Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On November 25, 2014, the compensation committee of the board of directors of Rexford Industrial Realty, Inc. (the “Company”) adopted and approved an employment agreement with Adeel Khan (the “Employment Agreement”).

Under the Employment Agreement, Mr. Khan will continue to serve as Chief Financial Officer of the Company and will report directly to the co-Chief Executive Officers of the Company or their designee. The initial term of the Employment Agreement will end on the third anniversary of the effective date, or November 25, 2017.

Under the Employment Agreement, Mr. Khan will receive an annual base salary of \$315,000, which is subject to annual review and increase at the discretion of the compensation committee of the Company’s board of directors. In addition, Mr. Khan will be eligible to receive an annual discretionary cash performance bonus targeted at 80% of Mr. Khan’s base salary actually paid for such year. The actual amount of any such bonus will be determined by reference to the attainment of applicable company and/or individual performance objectives, as determined by the compensation committee of the Company’s board of directors, and may be greater or less than the target amount, or zero.

Mr. Khan is eligible to participate in customary health, welfare and fringe benefit plans, and, subject to certain restrictions, healthcare benefits will be provided to him and his eligible dependents at the Company’s sole expense. Mr. Khan will accrue four weeks of paid vacation per year.

Pursuant to the terms of the Employment Agreement, if Mr. Khan’s employment is terminated by the Company without “cause,” or by Mr. Khan for “good reason” (each, as defined in the Employment Agreement) then, in addition to any accrued amounts, Mr. Khan will be entitled to receive the following:

- a lump-sum payment in an amount equal to Mr. Khan’s annual base salary then in effect;
- a pro rata portion of Mr. Khan’s annual bonus for the partial fiscal year in which the termination date occurs, payable in a lump sum on the date on which annual bonuses are paid to the Company’s senior executives generally for such year;
- accelerated vesting of all outstanding equity awards that vest based solely on the passage of time held by Mr. Khan as of the termination date; and
- Company-paid continuation healthcare coverage for 18 months after the termination date.

Mr. Khan's right to receive the severance payments and benefits described above is subject to his delivery and non-revocation of an effective general release of claims in favor of the Company. The Employment Agreement also contains customary confidentiality and non-solicitation provisions.

Upon a termination of employment by reason of death or disability, Mr. Khan or his estate will be entitled to accelerated vesting of all outstanding equity awards that vest based solely on the passage of time held by Mr. Khan as of the termination date, in addition to any accrued amounts. In addition, upon a "change in control" of the Company (as defined in the Company's 2013 Incentive Award Plan), Mr. Khan will be entitled to accelerated vesting of all outstanding equity awards held by him as of the date of the change in control.

Under the Employment Agreement, to the extent that any change in control payment or benefit would be subject to an excise tax imposed in connection with the "parachute payment" rules under Section 4999 of the Internal Revenue Code, such payments and/or benefits may be subject to a "best pay cap" reduction to the extent necessary so that Mr. Khan receives the greater of the (i) net amount of the change in control payments and benefits reduced such that such payments and benefits will not be subject to the excise tax and (ii) net amount of the change in control payments and benefits without such reduction.
