**Item 8.01. Other Events**

On October 2, 2013, Omega Healthcare Investors, Inc. (the “Company” or “Omega”) entered into an Underwriting Agreement with Jefferies LLC (“Jefferies”), as underwriter, pursuant to which the underwriter agreed to purchase 2,500,000 shares of the Company’s common stock, par value \$0.10 per share (the “Underwriting Agreement”). In addition, the Company granted to Jefferies an option to purchase up to an additional 375,000 shares, which has since been exercised. Omega’s total net proceeds from the offering, after deducting the underwriting discounts and commissions and other estimated offering expenses, will be approximately \$84,530,000. The offering is expected to close on or about October 7, 2013, subject to satisfaction of customary closing conditions.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the underwriter, including for liabilities under the Securities Act of 1933, as amended (the “Act”), other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed up by the contracting parties.

The offered shares were registered under an existing automatic shelf registration statement on Form S-3 (Registration No. 333-179795) filed by Omega on February 29, 2012 with the Securities and Exchange Commission, including a prospectus supplement dated October 2, 2013 and filed with the Securities and Exchange Commission on October 3, 2013 pursuant to Rule 424(b)(2) under the Act.

A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated by reference herein. The foregoing description of the Underwriting Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to such exhibit.

Copies of the press releases announcing the offering and announcing the pricing of the offering are attached as Exhibits 99.1 and 99.2, respectively.

The estimated expenses in connection with the issuance and distribution of the shares are approximately \$225,000.
