(i) take any of the following actions with respect to any of its capital stock that ranks junior to the Series C Preferred Stock as to payment of dividends or distribution of assets upon dissolution, liquidation or winding up of the Corporation, including any and all shares of Common Stock and the Series A Preferred Stock issued in the future, if any:

(A) declare or pay any dividend or make any distribution of assets on any of the Corporation's capital stock that ranks junior to the Series C Preferred Stock as to payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the Corporation, other than dividends or distributions in the form of the Corporation's capital stock that ranks junior to the Series C Preferred Stock as to payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the Corporation; or

(ii) redeem, purchase or otherwise acquire any of the Corporation's capital stock that ranks pari passu with the Series C Preferred Stock as to payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the Corporation, except for conversion or exchange for the Corporation's capital stock that ranks junior to the Series C Preferred Stock as to payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the Corporation.

(5) Voting Rights.

(a) Except as otherwise required by law or set forth herein, Holders of the Series C Preferred Stock are not entitled to any voting rights and their consent shall not be required for the taking of any corporate action.

(b) So long as any of the Series C Preferred Stock is outstanding, the Corporation will not, without the approval of the Holders of at least 66% of the Series C Preferred Stock then outstanding, given in person or by proxy either at a regular meeting or at a special meeting called for that purpose, at which the Holders of the Series C Preferred Stock shall vote separately as a series, amend any of the provisions of the Corporation's Certificate of Incorporation, as amended and restated, so as to affect adversely the powers, preferences, privileges or rights of the Holders of the Series C Preferred Stock; provided that the amendment of the provisions of the Corporation's Certificate of Incorporation so as to authorize or create, or increase the authorized amount of any shares ranking junior or pari passu as to payment of dividends and distribution of assets upon dissolution, liquidation or winding up

Edgar Filing: CORNING INC /NY - Form 8-K

of the Corporation to the Series C Preferred Stock shall not be deemed to affect adversely the powers, preferences, privileges or rights of the Holders of the Series C Preferred Stock.

(c) So long as any of the Series C Preferred Stock is outstanding, the Corporation will not, without the approval of the holders of at least 80% of the Series C Preferred Stock then outstanding and all shares of any other series of the Corporation's Series Preferred Stock ranking pari passu as to dividends or distribution of assets upon dissolution, liquidation or winding up of the Corporation with the Series C Preferred Stock then outstanding, voting together as a single class, given in person or by proxy either at a regular meeting or at a special meeting called for that purpose:

(i) issue, authorize or increase the authorized amount of, or issue or authorize any obligation or security convertible into or evidencing a right to purchase, any stock of any class ranking senior to the Series C Preferred Stock as to dividends or distribution of assets upon dissolution, liquidation or winding up of the Corporation; or

(ii) reclassify any of the Corporation's authorized stock into any stock of any class, or any obligation or security convertible into or evidencing a right to purchase such stock, ranking senior to the Series C Preferred Stock as to dividends or distribution of assets upon dissolution, liquidation or winding up of the Corporation,

provided that the Corporation may take any of the actions described in this Section 5(c) to issue, authorize or increase the authorized amount of, or issue or authorize any obligation or security convertible into or evidencing a right to purchase, any stock ranking junior to or pari passu with the Series C Preferred Stock as to dividends or distribution of assets upon dissolution, liquidation or winding up of the Corporation without the vote of any Holder of the Series C Preferred Stock.

(6) Liquidation, Dissolution or Winding Up.

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the Holders of the Series C Preferred Stock at the time outstanding will be entitled to receive, out of the net assets of the Corporation available for distribution to stockholders (subject to the rights of the holders of any stock of the Corporation then outstanding ranking senior to or pari passu with the Series C Preferred Stock in respect of distributions upon liquidation, dissolution or winding up of the Corporation and before any amount shall be paid or distributed with respect to holders of any stock of the Corporation then outstanding ranking junior to the Series C Preferred Stock in respect of distributions upon liquidation, dissolution or winding up of the Corporation), a liquidating distribution in the amount of \$100.00 per share, plus an amount equal to the sum of all accrued and unpaid dividends, whether or not earned, for the then-current Dividend Period and all prior Dividend Periods. After the payment to the Holders of the Series C Preferred Stock of the full amounts provided in this Section 6(a), the Holders of the Series C Preferred Stock will have no right or claim to any of the Corporation's remaining assets.

(b) For the purpose of this Section 6, none of the following shall be deemed a voluntary or involuntary liquidation, dissolution or winding up of the Corporation:

(i) the sale of all or substantially all of the Corporation's property or business;

(ii) the merger or consolidation of the Corporation into or with any other corporation; or

Edgar Filing: CORNING INC /NY - Form 8-K

(iii) the merger or consolidation of any other corporation into or with the Corporation.

(c) If, upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the amounts payable with respect to the Series C Preferred Stock then outstanding are not paid in full as provided in Section 6(a) hereof, no distribution shall be made on account of any stock ranking pari passu with the Series C Preferred Stock as to the distribution of assets upon that liquidation, dissolution or winding up unless a pro rata distribution is made on the Series C Preferred Stock. The Holders of the Series C Preferred Stock then outstanding and the holders of any stock of the Corporation ranking pari passu with the Series C Preferred Stock then outstanding shall share ratably in any distribution of assets upon such liquidation, dissolution or winding up. The amount allocable to each series of stock ranking pari passu as to dividends or distribution of assets upon dissolution, liquidation or winding up of the Corporation then outstanding will be based on the proportion of their full respective liquidation preference to the aggregate liquidation preference of the outstanding shares of each such series. After the payment to the Holders of the Series C Preferred Stock and all other series of stock ranking pari passu as to payment of dividends and distribution of assets upon dissolution, liquidation or winding up of the Corporation of the full amounts provided in this Section 6(c), the Holders of the Series C Preferred Stock and the holders of all other series of stock ranking pari passu as to payment of dividends and distribution of assets upon dissolution, liquidation or winding up of the Corporation will have no right or claim to any of the Corporation's remaining assets.

(d) Written notice of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, stating the payment date or dates when, and the place or places where, the amounts distributable to holders of Series C Preferred Stock in such circumstances shall be payable, shall be given by first-class mail, postage prepaid, mailed not less than twenty calendar days prior to any payment date stated therein, to the Holders of Series C Preferred Stock, at the address shown on the books of the Corporation or the Transfer Agent; provided, however, that a failure to give notice as provided above or any defect therein shall not affect the Corporation's ability to consummate a voluntary or involuntary liquidation, dissolution or winding up of the Corporation.

(7) Automatic Conversion on the Mandatory Conversion Date.

(a) Each share of Series C Preferred Stock will automatically convert (unless previously converted at the option of the Holder in accordance with Section 8 hereof or pursuant to an exercise of a Merger Early Settlement right pursuant to Section 9 hereof) on the Mandatory Conversion Date, into a number of newly issued shares of Common Stock equal to the Conversion Rate.

(b) The "Conversion Rate" shall be as follows:

(i) if the "Applicable Market Value" of the Common Stock is equal to or greater than \$1.968 (the "Threshold Appreciation Price"), the Conversion Rate shall be equal to 50.813 shares of Common Stock per share of Series C Preferred Stock;

(ii) if the Applicable Market Value of the Common Stock is less than the Threshold Appreciation Price but greater than \$1.60 (the "Initial Price"), the Conversion Rate shall be equal to \$100.00 divided by the Applicable Market Value of the Common Stock; and

(iii) If the Applicable Market Value of the Common Stock is less than or equal to the Initial Price, the Conversion Rate shall be equal to 62.500 shares of Common Stock per share of Series C Preferred Stock,

Edgar Filing: CORNING INC /NY - Form 8-K

in each case, subject to adjustment in accordance with the provisions of Section 13 hereof.

(8) Conversion at the Option of the Holder.

(a) Shares of the Series C Preferred Stock are convertible, in whole or in part, at any time prior to the Mandatory Conversion Date, into shares of Common Stock at the rate of 50.813 shares of Common Stock per share of Series C Preferred Stock, subject to adjustments as set forth under Section 13 hereof. In addition, the Corporation shall make a payment to Holders who so convert their shares of Series C Preferred Stock, in cash, in an amount equal to the Market Value at that time of the portfolio of U.S. Treasury Securities that, upon maturity thereof, would be sufficient to pay that portion of amounts then due and unpaid under the Promissory Note that corresponds to the Corporation's obligation to pay accrued and unpaid dividends on such Holder's Series C Preferred Stock being converted that otherwise would be payable, if such shares of Series C Preferred Stock were not converted early in accordance with this Section 8, from and after such conversion is effective in accordance with Section 10(e) hereof through the Mandatory Conversion Date.

(b) Record Holders shall be entitled to receive the dividend payable on their converted shares of Series C Preferred Stock on the corresponding Dividend Payment Date notwithstanding the conversion pursuant to this Section 8 of such shares after the close of business on a Record Date but before the opening of business on the corresponding Dividend Payment Date. In such event, any cash amount due and payable by the Corporation to the Holder pursuant to Section 8(a) will be decreased by an amount equal to the amount of dividend to be paid on such Dividend Payment Date.

(9) Early Conversion Upon Cash Merger.

(a) In the event of a merger or consolidation of the Corporation of the type described in Section 13(f) in which the Common Stock outstanding immediately prior to such merger or consolidation is exchanged for consideration consisting of at least 30% cash or cash equivalents (any such event, a "Cash Merger"), then the Corporation (or the successor to the Corporation, as the case may be) shall be required to offer to the Holders of the Series C Preferred Stock the right to convert their shares of Series C Preferred Stock prior to the Mandatory Conversion Date (such right of the Holders to convert their shares pursuant to this Section 9(a) being the "Merger Early Settlement") as provided herein.

(b) On or before the fifth Business Day after the consummation of a Cash Merger, the Corporation or, at the request and expense of the Corporation, the Transfer Agent, shall give all Holders notice of the occurrence of the Cash Merger and of the Merger Early Settlement right arising as a result thereof. The Corporation shall also deliver a copy of such notice to the Transfer Agent. Each such notice shall contain:

(i) the date, which shall be not less than 20 nor more than 30 calendar days after the date of such notice, on which the Merger Early Settlement will be effected (such date being the "Merger Early Settlement Date");

(ii) the date, which shall be on or one Business Day prior to the Merger Early Settlement Date, by which the Merger Early Settlement right must be exercised;

(iii) the Conversion Rate in effect on the Trading Day immediately preceding such Cash Merger (calculated as if the Trading Day immediately preceding such Cash Merger were the Mandatory Conversion Date) and the kind

Edgar Filing: CORNING INC /NY - Form 8-K

and amount of securities, cash and other property receivable per share of Series C Preferred Stock by the Holder upon conversion of shares of Series C Preferred Stock pursuant to Section 9(d); and

(iv) the instructions a Holder must follow to exercise the Merger Early Settlement right.

(c) To exercise a Merger Early Settlement right, a Holder shall deliver to the Transfer Agent at its Corporate Trust Office by 5:00 p.m., New York City time on or one Business Day prior to the date by which the Merger Settlement Right must be exercised as specified in the notice, the certificate(s) (if such shares are held in certificated form) evidencing the shares of Series C Preferred Stock with respect to which the Merger Early Settlement right is being exercised, duly assigned or endorsed for transfer to the Corporation, or accompanied by duly executed stock powers relating thereto, or in blank, with a written notice to the Corporation stating the Holder's intention to convert early in connection with the Cash Merger and providing the Corporation with payment instructions.

(d) If the Holder exercises its Merger Early Settlement right pursuant to the terms hereof, on the Merger Early Settlement Date, the Corporation shall deliver or cause to be delivered the net cash, securities and other property entitled to be received by such exercising Holder, determined by assuming the Holder had converted its shares of Series C Preferred Stock immediately before the Cash Merger at the Conversion Rate calculated in accordance with Section 9(b)(iii) hereof. In the event a Merger Early Settlement right is exercised by a Holder in accordance with the terms hereof, all references herein to Mandatory Conversion Date shall be deemed to refer to such Merger Early Settlement Date.

(e) If the Holder does not elect to exercise its Merger Early Settlement right pursuant to this Section 9, in lieu of shares of Common Stock, the Corporation shall deliver on the Mandatory Conversion Date, at the Conversion Rate in effect on that date, the net cash, securities and other property for which the Common Stock was exchangeable in connection with the Cash Merger.

(f) Upon a Merger Early Settlement, the Transfer Agent shall, in accordance with the instructions provided by the Holder thereof in the written notice provided to the Corporation as set forth above, deliver to the Holder such net cash, securities or other property issuable upon such Merger Early Settlement together with payment in lieu of any fraction of a share, as provided herein.

(g) In the event that a Merger Early Settlement is effected with respect to shares of Series C Preferred Stock representing less than all the shares of Series C Preferred Stock held by a Holder, upon such Merger Early Settlement the Corporation (or the successor to the Corporation, as the case may be) shall execute and the Transfer Agent shall, unless otherwise instructed in writing, authenticate, countersign and deliver to the Holder thereof, at the expense of the Corporation, a certificate evidencing the shares as to which Merger Early Settlement was not effected.

(10) Conversion Procedures.

(a) Any Holder of shares of Series C Preferred Stock desiring to convert such shares into shares of Common Stock shall, if the Series C Preferred Stock is held in certificated form, surrender the certificate or certificates representing the shares of Series C Preferred Stock being converted, duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto), at the principal executive office of the Corporation or at the Corporate Trust Office of the Transfer Agent, or at such office or offices in the continental United States of an agent for conversion as may from time to time be designated by notice to the Holders of the Series C Preferred Stock by the Corporation or the Transfer Agent,

Edgar Filing: CORNING INC /NY - Form 8-K

accompanied by written notice of conversion, by 5:00 pm, New York City time, on any day that is a Business Day in The City of New York.

(b) Such written notice of conversion shall be duly executed by the Holder, accompanied by a Medallion Signature Guarantee (if required by the Transfer Agent), and specify:

(i) the number of shares of Series C Preferred Stock to be converted;

(ii) the name(s) in which such Holder desires the shares of Common Stock issuable upon conversion to be registered and whether such shares of Common Stock are to be issued in book-entry or certificated form (subject to compliance with applicable legal requirements if any of such certificates are to be issued in a name other than the name of the Holder);

(iii) if certificates are to be issued, the address to which such Holder wishes delivery to be made of such new certificates to be issued upon such conversion; and

(iv) any other transfer forms, tax forms or other relevant documentation required and specified by the Transfer Agent, if necessary, to effect the conversion.

(c) If specified by the Holder in the notice of conversion that shares of Common Stock issuable upon conversion of the Series C Preferred Stock shall be issued to a person other than the Holder surrendering the shares of Series C Preferred Stock being converted, the Holder shall pay or cause to be paid any transfer or similar taxes payable in connection with the shares of Common Stock so issued.

(d) Upon receipt by the Transfer Agent of a completed and duly executed notice of conversion as set forth in Section 10(b) and upon surrender of a certificate representing share(s) of Series C Preferred Stock to be converted (if held in certificated form), the Corporation shall, within three Business Days or as soon as possible thereafter, issue and shall instruct the Transfer Agent to register the number of shares of Common Stock to which such Holder shall be entitled upon conversion in the name(s) specified by such Holder in the notice of conversion. If a Holder elects to hold its shares of Common Stock issuable upon conversion of the Series C Preferred Stock in certificated form, the Corporation promptly send or cause to be sent, by hand delivery (with receipt to be acknowledged) or by first-class mail, postage prepaid, to the Holder thereof, at the address designated by such Holder in the written notice of conversion, a certificate or certificates representing the number of shares of Common Stock to which such Holder shall be entitled upon conversion. In the event that there shall have been surrendered a certificate or certificates representing shares of Series C Preferred Stock, only part of which are to be converted, the Corporation shall issue and deliver to such Holder or such Holder's designee in the manner provided in the immediately preceding sentence a new certificate or certificates representing the number of shares of Series C Preferred Stock that shall not have been converted.

(e) The issuance by the Corporation of shares of Common Stock upon a conversion of shares of Series C Preferred Stock in accordance with the terms hereof shall be effective immediately prior to the close of business on the day of receipt by the Transfer Agent of the notice of conversion and other documents, if any, set forth in Section 10(b) hereof, compliance with Section 10(c), if applicable, and the surrender by such Holder or such Holder's designee of the certificate or certificates representing the shares of Series C Preferred Stock to be converted (if held in certificated form), duly assigned or endorsed for transfer to the Corporation (or accompanied by duly executed stock powers relating thereto). The person or persons entitled to receive the Common Stock issuable upon such conversion shall be treated for all purposes as the record

Edgar Filing: CORNING INC /NY - Form 8-K

holder(s) of such shares of Common Stock as of the close of business on the effective date of the conversion. No allowance or adjustment shall be made in respect of dividends payable to holders of Common Stock of record as of any date prior to such effective date. Prior to such effective date, shares of Common Stock issuable upon conversion of any shares of Series C Preferred Stock shall not be deemed outstanding for any purpose, and Holders of shares of Series C Preferred Stock shall have no rights with respect to the Common Stock (including voting rights, rights to respond to tender offers for the Common Stock and rights to receive any dividends or other distributions on the Common Stock) by virtue of holding shares of Series C Preferred Stock.

(f) Shares of Series C Preferred Stock duly converted in accordance with this Certificate of Amendment, or otherwise reacquired by the Corporation, will resume the status of authorized and unissued Series Preferred Stock, undesignated as to series and available for future issuance.

(g) In the event that a holder of shares of Series C Preferred Stock shall not by written notice designate the name in which shares of Common Stock to be issued upon conversion of such shares should be registered or to whom payment upon redemption of shares of Series C Preferred Stock should be made or the address to which the certificate or certificates representing such shares, or such payment, should be sent, the Corporation shall be entitled to register such shares, and make such payment, in the name of the Holder of such Series C Preferred Stock as shown on the records of the Corporation and to send the certificate or certificates representing such shares, or such payment, to the address of such holder shown on the records of the Corporation.

(11) Reservation of Common Stock.

(a) The Corporation shall at all times reserve and keep available out of its authorized and unissued Common Stock, solely for issuance upon the conversion of shares of Series C Preferred Stock as herein provided, free from any preemptive or other similar rights, such number of shares of Common Stock as shall from time to time be issuable upon the conversion of all the shares of Series C Preferred Stock then outstanding.

(b) Notwithstanding the foregoing, the Corporation shall be entitled to deliver upon conversion of shares of Series C Preferred Stock, as herein provided, shares of Common Stock reacquired and held in the treasury of the Corporation (in lieu of the issuance of authorized and unissued shares of Common Stock), so long as any such treasury shares are free and clear of all liens, charges, security interests or encumbrances.

(c) All shares of Common Stock delivered upon conversion of the Series C Preferred Stock shall be duly authorized, validly issued, fully paid and non-assessable, free and clear of all liens, claims, security interests and other encumbrances.

(d) The Corporation shall prepare and shall use its best efforts to obtain and keep in force such governmental or regulatory permits or other authorizations as may be required by law, and shall comply with all applicable requirements as to registration or qualification of the Common Stock (and all requirements to list the Common Stock issuable upon conversion of Series C Preferred Stock that are at the time applicable), in order to enable the Corporation lawfully to issue and deliver to each holder of record of Series C Preferred Stock such number of shares of its Common Stock as shall from time to time be sufficient to effect the conversion of all shares of Series C Preferred Stock then outstanding and convertible into shares of Common Stock.

(12) Fractional Shares.

(a) No fractional shares of Common Stock will be issued as a result of any

Edgar Filing: CORNING INC /NY - Form 8-K

conversion of shares of Series C Preferred Stock.

(b) In lieu of any fractional share otherwise issuable in respect of any automatic conversion pursuant to Section 7 hereof or a conversion at the option of the Holder pursuant to Section 8 hereof, the Corporation shall pay an amount in cash equal to the same fraction of:

(i) in the case of an automatic conversion pursuant to Section 7 hereof, the Current Market Price; or

(ii) in the case of a conversion at the option of the Holder pursuant to Section 8 hereof, the Closing Price of the Common Stock determined as of the Trading Day immediately preceding the effective date of conversion.

(13) Anti-Dilution Adjustments to the Conversion Rate.

(a) The formula for determining the Conversion Rate as set forth in Section 7(b) hereof, and the number of shares of Common Stock to be delivered upon any conversion of shares of Series C Preferred Stock pursuant to Sections 7, 8 or 9 hereof, shall be subject to the following adjustments. Each adjustment to the Conversion Rate will result in a corresponding adjustment to the number of shares of the Common Stock issuable upon conversion of the Series C Preferred Stock.

(i) Stock Dividends and Distributions. In case the Corporation shall pay or make a dividend or other distribution on the Common Stock in shares of Common Stock, the Conversion Rate, as in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution, shall be increased by dividing such Conversion Rate by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of Shares of Common Stock outstanding and the total number of shares of Common Stock constituting such dividend or other distribution, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this sub-section (i), the number of shares of Common Stock at the time outstanding shall not include shares held in the treasury of the Corporation but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Corporation will not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Corporation.

(ii) Subdivisions, Splits and Combinations of the Common Stock. In case outstanding shares of Common Stock shall be subdivided or split into a greater number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such subdivision or split becomes effective shall be proportionately increased, and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced, such increase or reduction, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision, split or combination becomes effective.

(iii) Issuance of Stock Purchase Rights. In case the Corporation shall issue rights or warrants to all holders of its Common Stock not being available on an equivalent basis to Holders of the shares of Series C Preferred Stock upon conversion (other than rights or warrants issued pursuant to a dividend reinvestment plan or share purchase plan or other

Edgar Filing: CORNING INC /NY - Form 8-K

similar plans), entitling such holders to subscribe for or purchase shares of Common Stock at a price per share less than the Current Market Price on the date fixed for the determination of stockholders entitled to receive such rights or warrants, the Conversion Rate in effect at the opening of business on the day following the date fixed for such determination shall be increased by multiplying such Conversion Rate by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock so offered for subscription or purchase and the denominator of which shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such Current Market Price, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this sub-section (iii), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Corporation but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Corporation shall not issue any such rights or warrants in respect of shares of Common Stock held in the treasury of the Corporation.

(iv) Debt or Asset Distribution.

(A) In case the Corporation shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness, shares of capital stock, securities, cash or other assets (excluding any dividend or distribution referred to in Section 13(a)(i) or Section 13(a)(ii) hereof, any rights or warrants referred to in Section 13(a)(iii) hereof, any dividend or distribution paid exclusively in cash and any dividend, shares of capital stock of any class or series, or similar equity interests, of or relating to a subsidiary or other business unit in the case of a Spin-Off referred to in Section 13(a)(iv)(B) below), the Conversion Rate shall be adjusted so that it shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the close of business on the date fixed for the determination of stockholders entitled to receive such distribution by a fraction, the numerator of which shall be the Current Market Price per share of the Common Stock on the date fixed for such determination and the denominator of which shall be such Current Market Price per share of the Common Stock less the then fair market value (as determined by an independent investment banking or appraisal firm experienced in the valuation of such securities or property selected in good faith by the Board of Directors of the Corporation or a committee thereof, or, if no such investment banking or appraisal firm is, in the good faith judgment of the Board of Directors of the Corporation or a committee thereof, available to make such determination within a reasonable time period so as to permit the Corporation to comply with its obligation to issue and deliver shares of Common Stock upon conversion of any Series C Preferred Stock hereunder, as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors) of the portion of the assets or evidences of indebtedness so distributed applicable to one share of Common Stock, such adjustment to become effective immediately prior to the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such distribution. In any case in which this sub-section (iv)(A) is applicable, sub-section (iv)(B) of this Section 13(a) shall not be applicable.

Edgar Filing: CORNING INC /NY - Form 8-K

(B) In the case of a Spin-Off, the Conversion Rate in effect immediately before the close of business on the record date fixed for determination of stockholders entitled to receive that distribution will be increased by multiplying the Conversion Rate by a fraction, the numerator of which is the Current Market Price per share of the Common Stock plus the Fair Market Value of the portion of those shares of Capital Stock or similar equity interests so distributed applicable to one share of Common Stock and the denominator of which is the Current Market Price per share of the Common Stock. Any adjustment to the Conversion Rate under this sub-section (iv)(B) of this Section 13(a) will occur on the earlier of (A) the 10th Trading Day from, but excluding, the effective date of the Spin-Off and (B) the date of the securities being offered in the Initial Public Offering of the Spin-Off, if that Initial Public Offering is effected simultaneously with the Spin-Off.

(v) Cash Distributions. In case the Corporation shall:

(A) by dividend or otherwise, distribute to all holders of its Common Stock cash (excluding any cash that is distributed in a Reorganization Event to which Section 13(f) hereof applies or as part of a distribution referred to in sub-section (iv) of this Section 13(a)) in an aggregate amount that, combined together with:

(B) the aggregate amount of any other distributions to all holders of its Common Stock made exclusively in cash within the 12 months preceding the date of payment of such distribution and in respect of which no adjustment pursuant to this Section 13(a)(v) or Section 13(a)(vi) has been made; and

(C) the aggregate of any cash plus the fair market value, as of the date of the expiration of the tender or exchange offer referred to below (as determined by an independent investment banking or appraisal firm experienced in the valuation of such securities or property selected in good faith by the Board of Directors of the Corporation or a committee thereof, or, if no such investment banking or appraisal firm is, in the good faith judgment of the Board of Directors of the Corporation or a committee thereof, available to make such determination within a reasonable time period so as to permit the Corporation to comply with its obligation to issue and deliver shares of Common Stock upon conversion of any Series C Preferred Stock hereunder, as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors), of the consideration payable in respect of any tender or exchange offer by the Corporation or any of its subsidiaries for all or any portion of the Common Stock concluded within the 12 months preceding the date of payment of the distribution described in Section 13(a)(v)(A) and in respect of which no adjustment pursuant to this Section 13(a)(v) or Section 13(a)(vi) below has been made,

exceeds 10% of the product of the Current Market Price per share of the Common Stock on the date for the determination of holders of shares of Common Stock entitled to receive such distribution multiplied by the number of shares of Common Stock outstanding on such date on a fully diluted basis, then, and in each such case, immediately after the close of business on such date for determination, the Conversion Rate shall be increased so that the same shall equal the rate determined by multiplying the Conversion Rate in effect immediately prior to the close of business on the date fixed for determination of the stockholders entitled to receive such distribution by a fraction, (1) the numerator of which shall be equal to the Current Market Price per share of the Common Stock on the date fixed for such date for determination and (2) the

Edgar Filing: CORNING INC /NY - Form 8-K

denominator of which shall be equal to the Current Market Price per share of the Common Stock on the date fixed for such determination less an amount equal to the quotient of (x) the combined amount distributed or payable in the transactions described in the above clauses (A), (B) and (C) of this Section 13(a)(v) divided by (y) the number of shares of Common Stock outstanding on such date for determination.

(vi) Tender Offers and Exchange Offers. Tender Offers. In case (1) a tender or exchange offer made by the Corporation or any subsidiary of the Corporation for all or any portion of the Common Stock shall expire and such tender or exchange offer (as amended upon the expiration thereof) shall require the payment to stockholders (based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of Purchased Shares (as defined below in this Section)) of an aggregate consideration having a fair market value (as determined by an independent investment banking or appraisal firm experienced in the valuation of such securities or property selected in good faith by the Board of Directors of the Corporation or a committee thereof, or, if no such investment banking or appraisal firm is, in the good faith judgment of the Board of Directors of the Corporation or a committee thereof, available to make such determination within a reasonable time period so as to permit the Corporation to comply with its obligation to issue and deliver shares of Common Stock upon conversion of any Series C Preferred Stock hereunder, as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors) that combined together with (2) the aggregate of the cash plus the fair market value (as determined by an independent investment banking or appraisal firm experienced in the valuation of such securities or property selected in good faith by the Board of Directors of the Corporation or a committee thereof, or, if no such investment banking or appraisal firm is, in the good faith judgment of the Board of Directors of the Corporation or a committee thereof, available to make such determination within a reasonable time period so as to permit the Corporation to comply with its obligation to issue and deliver shares of Common Stock upon conversion of any Series C Preferred Stock hereunder, as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors), as of the expiration of such tender or exchange offer, of consideration payable in respect of any other tender or exchange offer by the Corporation or any subsidiary of the Corporation for all or any portion of the Common Stock expiring within the 12 months preceding the expiration of such tender or exchange offer and in respect of which no adjustment pursuant to Section 13(a)(v) hereof or this Section 13(a)(vi) has been made and (3) the aggregate amount of any distributions to all holders of the Corporation's Common Stock made exclusively in cash within the 12 months preceding the expiration of such tender or exchange offer and in respect of which no adjustment pursuant to Section 13(a)(v) hereof or this Section 13(a)(vi) has been made, exceeds 10% of the product of the Current Market Price per share of the Common Stock as of the last time (the "Expiration Time") tenders could have been made pursuant to such tender or exchange offer (as it may be amended) multiplied by the number of shares of Common Stock outstanding (including any tendered shares) on the Expiration Time, then, and in each such case, immediately prior to the opening of business on the day after the date of the Expiration Time, the Conversion Rate shall be adjusted so that the same shall equal the rate determined by dividing the Conversion Rate immediately prior to the close of business on the date of the Expiration Time by a fraction (A) the numerator of which shall be equal to (x) the product of (I) the Current Market Price per share of the Common Stock on the date of the Expiration Time and (II) the number of shares of Common Stock outstanding (including any tendered shares) on the Expiration Time less (y) the amount of cash plus the fair market value (determined as aforesaid) of the aggregate consideration payable to

Edgar Filing: CORNING INC /NY - Form 8-K

stockholders based on the transactions described in clauses (1), (2) and (3) of this Section 13(a)(vi) (assuming in the case of clause (1) the acceptance, up to any maximum specified in the terms of the tender or exchange offer, of Purchased Shares), and (B) the denominator of which shall be equal to the product of (x) the Current Market Price per share of the Common Stock as of the Expiration Time and (y) the number of shares of Common Stock outstanding (including any tendered shares) as of the Expiration Time less the number of all shares validly tendered and not withdrawn as of the Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the "Purchased Shares").

(b) Reclassification. The reclassification of Common Stock into securities including securities other than Common Stock (other than any reclassification upon a Reorganization Event to which Section 13(f) applies) shall be deemed to involve (1) a distribution of such securities other than Common Stock to all holders of Common Stock (and the effective date of such reclassification shall be deemed to be "the date fixed for the determination of stockholders entitled to receive such distribution" and the "date fixed for such determination" within the meaning of Section 13(a)(iv)), and (2) a subdivision, split or combination, as the case may be, of the number of shares of Common Stock outstanding immediately prior to such reclassification into the number of shares of Common Stock outstanding immediately thereafter (and the effective date of such reclassification shall be deemed to be "the day upon which such subdivision or split becomes effective" or "the day upon which such combination becomes effective," as the case may be, and "the day upon which such subdivision, split or combination becomes effective" within the meaning of Section 13(a)(ii)).

(c) Adjustment for Tax Reasons. The Corporation may make such increases the Conversion Rate, in addition to any other increases required by this Section 13, if the Board of Directors deems it advisable to avoid or diminish any income tax to holders of the Common Stock resulting from any dividend or distribution of shares (or rights to acquire shares) or from any event treated as a dividend or distribution for income tax purposes or for any other reasons.

(d) All adjustments to the Conversion Rate shall be calculated to the nearest 1/10,000th of a share (or, if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share) of Common Stock. No adjustment in the Conversion Rate shall be required unless such adjustment would require an increase or decrease of at least one percent of the Conversion Rate; provided, that any adjustments that by reason of this sub-section are not required to be made shall be carried forward and taken into account in any subsequent adjustment. If an adjustment is made to the Conversion Rate pursuant to Section 13(a)(i), 13(a)(ii), 13(a)(iii), 13(a)(iv), 13(a)(v) or 13(a)(vi), an adjustment shall also be made to the Threshold Appreciation Price and the Initial Price, solely to determine which of clauses (i), (ii) or (iii) of the definition of Conversion Rate will apply on the Conversion Date. Such adjustment shall be made by multiplying each of the Threshold Appreciation Price and the Initial Price by a fraction, the numerator of which shall be the Conversion Rate immediately after such adjustment pursuant to Section 13(a)(i), 13(a)(ii), 13(a)(iii), 13(a)(iv), 13(a)(v) or 13(a)(vi) and the denominator of which shall be the Conversion Rate immediately before such adjustment; provided that if such adjustment to the Conversion Rate is required to be made pursuant to the occurrence of any of the events contemplated by Section 13(a)(i), 13(a)(ii), 13(a)(iii), 13(a)(iv), 13(a)(v) or 13(a)(vi) during the period taken into consideration for determining the Applicable Market Value, appropriate and customary adjustments shall be made to the Conversion Rate.

(e) Whenever the Conversion Rate is to be adjusted in accordance with Section 13(a), the Corporation shall: (i) compute the Conversion Rate in accordance with Section 13(a) and prepare and transmit to the Transfer Agent an Officer's Certificate setting forth the Conversion Rate, the method of calculation thereof in reasonable detail, and the facts requiring such

Edgar Filing: CORNING INC /NY - Form 8-K

adjustment and upon which such adjustment is based; (ii) as soon as practicable following the occurrence of an event that requires or permits an adjustment to the Conversion Rate pursuant to Section 13(a) hereof (or if the Corporation is not aware of such occurrence, as soon as practicable after becoming so aware), provide a written notice to the Holders of the Series C Preferred Stock of the occurrence of such event; and (iii) as soon as practicable following the determination of the revised Conversion Rate in accordance with Section 13(a) hereof, a statement setting forth in reasonable detail the method by which the adjustment to the Conversion Rate was determined and setting forth the revised Conversion Rate.

(f) In the event of:

(i) any consolidation or merger of the Corporation with or into another Person (other than a merger or consolidation in which the Corporation is the continuing corporation and in which the Common Stock outstanding immediately prior to the merger or consolidation is not exchanged for cash, securities or other property of the Corporation or another corporation); or

(ii) any sale, transfer, lease or conveyance to another person of all or substantially all of the property and assets of the Corporation; or

(iii) any statutory exchange of securities of the Corporation with another Person (other than in connection with a merger or acquisition) (any such event specified in this Section 13(f), a "Reorganization Event"),

each share of Series C Preferred Stock immediately prior to such Reorganization Event shall, after such Reorganization Event, be converted into a right to receive the kind and amount of securities, cash and other property receivable in such Reorganization Event (without any interest thereon and without any right to dividends or distribution thereon which have a record date that is prior to the conversion date) per share of Series C Preferred Stock by a holder of Common Stock that (1) is not a person with which the Corporation consolidated or into which the Corporation merged or which merged into the Corporation or to which such sale or transfer was made, as the case may be (any such person, a "Constituent Person"), or an Affiliate of a Constituent Person to the extent such Reorganization Event provides for different treatment of Common Stock held by Affiliates of the Corporation and non-Affiliates, and (2) failed to exercise his rights of election, if any, as to the kind or amount of securities, cash and other property receivable upon such Reorganization Event (provided that if the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by other than a Constituent Person or an Affiliate thereof and in respect of which such rights of election shall not have been exercised ("Non-electing Share"), then, for the purpose of this Section 13(f) the kind and amount of securities, cash and other property receivable upon such Reorganization Event by each Non-electing Share shall be deemed to be the kind and amount so receivable per share by a plurality of the Non-electing Shares). On the conversion date, the Conversion Rate then in effect (assuming that such conversion date were the Mandatory Conversion Date) will be applied to the value on the conversion date of such securities, cash or other property that a Holder would have received if it had held shares of Common Stock during a Reorganization Event.

In the event of such a Reorganization Event, the person formed by such consolidation, merger or exchange or the person which acquires the assets of the Corporation shall execute and deliver to the Transfer Agent an agreement providing that the Holder of each share of Series C Preferred Stock shall have the rights provided by this Section 13(f). Such agreement shall provide for adjustments that, for events subsequent to the effective date of such agreement, shall be as nearly equivalent as may be practicable to the adjustments provided

Edgar Filing: CORNING INC /NY - Form 8-K

for in this Section 13(f). The above provisions of this Section 13(f) shall similarly apply to successive Reorganization Events.

(14) Replacement Stock Certificates.

(a) If physical certificates are issued, and any of the Series C Preferred Stock certificates shall be mutilated, lost, stolen or destroyed, the Corporation shall, at the expense of the Holder, issue, in exchange and in substitution for and upon cancellation of the mutilated Series C Preferred Stock certificate, or in lieu of and substitution for the Series C Preferred Stock certificate lost, stolen or destroyed, a new Series C Preferred Stock certificate of like tenor and representing an equivalent amount of shares of Series C Preferred Stock, but only upon receipt of evidence of such loss, theft or destruction of such Series C Preferred Stock certificate and indemnity, if requested, satisfactory to the Corporation and the Transfer Agent.

(b) The Corporation is not required to issue any certificates representing the Series C Preferred Stock on or after the Mandatory Conversion Date. In lieu of the delivery of a replacement certificate following the Mandatory Conversion Date, the Transfer Agent, upon delivery of the evidence and indemnity described above, will deliver the shares of Common Stock issuable pursuant to the terms of the Series C Preferred Stock evidenced by the certificate.

(15) Miscellaneous.

(a) All notices referred to herein shall be in writing, and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three business days after the mailing thereof if sent by registered or certified mail (unless first-class mail shall be specifically permitted for such notice under the terms of this Certificate of Amendment) with postage prepaid, addressed: (i) if to the Corporation, to its office at One Riverfront Plaza, Corning, New York 14831 (Attention: the Secretary) or to the Transfer Agent at its Corporate Trust Office, or other agent of the Corporation designated as permitted by this Certificate of Amendment, or (ii) if to any Holder of the Series C Preferred Stock or holder of shares of Common Stock, as the case may be, to such Holder at the address of such Holder as listed in the stock record books of the Corporation (which may include the records of any transfer agent for the Series C Preferred Stock or Common Stock, as the case may be), or (iii) to such other address as the Corporation or any such Holder, as the case may be, shall have designated by notice similarly given.

(b) The Corporation shall pay any and all stock transfer and documentary stamp taxes that may be payable in respect of any issuance or delivery of shares of Series C Preferred Stock or shares of Common Stock or other securities issued on account of Series C Preferred Stock pursuant hereto or certificates representing such shares or securities. The Corporation shall not, however, be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Series C Preferred Stock or Common Stock or other securities in a name other than that in which the shares of Series C Preferred Stock with respect to which such shares or other securities are issued or delivered were registered, or in respect of any payment to any person or securities other than a payment to the registered holder thereof, and shall not be required to make any such issuance, delivery or payment unless and until the person otherwise entitled to such issuance, delivery or payment has paid to the Corporation the amount of any such tax or has established, to the satisfaction of the Corporation, that such tax has been paid or is not payable.

(c) The Corporation may appoint, and from time to time discharge and appoint, a Transfer Agent for the Series C Preferred Stock. Upon any such discharge or appointment, the Corporation shall send notice thereof by

Edgar Filing: CORNING INC /NY - Form 8-K

SECTION 3. Delivery of the Promissory Note and the Collateral. The Pledgor shall deliver the Promissory Note to the Collateral Agent. The U.S. Treasuries and cash, if any, representing or evidencing the Collateral or any portion thereof shall be delivered to the Collateral Agent and held on behalf of the Secured Party pursuant hereto and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Collateral Agent. Upon the occurrence of an Event of Default (as defined in the Promissory Note), the Collateral Agent will take action in respect of a discretionary corporate action affecting the Collateral only upon receipt of instructions from the holders and beneficial owners of a majority of the outstanding Preferred Stock at the time of such action. The Collateral Agent does not, and shall not be deemed to, assume any responsibility to monitor any discretionary corporate actions affecting the Collateral. In the case that the applicable U.S. Treasuries had been sold to pay Prepayment Amounts in connection with an earlier Optional Conversion, in lieu of instructions under (2) above, the Pledgor may give the Collateral Agent instructions to apply any proceeds remaining in the Collateral Account from such prior sale of U.S. Treasuries in connection with any such earlier Optional Conversion together with any related Top Up Amount, as necessary. Upon receipt of satisfactory instructions under clause 5(b)(ii)(2) above, the Collateral Agent shall instruct the Securities Intermediary to take the requisite actions contemplated therein and to remit the applicable funds to the Paying Agent.

(iii) In no event shall the Collateral Agent be obligated pursuant to subsections (i) or (ii) above to make, or cause to be made, any payment in an amount that exceeds the amount of the Collateral (or its proceeds) instructed to be applied to such payment.

(iv) The Collateral Agent shall, (1) in the case of dividends paid, upon receipt of a certificate from the Paying Agent, certifying that dividends on any Dividend Payment Date have been paid from funds other than from the Collateral or (2) in the case of Optional Conversion, upon receipt of a certificate (x) from the Paying Agent that the applicable Prepayment Amounts have been paid from funds other than from the Collateral and (y) from Computershare Investor Services, LLC (the "Transfer Agent") that the applicable shares have been converted, cause the Securities Intermediary to release to the Pledgor the applicable Allocable Share (as defined in the Promissory Note) of the market value of the Collateral to the Pledgor specified in such instructions.

SECTION 19. WAIVER OF JURY TRIAL. EACH OF THE PLEDGOR, THE SECURITIES INTERMEDIARY AND THE COLLATERAL AGENT IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT.

SECTION 20. Indemnification. Pledgor shall be liable for and shall reimburse and indemnify each of the Securities Intermediary and the Collateral Agent and its employees, officers and directors and hold each of the Securities Intermediary and the Collateral Agent and its employees, officers and directors harmless from and against any and all claims, losses, actions, liabilities, costs, damages or expenses (including reasonable attorneys' fees and expenses) (collectively "Losses") arising from or in connection with its administration of this Agreement. In addition, when the Collateral Agent acts on any information, instructions, communications (including, but not limited, communications with respect to the wire transfer of funds), sent by telex or facsimile, the Collateral Agent, absent gross negligence, shall not be responsible or liable in the event such communication is not an authorized or authentic communication of the Pledgor or is not in the form the Pledgor sent or intended to send (whether due to fraud, distortion or otherwise). The Pledgor shall indemnify the Collateral Agent and its employees, officers and directors against any Losses it may incur with its acting in accordance with any such communication. This Section 20 shall survive notwithstanding the termination of this Agreement or the resignation or removal of the Collateral Agent or the Securities Intermediary.

SECTION 21. Ambiguity; Dispute. (a) In the event of any ambiguity or uncertainty hereunder or in any notice, instruction or other communication received by the Collateral Agent hereunder, the Collateral Agent may, in its sole discretion, refrain from taking any action other than retain possession of the Collateral, unless the Collateral Agent receives written instructions, signed by an Authorized Person of Pledgor, or an opinion of counsel reasonably satisfactory to it which eliminates such ambiguity or uncertainty.

(b) In the event of any dispute between or conflicting claims by or among the Pledgor and/or the Secured Party and/or any other person or entity with respect to any Collateral, the Collateral Agent shall be entitled, in its sole discretion, to refuse to comply with any and all claims, demands or instructions with respect to such Collateral so long as such dispute or conflict shall continue, and Collateral Agent shall not be or become liable in any way to the Pledgor or the Secured Party for failure or refusal to comply with such conflicting claims, demands or instructions. The Collateral Agent shall be entitled to refuse to act until, in its sole discretion, either (i) such conflicting or adverse claims or demands shall have been determined by a final order, judgment or decree of a court of competent jurisdiction, which order, judgment or decree is not subject to appeal, or settled by agreement between the conflicting parties as evidenced in a writing satisfactory to Collateral Agent or (ii) the Collateral Agent shall have received security or an indemnity satisfactory to it sufficient to hold it harmless from and against any and all Losses which it may incur by reason of so acting. Any court order, judgment or decree shall be accompanied by a legal opinion by counsel for the presenting party, satisfactory to the Collateral Agent, to the effect that said order, judgment or decree represents a final adjudication of the rights of the parties by a court of competent jurisdiction, and that the time for appeal from such order, judgment or decree has expired without an appeal having been perfected.

Edgar Filing: CORNING INC /NY - Form 8-K

The Collateral Agent shall act on such court order and legal opinions without further question. The Collateral Agent may, in addition, elect, in its sole discretion, to commence an interpleader action or seek other judicial relief or orders as it may deem, in its sole discretion, necessary. The costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such proceeding shall be paid by, and shall be deemed an obligation of the Pledgor.

SECTION 22. Appointment. The Pledgor hereby designates and appoints Citibank, N.A. as Collateral Agent and Securities Intermediary, and Citibank, N.A. hereby accepts such appointment and designation, solely in accordance with the terms and conditions of this Agreement. By accepting, purchasing and holding any of the Preferred Stock, any holder or beneficial owner of such Preferred Stock hereby consents to Citibank, N.A. acting in its capacity as Collateral Agent and as Securities Intermediary solely in accordance with the terms and conditions of this Agreement.

SECTION 23. Resignation. (a) Each of the Collateral Agent and the Securities Intermediary may resign at any time by giving the Pledgor thirty (30) calendar days' prior written notice thereof.

(b) Within thirty (30) calendar days after receiving the foregoing notice of resignation from the Collateral Agent or the Securities Intermediary, the Pledgor shall appoint a successor collateral agent or securities intermediary, as applicable. If a successor collateral agent and/or securities intermediary has not accepted such appointment by the end of such 30-day period, the Collateral Agent and/or the Securities Intermediary may, in its sole discretion, (i) request a majority in interest of the holders and beneficial owners of the Preferred Stock to appoint an agent to receive and hold the Collateral and the Promissory Note and, upon such appointment, transfer the Collateral and the Promissory Note to such agent, and/or (ii) apply to a court of competent jurisdiction for the appointment of a successor collateral agent and/or securities intermediary or for other appropriate relief. The costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Collateral Agent and/or the Securities Intermediary in connection with such proceeding shall be paid by, and be deemed an obligation of the Pledgor. In the event of any such resignation, the Collateral Agent and/or the Securities Intermediary shall have no further obligation with respect to the Collateral.

(c) Upon receipt of the identity of the successor collateral agent, the Collateral Agent shall deliver the Promissory Note to the successor collateral agent and in the case of the appointment of a successor security intermediary shall cause the Securities Intermediary to deliver the Collateral then held hereunder to the successor securities intermediary, less the Collateral Agent's and the Securities Intermediary's fees, costs and expenses or other obligations owed to the Collateral Agent and/or the Securities Intermediary, or hold the Promissory Note and cause the Securities Intermediary to hold such Collateral (or any portion thereof), pending distribution, until all such fees, costs and expenses or other obligations are paid, and such successor collateral agent and/or such successor securities intermediary, without any further act, deed or conveyance, shall become vested with all rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Collateral Agent and/or Securities Intermediary, as applicable, hereunder.

(d) Upon delivery of the Promissory Note and the Collateral to the successor collateral agent or successor securities intermediary, the Collateral Agent and the Securities Intermediary, as applicable, shall have no further duties, responsibilities or obligations hereunder.

SECTION 24. Appointment of Successor. (a) In case at any time any of the following shall occur:

Edgar Filing: CORNING INC /NY - Form 8-K

(i) the Collateral Agent or the Securities Intermediary shall fail to comply with the provisions of Section 5 of this Agreement;

(ii) the Collateral Agent or the Securities Intermediary shall become incapable of acting or shall be adjudged bankrupt or insolvent, or a receiver or liquidator of the Collateral Agent or the Securities Intermediary or of its property shall be appointed, or any public officer shall take charge or control of the Collateral Agent or the Securities Intermediary or of its properties or affairs for the purposes of rehabilitation, conservation or liquidation; or

(iii) the Pledgor shall determine that the Collateral Agent or the Securities Intermediary has failed to perform its obligations under this Agreement in any material respect,

then, in any such case, the Pledgor may remove the Collateral Agent and/or the Securities Intermediary and appoint a successor collateral agent or successor securities intermediary, as applicable, by written instrument, in duplicate, executed by order of the board of directors of the Pledgor, one copy of which instrument shall be delivered to the Collateral Agent and/or the Securities Intermediary so removed and one copy to the successor collateral agent or successor securities intermediary, as applicable. Any removal of the Collateral Agent and/or the Securities Intermediary and any appointment of a successor collateral agent or successor securities intermediary, as applicable, pursuant to this Section 24 shall become effective upon acceptance of appointment by the successor collateral agent or successor securities intermediary, as applicable, as provided in Section 24(b) hereof.

(b) Any successor collateral agent or successor securities intermediary, as applicable, appointed as provided in Section 24(a) shall execute and deliver to the Company and to its predecessor Collateral Agent and/or Securities Intermediary an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor Collateral Agent and/or the Securities Intermediary shall become effective and such successor collateral agent or successor securities intermediary, as applicable, without any further act, deed or conveyance, shall become vested with all rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Collateral Agent and/or the Securities Intermediary hereunder.

(c) Upon receipt of the identity of the successor collateral agent and/or successor securities intermediary, the Collateral Agent shall either deliver the Promissory Note to the successor collateral agent and, if applicable, cause the Securities Intermediary to deliver to the successor securities intermediary the Collateral then held hereunder, less the Collateral Agent's fees, and, if applicable, the Securities Intermediary's costs and expenses or other obligations owed to the Collateral Agent and, if applicable, the Securities Intermediary's, or hold the Promissory Note and, if applicable, cause the Securities Intermediary to hold such Collateral (or any portion thereof), pending distribution, until all such fees, costs and expenses or other obligations are paid.

(d) Upon delivery of the Collateral and the Promissory Note to the successor securities intermediary and/or successor collateral agent, as applicable, the Collateral Agent and the Securities Intermediary, as applicable, shall have no further duties, responsibilities or obligations hereunder.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be

WHEREAS, concurrently herewith the Issuer and Citibank have entered into that certain Pledge, Assignment and Collateral Agency Agreement pursuant to the terms of which the Issuer has, inter alia, granted the Collateral Agent thereunder a security interest in the Collateral (as defined therein) to secure its obligations under a promissory note issued by it in connection with its obligations to pay all dividends declared on the Preferred Stock;

WHEREAS, the Issuer has appointed Computershare Investor Services, LLC to act as transfer agent and registrar (the "Registrar and Transfer Agent") for the Preferred Stock; and

WHEREAS, the Issuer wishes to appoint Citibank, and Citibank is willing to act as, Paying Agent for the Preferred Stock in each case in accordance with the terms hereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby irrevocably acknowledged, the Issuer and Citibank agree as follows:

1. Appointment.

2. Receipt and Distribution of Payment Amounts.

(a) Subject to the timely receipt of funds upon the terms specified in subsection (b) below, the Paying Agent shall make payments of dividends and any cash amounts due upon redemption or conversion in respect of the Preferred Stock in accordance with written instructions substantially in the form of Exhibit A hereto signed by a person designated by the Issuer on an incumbency certificate substantially in the form of Exhibit B hereto as authorized to act on its behalf (an "Issuer Authorized Person"), received at least two (2) New York City business days prior to the Payment Date (as hereinafter defined), specifying the name and address of the payee or the payee's account with the DTC (as defined below), the amount to be paid to such payee (the "Payment Amount") and the date on which such payment is to be made (the "Payment Date").

(b) In order to provide for the payment of the Payment Amount, the Issuer shall unconditionally deliver or procure to be delivered in United States Dollars ("Dollars") to the account of the Paying Agent in New York City, as designated by the Paying Agent from time to time, for value not later than one (1) New York City business day prior to any Payment Date, an amount sufficient (together with any funds then held by the Paying Agent which are available for

4. Paying Agent's Duties in Respect of Payments.

(a) Subject to receipt of funds in the manner set out in Section 2(b) hereof, the Paying Agent shall act as agent of the Issuer on and after each Payment Date of the amounts due to be paid with respect to the Preferred Stock in accordance with the instructions received from an Issuer Authorized Person. All payments to be made by the Paying Agent hereunder shall be made without charging any commission or fee to the holders of the Preferred Stock.

(b) (i) Payment of the Payment Amount will be in Dollars (i) in the case of Preferred Stock held in The Depository Trust Company ("DTC"), by wire transfer (x) in the case of dividend payments to: "Chase NYC, ABA #021-000-021, for credit to the A/C of The Depository Trust Co. (iii) Where any payment pursuant to (i) above is to be made by wire transfer to a specified account, the Paying Agent shall initiate payment for value on the applicable Payment Date, or, if that is not a New York City business day for value on the next succeeding New York City business day.

Edgar Filing: CORNING INC /NY - Form 8-K

The Issuer will pay to the Paying Agent in accordance with the terms of the Fee Letter attached hereto as Exhibit C (the "Fee Letter") (i) compensation for all services rendered by the Paying Agent hereunder, and (ii) all expenses, disbursements and advances incurred or made by the Paying Agent in connection with its services performed under this Agreement promptly upon receipt from the Paying Agent of notification of the amount of such expenses.

6. Funds held by the Paying Agent.

The Paying Agent shall establish a non-interest bearing deposit account to hold all funds received by the Paying Agent under this Agreement and any and all funds received and held by the Paying Agent under this Agreement shall be held in such non-interest bearing deposit account until application thereof in accordance with the provisions of this Agreement.

7. Duties and Responsibilities of the Paying Agent.

(a) The duties, responsibilities and obligations of the Paying Agent shall be limited to those expressly set forth herein and no duties, responsibilities or obligations shall be inferred or implied. The Paying Agent shall have no duty to solicit any Payment Amount. The Paying Agent shall not be subject to, nor required to comply with, any other agreement to which the Issuer is a party, even though reference thereto may be made herein, or to comply with any direction or instruction (other than those contained herein or delivered in accordance with this Agreement) from the Issuer or an entity acting on its behalf. The Paying Agent shall not be required to expend or risk any of its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder.

(b) (i) If at any time the Paying Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects any Payment Amount (including but not limited to orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of any Payment Amount), the Paying Agent is authorized to comply therewith in any manner it or legal counsel of its own choosing deems appropriate. If the Paying Agent complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, the Paying Agent shall not be liable to any person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

(ii) In the event of any ambiguity or uncertainty hereunder or in any notice, instruction or other communication received by the Paying Agent hereunder, the Paying Agent may, in its sole discretion, refrain from taking any action other than retaining possession of any Payment Amounts, unless the Paying Agent receives written instructions, signed by an Issuer Authorized Person, which eliminates such ambiguity or uncertainty.

(iii) In the event of any dispute between or conflicting claims by or among the Issuer and/or any other person or entity with respect to a Payment Amount, the Paying Agent shall be entitled, in its sole discretion, to refuse to comply with any and all claims, demands or instructions with respect to such Payment Amount so long as such dispute or conflict shall continue, and the Paying Agent shall not be or become liable in any way to the Issuer for failure or refusal to comply with such conflicting claims, demands or instructions. The Paying Agent shall be entitled to refuse to act until, in its sole discretion, either (x)

Edgar Filing: CORNING INC /NY - Form 8-K

such conflicting or adverse claims or demands shall have been determined by a final order, judgment or decree of a court of competent jurisdiction, which order, judgment or decree is not subject to appeal, or settled by agreement between the conflicting parties as evidenced in a writing satisfactory to the Paying Agent or (y) the Paying Agent shall have received security or an indemnity satisfactory to it sufficient to hold it harmless from and against any and all Losses (as hereinafter defined) which it may incur by reason of so acting. Any court order, judgment or decree shall be accompanied by a legal opinion by counsel for the presenting party, satisfactory to the Paying Agent, to the effect that said order, judgment or decree represents a final adjudication of the rights of the parties by a court of competent jurisdiction, and that the time for appeal from such order, judgment or decree has expired without an appeal having been perfected. Any court order, judgment or decree shall be delivered to the Paying Agent under separate cover by the prevailing party. The Paying Agent shall act on such court order and legal opinions without further question. The Paying Agent may, in addition, elect, in its sole discretion, to commence an interpleader action or seek other judicial relief or orders as it may deem, in its sole discretion, necessary. The costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such proceeding shall be paid by and shall be deemed an obligation of the Issuer.

(c) (i) The Paying Agent shall not be liable for any action taken or omitted or for any loss or injury resulting from its actions or its performance or lack of performance of its duties hereunder in the absence of gross negligence or willful misconduct on its part. In no event shall the Paying Agent be liable (A) for acting in accordance with or relying upon any instruction, notice, demand, certificate or document from an Issuer Authorized Person, (B) for any indirect, consequential, punitive or special damages, regardless of the form of action and whether or not any such damages were foreseeable or contemplated, (C) for the acts or omissions of its nominees, correspondents, designees, agents, subagents or subcustodians, (D) for the investment or reinvestment of any cash held by it hereunder, in each case in good faith, in accordance with the terms hereof, including without limitation any liability for any delays (not resulting from its gross negligence or willful misconduct) in the investment or reinvestment of the Payment Amounts prior to distribution thereof pursuant to the terms hereof, or any loss of interest incident to any such delays, or (E) for an amount in excess of the value of any Payment Amount valued as of the date of receipt, but only to the extent of direct money damages.

(ii) The Paying Agent may consult with legal counsel of its own choosing at the expense of the Issuer as to any matter relating to this Agreement, and the Paying Agent shall not incur any liability in acting in good faith in accordance with any advice from such counsel.

(iii) The Paying Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Paying Agent (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God, war or terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

(d) The Paying Agent shall be entitled to rely upon any order, judgment, certification, demand, notice, instrument or other writing delivered to it hereunder without being required to determine the authenticity or the correctness of any fact stated therein or the propriety or validity or the service thereof. The Paying Agent may act in reliance upon any instrument or signature believed by it to be genuine and may assume that any person purporting to give receipt or advice to make any statement or execute any document in connection with the provisions hereof has been duly authorized to do so.

Edgar Filing: CORNING INC /NY - Form 8-K

(e) The Paying Agent shall provide to the Issuer monthly statements identifying transactions, transfers or holdings of any Payment Amounts and each such statement shall be deemed to be correct and final upon receipt thereof by the Issuer unless the Paying Agent is notified in writing, by the Issuer, to the contrary within thirty (30) business days of the date of such statement.

(f) The Paying Agent does not have any interest in any of the Payment Amounts received by it hereunder but is serving as the Paying Agent only in respect of receiving and distributing such Payment Amounts as provided in Section 2 hereof. Any payments hereunder shall be subject to withholding regulations then in force with respect to United States taxes and, if applicable, to the country in which the Paying Agent is located. The Issuer will provide the Paying Agent with appropriate W-9 forms for tax I.D. number certifications or W-8 forms for non-resident alien certifications with respect to United States taxes. This paragraph shall survive notwithstanding any termination of this Agreement or the resignation or removal of the Paying Agent.

(g) Except to the extent specifically required to do so pursuant to the terms of this Agreement, the Paying Agent shall not have any responsibility for making or verifying the accuracy of any calculations made in respect of the Preferred Stock.

8. Indemnification.

The Issuer shall be liable for and shall reimburse and indemnify the Paying Agent (and any predecessor Paying Agent) and hold the Paying Agent harmless from and against any and all claims, losses, actions, liabilities, costs, damages or expenses (including reasonable attorneys' fees and expenses) (collectively "Losses") arising from or in connection with its administration of this Agreement, provided, however, that nothing contained herein shall require the Paying Agent to be indemnified for Losses caused by its own gross negligence or own willful misconduct for which the Paying Agent has assumed liability pursuant to Section 7(c). In addition, when the Paying Agent acts on any information, instructions, communications, (including, but not limited to, communications with respect to the wire transfer of funds) sent by telex or facsimile, the Paying Agent, absent gross negligence, shall not be responsible or liable in the event such communication is not an authorized or authentic communication of the Issuer or is not in the form the Issuer sent or intended to send (whether due to fraud, distortion or otherwise). The Issuer shall indemnify the Paying Agent against any loss, liability, claim or expense (including legal fees and expenses) it may incur with its acting in accordance with any such communication. This paragraph shall survive the termination of this Agreement or the resignation or removal of the Paying Agent.

9. Miscellaneous.

(a) The Paying Agent and its officers, directors and employees, may become the owner of, or acquire any interest in, any Preferred Stock with the same rights that it or they would have if it were not appointed hereunder, and may engage or obtain an interest in any financial or other transaction with the Issuer.

(b) Any corporation into which the Paying Agent may be merged or converted or any corporation with which the Paying Agent may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Paying Agent shall be party shall, to the extent permitted by applicable law, be the successor Paying Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto except where an instrument of transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding. Notice of any such merger, conversion or consolidation shall forthwith be given to the Issuer.

Edgar Filing: CORNING INC /NY - Form 8-K

(c) Except as otherwise permitted herein, this Agreement may be modified only by a written amendment signed by all the parties hereto, and no waiver of any provision hereof shall be effective unless expressed in a writing signed by the party to be charged.

(d) The rights and remedies conferred upon the parties hereto shall be cumulative, and the exercise or waiver of any such right or remedy shall not preclude or inhibit the exercise of any additional rights or remedies. The waiver of any right or remedy hereunder shall not preclude the subsequent exercise of such right or remedy.

(e) The Issuer hereby represents and warrants (i) that this Agreement has been duly authorized, executed and delivered on its behalf and constitutes its legal, valid and binding obligation, (ii) that the execution, delivery and performance of this Agreement by such person does not and will not violate any applicable law or regulation and (iii) that the persons specified to the Paying Agent as "Issuer Authorized Person" are authorized to act on behalf of the Issuer.

(f) The invalidity, illegality or unenforceability of any provision of this Agreement shall in no way affect the validity, legality or enforceability of any other provision. If any provision is held to be unenforceable as a matter of law, the other provisions shall not be affected thereby and shall remain in full force and effect.

(g) This Agreement shall constitute the entire agreement of the parties with respect to the subject matter and supersedes all prior oral or written agreements in regard thereto.

(h) This Agreement shall terminate upon receipt by the Paying Agent of notice from the Issuer that all of the Preferred Stock has been redeemed, converted or otherwise cancelled. The provisions of this Section 9 and Sections 7(c), 8, 11 and 12 shall survive termination of this Agreement and/or the resignation or removal of the Paying Agent.

(i) No printed or other material in any language, including prospectuses other than the Prospectus, notices, reports, and promotional material which mentions "Citibank, N.A." by name or the rights, powers, or duties of the Paying Agent under this Agreement shall be issued by Issuer, without the prior written consent (which shall not be unreasonably withheld) of the Paying Agent.

(j) The headings contained in this Agreement are for convenience of reference only and shall have no effect on the interpretation or operation hereof.

(k) No party may assign any of its rights or obligations under this Agreement without the written consent of the other parties and any attempted assignment in contravention of this provision shall be null and void.

10. Changes in Paying Agent.

(a) The Issuer may terminate the appointment of the Paying Agent at any time upon thirty (30) calendar days prior notice in writing. The Paying Agent may resign at any time upon fifteen (15) calendar days' prior written notice thereof.

(b) If the appointment of the Paying Agent hereunder is terminated or the Paying Agent resigns its appointment hereunder, upon request of the Issuer, the Paying Agent shall execute and deliver an instrument transferring to the successor Paying Agent all of its rights (other than its rights to indemnity and payment hereunder) and powers and shall duly assign, transfer and deliver to the

Edgar Filing: CORNING INC /NY - Form 8-K

successor Paying Agent all property and money held by it in connection with its appointment as Paying Agent, but shall have no other duties or responsibilities hereunder.

(c) Within ten (10) calendar days after giving the foregoing notice of removal to the Paying Agent or receiving the foregoing notice of resignation from the Paying Agent, the Issuer shall appoint a successor Paying Agent, and provide written notice of such to the Paying Agent that is being removed or resigning. If a successor Paying Agent has not accepted such appointment by the end of such 10-day period, the Paying Agent may apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or for other appropriate relief. The costs and expenses (including reasonable attorneys fees and expenses) incurred by the Paying Agent in connection with such proceeding shall be paid by the Issuer. In the event of any such resignation or removal, the Paying Agent shall have no further obligation with respect to this Agreement.

(d) Upon the acceptance of the appointment of the successor Paying Agent, if applicable, and delivery of any Payment Amounts held by the predecessor Paying Agent hereunder, the predecessor Paying Agent shall have no further duties, responsibilities or obligations hereunder.

(e) If the Paying Agent shall change its specified office, it shall give to the Issuer not less than 30 days' prior written notice to that effect giving the address of the new specified office.
