This message is for Towers Watson stockholders. If you are not a stockholder you can disregard this message.

Dear Towers Watson Stockholders:

YOUR VOTE IS IMPORTANT!

Very soon, you will receive a Notice in the mail with information about how to vote your shares for this year's annual stockholders' meeting, which will be held on November 11, 2011. This year, most holders will vote their shares online via the Internet (certain Class B stockholders will receive their proxy and ballot in the mail).

The Notice you will receive includes instructions on how to vote online. To vote online, you will need to go to www.proxyvote.com, and enter the 12-digit control number provided to you in your Notice.

For your reference, [here](#) is a sample of what the Notice will look like. (This sample is intended to familiarize you with the Notice, but is not part of the process and is not the Notice.)

To ensure that your shares are represented at the stockholders' meeting, when you receive your Notice (or your proxy and ballot) in the mail, please cast your vote online via the Internet, or by signing and returning the proxy card you received as soon as possible.

You can view the proxy materials at this website - www.proxyvote.com. If you prefer to receive a full set of the proxy materials by mail, the Notice will include a web address, an email address and a toll-free telephone number that you may use to request printed copies. We will promptly mail you the materials after receiving your request.

Your communication preference as a Towers Watson stockholder is important to us. These communication options give you the flexibility to actively participate in the annual meeting proxy vote process in the way that best works for you. Also, by providing copies only upon request, we lower the cost of delivering the proxy materials and reduce the environmental impact of printing and mailing so many hard copies.

For additional information about the Proxy Process, please visit the 2011 Proxy Process page on Vantage at:

<http://vantage.wwc.worldwide.net/aboutTW/Functions/Legal/ProxyProcess/Pages/default.aspx>

Your Board of Directors unanimously recommends that stockholders vote FOR proposals 1-3 and annual on proposal 4.

Thank you for your cooperation.

Office of the Secretary

IMPORTANT REMINDER:

We encourage you to vote your shares via the Internet as soon as possible.

Please follow the easy instructions on the Notice of Proxy Meeting and/or proxy card you received with your proxy materials by first class mail or by email.

If you have any questions, or need assistance in the last-minute voting of your shares, please call our proxy solicitor,

How can I vote my shares?

How will I receive my Proxy materials for Towers Watson's 2011 Annual Meeting of Stockholders?

In early October 2011, all Towers Watson associate stockholders will receive their Proxy materials via a new process called Notice and Access, unless they signed up by September 19, 2011 to have their Proxy materials delivered electronically via the Electronic Enrollment website.

Certain stockholders who own Class B shares will receive Proxy materials by mail.

This Q&A is intended to familiarize you with the Notice and Access process, but is not part of the process and is not the Notice.

What is Notice and Access?

The Notice and Access Rule (the Rule) was enacted by the Securities and Exchange Commission (the SEC). The Rule allows public companies to provide stockholders access to Proxy materials, and to vote on items to be considered at the annual meeting, through the Internet, and to provide you the option to request printed copies of the Proxy materials.

Towers Watson is pleased to offer you this innovative proxy communication solution. We believe the Rule will allow us to provide our stockholders with the information they need, while lowering the cost of the delivery of the Proxy materials and reducing the environmental impact of printing and mailing so many printed copies.

For our upcoming annual meeting, instead of receiving a full set of the printed Proxy materials in the mail, you will receive a Notice in early October 2011 that contains a web address and control number for viewing the Proxy materials and voting online.

[Back to top](#)

Why might I receive more than one Notice of Proxy materials, or both a Notice and a full set of Proxy materials?

Some associate stockholders may receive more than one Notice by mail because their shares may be held in different ways, both beneficial and registered. In addition, certain stockholders that own Class B shares will receive Proxy materials by mail.

Edgar Filing: Towers Watson & Co. - Form DEFA14A

Beneficial Shares include Class A shares held at Morgan Stanley Smith Barney or with another third party, such as a bank or broker.

Registered Shares include Class B shares and Class A shares that are held directly in your name on the records of the Company's transfer agent, American Stock Transfer and Trust Company, LLC.

In addition, you may receive more than one Notice if your shares are held in more than one name.

Regardless of how many proxy ballots you receive, it is very important you vote all your proxies promptly.

[Back to top](#)

Is it possible that I will need to vote multiple times?

Yes, if you receive more than one Notice, but only vote one of your share positions, you will not have voted all the shares you own. To ensure that all your shares are voted at the Annual Meeting, please vote all your share positions. You may vote through the Internet after receiving your Notice. If you receive a package of Proxy materials in the mail, you may vote through the Internet or by sending your ballot back in the mail.

[Back to top](#)

How do I vote through the Internet?

After the Notice is distributed in early October, you will be able to access the website at www.proxyvote.com to vote your shares. You may access the site 24 hours a day, 7 days a week. You will be prompted to enter the 12-digit control number provided on your Notice; then just follow the simple instructions..

[Back to top](#)

How is the 12-digit control number used in telephone and electronic voting?

Every stockholder will find on their ballot their personal 12-digit control number so they can vote by telephone or electronically through the Internet. This control number ensures that each vote is counted accurately. If you lose the control number, please send an email to the proxy mailbox, twproxy@towerswatson.com and request the control number be sent to you.

[Back to top](#)

Can I vote electronically through the Internet once my Notice is received by mail?

Yes, every stockholder will be issued a 12-digit control number on their Notice. You may vote electronically through the Internet using the 12-digit control number and by following the instructions provided on the Notice.

[Back to top](#)

When would I need a PIN number to vote?

If you signed up by September 19, 2011 to receive your Proxy materials by email, you will receive an email that has your 12-digit control number, and also a PIN number. PIN numbers are 4-digit numbers only assigned to stockholders that have elected to receive their Proxy materials by email as a secondary control in the electronic voting process. This is another way to prevent someone from voting shares that do not belong to them. If you have not elected to receive your Proxy materials by email, you will not be assigned a PIN number.

[Back to top](#)

What do I do if I lose my PIN or I can't remember it? How do I find out what my PIN is?

PIN numbers will only be assigned to stockholders that have elected to receive their Proxy materials by email. If you can't locate your PIN, or can't remember it, you can log on to the proxy voting website at www.proxyvote.com. You may access the site 24 hours a day, 7 days a week. On the webpage, enter your 12-digit control number, and then check the box requesting a PIN. It will be emailed to you. After you get your PIN by email, you may proceed to the website www.proxyvote.com and vote your shares.

[Back to top](#)

Can I vote by telephone? What do I need to have to vote by telephone?

Every stockholder has the right to request a full package of Proxy materials be sent to them in the mail. If you request a full set, a hard-copy ballot will be included, on which you can vote your shares. On that ballot will be a toll-free telephone number that you can call to vote by telephone if you choose to do so. If you choose to vote by telephone, simply call the toll-free number on your ballot on any touch-tone telephone in the U.S. to authorize the voting of your shares. You may call 24 hours a day, 7 days a week. You will be prompted to enter the 12-digit control number (printed on the Ballot); then follow the simple instructions. No PIN number is required to vote by telephone.
