Item 2.02. Results of Operations and Financial Condition.

On April 28, 2016, Groupon, Inc. (the “Company”) issued a press release announcing its financial results for its fiscal quarter ended March 31, 2016. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements for Certain Officers.

On April 28, 2016, the Company announced that Michael Randolfi, age 43, will be appointed as the Company’s Chief Financial Officer, effective immediately following the filing of the Company’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2016 (the “Form 10-Q”). Mr. Randolfi will serve as Chief Financial Officer Designate until the filing of the Form 10-Q.

Prior to joining the Company, Mr. Randolfi served as the Chief Financial Officer of Orbitz Worldwide, Inc. from March 2013 until November 2015 (when he departed following its acquisition by Expedia, Inc.), with global responsibility for Orbitz’s accounting, financial planning and analysis, investor relations, tax, procurement, and treasury functions. Prior to joining Orbitz, Mr. Randolfi served as Vice President and then as Senior Vice President and Controller at Delta Air Lines from February 2008 to February 2013. From June 1999 to February 2008, he held various executive positions at Delta Air Lines in financial planning and analysis, controllership and treasury. Prior to his 14-year career at Delta, Mr. Randolfi held positions with Continental Airlines and Raymond James and Associates. Mr. Randolfi is a CPA and a certified management accountant.

The Company issued a press release on April 28, 2016 announcing the appointment of Mr. Randolfi as its Chief Financial Officer, which is attached hereto as Exhibit 99.2 and incorporated herein by reference.

In connection with his appointment as Chief Financial Officer, Mr. Randolfi will receive an annual base salary of \$425,000, and he will be eligible for an annual performance bonus with a target amount of \$425,000. For 2016, Mr. Randolfi will receive a guaranteed annual performance bonus of at least \$292,260 (pro-rated for performance year), payable in the first quarter of 2017, unless prior to the payment date Mr. Randolfi terminates his employment for any reason other than Good Reason or the Company terminates his employment for Cause (with such terms defined in his severance benefit agreement). Mr. Randolfi also will receive a one-time signing bonus of \$200,000. The signing bonus is subject to clawback by the Company, on a prorated basis, in the event that, on or before the one-year anniversary of his employment start date, Mr. Randolfi terminates his employment for any reason other than Good Reason or the Company terminates his employment for Cause.

In addition, Mr. Randolfi received an award of 696,153 restricted stock units (“RSUs”) under the Groupon, Inc. 2011 Incentive Plan, as amended (the “Incentive Plan”), of which 287,581 RSUs will vest on April 25, 2017, 220,000 RSUs will vest quarterly in four equal installments beginning on July 25, 2017, and 188,572 RSUs will vest quarterly in four equal installments beginning on July 25, 2018. Mr. Randolfi also will be eligible to earn the following number of target performance stock units (“PSUs”) under the Incentive Plan over a three year period: (i) 71,895 PSUs in 2016, (ii) 55,000 PSUs in 2017 and (iii) 47,143 PSUs in 2018. The PSUs have a maximum payout capped at 200% of the target award for the applicable year. The actual number of PSUs earned in any period, if at all, will be determined based on the Company meeting specific performance objectives to be established by the Compensation Committee within the first 90 days of the applicable year. In addition, the vesting of the RSUs and the issuance of the PSUs is subject to Mr. Randolfi’s continued employment on the applicable vesting or grant date.

Under Mr. Randolfi’s severance benefit agreement, he will receive severance benefit amounts upon a termination of employment without Cause or for Good Reason equal to twelve months of salary, benefits and equity award acceleration, plus in the event that his employment is terminated in connection with a change in control of the Company, he will receive equity award acceleration equal to 50% of his outstanding equity awards.

There are no family relationships between Mr. Randolfi and any of the directors and executive officers of the Company, and there are no transactions in which Mr. Randolfi has an interest requiring disclosure under Item 404(a) of Regulation S-K.

The description of the terms of Mr. Randolfi’s employment is not complete and is qualified in its entirety by the employment offer letter, dated as of April 19, 2016, between the Company and Mr. Randolfi, which is attached hereto

Edgar Filing: Groupon, Inc. - Form 8-K

as Exhibit 10.1 and incorporated by reference herein.

In connection with Mr. Randolfi's appointment as Chief Financial Officer effective immediately following the filing of the Form 10-Q, Brian Kayman will no longer serve as the Company's Interim Chief Financial Officer. The Company and Mr. Kayman are exploring new opportunities for Mr. Kayman at Groupon.

In addition, in recognition of the increased responsibilities and contributions of Brian Kayman, Interim Chief Financial Officer, Brian Stevens, Chief Accounting Officer, and Dane Drobny, General Counsel and Corporate Secretary, during the period in which the Company did not have a permanent Chief Financial Officer, the Compensation Committee of the Board approved RSU awards to Messrs. Kayman, Stevens, and Drobny. The Compensation Committee awarded (i) 50,000 RSUs to Mr. Kayman, with 25,000 RSUs vesting on June 1, 2016 and 25,000 RSUs vesting on December 31, 2016, (ii) 50,000 RSUs to Mr. Stevens, with 25,000 RSUs vesting on June 1, 2016 and 25,000 RSUs vesting on December 31, 2016, and (iii) 107,188 RSUs to Mr. Drobny, with 53,594 RSUs vesting on June 1, 2016 and 53,594 RSUs vesting on December 31, 2016. The RSUs otherwise are subject to the Company's standard terms under the Incentive Plan.

Item 7.01. Regulation FD

On April 4, 2016, the Company issued \$250 million in aggregate principal amount of 3.25% senior convertible notes due 2022 (the "Notes"). As previously disclosed, the Company has explored entering into hedge and warrant transactions that would be designed to offset, in part, the potential dilution from the Notes, and, in the near future, expects to enter into hedge transactions with one or more financial institutions (the "option counterparties"). The hedge transactions will cover the number of shares of Groupon Class A common stock underlying the Notes (subject to anti-dilution adjustments). Concurrently with entering into the hedge transactions, Groupon also expects to enter into warrant transactions with the option counterparties whereby Groupon will sell to the option counterparties warrants to purchase up to the same number of shares of Groupon Class A common stock underlying the Notes (subject to anti-dilution adjustments). Although the Company expects to enter into these transactions in the near future, there can be no assurance that the Company will complete the transactions in the anticipated timeframe or at all.

In connection with establishing their initial hedge of the convertible note hedge transactions and warrant transactions, the option counterparties and/or their respective affiliates expect to purchase shares of Groupon Class A common stock and/or enter into various derivative transactions with respect to Groupon Class A common stock. This activity could increase (or reduce the size of any decrease in) the market price of Groupon Class A common stock or the Notes at that time. In addition, the option counterparties and/or their respective affiliates may modify their hedge positions by entering into or unwinding various derivatives with respect to Groupon Class A common stock and/or purchasing or selling Groupon Class A common stock or other securities of the Company in secondary market transactions prior to the maturity of the Notes. This activity could also cause or avoid an increase or a decrease in the market price of Groupon Class A common stock or the fair value of the Notes.

The information in this Item 7.01 is being furnished and shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
