Item 1.01 Entry into a Material Definitive Agreement

On February 28, 2011 (the “Closing Date”), CrowdGather, Inc. (hereinafter referred to as the “Company”, “we,” “us” or “our”) entered into a securities purchase agreement (the “Securities Purchase Agreement”) with certain institutional investors (the “Investors”), pursuant to which the Company agreed to sell (i) 7,136,364 shares of our common stock at a price of \$1.10 per share (the “Purchased Shares”) and (ii) five-year warrants (the “Warrants”) exercisable into 5,352,273 shares of common stock (the “Warrants Shares”) at an exercise price of \$1.50 per share. The Warrants are exercisable for five years after the initial exercise date, which is six months and one day following the Closing Date. The number of Warrants is equal to 75% of the Purchased Shares. The total subscription proceeds are \$7,850,000 (the “Offering”). The number of shares of common stock to be issued upon the exercise of the Warrants and the exercise price of the Warrants are subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the common stock that occur after the Closing Date.

In connection with the Offering, we entered into a registration rights agreement dated as of the Closing Date (the “Registration Rights Agreement”), pursuant to which we agreed to register (1) 100% of the Purchased Shares; (2) all Warrant Shares then issuable upon exercise of the Warrants (assuming on such date the Warrants are exercised in full without regard to any exercise limitations therein) and (3) any securities issued or then issuable upon any stock split, dividend or other distribution, recapitalization or similar event with respect to the foregoing (the “Registrable Securities”) on a registration statement or registration statements (the “Registration Statements”) to be initially filed with the Securities and Exchange Commission (the “SEC”) within thirty (30) calendar days after the Closing Date (the “Filing Date”) and use our best efforts to have it declared effective within 120 calendar days after the Closing Date (“Effectiveness Date”) or within such other applicable Effectiveness Date as provided in the Registration Rights Agreement.

Subject to the terms of the Registration Rights Agreement, upon the occurrence of any event that shall incur liquidated damages, including, but not limited to, that the initial Registration Statement is not filed on or prior to the Filing Date, or we fail to file a pre-effective amendment and otherwise respond in writing to SEC comments on the Registration Statement within fifteen (15) calendar days upon receipt of such comments, or the Registration Statement including the Registrable Securities is not declared effective by the applicable Effectiveness Date, we shall pay to each Investor an amount in cash, on monthly anniversary of each such Event Date as defined in the Registration Rights Agreement (the “Event Date”), equal to the product of (1) the product of (A) 2% multiplied by (B) the quotient of (I) the number of such Investor’s Registrable Securities that are not then covered by a Registration Statement that is then effective and available for use by such Investor divided by (II) the total number of such Investor’s Registrable Securities multiplied by (2) the aggregate purchase price paid by such Investor pursuant to the Securities Purchase Agreement; provided, however, that, in the event that none of such Investor’s Registrable Securities are then covered by a Registration Statement that is effective and available for use by such Investor, the quotient of (I) divided by (II) in clause (1)(B) herein shall be deemed to equal 1. Under the Registration Rights Agreement, the maximum aggregate liquidated damages payable to an Investor shall be 10% of the aggregate subscription amount paid by such Investor pursuant to the Securities Purchase Agreement.

On February 22, 2011, we entered into an engagement agreement (the “Engagement Agreement”) with Rodman & Renshaw, LLC to act as our exclusive placement agent (the “Placement Agent”) in connection with the Offering. Pursuant to the terms of the Engagement Agreement, for the Placement Agent’s service we paid a cash placement fee equal to 8% of the aggregate purchase price paid by Investors that were placed in the Offering, and we agreed to pay a cash fee equal to 8% of the aggregate cash exercise price to be received by the Company upon the exercise of the Warrants, payable only in the event of the receipt by the Company of any proceeds of such cash exercise. In addition, the Placement Agent received Warrants to purchase the number of shares equal to 8% of the number of Purchased Shares sold to Investors, which shall be exercisable at \$1.50 per share.
