EXHIBIT 99.01

Clarification on information related to recent media report

Date of events: 2018/10/25

Contents:

1.Date of occurrence of the event:2018/10/25

2.Company name:Chunghwa Telecom Co., Ltd.

3.Relationship to the Company (please enter "head office" or "subsidiaries"):head office

4.Reciprocal shareholding ratios:N/A

5.Name of the reporting media:Storm Media Group

6.Content of the report: Chunghwa Telecom today clarified media reports about bad debt issues incurred from solar energy projects, that Chunghwa Telecom probably will recognize NT\$3 billion in bad debt in the third quarter due to its solar energy project undertaking.

7.Cause of occurrence:By the end of second quarter of 2018, the consolidated provision of doubtful accounts of the company was NT\$768 million; the financial statements of third quarter is in preparation, but the company anticipates there will be no significant increase in the provision of doubtful accounts, and the news report is a market rumor.

8.Countermeasures:Starting from the fourth quarter in 2016, Chunghwa Telecom

adopted a more cautious policy toward project selection in order to solidify our financial management, at the same time actively enhance accounts receivables collection including solar energy projects. Some solar energy projects have incurred bad debts so far, but the solar power project at Changhua Coastal Park undertaken in 2018 has not incurred any bad debt.

9. Any other matters that need to be specified: Chunghwa Telecom will continue to be cautious on project selection, and actively enhance debt recovery mechanism to improve profitability.
