CHAMPIONS VILLAGE  
STATEMENTS OF REVENUES AND CERTAIN EXPENSES  
WITH INDEPENDENT AUDITORS' REPORT  
FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2016 (UNAUDITED) AND  
THE YEAR ENDED DECEMBER 31, 2015

## INDEPENDENT AUDITORS' REPORT

To Preferred Apartment Communities, Inc.:

We have audited the accompanying Statement of Revenues and Certain Expenses of Champions Village, for the year ended December 31, 2015, and the related notes (the "Statement").

### Management's Responsibility for the Statement

Management is responsible for the preparation and fair presentation of this Statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Statement that is free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the Statement referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 2 of the Statement for the year ended December 31, 2015, in accordance with accounting principles generally accepted in the United States of America.

### Emphasis of Matter

We draw attention to Note 2 of the Statement, which describes that the accompanying Statement was prepared for the purpose of complying with the rules and regulations under Rule 3-14 of Regulation S-X of the Securities and Exchange Commission (for inclusion in the Form 8-K of Preferred Apartment Communities, Inc.) and is not intended to be a complete presentation of Champions Village's revenues and expenses. Our opinion is not modified with respect to this matter.

Champions Village  
Notes to Statements of Revenues and Certain Expenses

1. ORGANIZATION

Preferred Apartment Communities, Inc. (the "Company") was formed as a Maryland corporation on September 18, 2009, and has elected to be taxed as a real estate investment trust, or REIT, under the Internal Revenue Code of 1986, as amended, effective with its tax year ended December 31, 2011. The Company was formed to acquire multifamily and retail properties in select targeted markets throughout the United States. The Company is a majority owner in Preferred Apartment Communities Operating Partnership, L.P., which acquired a grocery-anchored shopping center in Houston, Texas ("Champions Village" or the "Property") from an unaffiliated third party (the "Seller") on October 18, 2016. Prior to October 18, 2016, the Seller was responsible for all accounting and management decisions of the properties. The Property is anchored by a Randalls grocery store and as of September 30, 2016, was 77.3% occupied.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The accompanying Statements of Revenues and Certain Expenses have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended, and accordingly, are not representative of the actual results of operations of the properties for the periods presented, due to the exclusion of the following revenue and expenses which may not be comparable to the proposed future operations of the Property:

- Depreciation expense;
- Interest income and expense, including amortization of mortgage loan origination costs;
- Income tax expense;
- Amortization of in-place leases, above/below market lease intangibles, and lease origination costs, and
- Amortization of mortgage discounts and premiums.

Except as noted above, management is not aware of any material factors relating to the property that would cause the reported financial information not to be indicative of future operating results. In the opinion of management, all adjustments (consisting solely of normal recurring adjustments) necessary for the fair presentation of these Statements of Revenues and Certain Expenses have been included.

The Statement of Revenues and Certain Expenses and notes thereto for the nine months ended September 30, 2016 included in this report are unaudited. In the opinion of management, all adjustments necessary for a fair presentation of revenues and certain expenses have been included. Such adjustments consisted of normal recurring items. Interim results are not necessarily indicative of results for a full year.

B. Use of Estimates

The preparation of these Statements of Revenues and Certain Expenses in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses. Actual results could differ from those estimates.

C. Revenue Recognition

Rental revenue is recognized on a straight-line basis. As such, the rental revenue for those leases that contain rent abatements and contractual increases are recognized on a straight-line basis over the applicable terms of the related lease. Percentage rents, which are based on tenants' sales, are recognized once the sales reported by such tenants exceed any applicable breakpoints as specified in the tenants' leases. The percentage rents are recognized based upon the measurement dates specified

F- 4

---

Champions Village  
Notes to Statements of Revenues and Certain Expenses

in the leases. Reimbursements from tenants for real estate taxes, insurance and other shopping center operating expenses are recognized as revenue in the period that the applicable costs are incurred.

D. Operating expenses

Operating expenses represent the direct expenses of operating the Property and consist primarily of repairs and maintenance, real estate taxes, management fees, insurance, utilities and other operating expenses that are expected to continue in the proposed future operations of the Property.

E. Subsequent events

The Company has evaluated events through February 6, 2017, the date the Statements of Revenues and Certain Expenses were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the Statements of Revenues and Certain Expenses.

3. OPERATING LEASES

The future minimum lease payments to be received under non-cancelable operating leases in effect as of December 31, 2015 are as follows:

2016	\$3,708,707
2017	3,150,510
2018	2,362,166
2019	1,447,349
2020	1,187,796
thereafter	2,158,368

Total      \$14,014,896

4. COMMITMENTS AND CONTINGENCIES

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. There is no material litigation nor to management's knowledge is any material litigation currently threatened against the Property other than routine litigation, claims and administrative proceedings arising in the ordinary course of business.

5. MANAGEMENT AGREEMENT

In connection with the management of the rental operations, a property management fee was paid to an unrelated third party, which was calculated as 3.0% of gross cash receipts plus \$1,250 per quarter. Property management fees of \$147,655 (unaudited) and \$182,367 were recorded for the nine-month period ended September 30, 2016 and the year ended December 31, 2015, respectively.

6. CONCENTRATION OF RISK

The Champions Village property is located in Houston, Texas and is subject to the risks of real property ownership and local and national economic growth trends.

Champions Village earned approximately 10.8% of its base rent revenue from its anchor tenant for the year ended December 31, 2015. The loss of this tenant could have a significant negative impact on operations.

As a secondary strategy, the Company may acquire or originate senior mortgage loans, subordinate loans or real estate loans secured by interests in multifamily properties, membership or partnership interests in multifamily properties and other multifamily related assets and invest a lesser portion of its assets in other real estate related investments, including other income-producing property types, senior mortgage loans, subordinate loans or real estate loans secured by interests in other income-producing property types, membership or partnership interests in other income-producing property types as determined by its Manager (as defined below) as appropriate for the Company. The Company is externally managed and advised by Preferred Apartment Advisors, LLC, or its Manager, a Delaware limited liability company and a related party.

On October 18, 2016, the Company acquired a grocery-anchored shopping center in Houston, Texas ("Champions Village").

	Champions Village
Land	\$12,812,546
Building	28,392,601
Site Improvements	2,255,008
Tenant Improvements	2,751,796
Restricted cash	1,316,883
Above Market Leases	765,811
In Place - Leasing and Legal Costs	1,026,347
In Place - Forgone Rent/Expense	4,283,760
Other assets / prepaids	701,064

Below Market Leases	(3,017,960 )
Security deposits, prepaid rents and other liabilities	(258,837 )
Net assets acquired	\$49,874,130

The fair value of the building was estimated on an as-if-vacant basis, based on relevant information obtained in connection with the acquisition of these properties and is to be depreciated on a straight-line basis over its estimated remaining useful life of 40 years. The estimated fair value of acquired in-place leases are estimates of the costs the Company would have incurred to lease the property to the occupancy level of the properties at the dates of acquisition. Tenant improvements, in-place leases and above-market and below-market leases are all depreciated or amortized over the remaining individual non-cancelable lease terms.

(B) The Company financed the acquisition of Champions Village with a combination of new mortgage indebtedness, a draw on its revolving line of credit (see note 3.FF on the following page) and with cash on hand. The deferred loan origination costs are to be amortized over the lives of the loans using the effective interest method and include a loan coordination fee of \$394,560, which was paid to the Company's Manager. The pro forma adjustment to cash was calculated as follows:

Proceeds from mortgage debt financing	\$27,400,000
Proceeds from draw on revolving line of credit	20,000,000
less:	
Purchase price	(49,874,130 )
Loan coordination fees	(394,560 )
Deferred loan costs	(624,118 )
Net cash adjustment	\$(3,492,808 )

## 3. Adjustments to Unaudited Pro Forma Condensed Consolidated Statements of Operations

The adjustments to the Unaudited Pro Forma Condensed Consolidated Statement of Operations for the nine months ended September 30, 2016 are as follows:

(AA) Reflected in the pro forma adjustment is the Company's estimate of the amount of below-market retail leases which are to be amortized into income over the actual underlying lease terms.

(BB) Effective with the purchase of Champions Village by the Company, property management was assumed by an unaffiliated third party and the property management fee will be calculated as 3.5% of monthly gross rental income. The pro forma adjustment reflects this additional cost burden on the acquired property's operations.

(CC) Reflected in the pro forma adjustment is the Company's estimate of the depreciation and amortization

charges that would have been incurred by Champions Village. The adjustments utilize a straight-line depreciation method using 40 year remaining useful lives for the building, and over the non-cancelable remaining individual lease terms ranging from one month to 10 years for tenant improvements, in-place leases, and above-market and below market lease intangibles.

(DD) The Company had recorded due diligence costs related to Champions Village during the nine months ended September 30, 2016 of approximately \$32,000. These costs are removed for pro forma purposes.

(EE) The estimated asset management fee is based on 0.5% of the total value of the Company's assets based on their adjusted cost before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with GAAP (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs). In calculating the estimated asset management fee, the Company used the total acquired assets from Champions Village, as adjusted, plus the pro forma loan coordination fee and loan origination costs incurred. In addition, a similar adjustment is included for general and administrative expense fees, recorded as 2% of gross revenues of Champions Village for the nine months ended September 30, 2016.

(FF) Reflected in the pro forma adjustment is the Company's estimate of interest expense on the \$27.4 million of mortgage debt, the amortization of associated debt issuance costs, and interest accrued on the drawn proceeds from the Company's revolving line of credit of \$20 million. The mortgage matures on November 1, 2021 and accrues interest at a variable rate of the greater of 3.25% or the monthly London Interbank Offered Rate ("1 Month LIBOR"), plus a spread of 3.0% per annum. The revolving line of credit bears interest at a rate of 1 Month LIBOR, plus a spread of 3.25% per annum. If 1 Month LIBOR were to fluctuate upward or downward by 1/8%, it would result in an increase or decrease in interest expense of approximately \$33,000 for the pro forma nine month period ended September 30, 2016.

(GG) Outstanding Class A Units of the Operating Partnership become entitled to pro-rata distributions of profit and allocations of loss as non-controlling interests of the Operating Partnership. The weighted-average percentage of ownership by the non-controlling interests was approximately 3.27% for the nine months ended September 30, 2016. This adjustment reflects the pro-rata adjustment to the amount of net income (loss) attributable to the non-controlling interests.

The adjustments to the Unaudited Pro Forma Condensed Consolidated Statement of Operations for the year ended December 31, 2015 are as follows:

(AA) Reflected in the pro forma adjustment is the Company's estimate of the amount of below-market retail leases which are to be amortized into income over the actual underlying lease terms.

(BB) Effective with the purchase of Champions Village by the Company, property management was assumed by an unaffiliated third party and the property management fee will be calculated as 3.5% of monthly gross rental income. The pro forma adjustment reflects this additional cost burden on the acquired property's operations.

(CC) Reflected in the pro forma adjustment is the Company's estimate of the depreciation and amortization charges that would have been incurred by Champions Village. The adjustments utilize a straight-line depreciation method using 40 year remaining useful lives for the building, and over the non-cancelable remaining individual lease terms ranging from one month to 10 years for tenant improvements, in-place leases, and above-market and below market lease intangibles.

(DD) The estimated asset management fee is based on 0.5% of the total value of the Company's assets based on their adjusted cost before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with GAAP (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs). In calculating the estimated asset management fee, the Company used the total acquired assets from Champions

Village, as adjusted, plus the pro forma loan coordination fees and loan origination costs incurred. In addition, a similar adjustment is included for general and administrative expense fees, recorded as 2% of gross revenues of Champions Village for the year ended December 31, 2015.

(EE) Reflected in the pro forma adjustment is the Company's estimate of interest expense on the \$27.4 million of mortgage debt, the amortization of associated debt issuance costs, and interest accrued on the drawn proceeds from the Company's revolving line of credit of \$20 million. The mortgage matures on November 1, 2021 and accrues interest at a variable rate of the greater of 3.25% or the monthly London Interbank Offered Rate ("1 Month LIBOR"), plus a spread of 3.0% per annum. The revolving line of credit bears interest at a rate of 1 Month LIBOR, plus a spread of 3.25% per annum. If 1 Month LIBOR were to fluctuate upward or downward by 1/8%, it would result in an increase or decrease in interest expense of approximately \$34,000 for the pro forma twelve-month period ended December 31, 2015.

(FF) Outstanding Class A Units of the Operating Partnership become entitled to pro-rata distributions of profit and allocations of loss as non-controlling interests of the Operating Partnership. The weighted-average percentage of ownership by the non-controlling interests was approximately 1.24% for the twelve months ended December 31, 2015. This adjustment reflects the pro-rata adjustment to the amount of net income (loss) attributable to the non-controlling interests.
