annual base compensation, and severance, as well as confidentiality and non-compete arrangements. Each agreement establishes an employment period that extends an additional year, each December 31, so that as of each December 31, there are three years remaining in the employment period. The annual extension of the employment period can be avoided by the Bank, Mercantile, or the officer giving notice to the others that the employment period is not to be extended.

Table Of Contents

The employment agreements provide the officers with annual base salaries for each year in the amounts established from year to year by the Board of Directors of the Bank. The annual base salary for each year may not be less than the amount established for the immediately preceding year. The Board of Directors established the annual base salaries of Mr. Price, Mr. Kaminski and Mr. Christmas as follows:

	2014	2015
Mr. Price	\$490,000	\$539,000
Mr. Kaminski	315,000	346,500
Mr. Christmas	263,000	289,300

In addition to the annual base salary, the employment agreements provide that the officers are entitled to participate in our employee benefit and incentive compensation plans, including health insurance, life and disability insurance, stock option, profit sharing and retirement plans. Under the January-June 2014 Executive Officer Plan and July-December 2014 Executive Officer Plan, our officers received the following bonus payments for 2014: Mr. Price – \$147,000, Mr. Kaminski - \$94,500 and Mr. Christmas - \$78,900, which is 30% of each officer's base salary.

Employment Agreement with Mr. Sullivan

Mercantile, the Bank and Firstbank entered into an employment agreement with our executive officer Mr. Sullivan as of August 14, 2013, in connection with the Firstbank merger. The employment agreement became effective on June 1, 2014, the effective date of the merger. Mr. Sullivan's employment agreement provides that he will be employed by us for a period of one year from the effective date of the merger as Chairman of our Board of Directors and as a director and Vice Chairman of the Board of Directors of the consolidated bank. Our Board of Directors will nominate and vote for Mr. Sullivan's re-election to our Board of Directors at any meeting of our shareholders within three years of the effective date of the merger. Mr. Sullivan will be paid an annual salary of \$364,750 and fringe and welfare benefits (other than life insurance, as described below) consistent with those provided to our Chief Executive Officer. Mr. Sullivan was also given the right to purchase the company vehicle he used while employed by Firstbank at its depreciated value as of December 31, 2013.

Under his employment agreement, Mr. Sullivan is entitled to receive payments under our bonus plans. Mr. Sullivan received bonus payments under the January-June 2014 Executive Officer Plan and the July-December 2014 Executive Officer Plan in the aggregate amount of \$60,791, which is approximately 16.66% of his base salary.

Mr. Sullivan's employment agreement entitled him to certain change in control benefits if the merger became effective. In connection with the merger, Firstbank paid Mr. Sullivan a lump sum change in control payment of \$726,226, which is equal to the sum of (i) \$525,000 (150% of his salary), plus (ii) \$157,500 (150% of his target incentive compensation), plus (iii) a pro-rated cash bonus, being \$105,000 multiplied by a fraction, the numerator of which is the number of days from and including January 1, 2013 through the effective date of the merger and the denominator of which is 365, minus (iv) the amount of any bonus or incentive compensation previously paid for 2013.

The change in control benefit payments to Mr. Sullivan under his employment agreement did not constitute a "parachute payment" under Section 280G of the Internal Revenue Code.

Employment Agreement with Mr. Stone

Mercantile, the Bank and Firstbank entered into an employment agreement with our executive officer Mr. Stone as of August 14, 2013, in connection with the Firstbank merger. The employment agreement became effective on June 1, 2014, the effective date of the merger. Mr. Stone was also given the right to purchase the company vehicle he used while employed by Firstbank at its depreciated value as of December 31, 2013.

Our Board of Directors increased Mr. Stone's annual salary to \$287,700 for 2015. Under his employment agreement, Mr. Stone is entitled to receive payments under our bonus plans. Mr. Stone received bonus payments under the January-June 2014 Executive Officer Plan and the July-December 2014 Executive Officer Plan in the aggregate amount of \$45,666, which is 16.66% of his base salary.

Table Of Contents

The change in control benefit payments to Mr. Stone under his employment agreement did not constitute a “parachute payment” under Section 280G of the Internal Revenue Code.

Additional information regarding the employment agreements, including compensation and benefits payable to the officers on termination of employment and officer confidentiality and non-compete obligations, is included below under the heading “Potential Payments Upon Termination or Change In Control.”

Salary and Bonus Compared to Total Compensation

We have not established a proportion that salary and bonus should be of an executive officer's total compensation. As indicated in the Summary Compensation Table above, the proportion for 2014 that salary and bonus were of total compensation ranged from approximately 53.5% to 60.2% for our executive officers.

(2) The grant date fair value of the restricted stock awards is based on the number of shares granted times the market value of the shares on the grant date. The grant date was November 13, 2014, and the market value per share on that date was \$20.13.

Restricted Stock Awards

The stock awards shown in the table above are restricted stock that was awarded to the named executive officers by our Compensation Committee on November 13, 2014, under our Stock Incentive Plan of 2006. The restricted stock is subject to forfeiture and restrictions on transfer until the shares become vested on November 13, 2017 (or, for Mr. Stone, on the date his employment terminates at or sometime after the end of his 18-month employment term, if earlier). The restricted stock is forfeited if the executive officer ceases to be employed with us prior to the restricted stock vesting; subject to accelerated or prorated vesting as provided for in the applicable restricted stock award agreement in the event of the executive officer's death, disability, retirement, termination other than for cause, a change in control, or exercise of discretion by the Compensation Committee. The executive officers are entitled to receive cash dividends on their restricted stock to the same extent as other holders of our common stock.

Stock Option Awards

The stock option awards shown in the table above are stock options that were awarded to the named executive officers by our Compensation Committee on November 13, 2014, also under the Stock Incentive Plan of 2006. The stock options granted to our executive officers vest in full on November 13, 2016 (or, for Mr. Stone, on the date his employment terminates at the end of his 18-month employment term, if earlier). The Compensation Committee may accelerate the vesting of an option in its discretion. Each of the options has an exercise price of \$22.15 per share, which was 110% of the closing price of our common stock on Nasdaq on the grant date. Each of these stock options expires on November 12, 2021, subject to earlier termination pursuant to the terms of the plan.

The stock option awards for Messrs. Sullivan and Stone had a five-year vesting schedule with 20% of the award vesting on each anniversary date. The stock option awards in the order listed in the column for each officer became fully vested on November 28, 2010, November 27, 2011, December 3, 2012 and November 13, 2013. The stock (1) options held by Mr. Sullivan and Mr. Stone were issued pursuant to the terms of the Firstbank Corporation 2006 Stock Compensation Plan, which was assumed by us in connection with the merger. The stock option awards for Messrs. Price, Kaminski and Christmas had cliff vesting schedules, and in the order listed in the column for each officer, fully vested on November 17, 2006 and January 1, 2007.

(2) The vesting date for the stock option awards is November 13, 2016 (and, for Mr. Stone, on the date his employment terminates at the end of his 18-month employment term, if earlier).

The vesting date for the shares of restricted stock shown is November 13, 2017 (and, for Mr. Stone, on the date his (3) employment terminates at the end of his 18-month employment term, if earlier). The shares of restricted stock are subject to forfeiture and restrictions on transfer until they vest.

Table Of Contents**Option Exercises And Stock Vested In 2014**

The following table provides information regarding the exercise of stock options and vesting of restricted stock during 2014 for each of the named executive officers.

Name	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized (\$)	Number of Shares Acquired on Vesting (#)	Value Realized (\$)
Thomas R. Sullivan	—	—	—	—
Michael H. Price	—	—	8,000	171,440
Robert B. Kaminski, Jr.	—	—	5,000	107,150
Samuel G. Stone	—	—	—	—
Charles E. Christmas	—	—	5,000	107,150

Because the number of Mercantile directors did not constitute a majority of the Board of Directors of us after the merger, the completion of the merger with Firstbank constituted a "change in control" under our Stock Incentive Plan of 2006. Under the terms of the plan, shares of restricted stock became fully vested upon a change in control. (1) The value realized is based on the number of shares vesting times the market value of the shares on the vesting date. The vesting date was June 1, 2014, and the market value per share on that date was \$21.43. The shares would have otherwise vested on November 29, 2014.

Nonqualified Deferred Compensation For 2014

The following table provides information regarding our plan that provides for the deferral of compensation for the named executive officers on a basis that is not tax-qualified.

Name	Executive Contributions	Registrant Contributions	Aggregate Earnings	Aggregate Withdrawals/	Aggregate Balance
------	-------------------------	--------------------------	--------------------	------------------------	-------------------

	in Last FY (\$)	in Last FY (\$)	in Last FY (\$)(1)	Distributions (\$)	at Last FYE (\$)(2)
Thomas R. Sullivan	201,348	—	2,162	—	203,510
Michael H. Price	234,000	—	13,884	—	247,884
Robert B. Kaminski, Jr.	—	—	194	—	194
Samuel G. Stone	150,482	—	1,613	—	152,095
Charles E. Christmas	—	—	—	—	—

The earnings consist of interest credited monthly at a rate equal to the prime rate as published in the Wall Street Journal, determined quarterly, as of the first day of each quarter. The above-market portion of this interest in 2014 is reported for Mr. Price and Mr. Kaminski in the Summary Compensation Table. The amounts so reported are for (1) Mr. Sullivan, \$2,019, for Mr. Price, \$12,321, for Mr. Kaminski, \$171 and for Mr. Stone, \$1,506. The above-market portion is the amount of the interest that exceeds 120% of the applicable federal long-term rate, with compounding (as prescribed under section 1274(d) of the Internal Revenue Code), at the rate that corresponds most closely to the rate established under the deferred compensation plan.

(2) The amount that was reported as compensation in the Summary Compensation Tables for previous years is: for Mr. Price, \$36 and for Mr. Kaminski, \$3,085.

Executive Deferred Compensation Plan

The information in the table above pertains to our executive officers' participation in the Bank's non-qualified deferred compensation plan. Participants in the plan may elect to defer up to 100% of their salary and other cash compensation each year. Under the plan, the amount of any compensation deferred is credited with interest monthly at a rate equal to the prime rate as published in the Wall Street Journal, determined quarterly, on the first day of each quarter.

The plan provides that the Bank will pay to each executive officer, from his deferred compensation account, a lump sum payment or installment payments, whichever he elected, after he leaves employment with us due to normal retirement, early termination, disability, or a change of control. If installment payments are elected on or after January 1, 2015, the maximum payment period is ten years. If the executive officer dies before leaving employment, the Bank will distribute the payments to the executive officer's designated beneficiary in a lump sum, or installments, if installments were elected. If death occurs during the time that payments are being made, the Bank will distribute the remaining payments to the executive officer's designated beneficiary at the same time and in the same amounts that would have been distributed if the executive officer had not died.

Table Of Contents

The plan was amended and restated as of January 1, 2015 and combined with the directors' deferred compensation plan to provide for administrative convenience. The plan is subject to Section 409A of the Internal Revenue Code, which specifies requirements that non-qualified deferred compensation plans must meet in order to avoid adverse tax consequences for participants.

Potential Payments upon Termination or Change in Control

Employment Agreements with Mr. Price, Mr. Kaminski and Mr. Christmas

We have entered into employment agreements with our executive officers, Messrs. Price, Kaminski and Christmas. Each agreement establishes an employment period that extends an additional year, each December 31, so that as of each December 31, there are three years remaining in the employment period. The annual extension of the employment period can be avoided by giving notice that the employment period is not to be extended. These agreements include provisions that provide compensation and benefits to the executive officers in the event that their employment with us is terminated:

• during the employment period, voluntarily by the executive officer for Good Reason, or by us without Cause;

• during the employment period, due to disability or death; or

• after the employment period and before they reach the age of 65, voluntarily by them if their annual base salary is reduced without Cause, or by us without Cause.

The terms "Cause" and "Good Reason" are defined in the employment agreements. Cause includes certain acts of dishonesty and intentional gross neglect, conviction of a felony, and certain intentional breaches of the officer's obligations in the employment agreement relating to confidentiality of our information and not competing with us. Good Reason includes an assignment to the officer of a title or duties that are materially inconsistent with the officer's position, titles, duties or responsibilities, and certain failure by us to comply in a material respect, even after notice to us, with our obligations to the officer under the employment agreement.

Termination During the Employment Period

Each employment agreement provides Mr. Price, Mr. Kaminski and Mr. Christmas with compensation and benefits in the event that his employment is terminated by us without Cause or the officer elects to terminate his employment for Good Reason during the employment period. In such event, the officer is entitled to receive the greater of (i) his annual base salary through the end of the employment period or (ii) for Mr. Price, \$500,000, and for Mr. Kaminski or Mr. Christmas, \$250,000; in either case payable over 18 months. In addition, in the case of such a termination of employment, the officer is entitled to continue his participation in our life, disability and health insurance plans for 18 months, to the extent permitted under the plans, to an assignment of any assignable term life insurance policies owned by us insuring his life, and to \$10,000 for out-placement, interim office and related expenses.

For a termination by us during the employment period to be with Cause, it must be done within 90 days of our learning of the Cause. For a termination by the officer during the employment period to be with Good Reason, it must be done by the officer within 90 days of the officer learning of the Good Reason.

If Mr. Price, Mr. Kaminski or Mr. Christmas becomes disabled or dies during the employment period, he is entitled to compensation and benefits under his employment agreement. In the event of disability, the officer continues to receive his then current annual base salary through the end of the employment period, and any disability benefits payable under disability plans that we provide. The officer also continues to participate in our life, disability, and health insurance plans, through age 65, to the extent permitted under the plans. If the officer dies during the employment period, we are obligated to pay the officer's legal representative a death benefit. The death benefit for Mr. Price is \$250,000. The death benefit for Mr. Kaminski and Mr. Christmas is \$100,000. In addition, if we own any life insurance insuring the life of the officer, the proceeds of the policies are payable to the named beneficiaries.

Under the employment agreements, in the event that an officer's employment is terminated for Cause, the officer is not entitled to any accrued rights that he may then have under any of our stock option plans.

Termination After the Employment Period

The employment agreements with Mr. Price, Mr. Kaminski and Mr. Christmas provide compensation and benefits in the event that after the employment period and prior to the officer reaching the age of 65, the officer's employment is terminated by us without Cause or the officer's annual base salary is reduced without Cause, and the officer terminates his employment within 90 days of the reduction. In such event, the officer is entitled to receive an amount, for Mr. Price of \$500,000, and for Mr. Kaminski or Mr. Christmas of \$125,000; payable over 18 months. In addition, in the case of such a termination of employment, the officer is entitled to continue his participation in our life, disability and health insurance plans for 18 months, to the extent permitted under the plans, to an assignment of any assignable term life insurance policies owned by us insuring his life, and to \$10,000 for out-placement, interim office and related expenses.

Table Of Contents

Termination of Mr. Sullivan

Under Mr. Sullivan's employment agreement, if we terminate his employment prior to the end of the one-year term, then as severance we will continue to pay his salary through the end of the one-year term.

When Mr. Sullivan's employment with us terminates, we will also reimburse Mr. Sullivan for COBRA continuation coverage premiums to continue his and his dependents' then current health, dental and prescription drug coverage beginning on the date of his termination and continuing for 18 months thereafter, subject to certain conditions. In addition, following the 18 month COBRA continuation period, Mr. Sullivan will be paid a lump sum cash payment of \$9,000 which may be used to offset the cost of obtaining health insurance or for any other purpose. When Mr. Sullivan's employment with us terminates, he will further be entitled to life insurance coverage or reimbursement for the cost of such coverage for a period of two years following the termination of his employment, with a death benefit equal to the largest death benefit provided to him under Firstbank's group life insurance plan in the 12 month period prior to the merger.

If Mr. Sullivan dies during the one-year employment term, we will pay his base salary through the end of the term plus any other benefits that accrued under the terms of his employment agreement.

Termination of Mr. Stone

Under Mr. Stone's employment agreement, if we terminate his employment prior to the end of the 18-month term, then as severance we will continue to pay his salary through the end of the 18-month term.

When Mr. Stone's employment with us terminates, we will also reimburse Mr. Stone for COBRA continuation coverage premiums to continue his and his dependents' then current health, dental and prescription drug coverage beginning on the date of his termination and continuing for 18 months thereafter, subject to certain conditions. In addition, following the 18 month COBRA continuation period, Mr. Stone will be paid a lump sum cash payment of \$9,000 which may be used to offset the cost of obtaining individual health insurance or for any other purpose. When Mr. Stone's employment with us terminates, he will further be entitled to life insurance coverage or reimbursement for the cost of such coverage for a period of two years following the termination of his employment, with a death benefit equal to the largest death benefit provided to him under Firstbank's group life insurance plan in the 12 month period prior to the merger.

If Mr. Stone dies during the 18-month employment term, we will pay his base salary through the end of the term plus any other benefits that accrued under the terms of his employment agreement.

Obligations of Executive Officers

Under the employment agreements, Messrs. Price, Kaminski and Christmas agree not to disclose, except as required by law, any confidential information relating to our business or customers, or use any confidential information in any manner adverse to us. In addition, each has agreed that for 18 months following his employment with us, he will not be employed by, or act as a director or officer of, any business engaged in banking within a 50 mile radius of Grand Rapids, Michigan that solicits customers of the Bank.

Under the employment agreements, the payments and reimbursements to Messrs. Sullivan and Stone are subject to a general release of claims against us and to each such officer's compliance with the non-compete and solicitation agreement that each officer entered into effective June 1, 2014. Under the non-compete and non-solicitation agreement, Messrs. Sullivan and Stone each agreed not to own, be employed by, or engage in any business that competes with us or the Bank within a 50 mile radius of any branch or other office during the employment term and for a period of one year thereafter. Each officer also agreed not to solicit any employee or customer during this period. Mr. Sullivan and Mr. Stone also agreed not to disclose any of our confidential information, except as necessary to comply with applicable laws or in the event that such information becomes generally known.

Rights Under the Stock Incentive Plan of 2006

In general, stock options granted under the 2004 Employee Stock Option Plan and Stock Incentive Plan of 2006 that are vested at the time employment terminates may be exercised by the executive officer within three months after his termination of employment. However, if his employment terminates due to death or disability, his vested stock options may be exercised within 12 months after the date of termination, but not later than the expiration date of the option. In addition, the Stock Incentive Plan of 2006 provides that all outstanding options granted under the plan are forfeited if an officer's employment is terminated for cause, whether or not the options are vested.

Table Of Contents

If an executive officer terminates employment due to death or disability, then restricted stock granted to him under the Stock Incentive Plan of 2006 will be partially vested. Also, if an executive officer terminates employment due to retirement, or we terminate his employment other than for cause, then restricted stock granted to him under the plan will be partially vested. The number of shares that will be vested is equal to the number of shares granted to the executive officer multiplied by the number of months that have elapsed since the grant date divided by the number of months in the vesting period. Our Compensation Committee also has discretion to accelerate the vesting of restricted stock.

Rights Under the Firstbank Corporation 2006 Stock Compensation Plan

Mr. Sullivan and Mr. Stone each hold options granted under the Firstbank Corporation 2006 Stock Compensation Plan (the "Firstbank Stock Compensation Plan"), which we assumed in connection with the merger. In general, stock options granted under the Firstbank Stock Compensation Plan that are vested at the time employment terminates may be exercised by the executive officer within three months after his termination of employment. However, if employment terminates due to death or disability, vested stock options may be exercised within one year after the date of such termination, but not later than the expiration date of the option. If employment terminates due to normal or early retirement, vested stock options may be exercised within 15 months after the date of such termination. If an executive officer's employment is terminated for cause (as determined by the Compensation Committee in its sole discretion), then the executive officer will lose all rights to exercise any outstanding unexercised options.

Distribution from the Deferred Compensation Plan

Each executive officer will receive a distribution of his account under the deferred compensation plan upon his termination of employment. Distributions will generally be delayed for six months after the termination of employment, to the extent required by Section 409A of the Internal Revenue Code. However, if employment is terminated due to cause, or if an executive officer is subject to a final removal or prohibition order issued by a federal banking agency, then the executive officer will only receive a distribution of his own deferrals, without any interest credits.

Table of Potential Payments Upon Termination of Employment

The following table provides information regarding compensation and benefits payable to our executive officers under their respective employment agreements, the Stock Incentive Plan of 2006 or the Firstbank Stock Compensation Plan upon termination of their employment. The amounts shown assume that termination of employment was effective as of December 31, 2014, the last business day of our 2014 fiscal year, and include estimates of the amounts that would

be paid. The actual amounts would only be determined upon an officer's termination of employment. The value of restricted stock that would have become vested due to death or disability is based on the closing stock price of \$21.02 on December 31, 2014.

Change in Control

The employment agreements do not contain provisions that provide payments based on the occurrence of a change in control of Mercantile. Options granted under the Stock Incentive Plan of 2006, according to their terms when granted, become fully vested upon a change in control and are exercisable during their remaining term, even if an executive officer's employment terminates during the option term. According to their terms when awarded, shares of restricted stock awarded under the Stock Incentive Plan of 2006 become fully vested upon a change in control. A "change in control" is defined in the Stock Incentive Plan of 2006 as (a) the failure of the continuing directors to constitute a majority of the Board of Directors; (b) the acquisition by any person of ownership of 40% or more of the outstanding common stock of Mercantile; (c) a reorganization, merger or consolidation after which the Mercantile shareholders do not own at least 50% of the value and voting power of the outstanding capital stock of the entity surviving the transaction; (d) a liquidation or dissolution of Mercantile, or a sale of all or substantially all of its assets; or (e) any other change in control transaction that is reportable to the SEC under Item 6(e) of Schedule 14A of Regulation 14A issued under the Securities Exchange Act of 1934.

Each executive officer will receive a distribution of his account under the deferred compensation plan, if his employment terminates within 12 months after a change in control. The value of each officer's account as of December 31, 2014 is shown above in the table under the heading "Nonqualified Deferred Compensation For 2014."

Table Of Contents*Potential Payments Upon a Change in Control*

The following table provides information regarding the value of benefits that would be provided to our executive officers in the event of a change in control of Mercantile. While we do not have specific change in control agreements, under our Stock Incentive Plan of 2006 there are provisions regarding a change in control. The amounts shown assume that the change in control occurred as of December 31, 2014, the last business day of our 2014 fiscal year, and include estimates of the value of stock options and restricted stock that would be vested upon a change in control. The actual amounts would only be determined upon a change in control.

Our Chairman of the Board, Mr. Sullivan, our President and Chief Executive Officer, Mr. Price, and our Executive Vice President and Chief Operating Officer, Mr. Kaminski, who were also directors for part or all of 2014, have (1) been omitted from this table because they received no special compensation for serving on our Board of Directors. Their compensation is included in the Summary Compensation Table. Mr. Sullivan was appointed to the Board of Directors on June 1, 2014, and Mr. Kaminski resigned from the Board of Directors on June 1, 2014.

Mr. Agerson, Mr. Clark, Mr. Donnelly, Mr. Faas, Mr. Hayes, Mrs. Jones and Mr. Schad each resigned from our Board of Directors on June 1, 2014, the effective time of the merger, to reduce the number of continuing (2) Mercantile directors to three. Each of these directors continues to serve as a director of the Bank, which is a wholly-owned subsidiary of Mercantile.

(3) Mr. Gardner and Mr. Grant were appointed to our Board of Directors on June 1, 2014.

Each non-employee director who was serving on June 1, 2014 received a stock award in 2014 in payment of such director's annual retainer fee. The restricted stock award of 1,000 shares held by each of Mr. Agerson, Mr. Cassard, (4) Mr. Clark, Mr. Donnelly, Mr. Faas, Mr. Hayes, Mrs. Jones, Mr. Murdock and Mr. Schad became fully vested on June 1, 2014.

(5)

No option awards were made to our non-employee directors during 2014, and no non-employee director held any unexercised options as of December 31, 2014.

The amounts shown above are above-market interest credited to the accounts of the directors for 2014 on compensation they have deferred under our non-qualified deferred compensation plan for directors. Interest is (6) considered to be above-market interest to the extent that it exceeds 120% of the applicable federal long-term rate, with compounding (as prescribed under section 1274(d) of the Internal Revenue Code), at the rate that corresponds most closely to the rate under the plan at the beginning of each quarter.

(7) Includes cash dividends paid on restricted stock.

Compensation Arrangements for Non-employee Directors

Prior to June 1, 2014, each of our directors was also a director of the Bank, which is a wholly-owned subsidiary of Mercantile. The table above includes compensation earned for service on the Boards of Directors of Mercantile and, prior to June 1, 2014, the Bank. Prior to June 1, 2014, our non-employee directors of the Bank were paid an annual retainer of \$12,000, and a fee of \$750 for each meeting of the Board of Directors of the Bank that they attended, except for meetings that focus on loans for which the fee is \$700. In addition, non-employee directors were paid a meeting fee of \$700 for each meeting of the Audit Committee, \$600 for each meeting of the Compensation Committee and the Governance and Nominating Committee, and \$400 for each meeting of other committees of the Board of Directors of the Bank that they attended. Non-employee directors were also paid fees of the same amount for meetings of Mercantile's Board of Directors and its committees, when for Board meetings there was not also a meeting of the Board of Directors of the Bank on the same day, and for committee meetings when there was not also a meeting of a committee of the Board of Directors of the Bank having the same name or function on the same day. For meetings that were held by telephone or other remote communications equipment, the meeting fees were the lesser of one-half the amount described above or \$350. One annual retainer fee was also paid to each director who served as Chairman of the Audit Committees, the Compensation Committees and the Governance and Nominating Committees of Mercantile's and the Bank's Boards of Directors. The annual retainer was, for the Chairman of the Audit Committees — \$7,000, for the Chairman of the Compensation Committees — \$5,000, and for the Chairman of the Governance and Nominating Committees — \$5,000. The director who serves as Facilitator for executive sessions of our Board of Directors receives a meeting fee of \$400 for each executive session of the Board for which the director serves as Facilitator.

Directors are eligible to receive stock-based awards under our Stock Incentive Plan of 2006.

The Compensation Committee of our Board of Directors reviews director compensation at least annually, and recommends to our Board of Directors for approval any changes that the Compensation Committee deems appropriate. Our Board of Directors approved changes to director compensation on June 26, 2014. Effective June 1, 2014, the directors' annual retainer fee is paid in the form of stock rather than in cash. The annual retainer fee is a number of shares of our common stock equivalent to an annual fee of \$15,000. One annual retainer fee is also paid to each director who served as Chairman of our Audit Committee, Compensation Committee and Governance and Nominating Committee. The annual retainer is a number of shares of our common stock equivalent to an annual fee as follows:

Committee	Annual Retainer
Audit	\$7,000
Compensation	\$5,000
Governance and Nominating	\$3,000

For 2014, the directors received 50% of the annual retainer fees described above. Stock equivalent to 5/12th of the annual retainer fee was issued to each director in January 2015, and the full annual retainer fees will be paid in May 2015 immediately following the annual meeting of shareholders. The shares are issued as a stock award under our Stock Incentive Plan of 2006.

Beginning on June 1, 2014, our non-employee directors were paid a fee of \$800 for each meeting of the Board of Directors that they attended, and \$750 for each meeting of the Bank's Board of Directors that they attended. In addition, non-employee directors were paid a meeting fee of \$700 for each meeting of the Executive Committee, \$700 for each meeting of the Audit Committee and \$600 for each meeting of the Compensation Committee and the Governance and Nominating Committee that they attended. For meetings that were held by telephone or other remote communications equipment, the meeting fees were one-half the amount described above. The director who serves as Facilitator for executive sessions of our Board of Directors receives a meeting fee of \$400 for each executive session of the Board for which the director serves as Facilitator.

Director Deferred Compensation Plan

Directors who are also directors of the Bank are eligible to participate in the Bank's non-qualified deferred compensation plan for directors. Directors who participate in the plan may elect to defer up to 100% of their annual cash retainer and meeting fees. Under the plan, the amount of any director's fees that are deferred is credited with interest quarterly at a rate equal to the prime rate as published in the Wall Street Journal, determined quarterly, on the first day of each quarter. Effective January 1, 2015, interest is credited on a monthly basis.

The plan provides that the Bank will pay to each director, from his or her deferred compensation account, a lump sum payment, or installment payments, whichever is elected, after the director's term of office as a director ends. If installment payments are elected, the maximum payment period is ten years. In the event that a director dies before his or her term of office ends, the Bank will distribute the payments to the director's designated beneficiary in a lump sum, or installments, if installments were elected. If death occurs during the time that payments are being made, the Bank will distribute the remaining payments to the director's designated beneficiary at the same time and in the same amounts that would have been distributed if the director had not died.

The plan was amended and restated effective January 1, 2015 and combined with the executive deferred compensation to provide for administrative convenience. The plan is subject to Section 409A of the Internal Revenue Code, which specifies requirements that non-qualified deferred compensation plans must meet in order to avoid adverse tax consequences for participants.

Transactions with Related Persons

We have a written policy requiring that our Audit Committee review and approve related person transactions that involve us and are of the type that are required to be disclosed in our proxy statement by SEC rules. A transaction may be a related person transaction if any of our directors, executive officers, owners of more than 5% of our common stock, or their immediate family have a material interest in the transaction and the amount involved exceeds \$120,000. The policy authorizes the Audit Committee to approve a related person transaction if it determines that the transaction is at least as favorable to us as would have been expected if the transaction had been with a person who is not related to us, or is in our best interest. The policy does not cover loan transactions described in the next paragraph, which are generally subject to approval by the Bank's Board of Directors to the extent required by applicable banking laws and regulations.

The Bank has had, and expects in the future to have, loan transactions in the ordinary course of business with our directors, executive officers, or their immediate family, or companies they have a material interest in, on substantially the same terms as those prevailing for comparable transactions with others. All such transactions (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features.

Information about a lease transaction involving the Bank and a company one of our directors has a relation to is set forth under the heading "Compensation Committee Interlocks and Insider Participation" in this proxy statement, and is incorporated here by reference.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than 10% of our common stock, to file reports of ownership and changes in ownership with the SEC. Based on a review of filings, we believe that all reports required to be filed under Section 16(a) for 2014 were timely filed.

BDO began serving as our independent auditor for the fiscal year ended December 31, 2007. Services provided to us by BDO in 2014 are described under the heading “Principal Accountant Fees and Services” below.

Our Board of Directors recommends that you vote FOR ratification of the appointment of BDO as our independent registered public accounting firm for 2015. Unless otherwise instructed, the persons named as proxies intend to vote all proxies received for ratification of the appointment of BDO.

In the event shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in our best interest and the best interest of our shareholders.

Any pre-approval by the delegated authority is required to be reported to the Audit Committee at its next meeting. All of the services described in the table above were pre-approved by the Audit Committee.

**Proposal #3
Advisory Vote on Executive Compensation**

Our executive compensation program is intended to attract, motivate, reward and retain the senior management talent required to achieve our corporate objectives and increase shareholder value. Our philosophy in setting compensation policies for executive officers is to align pay with performance, while at the same time providing competitive compensation. We believe that our compensation policies and procedures are aligned with the long-term interests of our shareholders.

As required by Section 14A of the Exchange Act, this proposal seeks a shareholder advisory vote on the approval of compensation of our named executive officers as disclosed pursuant to Item 402 of Regulation S-K through the following resolution:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation of Mercantile Bank Corporation’s executives, as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosure contained in the proxy statement.”

Our Board of Directors urges you to endorse the compensation program for our executive officers by voting FOR the above resolution. The Compensation Committee of the Board of Directors believes that the executive compensation for 2014 is reasonable, appropriate and justified by Mercantile’s performance.

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Our Board of Directors recommends that you vote FOR approval of our executive compensation program as described in the Compensation Discussion and Analysis and the compensation tables and otherwise in this proxy statement. Unless otherwise instructed, the persons named as proxies intend to vote all proxies received for approval of our executive compensation program.

Shareholder Proposals for 2016 Annual Meeting

A proposal submitted by a shareholder for the 2016 annual meeting of shareholders must be sent to the Secretary, Mercantile Bank Corporation, 310 Leonard Street NW, Grand Rapids, Michigan 49504 and received by December 18, 2015 in order to be eligible to be included in our proxy statement for that meeting.

A shareholder who intends to present a proposal for the 2016 annual meeting of shareholders, other than pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, must provide us with notice of such intention by at least March 2, 2016, or the persons named in the proxy to vote the proxies will have discretionary voting authority at the 2016 annual meeting with respect to any such proposal without discussion of the matter in our proxy statement.

Other Matters

Our Board of Directors does not know of any other matters to be brought before the annual meeting. If other matters are presented upon which a vote may properly be taken, it is the intention of the persons named in the proxy to vote the proxies in accordance with their best judgment.
