PROXY STATEMENT

FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 25, 2017

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the "Notice") because the Board of Directors of Instructure, Inc. (the "Company," "Instructure" "we," us" or "our") soliciting your proxy to vote at the 2017 Annual Meeting of Stockholders (the "Annual Meeting"), including at any adjournments or postponements of the meeting. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about April 7, 2017 to all stockholders of record entitled to vote at the Annual Meeting.

Will I receive any other proxy materials by mail?

We may send you a proxy card, along with a second Notice, on or after April 17, 2017.

How do I attend the Annual Meeting?

The meeting will be held on Thursday, May 25, 2017 at 10:00 a.m. local time at the Company's executive offices located at 6330 South 3000 East, Suite 700, Salt Lake City, UT, 84121. For directions to the Company's executive offices, please call us at (800) 203-6755. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 27, 2017 will be entitled to vote at the Annual Meeting. On this record date, there were 28,867,445 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 27, 2017 your shares were registered directly in your name with Instructure's transfer agent, Computershare Trust Company N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 27, 2017 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- election of seven directors; and
- ratification of selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2017.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote “For” all the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For the ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, sign and date the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-652-VOTE (8683) using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your telephone vote must be received by 11:59 p.m., Eastern Daylight Time on May 24, 2017 to be counted.
- To vote through the internet, go to <http://www.edocumentview.com/INST> to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your internet vote must be received by 11:59 p.m. Eastern Daylight Time on May 24, 2017 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Internet proxy voting will be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 27, 2017.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank, or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the New York Stock Exchange (“NYSE”) deems the particular proposal to be a “routine” matter. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the NYSE, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Ratification of the selection of auditors is considered a “routine” matter. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2 even in the absence of your instructions.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of each nominee for director, and “For” the ratification of the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2017. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.

4

•You may send a timely written notice that you are revoking your proxy to Instructure’s Secretary at 6330 South 3000 East, Suite 700, Salt Lake City, UT 84121.

•You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals and director nominations due for next year’s annual meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by December 8, 2017, to our Corporate Secretary at 6330 South 3000 East, Suite 700, Salt Lake City, UT 84121, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”); provided, however, that if our 2018 Annual Meeting of Stockholders is held before April 25, 2018 or after June 24, 2018, then the deadline is a reasonable amount of time prior to the date we begin to print and mail our proxy statement for the 2018 Annual Meeting of Stockholders. If you wish to submit a proposal (including a director nomination) at the 2018 Annual Meeting of Stockholders that is not to be included in next year’s proxy materials, the proposal must be received by our Corporate Secretary not later than the close of business on February 24, 2018 nor earlier than the close of business on January 25, 2018; provided, however, that if our 2018 Annual Meeting of Stockholders is held before April 25, 2018 or after June 24, 2018, then the proposal must be received no earlier than the close of business on the 120th day prior to such meeting and not later than the close of business on the later of the 90th day prior to such meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes “For,” “Withhold” and broker non-votes; and, with respect to the proposal to ratify the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm, votes “For,” “Against” and abstentions.

What are “broker non-votes”?

As discussed above, when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the NYSE to be “non-routine,” the broker or nominee cannot vote the shares. These unvoted shares are counted as “broker non-votes.”

How many votes are needed to approve each proposal?

For the election of directors, the seven nominees receiving the most “For” votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” or “Withhold” will affect the outcome.

To be approved, Proposal No. 2, ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2017, must receive “For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you “Abstain” from voting, it will have the same effect as an “Against” vote. Broker non-votes will have no effect, however, Proposal No. 2

is considered a routine matter, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

5

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the voting power of the outstanding shares of stock entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 28,867,445 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of the voting power of the outstanding shares of stock entitled to vote present at the meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amended Form 8-K to publish the final results.

Proposal No. 1

Election Of Directors

Instructure's Board of Directors currently consists of seven directors. All seven nominees are currently serving as directors and are standing for re-election. Each director to be elected and qualified will hold office until the next Annual Meeting of stockholders and until his or her successor is elected, or, if sooner, until the director's death, resignation or removal. It is the Company's policy to invite nominees for directors to attend the Annual Meeting. None of the directors attended the 2016 Annual Meeting of Stockholders.

Jim Steele was appointed by the Board of Directors on October 26, 2016 to fill a vacancy following the resignation of Adam D. Marcus from our Board. In addition, Kevin Thompson was appointed by the Board of Directors on November 16, 2016 to fill a vacancy following the resignation of Byron B. Deeter from our Board. Each of Joshua L. Coates, Steven A. Collins, William M. Conroy, Ellen Levy and Lloyd G. Waterhouse were previously elected as directors by the stockholders of the Company at the 2016 Annual Meeting of Stockholders.

Directors are elected by a plurality of the votes of the holders of shares of common stock present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the seven nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the seven nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by Instructure. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

Nominees

The following is a brief biography of each nominee for director and a discussion of the specific experience, qualifications, attributes or skills of each nominee that led the Nominating and Corporate Governance Committee to recommend that person as a nominee for director, as of the date of this proxy statement.

The Nominating and Corporate Governance Committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct the Company's business. To that end, the Committee has identified and evaluated nominees in the broader context of the Board of Directors' overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the Committee views as critical to effective functioning of the Board of Directors. The brief biographies below include information, as of March 31, 2017, regarding the specific and particular experience, qualifications, attributes or skills of each director or nominee that led the Committee to believe that that nominee should continue to serve on the Board of Directors. However, each of the members of the Committee may have a variety of reasons why he or she believes a particular person would be an appropriate nominee for the Board of Directors, and these views may differ from the views of other members.

The Board Of Directors Recommends

A Vote In Favor Of Each Named Nominee.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence Of The Board Of Directors

As required under the NYSE listing standards, a majority of the members of a listed company's Board of Directors must qualify as "independent," as affirmatively determined by the Board of Directors. The Board of Directors consults with the Company's counsel to ensure that the Board of Director's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of NYSE, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board of Directors has affirmatively determined that all of the directors are, except for Mr. Coates, independent directors within the meaning of the applicable NYSE listing standards. In making this determination, the Board of Directors found that none of these directors had a material or other disqualifying relationship with the Company. The Board of Directors also considered Mr. Conroy's consulting relationship with Instructure in making the determination that Mr. Conroy is independent. Mr. Coates, our Chief Executive Officer, by virtue of his current employment with Instructure is not considered an independent director.

Board Leadership Structure

In accordance with our Corporate Governance Guidelines, a copy of which is posted on our website at <https://ir.instructure.com/investors/governance/default.aspx>, our Board of Directors does not have a policy as to whether the positions Chairman of the Board and Chief Executive Officer should be separate. Our Board of Directors believes that it should have the flexibility to make this determination as circumstances require and in a manner that it believes is best to provide appropriate leadership for the Company. The Board of Directors believes that its current leadership structure, with Mr. Coates serving as Chairman and Chief Executive Officer, is appropriate because it provides a single, clear chain of command to execute the Company's strategic initiatives and business plans. In addition, the Company believes Mr. Coates is better positioned to act as a bridge between management and the Board of Directors, facilitating the regular flow of information. The Company also believes that it is advantageous to have a Chairman with an extensive history with and knowledge of the Company (as is the case with the Company's Chief Executive Officer) as compared to a relatively less informed independent Chairman.

Role Of The Board Of Directors In Risk Oversight

One of the Board of Director's key functions is informed oversight of the Company's risk management process. The Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various Board of Directors standing committees that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Meetings Of The Board Of Directors

The Board of Directors met five times during 2016. All directors attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which they served, held during the portion of the last year for which they were directors or committee members, respectively.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Exchange Act, to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. The primary purpose of the Audit Committee is to discharge the responsibilities of our Board of Directors with respect to our accounting, financial and other reporting and internal

control practices and to oversee our independent registered accounting firm. Specific responsibilities of our Audit Committee include:

- selecting a qualified firm to serve as the independent registered public accounting firm to audit our financial statements;
- helping to ensure the independence and performance of the independent registered public accounting firm;
- discussing the scope and results of the audit with the independent registered public accounting firm, and reviewing, with management and the independent accountants, our interim and year-end operating results;
- developing procedures for employees to submit concerns anonymously about questionable accounting or audit matters;
- reviewing our policies on risk assessment and risk management;
- reviewing related party transactions;
- obtaining and reviewing a report by the independent registered public accounting firm at least annually, that describes our internal quality-control procedures, any material issues with such procedures, and any steps taken to deal with such issues when required by applicable law; and
- approving (or, as permitted, pre-approving) all audit and all permissible non-audit service to be performed by the independent registered public accounting firm.

Our Audit Committee consists of Messrs. Collins, Thompson and Waterhouse, each of whom satisfies the independence requirements under the NYSE listing standards and Rule 10A-3(b)(1) of the Exchange Act. The chairman of our Audit Committee is Mr. Collins. Our Board of Directors has determined that Mr. Collins is an “audit committee financial expert” within the meaning of SEC regulations. Our Board of Directors has also determined that each member of our Audit Committee has the requisite financial expertise required under the applicable requirements of the NYSE. In arriving at this determination, the Board of Directors has examined each Audit Committee member’s scope of experience and the nature of their employment in the corporate finance sector.

The Audit Committee met ten times during 2016. The Board of Directors has adopted a written Audit Committee charter that is available to stockholders on the Company’s website at <https://ir.instructure.com/investors/governance/default.aspx>.

Compensation Committee

The Compensation Committee of the Board of Directors acts on behalf of the Board of Directors to review, adopt and oversee the Company’s compensation strategy, policies, plans and programs, including:

- reviewing and approving, or recommending that our Board of Directors approve, the compensation of our executive officers;
 - reviewing and recommending to our Board of Directors the compensation of our directors;
- reviewing and approving, or recommending that our Board of Directors approve, the terms of compensatory arrangements with our executive officers;
- administering our stock and equity incentive plans;
- selecting independent compensation consultants and assessing whether there are any conflicts of interest with any of the committee’s compensation advisors;
- reviewing and approving, or recommending that our Board of Directors approve, incentive compensation and equity plans, severance agreements, change-of-control protections and any other compensatory arrangements for our executive officers and other senior management, as appropriate;

- reviewing and establishing general policies relating to compensation and benefits of our employees; and
 - reviewing our overall compensation philosophy.

In addition, once the Company ceases to be an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012, the Compensation Committee will review with management the Company’s Compensation Discussion and Analysis and consider whether to recommend that it be included in proxy statements and other filings.

The Compensation Committee consists of Messrs. Collins, Conroy and Steele. All members of the Company’s Compensation Committee are independent as independence is currently defined in NYSE Listed Company Manual Section 303A.02 as applied to compensation committee members. In addition, our Board of Directors has determined each of Messrs. Collins and Steele to be independent under the rules and regulations of the SEC, a “non-employee director” as defined in Rule 16b-3 promulgated under the Exchange Act and an “outside director” as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code.

The Compensation Committee met seven times during 2016. The Board of Directors has adopted a written Compensation Committee charter that is available to stockholders on the Company’s website at <https://ir.instructure.com/investors/governance/default.aspx>.

Compensation Committee Processes and Procedures

The Compensation Committee meets at least two times annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with management. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NYSE, that bear upon the adviser’s independence; however, there is no requirement that any adviser be independent. In addition, the Committee may form and delegate authority to subcommittees as appropriate, including, but not limited to, a subcommittee composed of one or more members of the Board of Directors or officers of the Company to grant stock awards under the Company’s equity incentive plans to certain non-officer employees.

During 2015, our Board of Directors engaged Compensia as compensation consultants to evaluate long and short-term executive compensation, director compensation and executive severance plans. Compensia reviewed our executive officer and director compensation relative to our industry and against survey data available to Compensia. Based on these recommendations and other data, we adopted a non-employee director compensation policy and approved a change of control and severance agreement for our executive officers. Our non-employee director compensation policy is described under “Director Compensation” below and our change in control and severance agreements is described under “Change in Control and Severance Agreements” below. In addition, in 2017, our Compensation Committee requested that Compensia update the previously provided executive cash and equity compensation information to provide updated market base salary and equity refresh grant levels. Our Compensation Committee considered the information provided by Compensia in approving base salary increases and equity refresh grant levels for certain of our executive officers in January 2017. Further, in January 2017, the Compensation Committee reviewed and updated executive bonus plan components and executive bonus target compensation to better align with Company performance goals such as business and financial performance and customer happiness.

Compensation Committee Interlocks and Insider Participation

As noted above, the Company’s Compensation Committee consists of Messrs. Collins, Conroy and Steele. None of the members of the Compensation Committee is currently or has been at any time one of our officers or employees. None of our executive officers currently serves, or has served during the last year, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors oversees our corporate governance function. The primary functions of this committee include:

- identifying, evaluating and selecting, or recommending that our Board of Directors approve, nominees for election to our Board of Directors;
- evaluating the performance of our Board of Directors and of individual directors;
- reviewing developments in corporate governance practices;
- evaluating the adequacy of our corporate governance practices and reporting;
- reviewing management succession plans; and
- developing and making recommendations to our Board of Directors regarding corporate governance guidelines and matters.

The Nominating and Corporate Governance Committee consists of Messrs. Conroy and Waterhouse and Dr. Levy. All members of the Nominating and Corporate Governance Committee are independent as independence is currently defined in NYSE Listed Company Manual Section 303A.02.

The Nominating and Corporate Governance Committee met four times during 2016. The Board of Directors has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on the Company’s website and <https://ir.instructure.com/investors/governance/default.aspx>.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board of Directors, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board of Directors and the Company, to maintain a balance of knowledge, experience and capability.

The Nominating and Corporate Governance Committee reviews each directors' overall service to the Company during his or her term, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Committee also takes into account any results of the Board of Director's self-evaluation, which we intend to conduct annually. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NYSE purposes, which determination is based upon applicable NYSE listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board of Directors.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board of Directors may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 6330 South 3000 East, Suite 700 Salt Lake City, UT 84121. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Stockholder Communications With The Board Of Directors

Historically, the Company has not provided a formal process related to stockholder communications with the Board of Directors. Nevertheless, every effort has been made to ensure that the views of stockholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. The Company believes its responsiveness to stockholder communications to the Board of Directors has been excellent. Nevertheless, the Nominating and Corporate Governance Committee will continue to give full consideration to the adoption of a formal process for stockholder communications with the Board of Directors and, if adopted, publish it promptly and post it to the Company's website.

Code Of Ethics

The Company has adopted the Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on the Company's website at <https://ir.instructure.com/investors/governance/default.aspx>. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

Corporate Governance Guidelines

In August 2015, the Board of Directors documented the governance practices followed by the Company by adopting Corporate Governance Guidelines to assure that the Board of Directors will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The Corporate Governance Guidelines set forth the practices the Board of Directors intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines may be viewed at <https://ir.instructure.com/investors/governance/default.aspx>.

Proposal No. 2

Ratification Of Selection Of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2017, and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Ernst & Young LLP has audited the Company's financial statements since 2012. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm. However, the Audit Committee of the Board of Directors is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board of Directors in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP.

Employment and Change in Control Arrangements

The offer letters generally provide for at-will employment and set forth the executive officer's initial base salary, initial equity grant amount, and eligibility for employee benefits. In addition, each of our named executive officers has executed our standard proprietary information and inventions agreement. The key terms of employment with our named executive officers are described below.

Change in Control and Severance Agreements

In August 2015, we entered into executive agreements with each of our executive officers and certain other employees. The agreement with each executive officer provides that if such officer is terminated for any reason other than cause, death or disability or the officer voluntarily resigns for good reason, such officer would be entitled to receive the following severance benefits:

- a payment equal to six months of such officer's then-current base salary, paid over the six month period following such officer's separation from service;
- reimbursement of COBRA premiums for such officer and his or her eligible dependents, if any, for a period of up to six months; and

• a lump sum payment equal to 80% of such officer's annual target bonus, pro-rated based on the number of full months of service in the year in which the separation of service occurs.

28

In addition, these agreements provide that if such officer is terminated for any reason other than cause, death or disability or if the officer voluntarily resigns for good reason within three months prior to (and contingent upon the consummation of the change in control) or 12 months after a change in control, such officer would be entitled to receive the following severance benefits:

- a payment equal to nine months of such officer's then-current base salary, paid over the nine month period following such officer's separation from service;
- reimbursement of COBRA premiums for such officer and his or her eligible dependents, if any, for a period of up to nine months;

Non-Employee Director Compensation Policy

In June 2015, our Board of Directors adopted a non-employee director compensation policy, pursuant to which our non-employee directors are eligible to receive compensation for service on our Board of Directors and committees of our Board of Directors.

Cash Compensation

Pursuant to our non-employee director compensation policy, each non-employee director receives an annual cash retainer of \$30,000 for serving on our Board of Directors. All annual cash compensation amounts are payable in equal quarterly installments in arrears, on the last day of each fiscal quarter for which the service occurred, pro-rated based on the days served in the applicable fiscal quarter.

Each director may elect to receive his or her annual cash compensation in the form of restricted stock units, or RSUs. Such RSUs will be granted on the date of our annual stockholder meeting and will vest in full on the last market trading day immediately prior to the next annual stockholder meeting, subject to the director's continued service through such vesting date.

Transactions with Related Persons

Other than compensation arrangements for our directors and named executive officers, which are described elsewhere in this proxy statement, below we describe transactions since January 1, 2016 to which we were a party or will be a party, in which:

the amounts involved exceeded or will exceed \$120,000; and
any of our directors, executive officers or holders of more than 5% of our capital stock, or any member of the immediate family of, or person sharing the household with, the foregoing persons, had or will have a direct or indirect material interest.

Investor Rights Agreement

We are party to an amended and restated investor rights agreement with holders of our common stock, including entities affiliated with Insight Venture Partners, Bessemer Venture Partners, Epic Ventures, OpenView Venture Partners, and our Chief Executive Officer. Messrs. Deeter, Efstratis and Marcus, former members of our Board of Directors, are affiliated with Bessemer Venture Partners, Epic Ventures and OpenView Venture Partners, respectively.

The registration of shares of our common stock pursuant to the exercise of registration rights would enable the holders to sell these shares without restriction under the Securities Act when the applicable registration statement is declared effective. We will pay the registration expenses, other than underwriting discounts and selling commissions, of the shares registered pursuant to the demand, piggyback and Form S-3 registrations.

Indemnification Agreements

Our amended and restated certificate of incorporation contains provisions limiting the liability of directors, and our amended and restated bylaws provides that we will indemnify our directors and executive officers to the fullest extent permitted under Delaware law. In addition, we have entered into an indemnification agreement with each of our directors and executive officers, which requires us to indemnify them.

Related-Person Transactions Policy and Procedures

Our Board of Directors has adopted a formal written policy that our executive officers, directors, key employees, holders of more than 5% of any class of our voting securities, and any member of the immediate family of and any entity affiliated with any of the foregoing persons, is not permitted to enter into a related-party transaction with us without the prior consent of our Audit Committee, or other independent body of our Board of Directors in the event it is inappropriate for our Audit Committee to review such transaction due to a conflict of interest. Any request for us to enter into a transaction with an executive officer, director, principal stockholder or any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000 must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee will consider the relevant facts and circumstances available and deemed relevant to our Audit Committee, including, but not limited to, whether the transaction will be on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related-party's interest in the transaction.

All of the transactions described in this section were entered into prior to the adoption of this policy. Although we have not had a written policy for the review and approval of transactions with related persons, our Board of Directors has historically reviewed and approved any transaction where a director or officer had a financial interest, including the transactions described above. Prior to approving such a transaction, the material facts as to a director's or officer's relationship or interest in the agreement or transaction were disclosed to our Board of Directors. Our Board of Directors took this information into account when evaluating the transaction and in determining whether such transaction was fair to us and in the best interest of all our stockholders.

Householding Of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are Instructure stockholders may be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Instructure. Direct your written request to Corporate Secretary, Instructure, Inc., 6330 South 3000 East, Suite 700, Salt Lake City, UT 84121 or contact Corporate Secretary, Instructure, Inc. at (800) 203-6755. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

Other Matters

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
