SANTA MONICA, Calif., November 1, 2017 — TCP Capital Corp. (NASDAQ: TCPC) (the “Company”) announced today the pricing on October 30, 2017 of \$50 million in aggregate principal amount of 4.125% notes due 2022 (the “Notes”). The closing of the transaction is subject to customary closing conditions and the Notes are expected to be delivered and paid for on November 3, 2017.

The Notes bear interest at a rate of 4.125% per year, payable semiannually beginning on February 11, 2018 and will mature on August 11, 2022 and may be redeemed in whole or in part at the Company’s option at any time at par plus a “make whole” premium, if applicable. The Notes are a further issuance of the 4.125% notes due 2022 that the Company issued on August 11, 2017 in the aggregate principal amount of \$125,000,000 (the “existing 2022 Notes”). The Notes will be treated as a single series with the existing 2022 Notes under the indenture and will have the same terms as the existing 2022 Notes. The Notes will have the same CUSIP number and will be fungible and rank equally with the existing 2022 Notes. Upon the issuance of the Notes, the outstanding aggregate principal amount of the Company’s 4.125% notes due 2022 will be \$175,000,000. The Notes will be direct unsecured obligations of the Company and rank equally in right of payment with all outstanding and future unsecured senior indebtedness issued by the Company. The Notes will be structurally subordinated to the debt of any of the Company’s subsidiaries and effectively subordinated to all of the Company’s outstanding and future secured indebtedness.

The Company intends to use the net proceeds from this offering to repay amounts outstanding under its credit facilities, (which will increase the funds under such credit facilities available to the Company to make additional investments in portfolio companies in accordance with its investment objective) and for other general corporate purposes. The Notes have no restrictions related to the type and security of assets in which the Company might invest.
