Item 1.01
Item 3.02

Entry into a Material Definitive Agreement.
Unregistered Sales of Equity Securities.

On August 22, 2017, we entered into agreements with accredited investors for the sale and purchase of 466,668 shares of our common stock, \$0.01 par value at a purchase price of \$0.45 per share. We received \$210,001 in gross proceeds from the offering. We intend to use the net proceeds from this placement for general working capital purposes.

Concurrently with the placement, we entered into an agreement with an investor for the sale of 88,888 unregistered shares of our common stock for services provided to us at a price of \$0.45 per share.

In connection with the placement, we also entered into a registration rights agreement with the investors, whereby we are obligated to file a registration statement with the Securities Exchange Commission on or before 90 calendar days after August 22, 2017 to register the resale by the investors of 555,556 shares of our common stock purchased in the placement.

In conjunction with the offering, certain anti-dilution provisions of the warrants issued in conjunction with our September 28, 2012 financing transaction were triggered. As a result of the offering, the number of existing September 28, 2012 warrants increased from 2,558,519 to 2,731,003 and 249,627 to 263,891, respectively, and the related exercise price decreased from \$0.95 to \$0.89 and from \$0.74 to \$0.70, respectively. The September 28, 2012 warrants expire on September 28, 2017.

The description of the private placement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Form of the Purchase Agreement by and among us and the investors, dated August 22, 2017, and the Form of Registration Rights Agreement by and among us and the investors, dated August 22, 2017, which are filed as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.

The issuance of the shares of common stock was exempt from registration pursuant to the exemption contained in Section 4(a)(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D, inasmuch as it was not a public offering since no general solicitation or advertising of any kind was used in connection with the issuance and there was only a limited number of recipients or the recipients were knowledgeable accredited investors who understand the investment risks. Accordingly, the shares issued as part of the private placement have not been registered under the Securities Act of 1933, as amended, and until so registered, the securities may not be offered or sold in the United States absent registration or availability of an applicable exemption from registration.

This report does not constitute an offer to sell or the solicitation of an offer to buy, and these securities cannot be sold in any state or jurisdiction in which this offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any state or jurisdiction. Any offer will be made only by means of a prospectus, including a prospectus supplement, forming a part of the effective registration statement.
