**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e)(1) On January 24, 2019, the Compensation Committee of the Board of Directors of H.B. Fuller Company (the “Company”) approved the forms of Non-Qualified Stock Option Agreement, Performance-Based Non-Qualified Stock Option Agreement, Restricted Stock Unit Award Agreement, Restricted Stock Unit Award Agreement for the CEO, Performance Share Award Agreement, and Restricted Stock Unit Award Agreement for Non-Employee Directors attached to this Report as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6 respectively.

The Non-Qualified Stock Option Agreement and the Restricted Stock Unit Award Agreement forms provide for single or multi-year vesting of options and restricted stock units respectively in equal annual installments. The Performance-Based Non-Qualified Stock Option Agreement provides for single or multiple year vesting in the event that a defined performance metric is met at a threshold level or above. The number of Non-Qualified Stock Options may increase from the threshold level if higher levels of performance are achieved. The Restricted Stock Unit Award Agreement for the CEO allows for vesting of restricted stock units in equal installments over one or more years only if one or more performance criteria are met at a threshold or higher level. The Performance Share Award Agreement provides for single or multi-year vesting of restricted stock units in annual installments in the event that performance criteria are met at least at a threshold level. The number of restricted stock units that vest may increase from the threshold level if higher levels of performance are achieved for specified performance periods. The Restricted Stock Unit Award Agreement for Non-Employee Directors provides for a vesting of restricted stock units on the earlier of a date certain or the date a director reaches the mandatory retirement age. The foregoing description is qualified in its entirety by reference to the forms of the Agreements, copies of which are filed as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6 respectively to this Current Report on Form 8-K and are incorporated herein by reference.

(e)(2) On January 24, 2019, the Compensation Committee of the Company approved changes to the design of the H.B. Fuller Company Management Short-Term Incentive Plan (the “STIP”) applicable to certain executive officers as attached to this Current Report on Form 8-K as Exhibit 10.7. The changes made include:

- (i) The deletion of the Gross Margin and Contribution Margin performance metrics. The Organic Revenue metric is replaced with Net Revenue;
- (ii) For positions with Key Market segment metrics, the Gross Margin metric is replaced with an Operating Income metric;
- (iii) The deletion of one executive position.

The changes to the STIP will be effective for any short-term incentive awards related to the Company’s 2019 fiscal year (or portion thereof, as applicable) and thereafter. The STIP provides an annual performance-based cash incentive opportunity for eligible employees. In general, the STIP design is based on financial metrics. The metrics will vary

based on position and will generally include (i) adjusted operating income, (ii) net revenue and (iii) adjusted earnings per share. Each metric will have a target level of performance. Threshold and superior levels will be set for each metric. Payout will be determined for each metric based on performance relative to target. The target, threshold and superior levels of performance will be established at the beginning of each fiscal year. The foregoing description is qualified in its entirety by reference to the STIP, a copy of which is filed as Exhibit 10.7 to this Current Report on Form 8-K and is incorporated herein by reference.
