On approximately March 20, 2018, we will begin mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and annual report and how to vote over the Internet or how to request and return a proxy card by mail. Stockholders who previously made a request to receive a paper copy of the proxy materials will be mailed the Proxy Statement, annual report and proxy card.

Whether or not you plan to attend the Annual Meeting, your vote is important and we encourage you to vote promptly.

You may vote your shares via a toll-free telephone number or over the Internet. If you received a paper copy of the proxy card by mail, you may sign, date and mail the proxy card in the envelope provided. Instructions regarding all three methods of voting are contained in the Proxy Statement and on the proxy card.

On behalf of the Board of Directors, we thank you for your ongoing support and investment in our Company.

2018 Annual Meeting of Stockholders

PROXY STATEMENT

Preferred Apartment Communities, Inc. ("we," "our," "us" or the "Company") is furnishing this Proxy Statement in connection with our solicitation of proxies to be voted at our 2018 Annual Meeting of Stockholders (the "Annual Meeting"). We will hold the Annual Meeting at our principal executive offices, located at 3284 Northside Parkway NW, 2nd Floor, Atlanta, Georgia 30327, on Thursday, May 3, 2018 at 9:00 a.m. Eastern Time, and any postponements or adjournments thereof. On approximately March 20, 2018, we will begin mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and annual report and how to vote over the Internet or how to request and return a proxy card by mail.

ABOUT THE PROXY STATEMENT

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will be asked to consider and act upon the following matters:

- Election of nine directors nominated by our Board of Directors (the "Board") and listed in this Proxy Statement to serve until the annual meeting of stockholders in 2019;
- An advisory vote on the compensation of our named executive officers as disclosed in this Proxy Statement;
- An advisory vote on the frequency of future advisory votes on the compensation of our executive officers;
- Ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2018; and
- Such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission ("SEC"), we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice of Internet Availability of Proxy Materials in the mail. Unless requested, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review the Proxy Statement and 2017 Annual Report to Stockholders over the Internet at www.proxyvote.com. In addition, you can access the Proxy Statement and 2017 Annual Report to Stockholders here: <https://materials.proxyvote.com/74039L>. The Notice of Internet Availability of Proxy Materials also instructs you on how you may submit your proxy over the Internet, or how you can request a full set of proxy materials, including a proxy card to return by mail. If you received a Notice of Internet Availability of Proxy Materials in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability of Proxy Materials.

Will our Manager be present at the Annual Meeting?

Officers of Preferred Apartment Advisors, LLC (our "Manager") will be present at the Annual Meeting. Some or all of these officers may be officers of the Company.

1

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on March 15, 2018, the record date for the Annual Meeting, are entitled to receive notice of and vote at the Annual Meeting.

If you hold your shares through a bank, broker or other nominee and intend to vote in person at the Annual Meeting, you will need to provide a legal proxy from your bank, broker or other stockholder of record.

What are the voting rights of stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting.

How many shares are outstanding and entitled to vote at the Annual Meeting?

At the close of business on March 15, 2018, approximately 39,209,579 shares of our common stock were outstanding, including 6,102 shares of unvested restricted common stock, that are entitled to vote at the Annual Meeting. Additionally, 1,300,431 shares of our Series A Redeemable Preferred Stock and 20,317 shares of our Series M Redeemable Preferred Stock were outstanding on such date, neither of which are entitled to vote at the Annual Meeting.

What constitutes a quorum?

Stockholders entitled to cast at least a majority of all the votes entitled to be cast must be present at the Annual Meeting in person or by proxy to constitute a quorum for the transaction of business. Withheld votes, "abstentions" and broker non-votes count for purposes of determining whether a quorum is present. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the proposal is not a "routine" matter and the broker has not received voting instructions from the beneficial owner of the shares. All items on this year's ballot are "non-routine" matters under New York Stock Exchange ("NYSE") rules to which we are subject, except ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2018 (Proposal 4).

What is the difference between a "stockholder of record" and a "street name" holder?

These terms describe how your shares are held. If your shares are registered directly in your name with Computershare, our transfer agent, you are a "stockholder of record." If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a "street name" holder.

If you are a "street name" holder, you are considered the beneficial owner of shares held in street name and your broker or nominee is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares. You are also invited to attend the Annual Meeting and vote your shares in person; however, in order to vote your shares in person, you must provide us with a legal proxy from your bank, broker or other stockholder of record.

Brokerage firms have authority under NYSE rules to vote customers' shares for which they have not received voting instructions on certain "routine" matters, but may not vote for "non-routine matters" unless they have received voting instructions. As explained above, all items on this year's ballot are "non-routine" matters under NYSE rules except ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2018 (Proposal 4). Therefore, if you do not provide voting instructions, your brokerage firm may not vote your shares on

such non-routine matters. We encourage you to provide voting instructions to your brokerage firm. This ensures your shares will be voted at the Annual Meeting.

How do I vote?

If you are a registered stockholder, meaning that your shares are registered in your name, you have four voting options. You may vote:

- over the Internet (if you have access to the Internet, we encourage you to vote in this manner) by going to www.proxyvote.com. Have your proxy card in hand when you access the website and follow the instructions to vote your shares;
- by telephone by calling 1-800-690-6903. Have your proxy card in hand when you call and then follow the instructions to vote your shares;
- by signing and dating your proxy card (if you received a proxy card) and mailing it in the prepaid, preaddressed envelope enclosed therewith; or
- by attending the Annual Meeting and voting in person.

Please carefully follow the directions in the Notice of Internet Availability of Proxy Materials or proxy card you received. Proxies submitted over the Internet or by telephone must be received by 1:00 a.m., Eastern Time, on May 3, 2018. Proxies submitted by mail must be received by the Company prior to the commencement of the Annual Meeting.

If you have any questions about the Annual Meeting, or if you require assistance on voting, please call Broadridge Investor Communications Solutions, Inc. ("Broadridge"), our proxy tabulator, at 1-800-690-6903.

Can I vote my shares in person at the meeting?

If you are a "stockholder of record," you may vote your shares in person at the meeting. If you hold your shares in "street name," you must obtain a legal proxy from your broker, bank, trustee or nominee, giving you the right to vote the shares at the meeting.

What do I need to do to attend the meeting in person?

Proof of stock ownership and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the meeting. Only stockholders who owned our common stock as of the close of business on March 15, 2018 are entitled to attend the meeting.

If your shares are registered in your name and you owned our common stock as of the close of business on March 15, 2018, you only need to provide some form of government issued photo identification for admission.

If your shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the meeting if you bring a recent bank or brokerage statement showing that you owned shares of our common stock on March 15, 2018.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or proxy card?

It means that you have multiple accounts with our transfer agent and/or with a broker, bank or other nominee. You will need to vote separately with respect to each Notice of Internet Availability of Proxy Materials or proxy card you received. Please vote all the shares you own.

Can I change my vote after I have mailed in my proxy card?

You may revoke your proxy by doing one of the following:

- by sending a written notice of revocation to our Secretary at 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327 so it is received prior to the Annual Meeting, stating that you revoke your proxy;
- by signing a later-dated proxy card and submitting it so it is received prior to the commencement of the Annual Meeting in accordance with the instructions included on the proxy card(s); or
- by attending the Annual Meeting and voting your shares in person.

How may I vote for each proposal?

Proposal 1 – You may vote for each individual nominee or withhold from each individual nominee.

Proposal 2 – You may vote for, against or abstain on the advisory vote on named executive officer compensation.

Proposal 3 – You may indicate your preference for a vote on named executive officer compensation every one, two or three years or abstain from voting.

Proposal 4 – You may vote for, against or abstain from voting to ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2018.

What are the Board's recommendations on how I should vote my shares?

Proposal 1 – For all the nominees for election as director.

Proposal 2 – For the advisory proposal on named executive officer compensation.

Proposal 3 – Choose three years for the frequency of future advisory votes on named executive officer compensation.

Proposal 4 For the proposal to ratify the selection of PricewaterhouseCoopers LLP as our independent registered
– public accountants for 2018.

What vote is required to approve each item?

Proposal Number	Subject	Vote Required	Impact of Abstentions and Broker Non-Votes, if any
1	Election of directors	Each director will be elected by a plurality of the votes cast. This means that the nine nominees receiving the greatest number of "FOR" votes will be elected as directors, even if the number of votes received for any nominee is less than a majority of the votes present at the Annual Meeting.	Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.
2	Advisory vote on named executive officer compensation	A majority of the votes cast.	Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.
3	Advisory vote on the frequency of future advisory votes on named executive officer compensation	A majority of the votes cast.	Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.
4	Ratification of appointment of independent auditors	A majority of the votes cast.	Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.

None of these proposals, if approved, entitles stockholders to appraisal rights under Maryland law or our charter.

What if I return my proxy card but do not provide voting instructions?

If you return a signed proxy card but do not provide voting instructions, your shares will be voted as follows:

Proposal 1 – For all the nominees for election as director.

Proposal 2 – For the advisory proposal on named executive officer compensation.

Proposal 3 – Choose three years for the frequency of future advisory votes on named executive officer compensation.

Proposal 4 For the proposal to ratify the selection of PricewaterhouseCoopers LLP as our independent registered – public accountants for 2018.

What happens if additional matters are presented at the Annual Meeting?

We know of no other matters other than the items of business described in this Proxy Statement that can be considered at the meeting. If other matters requiring a vote do arise, the persons named as proxies will have the discretion to vote

on those matters for you.

Is a list of stockholders available?

The names of stockholders of record entitled to vote at the Annual Meeting will be available to stockholders entitled to vote at this meeting for ten days prior to the Annual Meeting for any purpose relevant to the Annual Meeting. This list can be viewed between the hours of 9:00 a.m. and 5:00 p.m. Eastern Time at our principal executive offices at 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327. Please contact our Secretary at 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327 to make arrangements.

Who will count the votes?

A representative of Broadridge will act as the inspector of elections and will tabulate votes. In connection with the duties as inspector of elections, Broadridge's representative will also determine whether a quorum is present, evaluate the validity of proxies and ballots and certify the voting results.

Who pays the cost of this proxy solicitation?

Proxies will be solicited on behalf of the Board by mail, in person and by telephone. We will pay the cost of preparing, assembling and mailing the proxy materials and the cost of soliciting proxies. We will also request banks, brokers and other holders of record to send the proxy materials to, and obtain proxies from, beneficial owners and will reimburse them for their reasonable expenses in doing so. We have not hired a proxy solicitor for the 2018 Annual Meeting. We have hired Broadridge to assist in the distribution of our proxy materials and the tabulation of proxies. In addition, Broadridge will serve as our inspector of elections. If you have any questions about the Annual Meeting, or if you require assistance on voting, please call Broadridge at 1-800-690-6903.

What is "householding?"

In accordance with a notice sent to certain street name stockholders of our common stock who share a single address, stockholders at a single address will receive only one copy of this Proxy Statement and our 2017 Annual Report to Stockholders unless we have previously received contrary instructions. This practice, known as "householding," is designed to reduce our printing and postage costs. We currently do not "household" for stockholders of record.

If your household received a single set of proxy materials, but you would prefer to receive a separate copy of this Proxy Statement or our 2017 Annual Report to Stockholders, you may contact us at Preferred Apartment Communities, Inc., 3284 Northside Parkway NW, Suite 150, Atlanta, GA 30327, Attn: Investor Relations, telephone: 1-770-818-4100, and we will deliver those documents to you promptly upon receiving the request. You may also change your householding preferences through the Broadridge Householding Election system at 1-866-540-7095.

You may request or discontinue householding in the future by contacting the broker, bank or similar institution through which you hold your shares.

How do I submit a stockholder proposal for, or nominate an individual for election at, next year's annual meeting or proxy materials, and what is the deadline for submitting a proposal or nominating an individual?

In order for a stockholder proposal to be properly submitted for presentation at our 2019 annual meeting and included in the proxy material for next year's annual meeting, we must receive written notice of the proposal at our executive offices by November 20, 2018. In order for a stockholder to nominate an individual for election to our Board, or to present a proposal of other business (other than a proposal to be included in our proxy materials), at next year's annual meeting, we must receive written notice of the nomination or proposal during the period beginning on October 20, 2018 and ending at 5:00 p.m., Eastern Time, on November 20, 2018. However, if our 2019 annual meeting is advanced or delayed by more than 30 days from the first anniversary of the Annual Meeting, then we must receive written notice of the nomination or proposal either (i) during the period beginning on the 150th day prior to, and ending at 5:00 p.m., Eastern Time, on the 120th day prior to, the date of our 2019 annual meeting, or (ii) the tenth day following the day on which we first publicly announce the date of our 2019 annual meeting. All proposals must contain the information specified in, and otherwise comply with, our bylaws and the federal securities laws. Proposals should be sent via registered, certified or express mail to: 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327, Attention: Jeffrey R. Sprain, General Counsel and Secretary.

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Our Board of Directors recommends a vote FOR all of the nominees named below.

Our charter and by-laws provide that the number of our directors may be established by a majority of the entire Board but may not be fewer than two nor more than ten. We currently have nine directors, including six independent directors. The term of each director expires at the Annual Meeting and when his respective successor is duly elected and qualified.

Upon the recommendation of our Nominating and Corporate Governance Committee of the Board (which is comprised solely of independent directors) the Board has nominated incumbent directors Steve Bartkowski, Gary B. Coursey, Daniel M. DuPree, William J. Gresham, Jr., Howard A. McLure, Timothy A. Peterson, Leonard A. Silverstein, John M. Wiens and John A. Williams to stand for re-election at the Annual Meeting and to hold office until the later of our annual meeting of stockholders in 2019 and when his successor is elected and qualified.

We expect that each nominee for election as a director will be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees. Each director will be elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting, assuming a quorum is present. Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.

Mr. Williams founded Post Properties, Inc. ("Post Properties") in 1970. He took Post Properties public as a REIT in 1993. When he resigned as Chairman of Post Properties in 2003, the company had approximately 30,000 apartment units and had averaged funds from operations growth of 7% per year commencing with the Post Properties initial public offering. Director Compensation

Our compensation committee (the "Compensation Committee") designs our director compensation with the goals of attracting and retaining highly qualified individuals to serve as independent directors and fairly compensating them for their time and efforts. Because of our qualification and operation as a real estate investment trust, or REIT, for U.S. federal income tax purposes and the unique attributes of a REIT, service as an independent director on our Board requires broad expertise in the fields of real estate and real estate investing.

In 2017, we compensated each of our independent directors with an annual fee of \$60,000. If an independent director also served as our Vice Chairman of the Board, we would compensate such independent director with an additional annual fee of \$50,000. We also paid an additional \$20,000 annual fee to the chair of our audit committee (the "Audit Committee") and an additional \$10,000 annual fee to the chair of the nominating and corporate governance committee (the "Nominating and Corporate Governance Committee"), the chair of the compensation committee (the "Compensation Committee") and the chair of the conflicts committee (the "Conflicts Committee"). In addition, in 2017, we paid each independent director an annual fee of \$20,000 for committee service, with this fee paid in equal quarterly installments in arrears. All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at meetings of the Board and committees thereof. If a director is also one of our officers, we will not pay that director any compensation for services rendered as a director. We may issue shares of our common stock pursuant to our 2011 Stock Incentive Plan in lieu of paying an independent director his annual fees and/or meeting fees in cash.

All annual fees paid to our independent directors in 2017 were paid in shares of restricted common stock under our 2011 Stock Incentive Plan which vest in approximately equal amounts quarterly. All fees paid in 2017 for chairing a committee or for committee service were paid in cash. We currently expect that the annual fees owed to our independent directors will be paid in restricted shares of our common stock under our 2011 Stock Incentive Plan through our next annual meeting in 2019, which restricted shares will vest in approximately equal amounts quarterly, that the fees for committee chairs will be paid in cash following the Annual Meeting, and that fees paid for committee service will be paid in cash in equal quarterly installments in arrears. In determining the number of shares granted for the annual fees paid to our independent directors for 2017-2018, our Compensation Committee used the closing price of our common stock for the trading day immediately prior to the date of our 2017 annual meeting to determine the number of shares to grant. If we elect to pay our independent directors in cash, subject to the consent of the Compensation Committee, each independent director may elect to receive his or her annual fees and/or meeting fees in the form of shares of our common stock or a combination of shares of our common stock and cash. The vesting schedule for fees paid to our independent directors in shares of our common stock will be determined by the Compensation Committee in connection with such award. None of the members of the Board will be entitled to any fees for serving on the Board except as set forth above or unless the Board unanimously determines otherwise.

Compensation of our directors as of December 31, 2017 was as follows:

The Nominating and Corporate Governance Committee was formed to establish and implement our corporate governance practices and to nominate individuals for election to the Board. Our Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by our Board. Among other

things, the committee charter calls upon the Nominating and Corporate Governance Committee to: (i) develop criteria for selecting new directors and identify individuals qualified to become Board members and members of the various committees of the Board; (ii) select, or recommend that the Board select, the director nominees for each annual meeting of stockholders and the committee nominees; and (iii) develop and recommend to the Board a set of corporate governance principles applicable to the Company. We have not adopted a specific policy regarding the consideration of director nominees recommended to our Nominating and Corporate Governance Committee by stockholders. The Company plans to implement a policy as soon as it receives its first director nominee from stockholders. The Board views it as appropriate to defer developing a formal policy until such time as it receives its first stockholder nominee. Stockholders who wish to recommend nominees for consideration by the committee may submit their nominations in writing to our Secretary at the address provided in this Proxy Statement. The committee may consider these stockholder recommendations when it evaluates and recommends nominees to the Board for submission to the stockholders at each annual meeting. During 2017, the Nominating and Corporate Governance Committee held three meetings.

Conflicts Committee. Our conflicts committee (the "Conflicts Committee") is comprised of three of our independent directors: Messrs. Howard A. McLure, who serves as chairman, Steve Bartkowski and William J. Gresham, Jr. The Conflicts Committee was formed to review, among other things, (i) transactions we enter into with John A. Williams, our Manager or any of their respective affiliates that are subject to an inherent conflict of interest, and (ii) the allocation of investment opportunities among affiliated entities. Our Board has adopted a charter for the Conflicts Committee that sets forth its specific functions, powers, duties and responsibilities. For a description of

certain of our conflict resolution procedures, see "Certain Relationships and Related Transactions — Conflicts of Interest — Certain Conflict Resolution Procedures" included elsewhere in this Proxy Statement. During 2017, the Conflicts Committee held three meetings. Actions were also taken during the year by written consent.

Independent Directors. Our Board has determined that each of our independent directors is independent within the meaning of the applicable (i) requirements set forth in the Securities and Exchange Act of 1934, as amended, (the "Exchange Act") and the applicable SEC rules, and (ii) rules of the NYSE. To be considered independent under the NYSE rules, the Board must determine that a director does not have a material relationship with us (either directly, or as a partner, stockholder or officer of an organization that has a relationship with any of those entities, including our Manager and their affiliates). The Board also considered the enhanced independence requirements of the NYSE applicable to members of the Compensation Committee and the enhanced independence requirements of Rule 10A-3 of the Exchange Act applicable to members of the Audit Committee.

Code of Business Conduct and Ethics

Our Board has established a code of business conduct and ethics. Among other matters, the code of business conduct and ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code of business conduct and ethics to appropriate persons identified in such code; and
- accountability for adherence to the code of business conduct and ethics.

Waivers to the code of business conduct and ethics may only be granted by unanimous written consent of the independent directors of our Board. If the independent directors grant any waivers of the elements listed above to any of our officers, we expect to announce the waiver within four business days on the corporate governance section on our corporate website. The information on our website is not a part of this Proxy Statement.

Committee Charters and Corporate Governance Guidelines

The charters of the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Conflicts Committee, our Corporate Governance Guidelines and our code of business conduct and ethics may be accessed on our website at www.pacapts.com by selecting the "Investors" link, followed by the "Corporate Governance" link, and are available in print upon request from our Secretary. The information on our website is not a part of this Proxy Statement.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is comprised of three of our independent directors. None of these individuals has at any time served as an officer or employee of the Company. None of our executive officers has served as a director or member of the Compensation Committee of any entity that has one or more of its executive officers serving as a member of our Board or Compensation Committee.

Board Leadership and Risk Oversight

Our Board does not have a policy on whether the offices of Chairman of the Board and Chief Executive Officer should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from among the independent directors. Our Board believes that it should have the flexibility to select the Chairman and its Board

leadership structure, from time to time, based on the criteria that it deems to be in the best interest of the Company and its stockholders. At this time, the offices of the Chairman of the Board and the Chief Executive Officer are combined, with Mr. Williams serving as Chairman and Chief Executive Officer.

Our Board has reviewed our current Board leadership structure in light of the composition of the Board, the Company's size, the Company's recent formation, the nature of the Company's business and other relevant factors. Considering these factors, the Company has determined not to have a separate Chief Executive Officer and Chairman of the Board. Given the size of our Board, the Board believes that the presence of six independent directors out of the nine directors, with only independent directors sitting on the Board's committees and having a lead independent director, provides sufficient independent oversight of the Chairman and Chief Executive Officer. In addition, the Board believes that combining the Chairman and Chief Executive Officer positions is the right corporate governance structure for the Company at this time because it most effectively utilizes Mr. Williams' extensive experience, knowledge and connections in the multifamily industry; allows Mr. Williams to use his experience, knowledge and connections to lead Board discussions regarding the Company's business and strategy; and provides unified leadership for the Company as it develops and grows.

The Board has a lead independent director. Our lead director is an independent director who is elected by the independent members of the Board. Howard A. McLure, a director since our initial public offering, currently serves as our lead director. The role of our lead director includes the following duties:

- call meetings of the independent directors, as needed;
- develop the agendas for meetings of the independent directors;
- preside at executive sessions of the independent directors;
- confer regularly with the Chief Executive Officer;
- serve as a liaison between the Chief Executive Officer and the independent directors;
- in consultation with the Chief Executive Officer, review and approve Board meeting schedules and agendas; and
- meet with stockholders as appropriate.

The Board oversees risk through: (i) its review and discussion of regular periodic reports to the Board and its committees, including management reports and studies on existing market conditions, leasing activity and property operating data, as well as actual and projected financial results, and various other matters relating to our business; (ii) the required approval by the Conflicts Committee of all conflict of interest transactions, including, among others, acquisitions and dispositions of properties from affiliates and the engagement of our Manager; (iii) review and discussion of drafts of the Company's periodic reports to the SEC; (iv) the oversight of our business by the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee; and (v) regular periodic reports from our independent public accounting firm and other outside consultants, if necessary, regarding various areas of potential risk, including, among others, those relating to the qualification of the Company as a REIT for U.S. federal income tax purposes and our internal controls over financial reporting.

Meetings of the Board of Directors

During 2017, the Board held eight meetings. Each of our directors attended all the meetings of the Board held during 2017, and attended all meetings of the committees of the Board on which he served during 2017. All our directors attended our annual meeting of stockholders in 2017. We encourage all incumbent directors and director nominees to attend our annual meetings of stockholders.

Communications with Our Board of Directors

Stockholders and any other interested party may communicate with our Board, our lead independent director or any other individual director by writing to us at Preferred Apartment Communities, Inc., Attention: Secretary, 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327. For any communication not sent directly to our Board or an individual director, our Secretary will forward such communication to our lead independent director to the extent our Secretary determines the subject matter of the communication is relevant for consideration.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Management Agreement

We have entered into a sixth amended and restated management agreement (as amended, the "Management Agreement") with our Manager to manage our day-to-day operations. Pursuant to the Management Agreement, our Manager provides us with a management team and appropriate support personnel to implement our business strategy and perform certain services for us, subject to oversight by our Board. Our Manager has an investment committee that oversees our investment guidelines, our investment portfolio and its compliance with our investment guidelines and policies. We do not, nor do we expect to, have any employees while the Management Agreement is in place.

The Management Agreement has a three-year term with automatic yearly renewals upon the expiration of each year of the term, subject to termination by us or our Manager under specified circumstances. The Management Agreement provides that, in the event of termination by us without cause, or, in the event of termination by our Manager for cause (each as described below), we are required to pay to our Manager a termination payment (the "Termination Payment") equal to the recurring fees paid or owing relating to the prior 12-month period multiplied by 2.5. If our Manager is sold to an unaffiliated third party without the consent of our independent directors, or if our Manager assigns the Management Agreement, in whole or in part, without the consent of a majority of our independent directors and the Partnership, the Manager will not be entitled to the Termination Payment.

We may, upon the affirmative vote of at least 75% of our independent directors, terminate the Management Agreement without cause, upon a finding that (a) our Manager is not performing satisfactorily in light of the economic environment existing at such time, or (b) the fees charged by our Manager are not in accordance with the then-current market rates charged by asset management companies rendering services substantially similar to those rendered by our Manager, provided that the termination notice will not be effective if our Manager (i) agrees to continue to provide services for a rate that at least 75% of the independent directors determine to be in accordance with market rates, (ii) delivers a notice of proposal to negotiate, and (iii) reaches an agreement with us as to modified fees within 60 days of such notice. Termination of the Management Agreement by the Company without cause will be effective on the last day of the calendar month that is 180 days following the date such notice is received by our Manager. We may terminate the Management Agreement for cause (a) upon a final determination by a court that there has been a material breach of the Management Agreement by our Manager having a material adverse effect on us, and such breach has continued for a period of 60 days following notice to our Manager (or 90 days if our Manager took steps to cure within 60 days), (b) in the event of a bankruptcy or similar occurrence with respect to our Manager, (c) upon dissolution of our Manager, or (d) upon a final determination of a court that our Manager has committed fraud or similar acts. Our Manager will not be entitled to the Termination Payment if we terminate the Management Agreement for cause.

Our Manager may unilaterally terminate the Management Agreement upon no less than 180 days' prior written notice to us informing us of our Manager's intention to discontinue performance of services pursuant to the Management Agreement as of the date of termination, in which event our Manager will not be entitled to the Termination Payment. Our Manager may terminate the Management Agreement with immediate effect if we become required to register as an investment company under the Investment Company Act of 1940, in which event our Manager will not be entitled to the Termination Payment. Our Manager may terminate the Management Agreement for cause (a) upon assignment of the Management Agreement by us without the consent of our Manager, (b) upon a change in control of us (as defined), (c) upon a sale of all or substantially all of our assets, or (d) upon the final determination of a court that we have materially defaulted in the performance of its obligations under the Management Agreement, and such default is uncured for 60 days (or 90 days if we took steps to cure within 60 days). In the event of a termination by our Manager for cause, we are required to pay to our Manager the Termination Payment and we are also required to forgive any indebtedness then owing by our Manager to us under any line of credit facility, with the outstanding principal balance

so forgiven capped at \$15 million.

The Management Agreement provides for the Manager to be paid fees in connection with services provided to us. These fees include asset management, acquisition fees, disposition, general and administrative expense, multifamily property management and leasing, retail management, retail leasing and construction, development and landscaping fees. The asset management fee is equal to one-twelfth of 0.50% of the total value of our assets (including cash or cash equivalents) based on the adjusted cost of our assets before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with generally accepted accounting principles ("GAAP") (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs), payable monthly in arrears. Prior to January 1, 2016, and following June 30, 2017, an acquisition fee equal to 1.0% of the gross contract purchase price of the property, loan or other real estate-related asset purchased, was paid for services in connection with selecting, evaluating and acquiring such asset. The multifamily property management and leasing fee and the retail management fee are 4% of the monthly gross revenues of our properties managed and the management fees for office building assets are within the range of 2.0% to 2.75% of gross property revenues, all for services in connection with the rental, leasing, operation and management of our properties and the supervision of any third parties that are engaged by our Manager to provide such services and is payable monthly in arrears, based on the actual gross revenues for the prior month. The retail leasing fee for new leases is equal to the greater of (i) \$4.00 per square foot or (ii) the sum of 4.0% of the aggregate base rent for the first ten years of the lease. The retail leasing fee for renewals is equal to the greater of (i) \$2.00 per square foot or (ii) the sum of 2.0% of the aggregate base rent for the first ten years of the lease. Notwithstanding the foregoing, retail leasing fees will not exceed customary competitive rates for the market. The general and administrative expense fee is 2% of our monthly gross revenues, and is payable monthly in arrears based on the actual gross revenues of the Company for

the prior month. The disposition fee payable upon the sale of one or more of our properties or other assets is an amount equal to 1% of the contract sales price of the asset. Any construction fee, development fee and landscaping fee we pay our Manager, if any, will be at market rates customary and competitive in light of the size, type and location of the asset in connection with the construction, development or landscaping of a property, or for management and oversight of expansion projects and other capital improvements. Also, we may reimburse our Manager for certain costs and expenses it incurs in connection with the services it provides to us. However, the total amount of the asset management, multifamily property management and leasing, retail management, retail leasing and general and administrative expense fees and expenses paid or reimbursed to our Manager will be capped at 1.5% of total value of our assets (including cash and cash equivalents) based on the adjusted cost of our assets before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with GAAP (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs). From January 1, 2016 to June 30, 2017, the acquisition fee was eliminated and replaced with a loan origination fee or a loan coordination fee. The loan origination fee is 1.0% of the amount that may be advanced by us for a loan for services in connection with selecting, evaluating and documenting such loan investment. From January 1, 2016 to June 30, 2017, the loan coordination fee was: (1) 1.6% of (i) the initial amount of new debt financed or outstanding debt assumed, other than a refinancing, related to any type of asset owned, directly or indirectly; (ii) the additional amount of any supplemental financing related to any asset owned, directly or indirectly; and (iii) for any acquisition (by purchase, investment or exchange) of asset acquired without any new or assumed debt financing, an amount equal to 63.0% of the purchase price for the acquisition, inclusive of expenses related thereto, but exclusive of any loan coordination fee; less (2) the aggregate amount of loan coordination fees and loan origination fees previously paid in connection with the asset. Following June 30, 2017, the loan coordination fee was reduced from 1.6% to 0.6% and the loan coordination fee for assets acquired without any new or assumed debt financing was eliminated.

The Manager may, in its discretion, make some or all of the asset management, property management, or general and administrative expense fees for properties owned by the Company contingent on future capital transactions. Any contingent fees become due and payable to the extent that, in the event of any capital transaction, the net sale proceeds exceed the allocable capital contributions for the asset plus a 7.0% priority annual return on the asset. An aggregate total of approximately \$5.0 million of combined asset management and general and administrative expense fees remain contingent as of December 31, 2017.

OP Agreement

Class B Units. Our operating partnership has granted and in the future may continue to grant Class B Units, representing Class B limited partnership interests in our operating partnership, as equity incentive awards to our directors, officers and employees (if we ever have employees), employees of our Manager and its affiliates, employees of entities that provide services to us, directors of our Manager or of entities that provide services to us, certain of our consultants and certain consultants to our Manager and its affiliates or to entities of such consultants that provide services to us. The Class B Units may be subject to forfeiture or other restrictions upon terms included with any such grant.

In general, the Class B Units are intended to be treated as "profits interests" in our operating partnership for U.S. federal income tax purposes. In general, the Class B Units will receive allocations of net income and net loss consistent with their distribution priorities, however, periodically and upon the occurrence of certain specified events, our operating partnership will revalue its market capitalization and any increase in market capitalization will be allocated first to such Class B Units until the capital account attributable to each such Class B Units is economically equivalent to our capital account attributable to each of the Class A Units we hold in our operating partnership. At the time the capital account attributable to each such Class B Unit is economically equivalent to our capital account attributable to each of the Class A Units we hold, such Class B Unit shall automatically convert into a Class A Unit and such holder shall be entitled to all rights and preferences and subject to all obligations of any other holder of Class

A Units. If the Class B Units are subject to forfeiture, upon a forfeiture of Class B Units, there is a risk that we will recognize taxable income up to the amount of the capital account of such holder of such Class B Units allocable to such Class B Unit. The Class B Units may be entitled to distributions, even though the Class B Units are subject to forfeiture.

After owning a Class A Unit for one year, Class A Unit holders generally may, subject to certain restrictions, exchange Class A Units for the cash value of a corresponding number of shares of our common stock or, at our option, a corresponding number of shares of our common stock. However, subject to certain limitations, in the case of a proposed combination, each Class A Unit holder has the right to exercise its exchange right prior to the stockholder vote on the transaction, even if it has held its units for less than one year. In addition, when Class A Units are issued upon the conversion of a Class B Unit, the period of time the Class B Unit was owned will be considered for the one year ownership requirement of a Class A Unit.

See "Executive Compensation" beginning on page 20 of this Proxy Statement.

Affiliate Loans

We have extended a revolving line of credit to our Manager in an aggregate amount of up to \$18.0 million, in order to provide liquidity to our Manager in support of its ongoing business operations. The credit line bore interest at 8.0% per annum until December 31, 2017, with interest payable monthly and matures on December 31, 2018. Starting January 1, 2018, the credit line bears interest at 6.0% per annum. At December 31, 2017, the amount drawn by our Manager was approximately \$14.5 million, and for the year ended December 31, 2017, interest revenue was \$1,138,464.

We have an outstanding loan to Preferred Capital Marketing Services, LLC, or PCMS, in the original principal amount of \$1.5 million. PCMS is under common control with our Manager. This loan bears interest at 10.0% per annum, with interest payable monthly and matures on December 31, 2018. At December 31, 2017, the amount owed by PCMS was approximately \$0.9 million, and for the year ended December 31, 2017, interest revenue from PCMS was \$99,622.

Conflicts of Interest

We are subject to various conflicts of interest arising out of our relationship with our Manager, and its affiliates, including conflicts related to the arrangements pursuant to which our Manager and its affiliates will be compensated by us. Our agreements and compensation arrangements with our Manager and its affiliates were not determined by arm's length negotiations. We anticipate that future acquisitions by us of assets likely will be mostly from unaffiliated third parties, but we would still consider acquisitions from affiliated third parties if any such acquisition made financial sense to us and was approved by our Conflicts Committee comprised solely of independent directors.

Our Manager and its affiliates will try to balance our interests with their duties to other affiliated or related programs. However, to the extent that our Manager or its affiliates take actions that are more favorable to other entities than to us, these actions could have a negative impact on our financial performance and, consequently, on distributions to our stockholders and the value of our common stock. In addition, our directors, officers and certain of our stockholders may engage for their own account in business activities of the types conducted or to be conducted by our subsidiaries and us.

Our independent directors have an obligation to function on our behalf in all situations in which a conflict of interest may arise, and all our directors have a duty to act in a manner reasonably believed to be in our best interest.

Certain Conflict Resolution Procedures

Every transaction that we enter into with our Executive Officers, our Manager, any member of our Board or any of their respective affiliates or related parties, and any other of our related persons will be subject to an inherent conflict of interest. Our Board may encounter conflicts of interest in enforcing our rights against any affiliate in the event of a default by or disagreement with an affiliate or in invoking powers, rights or options pursuant to any agreement between us and our Executive Officers, our Manager, member of our Board or any of their respective affiliates or related parties, and any other of our related persons. In order to reduce or eliminate certain potential conflicts of interest, our Conflicts Committee will review (i) all transactions we enter into with our Executive Officers, our Manager, any member of our Board or any of their respective affiliates or related parties, and any other of our related persons, and (ii) the allocation of investment opportunities among affiliated entities. The policies and procedures of the Conflicts Committee are evidenced in the charter of the Conflicts Committee.

In addition, our code of business conduct and ethics requires all of our personnel to be vigilant in avoiding a conflict of interest as it relates to our interests and the interests of our officers and directors or the interests of the employees, officers and directors of our Manager when such individuals are acting for or on our behalf. The code prohibits us from, among other things, entering into a transaction or a business relationship with such a related person or in which such a related person has a substantial financial interest, unless such transaction and relationship are disclosed to and approved in advance by our Conflicts Committee.

Each of our directors and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. We review these questionnaires and, if we determine that it is necessary, discuss any reported transactions with the entire Board. We do not have a formal written policy for approval or ratification of such transactions, as all such transactions are evaluated on a case-by-case basis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and officers (as defined in the Exchange Act), and persons who own more than ten percent of a registered class of the Company's equity securities, if any, to file with the SEC reports of ownership of the Company and reports of changes in ownership. Such persons must furnish copies of all such reports that they file to us. Based solely on a review of such reports and written representations of our directors

and officers, we believe that during the fiscal year ended December 31, 2017 ("fiscal year 2017"), the Company's officers, directors and greater than ten percent owners timely filed all reports they were required to file under Section 16(a), other than an aggregate of two late Form 4s by two directors due to late reporting to the Company of sale transactions.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for our Named Executive Officers for fiscal year 2017. Our Named Executive Officers for fiscal year 2017 were John A. Williams, Chief Executive Officer, Michael J. Cronin, Executive Vice President, Chief Accounting Officer and Treasurer, Leonard A. Silverstein, President and Chief Operating Officer, Daniel M. DuPree, Chief Investment Officer, and Joel T. Murphy, Chief Executive Officer - New Market Properties, LLC.

Overview of Compensation Program and Philosophy

We have no employees. We are externally managed by our Manager pursuant to the Management Agreement. All our Named Executive Officers are employees of our Manager and/or affiliates of our Manager that provide services to us. We have not paid, and do not intend to pay in 2018, any cash compensation to our Named Executive Officers. We do not provide our Named Executive Officers with pension benefits, perquisites or other personal benefits. We have no arrangements to make cash payments to our Named Executive Officers upon their termination from service as our officers. While we do not pay our Named Executive Officers any cash compensation, the Compensation Committee may grant our Named Executive Officers equity-based awards intended to align their interests with the interests of our stockholders. In establishing award levels, the Compensation Committee currently does not plan to engage in any benchmarking of award levels/opportunities, believing that there is insufficient information regarding incentive awards in the case of externally-managed REITS. In addition, Mr. Williams has informed us that he intends to have any equity-based awards he is granted transferred to a trust for the benefit of his children for which neither he nor his spouse is the trustee. Mr. Williams has informed us that these planned transfers are made for tax and estate planning purposes. If these equity-based awards are originally granted to Mr. Williams, any transfer will be reported as a disposition by Mr. Williams under Section 16(a) of the Exchange Act.

Say-On-Pay Vote

At our 2015 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our Named Executive Officers. An overwhelming majority of our stockholders (95.2%) that voted on this proposal at the 2015 annual meeting of stockholders approved the compensation of our Named Executive Officers as described in our proxy statement for the 2015 annual meeting of stockholders. The Compensation Committee reviewed the results of this advisory "say-on-pay" vote and considered it in determining specific award amounts granted to our Named Executive Officers for 2017. The Compensation Committee will also carefully consider the results of the stockholder advisory vote on executive compensation when making future decisions on the compensation of our Named Executive Officers, along with other expressions of stockholder views it receives on specific policies and desirable actions. The Company will have a say-on-pay vote at the Annual Meeting regarding the compensation of our Named Executive Officers as described in this Proxy Statement.

Say-on-Pay-Frequency Vote

At our 2012 annual meeting of stockholders, our stockholders who voted on the 2012 say-on-pay frequency vote recommended by a substantial majority (79.9%) that we hold an advisory stockholder vote on the compensation of our Named Executive Officers every three years. As a result of this vote, an advisory vote on the Named Executive Officers compensation was held at the 2015 annual meeting of stockholders. The Company will have a say-on-pay-frequency vote at the Annual Meeting regarding the frequency of future advisory stockholder votes on the compensation of our named executive officers.

Cash and Other Compensation

We do not pay or accrue any salaries or bonuses to our Named Executive Officers.

Supplementary Compensation Disclosure

While not required under the guidelines of the SEC, we have provided supplemental compensation information with respect to our Named Executive Officers in the Summary Compensation Table on Page 24 of this Proxy Statement. This information has been disclosed in order to provide our shareholders with additional information to understand the overall compensation provided to our Named Executive Officers both by our Manager and directly by the Company through the awarding of annual equity grants. As illustrated in the Summary Compensation Table, we believe that the compensation provided to our Named Executive Officers is well aligned with the interests of our shareholders as it is heavily weighted to equity awards that are earned based on the achievement of increases in our market capitalization above pre-determined baseline levels.

Equity-Based Compensation

The Compensation Committee may, from time to time pursuant to our 2011 Stock Incentive Plan, grant our Named Executive Officers equity-based awards, including options, restricted shares, restricted share units, unrestricted shares and other awards based on our shares. No such equity based awards were granted under the 2011 Stock Incentive Plan to our Named Executive Officers in fiscal year 2017.

In addition, under the operating partnership agreement of our operating partnership Class B Units may be granted to our directors, officers (including our Named Executive Officers) and employees (if we ever have employees), employees of our Manager and its affiliates, employees of entities that provide services to us, our Manager and its affiliates, or to entities that provide services to us. To the extent that our Named Executive Officers are granted Class B Units in respect of their services to us, they do not receive duplicate compensation under our 2011 Stock Incentive Plan. These equity-based awards are generally subject to vesting requirements, and are designed to promote the retention of management and to achieve strong performance for the Company. These equity-based awards provide a further benefit to us by enabling our Manager and its affiliates to attract, motivate and retain talented individuals. If and when granted, these equity-based awards are designed to align the interests of our Named Executive Officers with those of our stockholders, by allowing our Named Executive Officers to share in the creation of value for our stockholders through capital appreciation and dividends.

We currently do not have any equity ownership requirements or guidelines for our Named Executive Officers.

We believe our compensation policies are particularly appropriate since we are an externally managed REIT. REIT regulations require us to pay at least 90% of our REIT taxable income to stockholders as dividends. As a result, we believe that our common stockholders are principally interested in receiving attractive risk-adjusted dividends and growth in dividends and market capitalization. Accordingly, we want to provide an incentive to our Named Executive Officers that rewards success in achieving these goals. Since we generally do not have the ability to retain earnings, we believe that equity-based awards serve to align the interests of our Named Executive Officers with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth. Additionally, we believe that equity-based awards are consistent with our stockholders' interest in market capitalization growth as these individuals will be incentivized to grow our market capitalization for stockholders over time. We believe that this alignment of interests provides an incentive to our Named Executive Officers to implement strategies that will enhance our overall performance and promote growth in dividends and growth in our market capitalization.

The Compensation Committee does not use a specific formula to calculate the number of equity awards and other rights awarded to our Named Executive Officers under our 2011 Stock Incentive Plan or our operating partnership agreement. The Compensation Committee does not explicitly set future award levels/opportunities on the basis of what the Named Executive Officers earned from prior awards. While the Compensation Committee will take past awards, if any, into account it will not solely base future awards in view of those past awards. Generally, in determining the specific amounts to be granted to an individual, the Compensation Committee will take into account factors such as our performance, the individual's position, his or her contribution to our performance, and general market practices of our peers and similarly sized companies, as well as the recommendations of our Manager.

Class B Unit Grants

2017 Grants. On January 3, 2017, the Compensation Committee approved the grant of 207,747 Class B Units (the "2017 Class B Units") to the following Named Executive Officers in lieu of reimbursement for aggregate annual cash compensation of \$3,050,000 for 2017:

Name	2017 Class B Units
John A. Williams	64,699

Michael J. Cronin	13,621
Leonard A. Silverstein	51,078
Daniel M. DuPree	51,078
Joel T. Murphy	27,242

The Compensation Committee increased the value of Class B Unit grants approximately 8.0% in 2017 from the value of the Class B Units granted in 2016 to keep the aggregate compensation of the Company's Named Executive Officers (if all 2017 Class B Units are earned) in line with that of the Company's peers. All grants of 2017 Class B Units were determined using the value of the underlying shares of our common stock that may be issued if the market capitalization of the Company hits a target increase of approximately \$4.5 million. This target increase is measured on the first anniversary of the grant and, if not fully met on that date, it is measured quarterly thereafter until the full target increase is met or until the Named Executive Officers forfeits their Class B Units.

All of the the 2017 Class B Units for Messrs. Williams, Silverstein, DuPree and Murphy vested on January 2, 2018 and one third of the 2017 Class B Units of Mr. Cronin vested on January 2, 2018. The unvested 2017 Class B Units of Mr. Cronin will vest equally in January 2019 and January 2020. All determinations, interpretations and assumptions related to the vesting and calculation of the amount of 2017 Class B Units earned were, and will be, made by the Compensation Committee. On January 2, 2018, the Compensation Committee determined that all of the 2017 Class B Units were fully earned and the Class B Units that vested were converted into Class A Units. In making this determination, all market capitalization calculations made by the Compensation Committee were based on the total number of shares of our common stock outstanding on the date of grant and the volume weighted average of the closing per share prices of our common stock reported by the NYSE for the five consecutive trading days ending on (and including) the valuation date. As of January 2, 2018, the Compensation Committee's determination that all 2017 Class B Units were earned was based on our achievement as of the valuation date of an approximately \$164.8 million increase in our market capitalization above the baseline value of approximately \$384.7 million on the date of grant. All vested and earned 2017 Class B Units automatically converted on a one-for-one basis into Class A Units of our operating partnership which are exchangeable for shares of our common stock on a one-for-one basis, or cash, as elected by us. Any shares of our common stock underlying the Class A Units, if and when issued, will be issued pursuant to our 2011 Stock Incentive Plan. The Compensation Committee believes the grant of the 2017 Class B Units aligned the interests of these Named Executive Officers closely with the interests of our stockholders in growth in dividends and our market capitalization.

The 2017 Class B Units were designed to qualify as "profits interests" in our operating partnership for federal income tax purposes. As a general matter, the profits interests' characteristics of the 2017 Class B Units means that at the time of grant they were not economically equivalent in value to a Class A Unit and the economic value increase over time as and when earned.

The 2017 Class B Units also provided provisions for accelerated vesting and determination of the number earned in the event of a change of control or termination of service prior to January 2, 2018. For more information see "Potential Payments upon Termination or Change of Control" below.

Accounting and Tax Considerations

ASC 718. We generally follow guidance for stock-based awards under ASC 718. Certain future stock-based compensation expense will be affected by our stock price, the number of stock-based awards our Compensation Committee grants, if any, in fiscal year 2018 and subsequent years, as well as a number of complex and subjective valuation assumptions and the related tax impact. These valuation assumptions may include, but are not limited to, dividend yields on our stock, risk-free interest rates, the expected term of the award and the volatility of our common stock price.

Role of Executive Officers in the Compensation Process

Our Chief Executive Officer, our President and Chief Operating Officer and our Chief Investment Officer provide input and recommendations to the Compensation Committee for the compensation, if any, paid to each of our Named Executive Officers. The Compensation Committee considers these recommendations when determining salary, if any, awarding incentive compensation and setting incentive opportunities for the coming year. In addition, our Chief Accounting Officer analyzes the financial implications of various executive compensation plan designs.

Independent Compensation Consultant

In 2015, the Compensation Committee engaged FPL Associates ("FPL") as its independent compensation consultant to advise the Compensation Committee with respect to our equity-based compensation program for our Named

Executive Officers in 2016. Prior to engaging FPL in 2015, no independent consultants were used by the Company or the Compensation Committee. All of FPL's work was done at the direction of or on behalf of the Compensation Committee, who considered the independence of FPL in accordance with NYSE requirements. Although the Compensation Committee considers the advice of its independent consultant, the Compensation Committee has the final decision-making authority with respect to all elements of compensation. FPL does not provide any additional services to us. FPL was not engaged for 2017.

Securities Trading Policy

We maintain a comprehensive securities trading policy which provides, among other things, that "covered persons" and "insiders" who are aware of material, non-public information regarding the Company may not disclose or trade on such information. In addition, "covered persons" and "insiders" are prohibited from transacting in derivative securities of the Company, short selling Company securities, buying or selling Company securities during any blackout period, holding Company stock in a margin account or pledging Company stock as collateral for a loan. Individuals classified as "insiders" (which include the Named Executive Officers) and their family members generally may not buy or sell Company securities without prior approval of the Company's General Counsel, except under approved Rule 10b5-1 trading plans. To our knowledge, our Named Executive Officers comply with the policy, and none of our Named Executive Officers currently holds our securities in a margin account or has used our securities as collateral for a loan.

COMPENSATION COMMITTEE REPORT

Our Compensation Committee has furnished the following report. The information contained in this "Compensation Committee Report" is not to be deemed "soliciting material" or "filed" with the SEC, nor is such information to be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference into such filings.

Our Compensation Committee has reviewed and discussed the "Compensation Discussion and Analysis" required by Item 402(b) of Regulation S-K of the Exchange Act with management.

Based on such review and discussions, our Compensation Committee recommended to our Board that the "Compensation Discussion and Analysis" be included in this Proxy Statement and in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 for filing with the SEC.

- (1) While disclosed here, salary and cash bonus amounts are not paid by the Company. All amounts were paid by the Manager except for Mr. Murphy, who was paid his salary and bonus solely by NMP Advisors, LLC. Represents the total grant date fair value of the Class B Units granted in 2015, 2016 and 2017 determined in accordance with ASC 718. We engaged a third party valuation consultant to develop the grant date fair values of the Class B Units using a Monte-Carlo simulation. The simulation was run using assumptions regarding dividend yield, expected volatility, risk-free interest rate and service period. Since we had a limited amount of operating history in the public equity market, in 2015, the expected volatility assumption was derived from the observed historical volatility of the common stock prices of a select group of peer companies within the REIT industry that most closely approximate our size, capitalization, leverage, line of business and geographic focus markets (as discussed in "Compensation Discussion and Analysis"). In 2016, we began using our own public equity market history for the expected volatility assumption.

CEO Pay Ratio

As a result of the recently adopted rules under the Dodd-Frank Act, beginning with our 2018 proxy statement, the SEC requires disclosure of the CEO to median employee pay ratio. However, since we have no employees and all of

our Named Executive Officers are employees of our Manager and/or affiliates of our Manager that provide services to us, we do not have a pay ratio to disclose.

Our 2017 Class B Unit awards do not have threshold (or minimum amount) numbers of Class B Units that are earned for a certain level of performance under the award agreements. As such, the threshold level shown in the table is "N/A" based on the fact that there is a potentially infinite time over which the Class B Units may be earned, subject to the Named Executive Officer's continued service. All of the the 2017 Class B Units for Messrs.

- (1) Williams, Silverstein, DuPree and Murphy vested on January 2, 2018 and one third of the 2017 Class B Units of Mr. Cronin vested on January 2, 2018. The unvested 2017 Class B Units of Mr. Cronin will vest equally in January 2019 and January 2020. On January 2, 2018, the Compensation Committee determined that all of the 2017 Class B Units were fully earned and that all of the vested 2017 Class B Units were converted to Class A Units.

- Our target and maximum amounts are the same as the specified performance target of an aggregate approximate (2)\$4.6 million increase in our market capitalization after a one-year vesting period, which would result in all of the 2017 Class B Units being earned.

Except with respect to Mr. Cronin, the Class B Units granted in 2017 vested pursuant to their terms on January 2, 2018. With respect to Mr. Cronin, one third of Class B Units granted in 2017 vested on January 2, 2018, and the unvested 2017 Class B Units of Mr. Cronin will vest equally in January 2019 and January 2020. On January 2, 2018, the Compensation Committee determined that all of the 2017 Class B

Units were fully earned and were converted to Class A Units.

Represents the number of Class B Units granted on January 4, 2016 that vested on January 3, 2017 and were (1) earned on January 3, 2017 and became Class A Units when earned, which are exchangeable for shares of our common stock on a one-for-one basis, or cash, as elected by us.

The amounts are calculated by multiplying \$14.91, the closing price of our common stock as reported by the NYSE (2) on December 30, 2016 (the last trading date prior to the vesting date), by the number of Class B Units converted to Class A Units.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Under the 2017 Class B Unit grants, in the event that we would have experienced a change of control prior to January 2, 2018, 100% of the 2017 Class B Units would have immediately and automatically vested at that time. In addition, a calculation to determine if, and to what extent, the 2017 Class B Units were earned would have been made using the fair value of our common stock on a per share basis, as determined by the Compensation Committee based on the total consideration paid or payable in the transaction resulting in the change of control, to calculate our market capitalization.

The 2017 Class B Unit grants also provided that in the event a participant's service as an executive officer with us terminated due to death or disability prior to January 2, 2018, a pro rata portion of the participant's 2017 Class B Units would be forfeited based upon the number of days from the date of the death or disability to January 2, 2018, but the unforfeited portion of the participant's 2017 Class B Units would fully vest as of the date of the participant's death or disability.

Further, under the 2017 Class B Units, if a participant's service as an executive officer with us would have ceased for any reason other than death, disability or change of control, any 2017 Class B Units that had not been earned and vested would have been automatically forfeited, although the Compensation Committee could have, in its sole discretion, determined that all or any portion of any of the 2017 Class B Units awarded should become fully vested and not forfeited.

If on December 31, 2017 we had incurred a change of control or the Named Executive Officers' service with us would have terminated due to death or disability, assuming that all 2017 Class B Units would have become vested and earned as of such date, and without regard to any proration, Messrs. Williams, Cronin, Silverstein, DuPree and Murphy's 2017 Class B Units would have vested and been earned as of such date with values of \$1,310,155, \$91,955, \$1,034,330, \$1,034,330 and \$551,651, respectively. Such amounts are calculated by multiplying \$20.25 (the closing price of our common stock as reported on December 29, 2017 by the NYSE), by the applicable number of 2017 Class B Units.

AUDIT COMMITTEE REPORT

Our Audit Committee has furnished the following report.

The information contained in this "Audit Committee Report" is not to be deemed "soliciting material" or "filed" with the SEC, nor is such information to be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate it by reference into such filings.

The Audit Committee reviews our financial reporting process on behalf of the Board of Directors of Preferred Apartment Communities, Inc. (the "Board"). Management is responsible for the financial statements and the reporting process, including the system of internal controls. PricewaterhouseCoopers LLP, our independent registered public accounting firm, is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America.

In fulfilling its responsibilities:

- The Audit Committee reviewed and discussed the audited financial statements contained in the 2017 Annual Report on SEC Form 10-K with our management and with PricewaterhouseCoopers LLP.
- The Audit Committee discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 1301, Communication with Audit Committees.

The Audit Committee received from PricewaterhouseCoopers LLP written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding PricewaterhouseCoopers LLP's communications with the audit committee regarding independence, and discussed with PricewaterhouseCoopers LLP its independence from us and our management.

In reliance on the reviews and discussion noted above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in our Annual Report on SEC Form 10-K for the fiscal year ended December 31, 2017, for filing with the SEC.

PROPOSAL NO. 2 - PROPOSAL TO APPROVE (ON AN ADVISORY BASIS) COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT

Our Board of Directors recommends a vote FOR the proposal to approve compensation of the Named Executive Officers as Disclosed in this Proxy Statement

General

Our Board is committed to corporate governance best practices and recognizes the significant interest of stockholders in executive compensation matters. In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are providing stockholders with the opportunity to cast an advisory vote on the 2017 compensation of our Named Executive Officers as disclosed in this Proxy Statement, including in the section entitled "Compensation Discussion and Analysis," the compensation tables and other executive compensation disclosures.

The stockholder vote will not be binding on us or our Board, and it will not be construed as overruling any decision by us or our Board or creating or implying any change to, or additional, fiduciary duties for us or our Board. Nevertheless, the Board's Compensation Committee, which is comprised solely of independent directors and is responsible for making decisions regarding the amount and form of compensation paid to our executive officers, will carefully consider the stockholder vote on this matter, along with other expressions of stockholder views it receives on specific policies and desirable actions. If there are a significant number of unfavorable votes, we will seek to understand the concerns that influenced the vote and address them in making future decisions affecting the executive compensation program.

As discussed in the Compensation Discussion and Analysis beginning on page 20 of this Proxy Statement, our Board believes that our compensation program is directly linked to our business objectives of generating income for our stockholders and growing our market capitalization. For example:

While we do not pay our Named Executive Officers any cash compensation, our Compensation Committee may grant our Named Executive Officers equity awards intended to align their interests with those of our stockholders, thereby allowing our Named Executive Officers to share in the creation of value for our stockholders through stock appreciation and dividends.

These equity awards are generally subject to vesting requirements, and are designed to promote the retention of management and to achieve strong performance for our Company.

These awards further provide flexibility to us in our ability to enable our Manager and its affiliates to attract, motivate and retain talented individuals at our Manager and its affiliates.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL (ON AN ADVISORY BASIS) OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL NO. 3 - PROPOSAL REGARDING THE FREQUENCY (ON AN ADVISORY BASIS) OF EXECUTIVE COMPENSATION ADVISORY VOTES

While you have the opportunity to vote for every one, two or three years, or abstain from voting on the frequency of say-on-pay votes, our Board unanimously recommends that you vote for a frequency of say-on-pay votes of **THREE YEARS**.

We are seeking a vote from stockholders as to whether an advisory vote on executive compensation should occur every one, two or three years. The option (every one, two or three years) receiving the greatest number of "for" votes will be considered the frequency recommended by stockholders. We are providing this advisory vote as required pursuant to Section 14A of the Exchange Act. The last such vote occurred at our 2012 Annual Meeting of Stockholders where over 79.9% of the shares were voted for having our say-on-pay vote every three years.

We continue to believe that a vote that occurs every three years will permit stockholders to evaluate our executive compensation program against our long-term performance. We believe that our compensation program is directly linked to our principal business objective of generating income for our stockholders and growing our market capitalization.

The results of our last say-on-pay vote held at our 2015 Annual Meeting of Stockholders resulted in approximately 95.2% of the voted shares voting FOR the say-on-pay vote. In addition, the previous say-on-pay vote held at our 2012 Annual Meeting of Stockholders resulted in approximately 98.5% of the voted shares voting FOR the say-on-pay vote. With these strong votes regarding say-on-pay, we believe it makes sense to continue with holding our say-on-pay vote every three years.

We take a long-term view toward our performance, and therefore believe it is most appropriate for stockholders to express their views on our compensation program every three years. In determining to recommend that the stockholders select a frequency of once every three years, our Board considered how an advisory vote at such frequency will provide our stockholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, objectives and practices in the context of our long-term business results for such period, while avoiding overemphasis on short-term fluctuations in compensation and business results that could occur over shorter periods of time. An advisory vote occurring once every three years will also permit our stockholders to fully observe and evaluate the impact of any changes to our executive compensation philosophy and objectives that have occurred since the last advisory vote on named executive officer compensation, including any changes in response to the outcome of a prior advisory vote on named executive officer compensation.

If a stockholder has a concern about our compensation program and would like to contact us, our Board and our Compensation Committee may be contacted either individually or as a group at any time as noted under "Communications with Our Board of Directors" in this Proxy Statement.

Although this advisory vote will not be binding on us or our Board, and it will not be construed as overruling any decision by us or our Board or creating or implying any change to, or additional, fiduciary duties for us or our Board, the Board's Nominating and Corporate Governance Committee will take into account the outcome of this vote when considering the frequency of future advisory votes on named executive officer compensation. Pursuant to the federal securities rules, we will hold our next advisory say-on-pay-frequency vote at our annual meeting in 2024.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU SELECT "EVERY THREE YEARS" FOR THE FREQUENCY OF ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION.

PROPOSAL NO. 4 – RATIFICATION OF SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM

Our Board of Directors recommends a vote FOR the ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

Our Board has selected PricewaterhouseCoopers LLP as our independent registered public accounting firm for the 2018 fiscal year, subject to ratification by our stockholders. If our stockholders do not ratify such selection, it will be reconsidered by our Board. Even if the selection is ratified, our Audit Committee, in its discretion, may direct the selection of a different independent registered public accounting firm at any time during the year if our Audit Committee determines that such a change would be in our stockholders' best interests. Representatives of PricewaterhouseCoopers LLP are expected to be present at the 2018 Annual Meeting of Stockholders, with the opportunity to make a statement, should they so desire, and to be available to respond to appropriate questions.

Principal Accountant Fees and Services

All other fees consist the preparation of comfort letters and other related matters in connection with securities (4) offerings by the Company in 2016 and 2017.

Pre-Approval Policies

Our Audit Committee reviews each service on a case-by-case basis before approving the engagement of PricewaterhouseCoopers LLP for all audit or permissible non-audit services. All of the non-audit services for 2016 and 2017 were approved by the Audit Committee.

Consideration of Non-Audit Services Provided by the Independent Registered Public Accounting Firm

Our Audit Committee has concluded that the non-audit services provided by PricewaterhouseCoopers LLP are compatible with maintaining the independent registered public accounting firm's independence.

THE BOARD UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

OTHER BUSINESS

Our Board does not presently intend to bring any other business before the Annual Meeting, and, so far as known to our Board, no matters are to be brought before the Annual Meeting, except as specified in the Notice of Annual Meeting. As to any business that may properly come before the Annual Meeting, however, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.

By Order of the Board of Directors,
Leonard A. Silverstein
President and Chief Operating Officer
