PROXY STATEMENT
OF
WESBANCO, INC.
One Bank Plaza
Wheeling, West Virginia 26003

ANNUAL MEETING OF STOCKHOLDERS
APRIL 17, 2002

This statement is furnished to the stockholders of Wesbanco, Inc. (the "Corporation") in connection with the solicitation of proxies to be used in voting at the annual meeting of the stockholders of the Corporation (the "Annual Meeting"), which will be held at the Ramada Plaza City Center Hotel, 1200 Market Street, Wheeling, West Virginia, 26003, at 4:00 p.m. E.S.T. on Wednesday, April 17, 2002. This statement is being mailed to the stockholders on or about March 15, 2002.

Wesbanco, Inc. is the parent company and the holder of all of the outstanding shares of the capital stock of Wesbanco Bank, Inc., Wheeling, West Virginia. The Corporation also maintains two other operating entities, namely, Wesbanco Securities, Inc., Marietta, Ohio, and Wesbanco Insurance Services, Inc., Shinnston, West Virginia.

Proxies

The proxies are solicited by the Board of Directors of the Corporation, and the cost thereof is being borne by the Corporation. Employees and Directors of the Corporation and its subsidiaries may follow up on this written solicitation by telephone or other methods of communication.

Edgar Filing: WESBANCO INC - Form DEF 14A

Proxies may be revoked by the stockholders who execute them at any time prior to the exercise thereof by written notice to the Corporation, or by announcement at the stockholders meeting. Unless so revoked, the shares represented by all proxies will be voted, by the persons named in the proxies, at the stockholders meeting and all adjournments thereof, in accordance with the specifications set forth therein, or, absent such specifications, in accordance with the discretion of the holders of such proxies.

Alternatively, if shares of the Corporation's common stock are registered in a shareholder's name, such shareholder may vote over the Internet or by telephone by following the instructions set forth on the Proxy Card.

Stock Outstanding and Voting Rights

The authorized capital stock of the Corporation consists of 50,000,000 shares of common stock with a par value of \$2.0833 per share, and 1,000,000 shares of preferred stock without par value. Of the 50,000,000 shares of authorized common stock, as of March 1, 2002, there were 21,230,138 shares issued and outstanding. There are no shares of preferred stock outstanding.

The authorized shares of preferred stock of Wesbanco may be issued in one or more classes or series with such preferences and voting rights as the Board of Directors may fix in the resolution providing for the issuance of such shares. The issuance of shares of preferred stock could affect the relative rights of Wesbanco common stock. Depending upon the exact terms, limitations and relative rights and preferences, if any, of the shares of preferred stock as determined by the Board of Directors of Wesbanco at the time of issuance, the holders of preferred stock may be entitled to a higher dividend rate than that paid on the common stock, a prior claim on funds available for the payment of dividends, a fixed preferential payment in the event of liquidation and dissolution of the company, redemption rights, rights to convert their preferred stock into shares of Wesbanco common stock, and voting rights which would tend to dilute the voting control of the Corporation by the holders of Wesbanco common stock.

A quorum is required to conduct business at the Annual Meeting. A majority of the outstanding shares of the Corporation present in person or represented by proxy constitutes a quorum. Abstentions, votes withheld and shares represented by broker non-votes are counted in determining whether a quorum is present.

Stockholders of record as of the close of business on March 8, 2002, will be entitled to vote at the Annual Meeting. Each stockholder will be entitled to one vote for each share of common stock held, as shown by the records of the Corporation at that time. Cumulative voting in the election of Directors is permitted by West Virginia statutory provisions, and the exercise of that right is not subject to any condition precedent. Each stockholder is entitled to as many votes as shall equal the number of his shares of common stock multiplied by the number of Directors to be elected within each class, and he may cast all of such votes for a single Director or he may distribute them among the number to be voted for as he may see fit.

To the best of management's knowledge, Wesbanco Trust and Investment Services, the Trust Department of Wesbanco Bank, Inc. (the "Bank"), Bank Plaza, Wheeling, West Virginia, 26003, is the only holder or beneficial owner of more than 5% of the common stock of the Corporation. As of March 1, 2002, 1,781,128 shares of the common stock of the Corporation, representing 8.39% of the total shares outstanding, were held in various capacities in the Trust Department. Of these shares, the Bank does not have voting control of 862,541 shares, representing 4.06% of the shares outstanding, has partial

Edgar Filing: WESBANCO INC - Form DEF 14A

voting control of 24,195 shares, representing 0.11% of the

1

shares outstanding, and sole voting control of 894,392 shares, representing 4.21% of the shares outstanding. In accordance with its general practice, shares of the common stock of the Corporation over which the Bank has sole voting control will be voted in accordance with the recommendations of Bank management. Shares over which the Bank has partial voting control will be similarly voted if the Bank has the concurrence of the co-fiduciary or co-fiduciaries.

The following table lists each stockholder known to the Corporation to be the beneficial owner of more than 5% of the Corporation's common stock as of March 1, 2002, as more fully described above:

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's officers, directors, and persons who own more than 10% of a registered class of the Corporation's equity securities, to file reports of ownership and changes in ownership with the Securities & Exchange Commission (the "SEC"). Officers, directors and greater than 10% shareholders are

Edgar Filing: WESBANCO INC - Form DEF 14A

required by SEC regulations to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of Forms 3, 4 and 5 received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Corporation believes that, during the calendar year 2001, all filing requirements applicable to its officers, directors and greater than 10% beneficial owners were fulfilled. The Corporation is required to report late filings.

Transactions With Directors and Officers

It has been the practice of the subsidiary bank of the Corporation, on occasion, to engage in the ordinary course of business in banking transactions, which at times involved loans in excess of \$60,000.00, with some of its Officers and Directors and some of the Officers and Directors of the Corporation and their associates. It is anticipated that the practice will be continued. All loans to such persons, however, have been made, and in the future will be made, in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not, and will not, involve more than normal risk of collectibility or present other unfavorable features. From time to time the firm of Phillips, Gardill, Kaiser & Altmeyer of which James C. Gardill, Chairman of the Board and a Director of the Corporation, is a partner, and the firm of Schrader, Byrd & Companion, PLLC, of which Ray A. Byrd, Director of the Corporation, is a partner, perform services for the Corporation. Fees aggregating \$489,856.65 were paid to the law firm of Phillips, Gardill, Kaiser & Altmeyer for legal services rendered to the Corporation and its banking affiliates during the year 2001. It is contemplated that one or both of these firms will be retained to perform legal services during the current year.

Election of Directors

The Board of Directors of the Corporation is divided into three classes, as nearly equal in number as the numerical membership of the Board will permit, the members of such classes to serve staggered terms of three years each. The Bylaws permit the Board to determine each year the number of Directors up to a maximum of thirty-five (35), and the Board of Directors has determined that the Board shall consist of nineteen (19) members, and has fixed the number of Directors to be elected at the forthcoming meeting at six (6), all of whom are to be elected for a three-year term which will expire at the annual stockholders meeting in 2005. Proxies may not be voted for a greater number of persons than are nominated. There are no family relationships among the directors, nominees or executive officers of the Corporation, except that Jeremy C. McCamic is the father of Abigail M. Feinknopf, both of whom are nominees.

Accordingly, the following persons have been nominated for election to the Board:

In the absence of instructions to the contrary, the enclosed form of proxy, if executed and returned to the Corporation, will be voted in the manner determined by the holder or holders thereof. Wesbanco maintains a defined benefit pension plan for all employees and a Supplemental Employee Retirement Plan for certain executive officers. The preceding pension plan table lists the approximate annual retirement benefits (qualified plan and Supplemental Plan) an executive officer would receive if he or she retired at age 65. Amounts are based on a 10 year term for the Supplemental Plan and a full life annuity form for the defined benefit plan.

10

Under the defined benefit plan, a participant's compensation covered by the Corporation's pension plan is the salary reported on the Form W-2 plus Section 125 contributions made by the employee (as reported in the Summary Compensation Table), for the 60 consecutive months out of the last 120 consecutive months of the participant's career for which such average is the highest, or in the case of a participant who has been employed for less than 60 months, the period of his employment with the Corporation. Average compensation for named executives as of the end of the last calendar year is: Mr. George: \$298,980; Mr. Limbert, \$222,866; Mr. Yaeger: \$197,763; Mr. Schmitt: \$189,647; Mrs. Molnar: \$143,754; and Mr. Moore: \$137,423. The estimated years of service for each named executive are as follows: Mr. George: 18.25; Mr. Limbert: 24.666; Mr. Yaeger: 29.333; Mr. Schmitt: 29; Mrs. Molnar: 17.50; and Mr. Moore: 25.583.

Edgar Filing: WESBANCO INC - Form DEF 14A

In 1999, the Corporation approved and subsequently established a Supplemental Employee Retirement Plan for certain executive officers, including the individuals named in the Summary Compensation Table. Although benefits under the plan are unsecured, the Corporation funded payment of such benefits through bank owned life insurance arrangements where appropriate or available. The plan is a non-qualified retirement benefit.

This plan provides for payment of a scheduled annual benefit at normal retirement age of 65 of approximately 60% of salary at the time of adoption, less the defined pension plan benefit, payable annually for a period of 10 years. The plan further provides, pursuant to a schedule, for (i) a reduced early retirement benefit, (ii) a disability retirement benefit, and (iii) a benefit payable upon a termination of employment other than due to death, disability or retirement within three years after a change of control (as defined in the plan) of the Corporation. Each of these annual benefits is payable in monthly installments for a period of 10 years beginning with the month following the date that the executive attains age 65.

Death benefits also are payable under the Supplemental Plan. If the executive dies prior to any termination of employment with the Corporation, the executive's designated beneficiary is entitled to a payment of a death benefit under a split dollar life insurance agreement. If the executive dies after payment of retirement benefits under the plan has commenced, any remaining benefit payments will be paid to the executive's designated beneficiary in the same manner as they would have been paid to the executive. In addition, if the executive dies after termination of employment with the Corporation and prior to the commencement of any payment of retirement benefits under the plan, the executive's designated beneficiary will be entitled to receive payment of the executive's retirement benefit under the plan beginning with the month following the executive's death.

Mr. George's contract contains a similar benefit percentage, but it is not funded with life insurance. His contract requires the performance of continuing services under certain circumstances and contains a non-competition provision. It likewise contains a death and disability benefit.

Assumed Change in Control Agreements

Effective November 1, 1996, Commercial BancShares, Inc. ("Commercial"), a company acquired by merger with a wholly owned subsidiary of the Corporation, entered into employment continuity agreements with Mr. Mildren, Jr. and Mr. Johnson. Except as noted, the agreements have identical provisions and became operative upon a change in control of Commercial, which occurred on March 31, 1998, with the acquisition by the Corporation. Mr. Mildren's contract was amended June 1, 1999, and its term now extends to March 31, 2002.

Under the agreements, the Corporation will continue to employ William E. Mildren, Jr. and Larry G. Johnson for three years, or until their normal retirement date, whichever is earlier. During that period, the terms and conditions of the executive's employment, including salary, bonuses, and employee benefit plans and programs, are fixed as of the day before the control change date. The executive is entitled to continued compensation if the executive's employment terminates during the employment period, but subject to executive's offer to work that is rejected by the Corporation. The executive is entitled to continued compensation equal to three times the executive's base period income (paid in 36 monthly installments) if the executive is terminated by the Corporation without cause ("cause" being limited to executive's acts of theft, embezzlement, fraud, or moral turpitude), or if executive voluntarily terminates employment within six months after (a) the executive does not receive salary increases, bonuses,

Edgar Filing: WESBANCO INC - Form DEF 14A

and incentive awards comparable to the salary increases, bonuses, and incentive awards the executive received in prior years or, if greater, that other executives in comparable positions receive in the current year, or (b) executive's compensation or employment related benefits are reduced; or (c) executive's status, title(s), office(s), working conditions or management responsibilities are diminished; or (d) executive's place of employment is changed in any way without Executive's consent. Within 12 months after a change in control, the executive may voluntarily terminate his employment with the Corporation and, in such event, will be entitled to receive continued compensation equal to his base period income, paid in 12 equal monthly installments, and shall be free from the covenants not to compete which are operative under other events of termination.

Jeremy C. McCamic, former Chief Executive Officer of American Bancorporation, has entered into a consulting agreement with the Corporation that became effective upon completion of the merger pursuant to which

11

he will provide such services as the Corporation may request from time to time, and the Corporation will pay Mr. McCamic a monthly payment, plus expenses, for his services. The monthly payment is \$8,500.00 during the first year, \$8,000 during the second year, \$7,500 during the third year, \$7,000 during the fourth year, \$6,500 during the fifth year and \$6,000 during the sixth year. The consulting agreement also provides that Mr. McCamic will be appointed to the Wesbanco Board of Directors, its Executive Committee and the Planning and Acquisitions Committee thereof to serve until December 31, 2002. Mr. McCamic will be paid additional attendance fees as a member of Wesbanco's Board of Directors, but will not receive the quarterly retainer fee that would otherwise be payable to a member of Wesbanco's Board of Directors. Upon election to emeritus status, Mr. McCamic will be entitled to receive a monthly fee of \$500 as an emeritus director. Mr. McCamic's consulting agreement will terminate on the 6th anniversary of the merger and provides generally that he may not engage in the banking business within a 50 mile radius of Wheeling, WV, during the term of the consulting agreement.

Under American's severance plan, Jeremy C. McCamic would have been entitled to an annuity payment of \$10,000 per month for 12 years or the remainder of his life, whichever is longer, following a change of control of American if, following the change of control, he was terminated or voluntarily resigned because he was not provided an opportunity with the acquiring organization with comparable authority and the same compensation as he was then earning at American. Mr. McCamic entered into a severance plan clarification agreement with American and the Corporation that provides for the payment of a monthly annuity of \$8,100 for the remainder of Mr. McCamic's life with a minimum term certain of 12 years in full satisfaction of the benefits that may otherwise have been payable to Mr. McCamic as a result of the change of control of American. The agreement provides that the parties intend to avoid the imposition of any excise tax under Section 280G of the Internal Revenue Code. In the event that an excise tax is imposed on Mr. McCamic, Wesbanco has agreed to reimburse Mr. McCamic for the amount of such excise tax. Mr. McCamic has assumed any income tax liability arising from the excise tax reimbursement.

Corporation Change in Control Agreements

During 1999, the Corporation entered into agreements with the remaining

Edgar Filing: WESBANCO INC - Form DEF 14A

officers listed in the Summary Compensation Table and with certain other officers to encourage those key officers not to seek other employment because of the possibility of another entity's acquisition of the Corporation. These agreements were designed to secure the executives' continued service and dedication in the face of the perception that a change in control could occur, or of an actual or threatened change in control. Because of the amount of acquisition activity in the banking industry, the Board of Directors believed that entering into these agreements was in the Corporation's best interest. The 1999 agreements were not entered into because a change in control was imminent.

The agreements operate only upon the occurrence of a "change in control" as described below. Absent a "change in control", the agreements do not require the Corporation to retain the executives in its employ or to pay them any specified level of compensation or benefits.

Each agreement provides that if a change in control of the Corporation or its bank subsidiary which employs the employee (collectively, the "Subsidiary") occurs, the Corporation and the Subsidiary will be obligated to continue to employ the executive during the time period starting upon the occurrence of a change in control and ending two years thereafter (or, if earlier, at the executive's retirement date under established rules of the Corporation's tax-qualified retirement plan) (the "Term of Employment").

If, during the Term of Employment, the executive is discharged by the Corporation or the Subsidiary without cause or resigns for good reason, then the executive shall receive a lump sum payment equal to three times (i) the highest rate of the executive's annual base salary in effect prior to the date of termination, and (ii) the greater of, the executive's average annual bonus over the three years ending prior to the date of termination, or the executive's bonus established for the annual bonus year in which the date of termination occurs. If the executive is terminated during the Term of Employment for any reason other than cause, then for a period of 18 months from the date of termination, the executive and/or the executive's family will continue to receive insurance and health care benefits equivalent to those in effect immediately prior to the date of the change in control, subject to reduction to avoid duplication with benefits of a subsequent employer.

Generally, and subject to certain exceptions, a "change in control" shall be deemed to have occurred if (a) final regulatory approval is obtained for any party to acquire securities of the Corporation and/or the Subsidiary representing 20% or more of the combined voting power of the Corporation's or the Subsidiary's then outstanding securities; (b) there is during any two consecutive years a significant change in the Corporation's or the Subsidiary's Board of Directors not approved by the incumbent Board; or (c) final regulatory approval is obtained for a plan of complete liquidation or dissolution or sale of all or substantially all of the Corporation's or the Subsidiary's assets or certain significant reorganizations, mergers and similar transactions involving the Corporation or the Subsidiary.

If an excise tax under Section 4999 of the Internal Revenue Code applies to these payments, Wesbanco will pay the executive a reduced amount over an extended period so that no excise tax is due.

Compensation Committee Report

Members of the Compensation Committee consist of the non-salaried members of the Executive Committee and one additional member of the Board of

Edgar Filing: WESBANCO INC - Form DEF 14A

Directors and include Messrs. Criss, Chalfant, Witschey, Hobbs, Strauss and Tanner. The Committee also includes Mr. Gardill, the Chairman of the Board.

Generally, compensation policies are determined by the annual budget process in which overall salary adjustment ranges are established based upon a projected annual budgeted amount for salaries. The actual increases are then allocated based on administration of the company's salary administration program, a Hay-type system, and individual performance evaluations, which are done each year on all employees, including executive officers. Salary increases are also adjusted for merit increases and changes in duties and responsibilities where warranted. The Committee also considered that executive salaries for the Corporation's executives are somewhat lower than industry peer group averages and have been moving closer to industry standards, subject to corporate performance.

Corporation performance, including total shareholder return, is considered in establishing the annual budget for salary increases, which is the initial part of the process. Projected annual income growth and savings through consolidation are considered in establishing the overall salary increase range. Also, Corporation performance factors, including net income, return on assets and return on equity, are considered in setting annual bonuses. The bonuses are determined on a subjective basis.

Considerations affecting Mr. George's and Mr. Limbert's salaries and bonuses for 2001 included the overall salary administration program of the Corporation, the substantial reorganizational work involved in consolidating the separate banking corporations into one bank and efforts to control loan delinquency during the year. The Committee also considered the interest rate environment in which the Corporation operated during the past year and the improvement in the efficiency ratio achieved by the Corporation. Also the Committee considered the overall increases granted to other employees in the Corporation and the salary structure of peer group banks.

In considering Mr. George's and Mr. Limbert's compensation and the bonuses paid to senior executive officers, the Committee considered published compensation comparative data for certain regional bank holding companies which compete in markets served by the Corporation and markets within reasonable proximity thereto (hereinafter referred to as "Peer Group"). The Peer Group information reflected that overall, relative to published survey medians for base salary and total cash compensation in similar size organizations, the Corporation's top executive group's base salaries and total cash compensation are on the low side of competitive levels. Total direct compensation is below competitive levels.

The Committee reaffirmed its goal of maintaining its base salary structure at the middle of the appropriate competitive marketplace and positioning actual salaries at the middle of the marketplace subject to performance, longevity and evaluation.

Description of Employment Contracts

The Corporation and its subsidiaries provide certain executive officers, including the executive officers named in the Summary Compensation Table, with written Employment Contracts at their respective base annual salaries. These contracts are all substantially the same and are structured on a revolving three year term which is annually renewable. The contracts provide for discharge for cause, and terminate in the event of the death of the employee. If terminated by reason of the death of the employee, or without cause, the employee or his designated beneficiary is entitled to a severance payment equal to the greater of (i) six months of the employee's base salary, or (ii) the base salary the employee would have received had he continued to be employed throughout the end of the then existing term of the Agreement. There are no golden parachute type provisions contained in the contracts.

Several directors have been appointed to the Board and subsequently nominated for election pursuant to acquisition and merger related agreements. Messrs. Mildren, Johnson, Tebay and Swearingen were appointed, nominated and elected to the Board pursuant to the provisions of such an agreement. Under the terms of the Merger Agreement with Commercial Bancshares, Inc., each of the four (4) named directors were to serve full three (3) year terms. Messrs. Mildren and Johnson were appointed to the Board effective March 31, 1998, were elected in the class of directors elected on April 15, 1998, and have completed their three (3) year terms. Mr. Tebay was appointed to the class whose term expired in 2000 and his full three (3) year term will expire in 2003. Mr. Swearingen was appointed to the class whose term expired in 1999 and his full three (3) year term will expire in April, 2002.

Mr. McCamic and Mrs. Feinknopf were appointed to the Board and are currently nominated for election pursuant to the Merger Agreement with American Bancorporation. Under the terms of the Agreement, Mr. McCamic will serve as a member of the Board until December 31, 2002, at which time he will resign and the Corporation has agreed to appoint his son, Jay T. McCamic, to the Board. Under the terms of the Agreement, the Corporation has agreed to include Mrs. Feinknopf and Mr. Jay T. McCamic as recommended nominees until each has served at least a full three (3) year term.

Description of Bonus Plan

Annually, the Compensation Committee of the Corporation makes a determination as to the amount and allocation among the executive officers of the Corporation of a bonus payable to such officers. The amount and participants vary each year based on an assessment of profitability and merit as determined by the Committee. A total of \$531,000 in cash was allocated and paid for such bonuses for the year 2001.

Wesbanco KSOP Plan

Edgar Filing: WESBANCO INC - Form DEF 14A

The Wesbanco Employee Stock Ownership and 401(k) Plan (the "Plan") is a qualified non-contributory employee stock ownership plan with a deferred savings plan feature under Section 401(k) of the Internal Revenue Code. The employee stock ownership feature of the Plan (the "ESOP") was adopted by the Corporation on December 31, 1986, and subsequently amended and restated effective January 1, 1996, to add 401(k) pre-tax savings features (the "KSOP"). All employees of the Corporation, together with all employees of the subsidiary companies which adopt the Plan, are eligible to participate in the ESOP portion of the Plan upon completion of a year of service and attaining age 21. The 401(k) eligibility provisions permit participation in the first calendar quarter subsequent to employment. All affiliates are participants in the Plan. The Plan is administered by a Committee appointed by the Board of Directors of the Corporation.

At the present time, the Plan Trust holds 831,128 shares or 3.9% of Wesbanco Common Stock, of which 745,394 shares are allocated to specific employee accounts as of December 31, 2001. The ESOP Trustee has available a \$2,000,000.00 borrowing capacity from an affiliated financial institution. A balance of \$1,572,353 was outstanding at December 31, 2001. The loan originated during 2000 and is structured as a revolving line of credit, and the unpaid balance of any borrowing is amortized over a five-year period at an interest rate equal to the lender's base rate. The Corporation is required to make annual payments to principal equal to 20% of the January 1st balance each year. Any balance due at maturity is to be paid in full or refinanced. The ESOP is required to pledge the shares of employer securities purchased with the proceeds of the loan as security for the loan. The Corporation guaranteed the loan issuing a contribution commitment letter. As securities are allocated to the accounts of participating employees, and the loan balance paid down, they are released by the secured party.

Employer securities purchased with the proceeds of the loan are placed in a suspense account and released, prorata, from such suspense account under a formula which considers the amount of principal and interest paid for a given period over the amount of principal and interest anticipated to be paid for that period and all future periods. Shares released from the suspense account, employer contributions, if any, and forfeitures are each allocated,

14

prorata, subject to limits imposed by the Code, to the accounts of individual participants under a format which considers the amount of the participant's compensation over the aggregate compensation of all participants.

Meetings of Board of Directors and Committees and Compensation of Members

The Board of Directors of the Corporation meets bimonthly, and the Executive Committee of the Corporation meets monthly. During 2001, the Board of Directors of the Corporation held six regular meetings and one special meeting. Directors of the Corporation were also paid a fee of \$300.00 for attendance at meetings of special committees of the Corporation. No annual or meeting fees are paid to Directors who are also active officers of the Corporation or any of its affiliates. Fees in the total amount of \$98,300.00 were paid to Directors for attendance at meetings of the Board of Directors of the Corporation and at meetings of all Committees of the Corporation during the year 2001. In addition, fees in the aggregate amount of \$72,450.00 were credited to the accounts of those Directors who have elected to participate in the Wesbanco, Inc. and All Affiliate Banks Directors Deferred Compensation Plan, pursuant to which payment of fees for

Edgar Filing: WESBANCO INC - Form DEF 14A

attendance at meetings of the Board of Directors and committees established by the Board may be deferred and deemed invested in Wesbanco Common Stock or in a money market rate of interest account.

The Corporation does have a standing Compensation Committee. The members of the Corporation's Compensation Committee include James C. Gardill, Roland L. Hobbs, Carter W. Strauss, Christopher V. Criss, Reed J. Tanner, William E. Witschey and R. Peterson Chalfant. The Compensation Committee met two times during the year. The Corporation has an Audit/Loan Review Committee ("Audit Committee"). All members are considered independent and the currently serving members are: Christopher V. Criss, Chairman, Ray A. Byrd, Reed J. Tanner, Vaughn L. Kiger, James E. Altmeyer, Carter W. Strauss, Fred T. Chambers and Rizal V. Pangilinan. Several of the members of the Audit Committee are partners, controlling shareholders or executive officers of an organization that has a lending relationship with the banking affiliate of the Corporation, or individually, they maintain such relationships. The Corporation's Board of Directors has determined that such lending relationships do not interfere with the director's exercise of independent judgment. Each of the Audit Committee members satisfies the definition of independent director as established by the NASD rules. The Corporation has adopted a formal charter and the Audit Committee has reviewed and assessed the adequacy of the written charter during the past year. A copy of the written charter is attached hereto as Exhibit A and made a part hereof. The Audit Committee met five (5) times in 2001.

The report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Corporation specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Report of Audit Committee

The Audit Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are

responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles

and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States and by codification of statements on auditing standards, AU 380. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the independent auditors the independent auditors' independence from management and the Corporation and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Corporation's internal and independent auditors and the credit quality officer the overall scope and plans for and results of their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, credit quality and the overall quality of the Corporation's financial reporting.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities & Exchange Commission. This report is not deemed "soliciting material" or deemed to be filed with the SEC or subject to Regulation 14A, or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent requested by the Corporation or incorporated by documents otherwise filed.
