PROXY STATEMENT

This proxy statement is delivered in connection with the solicitation of proxies by the Board of Directors (the "Board") of NMI Holdings, Inc. for use at our 2015 Annual Meeting of Stockholders ("Annual Meeting"), to be held as a virtual meeting on Thursday, May 14, 2015, at 9:00 a.m. Pacific Time/12:00 p.m. Eastern Time, and any postponement or adjournment of the meeting. You will be able to attend the Annual Meeting via live audio webcast and vote and submit questions during the meeting by visiting www.virtualshareholdermeeting.com/NMIH2015 when you enter your 16-digit Control Number provided to you on your Notice of Internet Availability of Proxy Materials or on your proxy card if you receive materials by mail. We encourage you to vote prior to the meeting on the proposals described in this proxy statement as described below. In this proxy statement we sometimes refer to NMI Holdings, Inc. as "NMI," "the Company," "we," "our" or "us."

This proxy statement and form of proxy card are first being sent to stockholders on March 30, 2015 in order to furnish information relating to the business to be transacted at the meeting. A copy of the Notice of 2015 Annual Meeting of Stockholders ("Notice of Meeting") accompanies this proxy statement. These materials are also available on the internet at www.proxyvote.com.

ABOUT THE ANNUAL MEETING AND PROXY STATEMENT

What Is the Purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act on the matters listed in our Notice of Meeting, including the election of the seven directors named in this proxy statement and the ratification of the appointment of BDO USA, LLP ("BDO") as our independent registered public accounting firm for the year ending December 31, 2015.

Who Is Entitled to Notice of and to Vote at the Annual Meeting?

Only stockholders of record at the close of business on March 19, 2015, the record date for the Annual Meeting, are entitled to receive notice and to vote. For each share of Class A common stock that you held on that date, you are entitled to one vote on each matter considered at the meeting. On the record date, 58,519,558 shares of Class A common stock were outstanding and entitled to vote.

Why did I receive a notice regarding Internet availability of proxy materials instead of a paper copy of printed materials?

Pursuant to rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we are permitted to furnish proxy materials, including this proxy statement, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Consequently, our stockholders generally will not receive paper copies of our proxy materials unless they request them. Beginning on or about March 30, 2015, we will send to our stockholders of record and beneficial owners a Notice of Internet Availability of Proxy Materials (the "Availability Notice") containing instructions on how to access this proxy statement and our Annual Report via the Internet and vote online. As a result, you will not receive a printed copy of the proxy materials in the mail unless you request a copy. All stockholders will have the ability to access the proxy materials on a website referred to in the Availability Notice and may request a printed set of the proxy materials free of charge by mail or electronically from such website. If you would like to receive a printed or electronic copy of our proxy materials, you should follow the instructions for requesting such materials included in the Availability Notice. By participating in the e-proxy process, we will save money on the cost of printing and mailing documents to you and reduce the environmental impact of our annual stockholders' meetings.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

Pursuant to rules adopted by the SEC, we are delivering a single copy of the Availability Notice and, if applicable, proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. The householding process will save us money on the cost of printing and mailing documents to you and reduce the impact of our annual stockholders' meetings on the environment.

Edgar Filing: NMI Holdings, Inc. - Form DEF 14A

Stockholders who participate in householding will continue to be able to receive separate proxy cards and vote separately. Upon request, we will deliver promptly a separate copy of the Availability Notice and, if applicable, the proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these documents. If you would like to receive a separate copy, please send a request to the Corporate Secretary at

1

our executive offices. If your shares are held of record by a broker, bank or other nominee, please contact that record holder to request information about householding.

How Do I Attend the Annual Meeting?

As permitted by Delaware law and our Third Amended and Restated Bylaws (the "Bylaws"), the Company's Annual Meeting will be held solely as a virtual meeting live via the Internet. The meeting will not be held at any physical location. You will be able to attend the Annual Meeting via live audio webcast by visiting the Company's virtual meeting website at www.virtualshareholdermeeting.com/NMIH2015 on Thursday, May 14, 2015, at 9:00 a.m. Pacific Time/12:00 p.m. Eastern Time. Upon visiting the meeting website, you will be prompted to enter your 16-digit Control Number provided to you on your Availability Notice or on your proxy card if you receive materials by mail. Your unique Control Number allows us to identify you as a stockholder and will enable you to securely log on, vote and submit questions during the Annual Meeting on the meeting website. Further instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are available at www.proxyvote.com.

How Do I Vote My Shares?

If you were a registered stockholder on the record date, you may vote your shares of Class A common stock by visiting the Company's online voting website at www.proxyvote.com and following the voting instructions on the website. You may also vote your shares by telephone by calling 1-800-690-6903 and following the voting instructions read to you by the automated operator.

Upon visiting the meeting website or calling the call-in telephone line, you will be prompted to enter your 16-digit Control Number provided to you on your Availability Notice or on your proxy card if you receive materials by mail. Your unique Control Number allows us to identify you as a stockholder and will enable you to securely cast votes. Internet and telephone voting facilities for stockholders of record will be available 24 hours a day beginning at 12:01 a.m. Eastern Time on March 31, 2015. Internet and telephone voting will close promptly at 8:59 p.m. Pacific Time/11:59 p.m. Eastern Time, on Wednesday, May 13, 2015. After this, you will only be able to vote by attending the Annual Meeting via live audio webcast, as described above. After voting is closed, you will no longer have the ability to vote your shares.

If you are a registered stockholder as of the record date and hold your shares in more than one fund or other affiliated investment vehicle, you will receive separate voting credentials for each such entity that is a record holder of shares of our Class A common stock. Please be sure to log on separately for each fund in order to cast all votes that you are entitled to cast at the Annual Meeting.

If you received your proxy materials by mail or if you request paper copies of the proxy materials, you can vote by mail by marking, dating, signing and returning the proxy card in the postage-paid envelope. Further instructions on how to vote by mail are included on the proxy card.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted.

Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers.

How Are Votes Counted?

A quorum is necessary for us to conduct the business of the Annual Meeting. This means that holders of at least a majority of the shares of Class A common stock entitled to vote must be present at the meeting. Your shares are counted as present at the Annual Meeting if they are voted. Shares that "ABSTAIN" and broker non-votes (shares held by a broker or nominee that has not received voting instructions from its client and does not have discretionary authority to vote) on any matter will be counted to determine the presence of a quorum, but will not be counted as votes for or against any matter.

Under our Bylaws, directors are elected by a plurality of the votes cast. Accordingly, the seven director nominees that receive the greatest number of votes at the Annual Meeting will be elected. In an uncontested election of directors, a director will be elected if he or she receives at least one vote.

Under our Bylaws, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2015 requires the affirmative vote of a majority of the shares

present in person or represented by proxy at the meeting and entitled to vote at the meeting.

2

How May I Access the Stockholder List?

Under our Bylaws, stockholders are permitted to access a list showing the name, registered address and number of registered shares for each registered stockholder of the Company entitled to vote at the Annual Meeting. The list is open to the examination of any stockholder at our executive offices, for any purpose germane to the Annual Meeting, during ordinary business hours for 10 days prior to the Annual Meeting. During the Annual Meeting, you may access the list by visiting www.virtualshareholdermeeting.com/NMIH2015 when you enter your 16-digit Control Number provided to you on your Availability Notice or on your proxy card if you receive materials by mail.

May I Change My Vote?

You may revoke your proxy and change your vote at any time before the proxy is exercised at the meeting. You may change your vote by submitting another proxy on a later date on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the meeting will be counted), or by signing and returning a new proxy card with a later date, or by attending the Annual Meeting and voting during the meeting. Your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the meeting or specifically request in writing that your prior proxy be revoked by providing a written notice of revocation to the Company's Corporate Secretary at our executive offices.

How Does the Board Recommend that I Vote?

The Board recommends that you vote:

"FOR" each of the nominees for director (Item 1); and

"FOR" the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2015 (Item 2).

Will Any Other Items Be Acted upon at the Meeting?

As of the date of this proxy statement, the Board does not know of any other business to be presented at the Annual Meeting. If other business is properly brought before the Annual Meeting, your proxy card will be voted in the discretion of the proxies with respect to such other business unless you earlier revoke your proxy.

We currently qualify as an emerging growth company under the Jumpstart Our Business Startups Act and, as such, we are exempt from the requirement to hold an advisory vote on executive compensation and the requirement to hold an advisory vote on the frequency of holding such advisory votes on executive compensation. We became a public company during the fourth quarter of 2013. Given our short history as a public company, the Board believes it is appropriate to take advantage of this exemption for 2015.

What Is the Deadline for Submission of Stockholder Proposals and Director Nominees for the Next Annual Meeting?

Stockholder proposals submitted pursuant to SEC Rule 14a-8 for inclusion in our 2016 proxy statement (other than nominations for candidates for election as directors) and to be acted upon at our 2016 annual meeting of stockholders must be received by us, attention: Corporate Secretary, at our executive offices on or prior to December 1, 2015. If, however, the 2016 annual meeting is more than 30 days before or after the anniversary date of the 2015 Annual Meeting, then the deadline for shareholder proposals submitted pursuant to SEC Rule 14a-8 for inclusion in our 2016 proxy statement and to be acted upon at our 2016 annual meeting shall be a date that we determine to be a reasonable time before we begin to print and send our proxy materials. In this event, we will disclose this deadline in a public filing with the SEC.

Under our Bylaws, a stockholder who wishes to submit a proposal for consideration at the 2016 annual meeting not pursuant to SEC Rule 14a-8, including nominations of candidates for election as directors, must give timely written notice of the proposal to the Corporate Secretary at our executive offices in accordance with the procedures set forth in our Bylaws, written copies of which are available on our website at ir.nationalmi.com/governance.cfm. Such notice must be delivered to the Corporate Secretary no earlier than the close of business on January 15, 2016 and no later than the close of business on February 14, 2016. If, however, the date of the 2016 annual meeting is more than 30 days before or more than 60 days after the anniversary date of the 2015 Annual Meeting, notice must be delivered by the stockholder between the close of business on the 120th day before and the close of business on the 90th day before the date of the 2016 annual meeting or, if the first public announcement of the date of the 2016 annual meeting is less than 100 days before the date of such meeting, then the notice by the stockholder must be delivered by the 10th day after such public announcement. The notice must comply with the disclosure requirements set forth in our Bylaws.

Who Bears the Cost of this Solicitation?

The Company bears the costs of preparing, assembling and delivering these proxy-soliciting materials and all costs of solicitation of proxies from our stockholders.

How May I Obtain a Copy of the Company's Annual Report on Form 10-K?

Our Annual Report on Form 10-K for the year ended December 31, 2014 has been posted, and is available without charge, on our corporate website at ir.nationalmi.com/financials.cfm. In addition, we will provide, without charge, a copy of our Annual Report on Form 10-K for the year ended December 31, 2014 (including the financial statements and the financial statement schedules but excluding the exhibits thereto) to any shareholder of record or beneficial owner of our common stock. Requests can be made by writing to NMI Holdings, Inc., Attention: Corporate Secretary, 2100 Powell Street, 12th Floor, Emeryville, CA 94608.

Whom Should I Contact with Additional Questions?

If you have any questions about the proxy voting process, please contact the bank, broker or other nominee through which you hold your shares. Additionally, if you have any questions unrelated to voting your shares, please contact John Swenson at (510) 788-8417 or by email at john.swenson@nationalmi.com.

ITEM 1 - ELECTION OF DIRECTORS

Our Bylaws provide that the number of members of our Board will be determined from time to time by resolution of the Board. The Board currently consists of seven members. Upon election, each of our directors serves a one-year term until his or her successor is elected and qualified or until his or her earlier death, resignation or removal.

The Board, upon the recommendation of the Governance and Nominating Committee of the Board, has nominated Bradley M. Shuster, Michael Embler, James G. Jones, Michael Montgomery, John Brandon Osmon, James H. Ozanne and Steven L. Scheid for re-election to the Board to serve for one year, until our 2016 Annual Meeting of Stockholders.

Information about Our Directors

The Governance and Nominating Committee is responsible for recommending to the Board a slate of nominees for election as directors at the Company's annual meeting of stockholders. Although the Board does not have a formal diversity policy, the Board believes that the members of the Board, as a whole, should possess a combination of skills, professional experience and diversity of backgrounds necessary to oversee our business. Accordingly, the Board and the Governance and Nominating Committee consider the qualifications of director candidates individually and in the broader context of the Board's overall composition and the Company's current and future needs. The Governance and Nominating Committee seeks a variety of occupational and personal backgrounds on the Board in order to obtain a range of viewpoints and perspectives and to enable the Board to have access to a diverse body of talent and expertise relevant to the Company's activities.

The Board and the Governance and Nominating Committee consider a variety of factors when reviewing the qualifications of each director nominee, which are set forth in our Corporate Governance Guidelines, written copies of which are posted on our website at ir.nationalmi.com/governance.cfm. At present, the Governance and Nominating Committee does not use third parties to help identify nominees for the Board, although it reserves the right to do so in the future. The Company believes that each director nominee should:

- possess fundamental qualities of intelligence, honesty, perceptiveness, good judgment, maturity, high ethics and standards, integrity, fairness and responsibility;
- maintain a genuine interest in the Company and the recognition that as a member of the Board he or she is accountable to the stockholders of the Company and not to any particular interest group;
- have financial services industry experience gained through senior management or board of director service;
- have prior board experience, either as a director of a public company or as both an executive officer of a public company and a director of a privately held company;
- not serve on more than three other boards of directors of companies;
- meet the independence requirements under NASDAQ listing requirements (other than our management directors);
- have the ability and be willing to spend the time required to function effectively as a director;
- be compatible and able to work well with other directors and executives in a team effort with a view to a long-term relationship with the Company as a director; and
- possess independent opinions and be willing to express them in a constructive manner.

In addition, our Corporate Governance Guidelines provide that a majority of our directors must be independent.

The following provides biographical information about each of our director nominees. In reaching its determination to recommend each of the director nominees for election at this Annual Meeting, the Board and the Governance and Nominating Committee considered the qualifications of these nominees and determined that each nominee meets the above-listed criteria and is highly skilled and qualified to serve as a member of the Board and to work with management to guide and develop the Company as an industry leader in the private mortgage insurance industry.

CORPORATE GOVERNANCE AND BOARD MATTERS

The Board oversees the management of the Company and our business. The Board selects our Chief Executive Officer and in conjunction with our Chief Executive Officer selects the rest of our senior management team, which is responsible for operating our business.

The Board held nine meetings during 2014. Each director attended at least 75% of the meetings of the Board and committees of the Board on which he served during 2014. Our policy is that all of our directors are expected to attend our annual stockholder meeting. Each of our seven directors attended the Company's 2014 Annual Stockholder Meeting.

Board Leadership

Mr. Shuster serves as Chairman of the Board and Chief Executive Officer. The Board believes that we and our stockholders are best served at this time by this leadership structure, in which a single leader serves as Chairman and Chief Executive Officer. Combining the roles of Chairman and Chief Executive Officer makes clear that the person serving in these roles has primary responsibility for managing our business, under the oversight and review of the Board. Under this structure, the Chairman and Chief Executive Officer chairs Board meetings, where the Board discusses strategic and business issues. The Board believes that this approach makes sense because the Chief Executive Officer is the individual with primary responsibility for developing our strategy, directing the work of other officers and leading implementation of our strategic plans as reviewed by the Board. This structure results in a single leader being directly accountable to the Board and, through the Board, to stockholders, and enables the Chief Executive Officer to act as the key link between the Board and other members of management. In addition, the Board believes that having a combined Chairman and Chief Executive Officer is appropriate for us at this time because of Mr. Shuster's familiarity with our business and history of outstanding leadership at the Company as well as with other organizations prior to the Company's formation.

Because the Board also believes that strong, independent board leadership is a critical aspect of effective corporate governance, the Board has established the position of Lead Director. The Lead Director is an independent director selected by the independent directors. Mr. Scheid has served as the Lead Director since the position was established in May 2012. The Lead Director's responsibilities include:

acting as the primary contact between the Company and the independent directors, undertaking to meet or confer periodically with members of the Company's executive team regarding matters related to the business of the Company;

assisting the Chairman of the Board, as necessary with conducting Board meetings;

preparing agenda items for meetings of the Board and any committees thereof; and

such other duties as the Board may from time to time assign to the Lead Director.

The Board believes that a single leader serving as Chairman and Chief Executive Officer, together with an experienced and engaged Lead Director, is the most appropriate leadership structure for the Board and the Company at this time.

Communicating with the Board

Stockholders may communicate with the members of the Board, the Lead Director or the non-management members of the Board as a group, by sending a written communication to NMI Holdings, Inc., Attention: Corporate Secretary, 2100 Powell Street, 12th Floor, Emeryville, CA 94608.

Board Committees

The Board has four committees: Audit; Compensation; Governance and Nominating; and Risk. Information regarding these committees, in each case describing the committees' purposes, responsibilities and authority, is provided below. Written copies of the charters of each of these committees are available on our website at ir.nationalmi.com/governance.cfm, or we will send copies to any stockholder who submits a written request to our Corporate Secretary.

Audit Committee

The members of the Audit Committee are Messrs. Embler, Montgomery and Osmon, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the NASDAQ and the SEC. Mr. Embler is the chairperson of the Audit Committee and each member of the Audit Committee also serves as an "audit

committee financial expert" to our Audit Committee as that term is defined in SEC rules. The Audit Committee met seven times in 2014.

8

The Audit Committee is responsible for, among other things, monitoring:

- the integrity of the financial statements of the Company;
- the independent auditor's qualifications and independence;
- the performance of the Company's internal audit function and independent auditors;
- the Company's system of disclosure controls and system of internal controls over financial reporting; and
- the Company's compliance with legal and regulatory requirements.

Audit Committee Report

Before our Annual Report on Form 10-K for the year ended December 31, 2014 was filed with the SEC, the Audit Committee reviewed and discussed with management our audited Consolidated Financial Statements for the year ended December 31, 2014, and the notes thereto and other financial information included in the report, including the section of the report entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations." The Audit Committee also discussed with BDO, our independent registered public accounting firm for 2014, the matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard 16 including, among other things, matters related to the conduct of the audit of our financial statements. The Audit Committee has received the written disclosures and the letter from BDO required by applicable requirements of the PCAOB regarding BDO's communications with the Audit Committee concerning independence and has discussed with BDO their independence from the Company.

Based on its reviews and discussions described above, the Audit Committee recommended to our Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014, which was filed with the SEC.

Members of the Audit Committee

Michael Emblar (Chairperson)

Michael Montgomery

John Brandon Osmon

Compensation Committee

The members of the Compensation Committee are Messrs. Ozanne, Emblar and Scheid, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the NASDAQ and the SEC. Mr. Ozanne is the chairperson of the Compensation Committee. The Compensation Committee met six times in 2014.

The Compensation Committee is responsible for, among other things:

- overseeing our executive compensation program, including approving corporate goals relating to compensation for our Chief Executive Officer and other senior executives and determining the annual compensation of our Chief Executive Officer and other senior executives;
 - reviewing and approving the compensation policy recommended by management with respect to other employees;
 - determining, subject to ratification by our independent directors, the compensation of our independent directors;
 - evaluating the relationship between our risk management practices and our compensation policies and practices applicable to all employees, including our Chief Executive Officer, to consider whether they encourage risk-taking that would be reasonably likely to have a material adverse effect on the Company;
 - reviewing and approving incentive and equity-based compensation plans and grants; and
 - preparing the Compensation Committee Report and reviewing any Compensation Discussion and Analysis included in our proxy statement, to the extent such disclosure is required by SEC rules. These rules are not yet applicable to us because we currently qualify as an emerging growth company under the Jumpstart Our Business Startups Act.
- The Compensation Committee has authority to secure the services of independent, external advisers to be used by the Compensation Committee in the exercise of its responsibilities, including review of executive compensation, Board compensation and to perform any other analysis that the Compensation Committee deems appropriate. The Compensation Committee engaged Semler Brossy Consulting Group, LLC ("Semler Brossy"), an independent compensation consultant, to assist it in fulfilling its responsibilities. During 2014, Semler Brossy assisted the Compensation Committee with compensation for non-employee members of our Board and senior executive officers, including our Chief Executive Officer, long-term and annual incentive award design and understanding trends in executive and board compensation.

Governance and Nominating Committee

The members of the Governance and Nominating Committee are Messrs. Scheid, Jones and Ozanne, each of whom qualifies as an "independent" director under the applicable rules and regulations of the NASDAQ and the SEC. Mr. Scheid is the chairperson of our Governance and Nominating Committee. The Governance and Nominating Committee met four times in 2014.

The Governance and Nominating Committee is responsible for, among other things:

- identifying individuals qualified to become Board members, and recommending to the Board nominees for election for the next annual meeting of stockholders;
- reviewing the qualifications and independence of the members of the Board and its committees on a regular periodic basis;
- recommending to the Board corporate governance guidelines and reviewing such guidelines, as well as the Governance and Nominating Committee charter to confirm that they remain consistent with sound corporate governance practices and with any legal requirements;
- leading the Board in its annual review of the Board's and its Committees' performance; and
- recommending committee assignments for members of the Board.

The Governance and Nominating Committee evaluates director candidates for the Company's nominees for the Board under the criteria described above under "Election of Directors-Information about Our Directors." The Governance and Nominating Committee will consider recommendations from stockholders regarding director candidates that are received in writing and accompanied by sufficient information to enable the Governance and Nominating Committee to assess the candidate's qualifications, along with confirmation of the candidate's consent to serve as a director if elected. Such recommendations should be sent to our Corporate Secretary. Any recommendation received from a stockholder after January 1 of any year is not assured of being considered for nomination in that year. The Governance and Nominating Committee will evaluate any director candidates recommended by stockholders using the same process and criteria that apply to candidates recommended by other sources.

Risk Committee

The members of the Risk Committee are Messrs. Jones, Montgomery and Osmon, each of whom qualifies as an "independent" director as defined under the applicable rules and regulations of the NASDAQ and the SEC. Mr. Jones is the chairperson of our Risk Committee. The Risk Committee met four times in 2014.

The Risk Committee is responsible for oversight of the Company's management of key risks and exposures that could materially impact the Company and management's operation of the Company's mortgage insurance business and the management of the Company's investment portfolio, including, among other things:

- monitoring the performance of the Company's insured books of business and the principal factors affecting performance;
- discussing, reviewing and monitoring the Company's mortgage insurance products, including premium rates, underwriting guidelines and returns;
- reviewing and approving the Company's investment policy and reviewing the performance of the investment portfolio;
- reviewing the mortgage insurance operating environment, including the state of local and regional housing markets, competitive forces affecting the Company and the Company's relationships with residential mortgage lenders and investors; and
- assisting the Board in its oversight of the Company's enterprise risk management approach, including the significant risk management policies, procedures and processes.

Board Oversight of Risk

Our senior management is charged with identifying and managing the risks facing our business and operations. The Board is responsible for oversight of how our senior management addresses these risks to the extent they are material. In this regard, the Board seeks to understand the material risks we face and to allocate, among the Board and its committees, responsibilities for overseeing how management addresses the risks, including the risk management systems and processes that management uses for this purpose. Overseeing risk is an ongoing process. Accordingly, the Board, assisted by the Risk Committee, considers risk throughout the year and also with respect to specific proposed

actions.

10

The Board implements its risk oversight function both as a whole and through delegation to various committees. These committees meet regularly and report back to the Board. The Board committees play significant roles in carrying out the risk oversight function.

The Audit Committee oversees and reviews risks associated with financial accounting and reporting, including our system of internal controls, as well as fraud risk, information technology and cybersecurity risk, and major legislative and regulatory developments which could result in material financial risk exposures. In performing this function, the Audit Committee considers information from our independent registered public accounting firm and internal auditors and discusses relevant issues with management and the independent registered public accounting firm. The Audit Committee also reviews any proposed related person transactions to ensure that we do not engage in transactions that would create or otherwise give the impression of a conflict of interest that could result in harm to us.

The Compensation Committee evaluates the risks and rewards associated with our compensation philosophy and programs.

The Governance and Nominating Committee oversees our implementation of sound corporate governance principles and practices. In performing this function, the Governance and Nominating Committee periodically reviews and recommends changes to the Company's Corporate Governance Guidelines and recommends any additional actions related to governance matters that it may deem necessary or advisable from time to time.

The Risk Committee assists the Board in its oversight and review of information regarding our enterprise risk management approach and oversees risks related to our mortgage insurance business and investment portfolio. We believe that our leadership structure, discussed in "- Board Leadership" above, supports the risk oversight function of the Board. We have a combined Chairman of the Board and Chief Executive Officer that keeps the Board informed about the risks facing us. In addition, independent directors chair and make up the entire membership of the committees involved in risk oversight, and we have established a system of open communication between senior management and directors.

Corporate Governance Guidelines and Business Conduct Policy

The Board has adopted Corporate Governance Guidelines, which set forth a framework for our governance. The Corporate Governance Guidelines cover the Board's membership criteria, director independence, director compensation, board meeting process, committee structure and succession planning. Among other things, the Board meets in executive session outside the presence of members of our management at least once per year, and the Lead Director presides over these sessions (unless the Lead Director delegates such responsibility to another independent director). See "- Board Leadership" above, for information regarding the Lead Director's responsibilities and authority. The Corporate Governance Guidelines also provide that a director must submit a letter of resignation the day before the Company's annual meeting of stockholders following the attainment by the director of age 72, which letter of resignation the Board has discretion to accept or reject. In any event, a director must retire upon the attainment of age 74. The Corporate Governance Guidelines also provide that a director who discontinues his or her employment affiliation held at the time of election to the Board must offer to resign from the Board, after which the Governance and Nominating Committee will determine the appropriateness of continued service by such director. The Corporate Governance Guidelines further state that directors must accumulate (including through equity grants) over the initial three years of service as a director shares of the Company's common stock with a value (based on the value of the shares at the time of acquisition) of at least \$100,000.

Our Board has adopted a code of business conduct and ethics (the "Business Conduct Policy") that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer and persons performing similar functions. If we amend or grant any waiver from a provision of our Business Conduct Policy that applies to our executive officers, we will publicly disclose such amendment or waiver on our website as required by applicable law. In addition, written copies of the Corporate Governance Guidelines and the Business Conduct Policy are available on our website at ir.nationalmi.com/governance.cfm, or we will send them to any stockholder who submits a written request to our Corporate Secretary.

Director Independence

Our Corporate Governance Guidelines regarding director independence are generally consistent with the applicable rules and regulations of the NASDAQ and the SEC. A director is independent under our Corporate Governance

Guidelines if the Board has made an affirmative determination that the director has no material relationship with the Company that would impair his or her independent judgment (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company, or if an immediate family member has such a relationship). In the process of making such determinations, the Board will consider the nature, extent and materiality of the director's relationships with the Company and the Board will apply NASDAQ

and SEC independence requirements. In accordance with our Corporate Governance Guidelines, our Board has determined that all of the current members of the Board, except Mr. Shuster, our Chief Executive Officer, are "independent" under the applicable rules and regulations of the NASDAQ and the SEC.

Related Person Transactions

In addition to the director and executive officer compensation arrangements discussed below under "Compensation of Named Executive Officers and Directors," the following is a summary of the material provisions of various transactions with our executive officers, director nominees, five percent or greater stockholders and any of their immediate family members or entities affiliated with them since January 1, 2014. We believe the terms and conditions set forth in such agreements are reasonable and customary for transactions of this type.

Registration Rights Agreement

Concurrently with the consummation of the private placement of our Class A common stock in April 2012 (the "Private Placement"), we entered into a registration rights agreement for the benefit of our stockholders, which includes certain of our officers and directors, as well as our five percent or greater stockholders, with respect to our common stock sold in the Private Placement (the "Registration Rights Agreement"). Under the terms of the Registration Rights Agreement, we agreed, at our expense, to file with the SEC within six months following receipt of the approval of the Federal National Home Mortgage Association and Federal Home Loan Mortgage Corporation in January 2013 permitting us to write private mortgage insurance (the "GSE Approval") a shelf registration statement registering the resale of shares of our common stock sold in the Private Placement, plus any additional shares of common stock issued in respect thereof whether by share dividend, share distribution, share split or otherwise (the "shelf registration statement"). The shelf registration statement was initially filed with the SEC on June 21, 2013 and declared effective by the SEC on December 6, 2013. We have a number of continuing obligations under the Registration Rights Agreement, including the obligation to keep the shelf registration statement effective for a specified period of time. In fulfilling its obligations under the Registration Rights Agreement, the Company has incurred legal and filing fees of approximately \$1.65 million.

Statement of Policy Regarding Transactions with Related Persons

We have adopted a written policy concerning related party transactions. Pursuant to this policy, our directors and director nominees, executive officers and holders of more than five percent of our common stock, including their immediate family members, will not be permitted to enter into a related party transaction with us in excess of \$120,000 without the consent of our Audit Committee. Any request for us to enter into such a transaction, where any such party has a direct or indirect material interest, subject to certain exceptions, will be required to be presented by management to our Audit Committee, which will review and approve or disapprove such proposed transaction.

See Note 7, "Share-Based Compensation" of our consolidated financial statements filed with the SEC on Form 10-K for the fiscal year ended December 31, 2014 for an explanation of the assumptions made in valuing these awards.

(5) Amounts shown represent payments made to each of the named executive officers that were intended to allow the named executive officers to avail themselves of a range of market competitive perquisites, such as auto leasing, financial planning, tax preparation, estate planning, health assessments, club memberships, spousal travel in connection with business events and parking. The amounts in this column also include Company matching contributions under the Company's 401(k) plan, as discussed below in "Other Compensation Programs and Practices - Retirement Plans and Other Benefit Plans." The amounts in this column for Mr. Sherwood also include an annual Company contribution to his health savings account, a tax-advantaged medical savings account, which is an annual benefit available under the medical benefit plans we offer to all of the Company's eligible employees, including our named executive officers.

Employment Arrangements with our Named Executive Officers

The following is a summary of the material terms of our employment arrangements with each of our named executive officers, including employment agreements with Messrs. Shuster and Sherwood.

Employment Agreement with Bradley M. Shuster

In April 2012, we entered into an employment agreement with Mr. Shuster, pursuant to which he currently serves as our Chief Executive Officer. The term of the employment agreement ends three years from the date of GSE Approval (which occurred in January 2013) or, if later, two years following a "change in control" (which is substantially the same as the definition in the 2012 Stock Incentive Plan (the "2012 Plan") as discussed below under "- Potential Payments Upon Termination of Employment or Change in Control - Change in Control") unless terminated earlier pursuant to the terms of the employment agreement. Since the GSE Approval, Mr. Shuster's annual base salary has been \$600,000, and during the employment period, he is eligible for an annual cash bonus, with a target annual bonus opportunity of 100% of his annual base salary, conditioned on the attainment of certain performance conditions and the discretion of the Board. For the period between April 2012 and the GSE Approval, Mr. Shuster was paid a base salary of \$20,000 per month. In addition, during the employment period, Mr. Shuster will receive employee benefits on a basis no less favorable than those provided to our other senior executives, including participation in the Company's executive cash perquisite program, at the rate of \$38,400 in 2014. We also granted Mr. Shuster certain equity awards pursuant to our 2012 Plan. Mr. Shuster's 2014 equity awards are described and quantified below under the heading "- Grants of Plan-Based Awards for 2014." Beginning in 2015, Mr. Shuster is eligible to receive equity grants under the Company's 2014 Omnibus Incentive Plan ("2014 Plan") when such grants are made to other senior executives. In addition, Mr. Shuster is eligible to receive certain severance benefits, including enhanced severance benefits if there is a qualifying termination of employment within two years following a "change in control." See below under "- Potential Payments Upon Termination of Employment or Change in Control" for a description of the severance benefits that Mr. Shuster would have been eligible to receive as of December 31, 2014.

Employment Agreement with John (Jay) M. Sherwood, Jr.

Effective January 1, 2015, Mr. Sherwood was promoted to President of the Company and will serve under the terms of his existing employment agreement. The term of the employment agreement ends three years from the date of GSE Approval or, if later, two years from a "change in control" unless terminated earlier pursuant to the terms of the employment agreement. Mr. Sherwood's annual base salary is \$450,000. From the GSE Approval until December 31, 2014, Mr. Sherwood's annual base salary was \$400,000. For the period between April 2012 and the GSE Approval, Mr. Sherwood was paid a base salary of \$20,000 per month. During the employment period, Mr. Sherwood is eligible for an annual cash bonus, with a target annual bonus opportunity of 100% of his annual base salary, conditioned on the attainment of certain performance conditions and the discretion of the Compensation Committee. In addition, Mr. Sherwood is eligible to be considered for a long-term target equity incentive grant of approximately \$600,000, subject to the discretion of our Board. In addition, during the employment period, Mr. Sherwood will receive employee benefits on a basis no less favorable than those provided to our other senior executives, including participation in the Company's executive cash perquisite program, at the rate of \$38,400 in 2014. We also granted Mr. Sherwood certain equity awards pursuant to our 2012 Plan. Mr. Sherwood's 2014 equity awards are described and quantified below under the heading "- Grants of Plan-Based Awards for 2014." Beginning in 2015, Mr. Sherwood is eligible to receive equity grants under the Company's 2014 Plan when such grants are made to other senior executives. In addition, Mr. Sherwood is eligible to receive certain severance benefits, including enhanced severance benefits if there is a qualifying termination of employment within two years following a "change in control." See below under "- Potential Payments Upon Termination of Employment or Change in Control" for a description of the severance benefits that Mr. Sherwood would have been eligible to receive as of December 31, 2014.

Employment Arrangement with Claudia Merkle

performance conditions and the discretion of the Compensation Committee. We have granted Ms. Merkle certain equity awards pursuant to our 2012 Plan. Beginning in 2015, Ms. Merkle is eligible to receive equity grants under the Company's 2014 Plan when such grants are made to other senior executives. Ms. Merkle's employment with the Company is on an at-will basis. In addition, Ms. Merkle is entitled to accelerated vesting of her outstanding equity awards upon certain qualifying terminations of employment or a "change in control"

under the terms of her equity award agreements under the 2012 Plan, as described below under "- Potential Payments Upon Termination of Employment or Change in Control."

(3) The amounts included in this column reflect the grant date fair value of stock option and RSU awards to our named executive officers in 2014. The grant date fair value was determined in accordance with ASC Topic 718.

While the vesting of the equity awards granted to our named executive officers generally requires continued service through the applicable vesting date, in some instances the vesting of such equity awards will be accelerated upon a qualifying termination of employment or a change in control. For a further description of the treatment of equity upon certain qualifying terminations of employment or a change in control see "- Potential Payments Upon Termination of Employment or Change in Control" below.

Annual Bonus Plan

In order to appropriately motivate and reward our executive officers, and to further align pay and company performance, we have established an annual bonus program that provides for annual cash bonuses that are awarded based upon the achievement of annual Company and individual performance goals. In 2014, the Company performance goals included operational goals related to management of costs and continued development of new insurance written, all considered risk appropriate and important to our success as an organization. These goals were developed by the executive management team and approved by the Compensation Committee of the Board during 2014. There is no specific weight given to any one performance goal, and our Compensation Committee has broad discretion and the flexibility to consider any or all of the performance goals as it determines appropriate throughout the year in reaching its final conclusion with respect to individual achievement under the annual bonus plan. The Compensation Committee approved a corporate performance factor relating to the annual bonus plan for 2014 of 100% of target. Additionally, individual performance factors for each named executive officer other than our chief executive officer were proposed to the Compensation Committee by our chief executive officer and approved by the Compensation Committee. Our chief executive officer's bonus payment was determined in the sole discretion of the Compensation Committee, after consideration of the Company's performance and in consultation with Semler Brossy. After evaluating the Company's and each named executive officer's performance, the Compensation Committee used its discretion to approve payment of bonuses to our named executive officers, with individual performance factors of 100% and 110% being determined for Mr. Sherwood and Ms. Merkle, respectively.

Other Compensation Programs and Practices

Retirement Plans and Other Benefit Plans

In 2014, we initiated a qualified defined contribution retirement savings plan (the "401(k) Plan"), pursuant to which our employees, including our named executive officers, are able to contribute a percentage of their annual compensation on a pre- and post-tax basis, up to the limits prescribed by the Internal Revenue Service. Each pay period, we offer a 401(k) Company matching contribution for eligible employees who participate in the 401(k) Plan, including our named executive officers, of up to 4% of an employee's eligible compensation. Generally, "eligible compensation" used for purposes of calculating contributions

under the 401(k) Plan is the amount paid to the employee as base salary, overtime earnings, bonuses and commissions. Each of our named executive officers was eligible to participate in the 401(k) Plan in 2014.

Perquisites

Effective May 1, 2013, NMI has included in the annual compensation of each named executive officer a fixed cash amount to be used at the discretion of the executive officer, which was \$38,400 for Messrs. Shuster and Sherwood and \$30,000 for Ms. Merkle in 2014. The additional compensation is intended to allow the named executive officers to avail themselves of a range of market competitive perquisites such as auto leasing, financial planning, tax preparation, estate planning, health assessments and club memberships.

Compensation Consultant

As discussed above under "Corporate Governance and Board Matters - Board Committees - Compensation Committee," the Compensation Committee determines executive compensation. The Compensation Committee, which is comprised entirely of independent directors, sets compensation policy and administers our executive compensation programs. The Compensation Committee engaged Semler Brossy, an independent compensation consultant, to assist in determining executive and director compensation. In 2014, Semler Brossy assisted the Compensation Committee and our Board with compensation for non-employee members of our Board and our senior executive officers, including our Chief Executive Officer, long-term and annual incentive award design and understanding trends in executive and board compensation. The Compensation Committee has assessed Semler Brossy's independence, taking into consideration the factors listed in NASDAQ Listing Rule 5605(d)(3)(D), and has determined that its work with the Company does not raise any conflict of interests. The Compensation Committee worked with Semler Brossy to review compensation levels and programs at three key business competitors: Essent Group Ltd., Radian Group, Inc. and MGIC Investment Corp. Semler Brossy does not provide any other services directly to the Company.

Potential Payments Upon Termination of Employment or Change in Control

Termination of Employment without Cause or Resignation with Good Reason

Shuster and Sherwood Employment Agreements and Equity Grants

If the employment of either Mr. Shuster or Mr. Sherwood is terminated (i) by us without "cause" or (ii) by the executive for "good reason" (each, a "Qualifying Termination") during the employment period (but not within two years following a "change in control"), subject to his execution (other than upon his death) and non-revocation of a release of claims against us and our affiliated entities (a "termination release"), he will be entitled to be paid a lump sum cash amount equal to the sum of (1) any earned but unpaid base salary and earned but unpaid annual bonus for a prior award period (other than any portion of such annual bonus that was previously deferred which shall instead be paid in accordance with the applicable deferral arrangement) and (2) the sum of his annual base salary immediately prior to the date of the Qualifying Termination and his target annual bonus for the year of termination. In addition, under the terms of their equity grants under the 2012 Plan, upon a Qualifying Termination, all of the outstanding stock options and time-vested shares held by Mr. Shuster or Mr. Sherwood immediately vest and their stock options become exercisable, they would have 90 days from such Qualifying Termination to exercise their stock options, and the performance shares held by the executive remain outstanding until the 10th anniversary of the date of grant and vest upon the achievement of the specified stock price targets. In addition, upon a Qualifying Termination, Mr. Shuster and Mr. Sherwood would be entitled to any accrued and unpaid benefits, including accrued paid-time off and the timely payment of any amounts due and payable under any of our plans, programs, policies or practices (collectively the "Accrued Benefits").

For the purposes of the employment agreements with Messrs. Shuster and Sherwood, "cause" generally means the executive's (i) continued failure to perform substantially his duties, (ii) willful material misconduct or willful neglect in the performance of his duties, (iii) willful failure to adhere to lawful clear directions of the person to whom he reports (or, in the case of Mr. Shuster, the Board), willful failure to adhere to our material written policies or to devote substantially all of his business time and efforts to the Company, (iv) subjection to an action taken by a regulatory body or a self-regulatory organization that impairs the executive from performing his duties to the Company, (v) indictment or formal admission to or plea of guilty or nolo contendere to a charge of commission of a felony or any crime involving serious moral turpitude or (vi) willful breach of any material terms of the employment agreement, subject in certain cases to notice and opportunity to cure.

For the purposes of the employment agreements with Messrs. Shuster and Sherwood, "good reason" generally means (i) a material diminution of annual base salary, (ii) a material diminution in position, authority, duties or responsibilities, (iii) any relocation of the executive's principal place of business to a location that is more than 30 miles from the executive's principal place of business prior to such relocation other than the initial relocation in connection with the establishment of our headquarters or (iv) any material breach by us of the employment agreement, subject in certain cases to notice and opportunity to cure.

Merkle Equity Grants

Under the terms of Ms. Merkle's stock option grants under the 2012 Plan, if Ms. Merkle's employment is terminated by us without "cause" or by her for "good reason," a prorated portion of her outstanding vested stock options would vest and become exercisable, based on the number of days that Ms. Merkle was employed during the applicable vesting term, and she would have 90 days following such termination of employment to exercise her vested stock options. Under the terms of Ms. Merkle's option grants as defined in the 2012 Plan, "cause" generally means her (i) willful or gross neglect in the performance of her employment duties, (ii) plea of guilty or nolo contendere to, or conviction for, the commission of a felony, (iii) conduct that is injurious to the Company, or an act of fraud, embezzlement, misrepresentation or breach of a fiduciary duty against the Company, (iv) breach of any nondisclosure, non-solicitation or noncompetition obligation owed to the Company or (v) failure to follow instructions of our Board or her direct superior. "Good reason" under Ms. Merkle's option grants generally means (i) a material reduction of her annual base salary or (ii) the assignment to Ms. Merkle of any duties materially inconsistent with her positions (including status, offices, titles and reporting requirements), authority, duties or responsibilities immediately prior to such reduction.

Termination of Employment for Cause or Resignation without Good Reason

With respect to Messrs. Shuster and Sherwood, upon a termination of employment for "cause" or the executive's resignation of employment without "good reason," the executive is entitled to payment of accrued and unpaid base salary as of the date of termination of employment, any earned but unpaid annual bonus for a prior award period to the extent not paid (other than any portion of such annual bonus that was previously deferred which shall instead be paid in accordance with the applicable deferral arrangement) and any Accrued Benefits. For each of our named executive officers, all unvested equity awards will be forfeited following a termination of employment for "cause" or the executive's resignation of employment without "good reason."

Termination of Employment due to Death or Disability

Upon a termination of employment due to death or disability, our named executive officers are entitled to payment of accrued and unpaid base salary, as of the date of termination of employment, and Accrued Benefits. All unvested equity awards under the 2012 Plan will be forfeited following a termination of employment due to death or disability.

Change in Control

The employment agreements with Messrs. Shuster and Sherwood each provide for enhanced severance payments upon a termination of employment by us without "cause" or by the executive with "good reason" within two years following a change in control. In the event of such a Qualifying Termination following a change in control, subject to the execution of a termination release, each of Mr. Shuster and Mr. Sherwood would be entitled to a lump sum cash amount equal to (i) any earned but unpaid base salary and earned but unpaid annual bonus for a prior award period (other than any portion of such annual bonus that was previously deferred which shall instead be paid in accordance with the applicable deferral arrangement) and (ii) three times the sum of (a) his annual base salary immediately prior to the date of the Qualifying Termination plus (b) his target annual bonus for the year of termination of employment. In addition, under our 2012 Plan, all outstanding stock options and time-vested shares granted to our named executive officers will immediately vest and become exercisable upon a "change in control," and our Compensation Committee will determine whether outstanding performance shares held by our named executive officers vest based on the attainment of the stock price goals at the time of the "change in control." If the named executive officer's employment is terminated for any reason (other than for "cause" as defined in the 2012 Plan) for two years following a change in control, all vested stock options shall remain outstanding and exercisable until the earlier of the tenth anniversary of the date of grant or the fifth anniversary of the termination.

Under the 2012 Plan and Messrs. Shuster and Sherwood's employment agreements, a "change in control" is generally deemed to occur upon:

- the acquisition by any individual, entity or group of "beneficial ownership" (pursuant to the meaning given in Rule 13d-3 under the Securities Exchange Act of 1934) of 35% or more (on a fully diluted basis) of either (i) the outstanding shares of our common stock or (ii) the combined voting power of our then outstanding voting securities, with each of the foregoing subject to certain customary exceptions;
- the replacement of a majority of the directors that constituted our Board as of the closing of the Private Placement by directors whose appointment or election is not endorsed by at least two-thirds of the directors on the Board as of the

closing of the Private Placement, subject to certain exceptions;

approval by our stockholders of our complete dissolution or liquidation; or

a merger of the Company, the sale or disposition by the Company of all or substantially all of our assets or any other

business combination of the Company with any other corporation, other than any merger or business combination which would result in (i) the voting securities of the Company outstanding immediately prior to the transaction continuing to represent at least 50% of the total voting power of the Company or such surviving entity outstanding immediately after such transaction, (ii) no person (other than any employee benefit plan sponsored or maintained by the surviving company) becoming the "beneficial owner," directly or indirectly, of 35% or more of the total voting power of the parent company (or, if there is no parent company, the surviving company) and (iii) members of the Board as of the execution of the initial agreement providing for the transaction constituting at least two-thirds of the members of the board of directors of the parent company (or, if there is no parent company, the surviving company) following the consummation of the transaction.

The following table reflects the estimated payments to our named executive officers that may be made upon certain terminations of employment, including a Qualifying Termination of employment within two years of a change in control, or a change in control without a termination of a named executive officer's employment. The estimated payments in the table are calculated based on the assumption that the hypothetical termination of employment and/or the hypothetical change in control each occurred on December 31, 2014. The closing price of our common stock on December 31, 2014 on NASDAQ was \$9.13 per share.

(1) Under the terms of Messrs. Shuster's and Sherwood's respective employment agreements, each would be entitled to be paid his respective earned and unpaid annual base salary in effect at the time of termination and any earned and unpaid annual bonus for a prior award period (other than any deferred portion of such earned and unpaid annual bonus).

(2)

Under the terms of their respective employment agreements, Messrs. Shuster and Sherwood each would be entitled to be paid the amounts of any Accrued Benefits through the date of termination to the extent not previously paid or provided.

As provided in Messrs. Shuster's and Sherwood's respective employment agreements, amount includes the sum of (3)(i) Mr. Shuster's or Mr. Sherwood's 2014 annual base salary plus (ii) his 2014 target annual bonus, which is 100% of the annual base salary.

Upon a Qualifying Termination, any outstanding stock options that were not then exercisable and vested would have become fully exercisable and vested at the date of such termination. The exercise prices of all outstanding (4) stock options as of December 31, 2014 were in excess of the closing price of our common stock on December 31, 2014. Accordingly, no value is listed in this table in respect of accelerated stock option vesting assuming a Qualifying Termination on December 31, 2014.

With a Qualifying Termination, unvested time-vested shares would have become fully vested at the date of (5) termination and unvested performance shares would have remained outstanding and subject to vesting upon the achievement of the applicable stock price goals.

As provided in Messrs. Shuster's and Sherwood's respective employment agreements, amount includes three times (6) the sum of (i) Mr. Shuster's or Mr. Sherwood's 2014 annual base salary plus (ii) his 2014 target annual bonus, which is 100% of the annual base salary.

Upon a change in control, any outstanding stock options that were not then exercisable and vested would have become fully exercisable and vested as of the date of such change in control. The exercise prices of all outstanding (7) stock options as of December 31, 2014 were in excess of the closing price of our common stock on December 31, 2014. Accordingly, no value is listed in this table in respect of accelerated stock option vesting assuming a change in control on December 31, 2014.

Upon a change in control, time-vested shares would have become fully vested and our Compensation Committee (8) would thereafter determine whether outstanding performance shares would vest based on the attainment of the stock price goals at the time of the change in control.

With a Qualifying Termination, a prorated portion of Ms. Merkle's outstanding stock options that were not then exercisable and vested would have become fully exercisable and vested at the date of termination, and Ms. Merkle (9) would have 90 days following such Qualifying Termination to exercise her vested stock options. The exercise prices of all outstanding stock options as of December 31, 2014 were in excess of the closing price of our common stock on December 31, 2014. Accordingly, no value is listed in this table in respect of accelerated stock option vesting assuming a Qualifying Termination on December 31, 2014.

2014 Director Compensation

The Board determines the form and amount of director compensation after its review of recommendations made by the Compensation Committee. A substantial portion of each non-employee director's annual compensation is in the form of RSUs. The number of RSUs awarded to each non-employee director is determined by dividing \$50,000 by the per-share closing price of the Company's common stock on the date of grant (rounded to the nearest whole share). In 2014, we paid each of our non-employee directors an annual cash retainer of \$65,000 and an RSU award with a grant date fair value of \$49,993, for total annual compensation of \$114,993 for each such non-employee director's services as a member of the Board. No individual meeting fees are paid for either Board meetings or committee meetings, whether in person or by telephone. We pay or reimburse travel and other expenses incurred by our non-employee directors in attending Board meetings.

Compensation for non-employee directors during 2014 was as follows:

Name	Fees earned		Total

BENEFICIAL OWNERSHIP OF COMMON STOCK

The following table sets forth information about the beneficial ownership of our common stock as of March 26, 2015 for:

- each person known to us to be the beneficial owner of more than five percent of our Class A common stock;
- each named executive officer;
- each of our directors; and

• all of our current executive officers, identified above under the caption "Executive Officers," and directors as a group. Unless otherwise noted below, the address of each beneficial owner listed on the table is c/o NMI Holdings, Inc., 2100 Powell Street, 12th Floor, Emeryville, California 94608. We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the tables below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws. We have based our calculation of the percentage of beneficial ownership on 58,519,558 shares of our Class A common stock outstanding as of March 26, 2015. There are currently no shares of our Class B common stock issued and outstanding. In computing the number of shares of common stock beneficially owned by a person and such person's percentage of ownership of all outstanding shares, we deemed as owned and outstanding for such person those shares of common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of March 26, 2015 or RSUs held by that person that are currently vested or will vest within 60 days of March 26, 2015. We, however, did not deem such shares as outstanding for the purpose of computing the percentage ownership of any other person.
