Item 1.01 Entry into a Material Definitive Agreement.

Fourth Amended and Restated Management Agreement

On January 10, 2014, Preferred Apartment Communities, Inc. (“we”, “us”, or the “Company”), Preferred Apartment Communities Operating Partnership, L.P. (the “Partnership”) and Preferred Apartment Advisors, LLC (our “Manager”) executed a Fourth Amended and Restated Management Agreement, effective as of January 1, 2014. The Fourth Amended and Restated Management Agreement amends and restates in its entirety the Third Amended and Restated Management Agreement dated as of May 13, 2011 (the “Third Amended and Restated Management Agreement”). The Fourth Amended and Restated Management Agreement sets the disposition fee on the sale of an asset at 1% of the contract sales price of the asset. In addition, the Fourth Amended and Restated Management Agreement eliminates our Manager’s obligation to provide our Board of Directors with prior notice of a proposed investment transaction, but leaves intact our Manager’s obligation to notify the Board of Directors within 30 days following completion of an investment transaction. The Fourth Amended and Restated Management Agreement also makes certain other immaterial amendments of and clarifications to the Third Amended and Restated Management Agreement. Under the Fourth Amended and Restated Management Agreement, our Manager continues to be responsible for administering our day-to-day business operations, identifying and acquiring targeted real estate investments, overseeing the management of our investments, handling the disposition of our real estate investments, and providing us with our management team and appropriate support personnel.

The foregoing summary of the Fourth Amended and Restated Management Agreement is qualified in its entirety by reference to the Fourth Amended and Restated Management Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Fifth Amended and Restated Partnership Agreement

On January 10, 2014, the Company, our Manager and the other limited partners party thereto executed a Fifth Amended and Restated Agreement of Limited Partnership (the “Fifth Amended and Restated Partnership Agreement”) of the Partnership, effective as of January 1, 2014. The Fifth Amended and Restated Partnership Agreement amends and restates in its entirety the Fourth Amended and Restated Agreement of Limited Partnership of the Partnership dated as of January 28, 2013 (the “Fourth Amended and Restated Partnership Agreement”). The Company is the general partner of the Partnership.

The principal changes effected by the Fifth Amended and Restated Partnership Agreement were as follows: to remove all references to the Series B Preferred Units (as defined in the Fourth Amended and Restated Partnership Agreement), all of which were converted to Class A Units (as defined in the Fifth Amended and Restated Partnership Agreement) on May 16, 2013; to amend and restate the Fourth Amended and Restated Agreement in order to amend the provisions thereof regarding the distribution of net sale proceeds (as described below); to explicitly provide the Company with the discretion to recontribute to the Partnership both cash

available for distribution and net sale proceeds distributable to the partners other than in connection with the special limited partner interest or the Series A Redeemable Preferred Units (as defined in the Fifth Amended and Restated Partnership Agreement ); update certain defined terms; and to effect certain other immaterial amendments of and clarifications to the Fourth Amended and Restated Partnership Agreement.

Under the Fifth Amended and Restated Partnership Agreement, net sale proceeds will be distributed to partners as follows:

- first, 100% to us as holder of the Series A Redeemable Preferred Units (which we will distribute to the holders of our Series A Redeemable Preferred Stock, par value \$0.01 per share (the “Series A Redeemable Preferred Stock”)), until we have received cumulative cash dividends on each Series A Redeemable Preferred Unit equal to the Series A Preferred Return (as defined in the Fifth Amended and Restated Partnership Agreement);
- second, 100% to us as holder of GP Units (as defined in the Fifth Amended and Restated Partnership Agreement) and Class A Units (which we may distribute to the holders of our common stock, par value \$0.01 per share (“Common Stock”)) and any other holders of Class A Units entitled to such distributions, in proportion to respective percentage interests, until the net invested capital with respect to the real estate asset giving rise to such distribution has been received;
- third, 100% to us as holder of GP Units and Class A Units (which we may distribute to the holders of our common stock) and any other holders of Class A Units entitled to such distributions, in proportion to respective percentage interests, until such holders have received in the aggregate an amount such that the priority return has been met with respect to the allocable capital contribution for the real estate asset giving rise to such distribution (provided that the distributions of cash available for distribution are taken into account to the extent that they relate directly to the operation of the real estate asset giving rise to such distribution); and
- fourth, 15% of the aggregate amount of any additional distribution will be payable to our Manager, in its capacity as the special limited partner, and 85% to us as holder of GP Units and Class A Units (which we may distribute to the holders of our Common Stock) and any other holders of Class A Units entitled to such distributions in proportion to respective percentage interests.

If the cash portion of the net sale proceeds from a capital transaction are insufficient to equal the gain that would be allocated to the special limited partner in connection with a capital transaction, we may use funds from other sources to make such distribution. We also may make certain other adjustments to the distributions under this section at our discretion (as set forth in the Fifth Amended and Restated Partnership Agreement).

We shall have the right, in our sole discretion, to cause the cash available for distribution and net sale proceeds distributable to the partners other than in connection with the special limited partner interest or the Series A Redeemable Preferred Units to be reinvested in the

Partnership, and such reinvested amounts shall be treated as new capital contributions by the partners entitled to such distributions.

We may use net sale proceeds from the Partnership to fund special dividends that we declare to our stockholders. In the event of a redemption of any Series A Redeemable Preferred Units for cash, we may cause the Partnership to distribute cash available for distribution and/or net sale proceeds, to the extent available, in order to fund such redemption prior to any further distributions under the Fifth Amended and Restated Partnership Agreement. The foregoing description is qualified in its entirety by reference to the full text of the Fifth Amended and Restated Partnership Agreement, a copy of which is filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated by reference herein.
