We have audited the accompanying statement of net assets available for benefits of Flotek Industries, Inc. 2012 Employee Stock Purchase Plan (the "Plan") as of December 31, 2012, and the related statement of changes in net assets available for benefits for the period from May 18, 2012 (inception) through December 31, 2012. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

EMPLOYEE STOCK PURCHASE PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - PLAN DESCRIPTION

The following is a brief description of the Flotek Industries, Inc. 2012 Employee Stock Purchase Plan (the "Plan") which is provided for general information only. For additional information regarding the Plan's provisions, participants should refer to the Plan prospectus.

General

The Plan is designed to provide eligible employees ("employees") of Flotek Industries, Inc. (the "Company") and its subsidiaries with an opportunity to purchase shares of the Company's common stock ("Flotek Stock") at a discounted price through payroll deductions. The Plan was approved by the Company's stockholders on May 18, 2012 and commenced operation on October 1, 2012. A total of 500,000 shares of Flotek Stock may be acquired by participants under the terms of the Plan.

The Plan has offering periods lasting three months. The first three-month offering period began October 1, 2012. Subsequent continuous offering periods commence on January 1, April 1, July 1, and October 1, of each year.

Administration

The Plan is administered by the Company's Board of Directors (the "Board"), unless the Board has appointed a committee to administer the Plan. The Board has selected a third party administrator, Computershare Shareholder Services, Inc. ("Computershare"), to maintain the accounts of the Plan. The Board has selected Bank of America (Merrill Lynch) ("BAML") to serve as the custodian of employee accounts. Computershare and BAML use information regarding employees' payroll deductions to credit an account in each participant's name with the number of full and fractional shares of Flotek Stock purchased by that participant's contributions to the Plan. American Stock and Transfer is the Company's transfer agent.

Shares acquired by participants under the Plan may be shares issued by the Company from its authorized but unissued stock, treasury stock or shares purchased on the open market.

Eligibility

All employees who are customarily employed for at least twenty (20) hours per week by the Company or one of its subsidiaries are eligible to participate in the Plan, except that no employee may participate in the Plan if the employee would own 5% or more of the outstanding shares of Flotek stock. Employees who as of the offering date, are highly compensated employees within the meaning of Section 423(b)(4)(d) of the Internal Revenue Code of 1986, as amended (the "Code") are not eligible to participate.

There were approximately 110 participants in the Plan at December 31, 2012.

Contributions

If an employee elects to participate in the Plan, such employee may elect to contribute to the Plan through payroll deductions an amount not less than one percent (1%) and not more than ten percent (10%) of such participants compensation, on an after tax basis, on each payday during the offering period. Employees may increase or decrease the deduction rate for the next offering period. A participant may withdraw from any offering period by providing written notice to the Company and any accumulated payroll deductions will be returned to him or her.

NOTES TO FINANCIAL STATEMENTS

Purchases

Participant contributions are used to purchase Flotek Stock on the last business day of the quarterly offering period at 85% of the closing market price of the stock. During any one offering period, an employee may not purchase more than 1,000 shares of common stock. In addition, for each calendar year, an employee may not be granted purchase rights for Flotek Stock valued over \$25,000, as determined at the time such purchase right is granted. Any payroll deductions collected from an employee that cannot be applied to the purchase of Flotek Stock because of limitations will be refunded to the employee.

Expenses

The Company pays all administrative expenses related to the purchase, custody and record keeping of the Flotek Stock held as part of the Plan. These expenses may include brokers' commissions, transfer fees, administrative costs and other similar expenses. Expenses related to the disposition or transfer of shares from a participants' account are borne by that participant.

Withdrawals and Termination of Employment

The Plan provides that a participant may withdraw from the Plan at any time and receive a refund of contributions for that offering period by completing a withdrawal form provided by the Company and submitting it to Human Resources. If an employee's employment ends for any reason, whether voluntary or involuntary, including retirement or death, then participation in the Plan automatically ends, and the Company will refund any payroll deductions under the Plan that have not yet been used to purchase shares.

Plan Termination

The Plan will terminate at the earliest of the following:

• May 18, 2022;

• the date the Board acts to terminate the Plan in accordance with the Plan provisions; or

• the date when all of the shares available under the Plan have been purchased (as of December 31, 2012, the Company had approximately 485,000 shares available for future issuance).

Upon termination of the Plan, all unapplied cash credits not already used to purchase Flotek stock remaining in participants' accounts will be refunded in cash to the participants. The Board may terminate or amend the Plan as deemed necessary or appropriate.

Employee Accounts

The Flotek Stock held by the Plan is held in custodial accounts by BAML. Computershare serves as the Plans record keeper. BAML maintains a separate account for each participant reflecting the total number of shares held. Each participant holding shares through BAML has the right to vote, receive dividends and dispose of his or her shares. BAML allocates to each participant account the number of full and fractional shares of Flotek Stock purchased with contributions credited to his or her account.
