### **PART III – NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Fred's, Inc. (the "Company") is delayed in preparing and filing its Quarterly Report on Form 10-Q for the quarter ended August 4, 2018 (the "Form 10-Q") by the September 13, 2018 filing due date applicable to accelerated filers. The Company expects to file the Form 10-Q on or before the fifth calendar day following the prescribed due date. Should the Company be unable to file the Form 10-Q by such date it will continue its efforts to file the Form 10-Q as soon as practicable thereafter. The Company issued an earnings release and will hold its quarterly earnings call on September 13, 2018, consistent with its prior announcement.

On September 7, 2018, the Company entered into an Asset Purchase Agreement (the "WBA Asset Purchase Agreement") with Walgreen Co. ("WBA"), pursuant to which WBA has agreed to purchase certain prescription files and related data and records, retail pharmaceutical inventory and other assets from 185 of the Company's retail pharmacy stores, subject to satisfaction of the closing conditions set forth therein. The Company's management, accounting and legal personnel devoted significant resources toward negotiating the WBA Asset Purchase Agreement, which contributed to the Company's delay in preparing and filing the Form 10-Q.

In addition, during the fourth quarter of 2017, the Company's board of directors approved a plan to actively market for sale the Company's specialty pharmacy business and, as previously disclosed, the closing of the sale of the specialty pharmacy business occurred on June 1, 2018. The specialty pharmacy business met the criteria for "Assets held for Sale" in accordance with Accounting Standards Codification ("ASC") Topic 360 (ASC 360), *Property, Plant and Equipment* as of February 3, 2018 and, as such, the Company will be presenting the results of operations for the specialty pharmacy business as discontinued operations in accordance with ASC 205-20, *Results of Operations – Discontinued Operations* for all periods presented in the Form 10-Q. The delay in the Company's filing of the Form 10-Q is partially due to the closing of this transaction having occurred in the second fiscal quarter and the need for additional time to complete the accounting and reporting processes necessary to satisfy the requirement to reflect the discontinuation of the Company's specialty pharmacy operations.

The foregoing circumstances have delayed the preparation and review of the Form 10-Q and have made the timely filing of the Form 10-Q impracticable without undue hardship and expense to the registrant. As referenced above, the Company expects to file the Form 10-Q on or before the fifth calendar day following the prescribed due date.

#### ***Forward-Looking Statements***

Edgar Filing: FREDs INC - Form NT 10-Q

*Statements in this notification about the expected timing of the filing of the Form 10-Q and the Company's results of operations, other than historical facts, constitute forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Readers are cautioned not to place undue reliance on these forward-looking statements and any such forward-looking statements are qualified in their entirety by reference to the following cautionary statements.*

*All forward-looking statements speak only as of the date hereof and are based on current expectations and involve a number of risks, uncertainties and assumptions that could cause the actual results to differ materially from such forward-looking statements, including, among other things, the time needed for the Company to finalize and file its Form 10-Q. Unless required by law, the Company expressly disclaims any obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.*

## PART IV – OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

Joseph M. Anto (901) 365-8880  
(Name) (Area Code) (Telephone Number)

Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or  
(2) Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that  
the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes ☐ No ☐

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal  
year will be reflected by the earnings statements to be included in the subject report or portion thereof?  
Yes ☐ No ☐

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the  
reasons why a reasonable estimate of the results cannot be made.

It is anticipated that there may be a significant change in the Company's results of operations for the fiscal quarter and  
six months ended August 4, 2018, as compared to the corresponding periods for the last fiscal year, primarily due to  
the Company's presentation of the results of operations for the specialty pharmacy business as discontinued operations  
in accordance with ASC 205-20, Results of Operations – Discontinued Operations. Except for the removal of the  
Company's specialty pharmacy business from continuing operations, the Company anticipates that its continuing  
operations for the fiscal quarter and six months ended August 4, 2018 will not differ significantly from the  
corresponding periods for the last fiscal year, except to the extent already disclosed by the Company in its prior filings  
and in the Company's earnings release furnished on the date hereof as Exhibit 99.1 to a Current Report on Form 8-K.

For the reasons described in part III, the Company requires additional time to complete the accounting and reporting  
processes necessary to satisfy the requirement to reflect the discontinuation of its specialty pharmacy operations, and  
as such, the Company is unable to provide a reasonable estimate of the changes in results of operations for the fiscal  
quarter and six months ended August 4, 2018 from the results of operations for the corresponding periods for the last  
fiscal year other than as disclosed in the Company's earnings release.
